Item 8.01 Other Events.

On February 12, 2013, Albemarle Corporation (the Company) issued a press release announcing that its Board of Directors has approved an increase in the number of shares the Company is permitted to repurchase under its share repurchase program (the Program). The Board of Directors initially authorized the Program on October 25, 2000, permitting the Company to repurchase up to ten million shares. Since then, the Company has regularly repurchased shares under the Program, resulting in the Board of Directors periodically authorizing additional shares for repurchase. The most recent authorization permits the Company to repurchase up to fifteen million shares, including those shares previously authorized, but not yet repurchased. The Program will expire when the Company has repurchased all the shares authorized under the updated Program or if the Board of Directors earlier terminates the Program. Should the Company repurchase all or most of the shares currently authorized, the Board, in the future, may decide to authorize additional shares under the Program. The Company currently expects to repurchase approximately 10% of its outstanding shares over the next 10 to 15 months.

On February 12, 2013, the Company also announced an increase of its quarterly dividend to \$0.24 per share of common stock, payable April 1, 2013.

The press release issued by the Company on February 12, 2013, announcing the increase in its share repurchase program and dividend increase, is attached hereto as Exhibit 99.1 and incorporated herein by reference.
