NON-GAAP FINANCIAL MEASURES

Certain information incorporated by reference into this prospectus supplement and the accompanying prospectus, such as Exhibit 99.2 to the Form 8-K filed on May 3, 2013, contains financial measures, including adjusted net sales, adjusted gross margin, adjusted operating income, adjusted operating margin and adjusted earnings per share, that are considered non-GAAP financial measures under applicable Commission rules and regulations. These non-GAAP financial measures should be considered supplemental to, and not a substitute for, financial information prepared in accordance with generally accepted accounting principles. The definition of these non-GAAP financial measures may differ from similarly titled measures used by others.

The non-GAAP financial measures used adjust for specified items that can be highly variable or difficult to predict. We generally use these non-GAAP financial measures to facilitate management's financial and operational decision-making, including evaluation of our historical operating results, comparison to competitors' operating results and determination of management incentive compensation. These non-GAAP financial measures reflect an additional way of viewing aspects of our operations that, when viewed with GAAP results and the reconciliations to corresponding GAAP financial measures, may provide a more complete understanding of factors and trends affecting our business.

Because non-GAAP financial measures exclude the effect of items that will increase or decrease our reported results of operations, management strongly encourages you to review our consolidated financial statements and publicly filed reports in their entirety. A reconciliation of the non-GAAP financial measures to the most directly comparable GAAP financial measures is included in the tables furnished as part of Exhibit 99.2 to the Form 8-K filed on May 3, 2013, which is incorporated by reference into this prospectus supplement and the accompanying prospectus.

SUMMARY

This summary highlights selected information appearing elsewhere in this prospectus supplement and the accompanying prospectus and may not contain all of the information that is important to you. You should carefully read this prospectus supplement and the accompanying prospectus in their entirety, including the documents incorporated by reference.

The Company

We develop, manufacture and sell healthcare products for use in clinical and home settings. Our mission is to create and deliver innovative healthcare solutions, developed in ethical collaboration with medical professionals, which we believe enhance the quality of life for patients and improve outcomes for our customers and our shareholders. Our three reportable segments are as follows:

Medical Devices includes the development, manufacture and sale of endomechanical instruments, energy devices, soft tissue repair products, vascular products, oximetry and monitoring products, airway and ventilation products, and other medical products.

Pharmaceuticals includes the development, manufacture and distribution of specialty pharmaceuticals, active pharmaceutical ingredients, contrast products and radiopharmaceuticals.

Medical Supplies includes the development, manufacture and sale of nursing care products, medical surgical products, SharpSafety products and original equipment manufacturer (OEM) products.

Separation of Our Pharmaceuticals Business

In December 2011, we announced a plan to spin off our pharmaceuticals business into a stand-alone public company, Mallinckrodt plc. We anticipate that the transaction will be in the form of a distribution that will be tax-free to U.S. shareholders of publicly traded stock in Mallinckrodt plc (the "distribution"). Completion of the transaction is expected to be subject to certain conditions, including, among others, receipt of regulatory approvals, assurance as to the tax-free status of the spin-off of the pharmaceuticals business to our U.S. shareholders, the effectiveness of a Form 10 registration statement filed with the Commission and final approval by our Board of Directors. We currently expect to complete the transaction in June 2013; however, there can be no assurance regarding the ultimate timing of the proposed transaction or that the transaction will be completed. Subsequent to the separation, the historical results of our Pharmaceuticals segment will be presented as discontinued operations.

On May 3, 2013, we released historical financial statements adjusted for the upcoming expected discontinued operations, reflecting the anticipated separation of our Pharmaceuticals business. These financial statements cover fiscal years 2010 to 2012 and the first quarter of fiscal 2013.

In connection with the separation, we and Mallinckrodt plc will enter into a separation and distribution agreement and various other agreements, including a transition services agreement, a tax matters agreement and an employees matter agreement. These agreements will provide a framework for our relationship with Mallinckrodt plc after the separation and provide for the allocation between us and Mallinckrodt plc of our assets, employees, liabilities and obligations (including our property, employee benefits, environmental liabilities and tax liabilities) attributable to periods prior to, at and after the separation. Since such agreements are being negotiated in the context of a separation, the terms of such agreements may be more or less favorable than the terms that would have resulted from arms-length negotiations between unaffiliated parties. For additional information regarding the separation and distribution agreement and other agreements related to the proposed separation, see "Our Relationship with Mallinckrodt Following the Distribution."

