**Item 1.01. Entry into a Material Definitive Agreement.**

On May 1, 2013, Spark Networks, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with William Blair & Company, L.L.C. and Stifel, Nicolaus & Company, Incorporated, as representatives of the several Underwriters named in Schedule I thereto (collectively, the Underwriters), and the selling stockholders named in Schedule II thereto (collectively, the Selling Stockholders), relating to the public offering by the Company of 2,140,000 shares of its common stock, par value \$0.001 per share (Common Stock), and by the Selling Stockholders of 3,570,000 shares of Common Stock at a public offering price of \$6.25 per share. The Underwriters have a 30-day option to purchase from the Selling Stockholders an additional 856,500 shares of Common Stock to cover over-allotments, if any, at the public offering price per share, less the underwriting discounts and commissions.

The Underwriting Agreement includes customary representations, warranties and covenants by the Company and the Selling Stockholders. It also provides for customary conditions to closing, indemnification by each of the Company, the Selling Stockholders and the Underwriters against certain liabilities, including for liabilities under the Securities Act of 1933, and customary contribution provisions in respect of those liabilities. The foregoing description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.

The Company expects to receive approximately \$12.4 million in net proceeds from the sale of the shares of Common Stock, after payment of its estimated expenses related to the offering and underwriting discounts and commissions. The Company will not receive any proceeds from the sale of shares by the Selling Stockholders. The offering is being made pursuant to the Company's effective shelf registration statement on Form S-3 (File No. 333-187141) originally filed with the Securities and Exchange Commission (the SEC) on March 8, 2013 and declared effective on April 23, 2013, and the related prospectus supplement and accompanying prospectus. The offering is expected to close on or about May 7, 2013, subject to customary closing conditions.

**Forward-Looking Statements**

This report contains forward-looking statements that are subject to a number of risks and uncertainties, including statements relating to the Company's expectations with respect to the completion, timing and size of this offering. Additional risks and uncertainties relating to this offering, the Company and its business can be found under the heading Risk Factors in the Company's prospectus supplement and prospectus filed with the SEC on May 2, 2013, and in the Company's other filings with the SEC. Except as required by law, the Company does not undertake any obligation to revise or update information herein to reflect events or circumstances in the future, even if new information becomes available.
