**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing**

On April 4, 2013, Natus Medical Incorporated (the Company) received a notice from The Nasdaq Stock Market LLC stating that because the Company had not yet filed its Annual Report on Form 10-K for the year ended December 31, 2012 (the 2012 Annual Report), the Company no longer complied with the Nasdaq listing requirements and specifically with Nasdaq Listing Rule 5250(c)(1). Nasdaq Listing Rule 5250(c)(1) requires that listed companies timely file all required periodic financial reports with the Securities and Exchange Commission (the Commission).

In a Form 12b-25 Notification of Late Filing filed by the Company with the Commission on March 18, 2013, the Company had reported that while its 2012 Annual Report could not be filed by the prescribed due date of March 18, 2013, the Company expected to file the 2012 Annual Report on or before April 2, 2013, which was the extended due date under Rule 12b-25. The Company was not, however, able to file the 2012 Annual Report within the extended filing period.

On April 10, 2013, the Company filed the 2012 Annual Report with the Commission and, by making such filing, has regained compliance with the Nasdaq listing requirements and specifically with Nasdaq Listing Rule 5250(c)(1).

On April 10, 2013, the Company is issuing a press release announcing the filing of the Company's Annual Report on Form 10-K with the Securities and Exchange Commission, the receipt of the notice from the Nasdaq Stock Market LLC, and other information.