RISK FACTORS

You should carefully consider the risks described below and in the documents incorporated by reference into this prospectus supplement and the accompanying prospectus before making a decision to invest in the notes. Some of these factors relate principally to our business and the industry in which we operate. Other factors relate principally to your investment in the notes. The risks and uncertainties described below are not the only ones facing us. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also materially and adversely affect our business and operations.

If any of the matters included in the following risks were to occur, our business, financial condition, results of operations, cash flows or prospects could be materially and adversely affected. In such case, you may lose all or part of your original investment.

Risks Relating to the Notes

The notes are effectively subordinated to our secured debt and the existing and future liabilities of our subsidiaries.

The notes are our senior unsecured obligations and will rank equal in right of payment to our other senior unsecured debt from time to time outstanding. At March 29, 2013, we had approximately \$5.0 billion in principal amount of indebtedness outstanding on a consolidated basis, all of which would rank equal in right of payment to the notes. The notes are not secured by any of our assets. Any future claims of secured lenders with respect to assets securing their loans will be prior to any claim of the holders of the notes with respect to those assets.

The subsidiaries of CIFSA and the subsidiaries of each of Covidien plc and Covidien Ltd. (other than CIFSA) have no obligation to pay any amounts due on the notes or to provide us with funds to meet our payment obligations on the notes, whether in the form of dividends, distributions, loans or other payments. In addition, any payment of dividends, loans or advances by our subsidiaries could be subject to statutory or contractual restrictions. Payments to us by our subsidiaries will also be contingent upon the subsidiaries' earnings and business considerations. Our right to receive any assets of any of our subsidiaries upon their bankruptcy, liquidation or reorganization, and therefore the right of the holders of the notes to participate in those assets, will be effectively subordinated to the claims of that subsidiary's creditors, including trade creditors. In addition, even if we are a creditor of any of our subsidiaries, our right as a creditor would be subordinate to any security interest in the assets of our subsidiaries and any indebtedness of our subsidiaries senior to that held by us.

The indenture does not restrict the amount of additional debt that we may incur.

The notes and indenture under which the notes will be issued do not place any limitation on the amount of unsecured debt that may be incurred by us. Our incurrence of additional debt may have important consequences for you as a holder of the notes, including making it more difficult for us to satisfy our obligations with respect to the notes, a loss in the market value of your notes and a risk that the credit rating of the notes is lowered or withdrawn.

An active trading market may not develop for the notes.

The notes are a new issue of securities with no established trading market. We do not intend to apply for listing of the notes on any national securities exchange or for quotation of the notes on any automated dealer quotation system. We have been advised by the underwriters that they presently intend to make a market in the notes after completion of the offering. However, they are under no obligation to do so and may discontinue any market-making activities at any time without any notice. We cannot assure the liquidity of the trading markets for the notes or that an active public market for the notes will develop. If an active public trading market for the notes does not develop, the market price and liquidity of the notes will be adversely affected. See Underwriting.

Table of Contents

CIFSA may not be able to repurchase the notes upon a change of control.

Upon the occurrence of a change of control event that constitutes a Change of Control Triggering Event as described under Description of Notes Change of Control Triggering Event, each holder of notes will have the right to require CIFSA to repurchase all or any part of such holder's notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to, but excluding, the repurchase date. If we experience a Change of Control Triggering Event, there can be no assurance that CIFSA would have sufficient financial resources available to satisfy its obligation to repurchase the notes. CIFSA's failure to repurchase the notes as required under the indenture governing the notes would result in a default under the indenture, which could have material adverse consequences for us and the holders of the notes. See Description of Notes Change of Control Triggering Event.

Our credit ratings may not reflect all risks of your investment in the notes.

The credit ratings assigned to the notes are limited in scope, and do not address all material risks relating to an investment in the notes, but rather reflect only the view of each rating agency at the time the rating is issued. An explanation of the significance of such rating from any rating agency may be obtained from such rating agency. There can be no assurance that such credit ratings will remain in effect for any given period of time or that a rating will not be lowered, suspended or withdrawn entirely by any rating agency, if, in such rating agency's judgment, circumstances so warrant. Agency credit ratings are not a recommendation to buy, sell or hold any security. Each agency's rating should be evaluated independently of any other agency's rating. Actual or anticipated changes or downgrades in our credit ratings, including any announcement that our ratings are under further review for a downgrade, could affect the market value of the notes and increase our corporate borrowing costs.

The terms of the indenture and the notes provide only limited protection against significant corporate events that could adversely impact your investment in the notes.

While the indenture and the notes contain terms intended to provide protection to noteholders upon the occurrence of certain events involving significant corporate transactions and our creditworthiness, such terms are limited and may not be sufficient to protect your investment in the notes.

The definition of the term Change of Control Triggering Event as described under Description of Notes Change of Control Triggering Event does not cover a variety of transactions (such as acquisitions by us or recapitalizations) that could negatively affect the value of your notes. If we were to enter into a significant corporate transaction that would negatively affect the value of the notes but would not constitute a Change of Control Triggering Event, CIFSA would not be required to offer to repurchase your notes prior to their maturity.

Furthermore, the indenture for the notes does not:

require us to maintain any financial ratios or specific levels of net worth, revenues, income, cash flow or liquidity;

limit our ability to incur indebtedness that is equal in right of payment to the notes;

restrict our subsidiaries' ability to issue securities or otherwise incur indebtedness that would be senior to our equity interests in our subsidiaries and therefore rank effectively senior to the notes;

limit the ability of our unrestricted subsidiaries to service indebtedness;

restrict our ability to repurchase or prepay any other of our securities or other indebtedness;

Edgar Filing: Covidien plc - Form 424B2

restrict our ability to make investments or to repurchase or pay dividends or make other payments in respect of our common stock or other securities ranking junior to the notes; or

limit our ability to sell, merge or consolidate any of our unrestricted subsidiaries.

S-12

Table of Contents

As a result of the foregoing, when evaluating the terms of the notes, you should be aware that the terms of the indenture and the notes do not restrict our ability to engage in, or to otherwise be a party to, a variety of corporate transactions, circumstances and events that could have an adverse impact on your investment in the notes.

The laws of Bermuda, Ireland and Luxembourg differ from the laws in effect in the United States and may afford less protection to holders of our securities.

It may not be possible to enforce court judgments obtained in the United States against Covidien Ltd. in Bermuda, Covidien plc in Ireland, or against CIFSA in Luxembourg, based on the civil liability provisions of the U.S. federal or state securities laws. In addition, there is some uncertainty as to whether the courts of Bermuda, Ireland or Luxembourg would recognize or enforce judgments of U.S. courts obtained against us or our directors or officers based on the civil liabilities provisions of the U.S. federal or state securities laws or hear actions against us or those persons based on those laws. We have been advised that the United States currently does not have a treaty with any of Bermuda, Ireland or Luxembourg providing for the reciprocal recognition and enforcement of judgments in civil and commercial matters. Therefore, a final judgment for the payment of money rendered by any U.S. federal or state court based on civil liability, whether or not based solely on U.S. federal or state securities laws, would not automatically be enforceable in Bermuda, Ireland or Luxembourg.

A final and conclusive judgment obtained against Covidien Ltd. under which a sum of money is payable (not being a sum payable in respect of taxes or other charges of a like nature, in respect of a fine or other penalty or in respect of multiple damages as defined in The Protection of Trading Interests Act 1981 of Bermuda) would nonetheless be enforceable by the Supreme Court of Bermuda under the common law doctrine of obligation by action on the debt evidenced by the judgment obtained. We would expect, on general principles, that such a proceeding would be successful provided that (i) the court which gave the judgment was competent to hear the action in accordance with private international law principles as applied in Bermuda, and (ii) the judgment is not contrary to public policy in Bermuda, has not been obtained by fraud or in proceedings contrary to natural justice and is not based on an error in Bermuda law. Enforcement of such a judgment against assets in Bermuda may involve the conversion of the judgment debt into Bermuda dollars, but the Bermuda Monetary Authority has indicated that its present policy is to give the consents necessary to enable recovery in the currency of the obligation.

A final and conclusive judgment obtained against Covidien plc will be enforced by the courts of Ireland if the following general requirements are met (i) U.S. courts must have had jurisdiction in relation to the particular defendant according to Irish conflict of law rules (the submission to jurisdiction by the defendant would satisfy this rule) and (ii) the judgment must be final and conclusive and the decree must be final and unalterable in the court which pronounces it. A judgment can be final and conclusive even if it is subject to appeal or even if an appeal is pending. Where however the effect of lodging an appeal under the applicable law is to stay execution of the judgment, it is possible that in the meantime the judgment should not be actionable in Ireland. It remains to be determined whether final judgment given in default of appearance is final and conclusive. However, Irish courts may refuse to enforce a judgment of the U.S. courts which meets the above requirements for one of the following reasons: (i) if the judgment is not for a definite sum of money; (ii) if the judgment was obtained by fraud; (iii) the enforcement of the judgment in Ireland would be contrary to natural or constitutional justice; (iv) the judgment is contrary to Irish public policy or involves certain U.S. laws which will not be enforced in Ireland; or (v) jurisdiction cannot be obtained by the Irish courts over the judgment debtors in the enforcement proceedings by personal service in Ireland or outside Ireland under Order 11 of the Ireland Superior Courts Rules.

A final and conclusive judgment obtained against CIFSA would nonetheless be enforceable by the Luxembourg courts subject to the applicable enforcement procedure provided under the Luxembourg New Civil Procedure Code. Such foreign judgment would be enforceable *provided that*: (i) it is enforceable in the country of origin, (ii) the court of origin must have had jurisdiction both according to its own laws and to the Luxembourg conflict of jurisdictions rules, (iii) the foreign proceedings must have been regular in light of the laws of the

Table of Contents

country of origin, (iv) the rights of defence must not have been violated, (v) the foreign court must have applied the law which is designated by the Luxembourg conflict of laws rules, or, at least, the judgment must not contravene the principles underlying these rules, (vi) the considerations of the foreign judgment as well as the judgment as such must not contravene Luxembourg international public policy, and (vii) the foreign judgment must not have been rendered as a result of or in connection with an evasion of Luxembourg law (*fraude à la loi*).

As a Bermuda company, Covidien Ltd. is governed by the Companies Act 1981 of Bermuda, which differs in some material respects from laws generally applicable to U.S. corporations and shareholders, including, among others, differences relating to interested director and officer transactions, shareholder lawsuits and indemnification. Likewise, the duties of directors and officers of a Bermuda company generally are owed to the company only. Shareholders of Bermuda companies generally do not have a personal right of action against directors or officers of the company and may exercise such rights of action on behalf of the company only in limited circumstances. Under Bermuda law, a company also may agree to indemnify directors and officers for any personal liability, not involving fraud or dishonesty, incurred in relation to the company. Thus, holders of Covidien Ltd. securities may have more difficulty protecting their interests than would holders of securities of a corporation incorporated in a jurisdiction of the United States.

As an Irish company, Covidien plc is governed by the Irish Companies Act, which differs in some material respects from laws generally applicable to U.S. corporations and shareholders, including, among others, differences relating to interested director and officer transactions and shareholder lawsuits. Likewise, the duties of directors and officers of an Irish company generally are owed to the company only. Shareholders of Irish companies generally do not have a personal right of action against directors or officers of the company and may exercise such rights of action on behalf of the company only in limited circumstances. Accordingly, holders of Covidien plc securities may have more difficulty protecting their interests than would holders of securities of a corporation incorporated in a jurisdiction of the United States.

As a Luxembourg company, CIFSA is governed by the law of August 10, 1915, on commercial companies, as amended, and its articles of association (the 1915 Law). The 1915 Law differs in some material respects from laws generally applicable to U.S. corporations and shareholders, including differences relating to interested director transactions, minority shareholder rights, shareholder lawsuits and shareholder indemnification. Under Luxembourg law, any director having an interest in a transaction submitted for approval to the board of directors (*conseil d'administration*) conflicting with that of the company shall be obliged to advise the board thereof and to cause a record of his statement to be included in the minutes of the meeting. The director may not take part in these deliberations. At the next following general meeting of shareholders, before any other resolution is put to vote, a special report shall be made on any transactions in which any of the directors may have had an interest conflicting with that of the company.

The duties of directors of a Luxembourg company are also generally owed to the company only. Except under certain limited circumstances, shareholders of a Luxembourg company do not generally have a personal right of action against the directors. Under Luxembourg law, a company may indemnify its directors for personal liability related to the exercise of their functions of director. Such indemnity typically does not apply in cases of fraud and criminal acts.

Due to the nature of Luxembourg's insolvency laws, the ability of the holders of the notes to protect their interests may be more limited than would be the case under U.S. bankruptcy laws. In the event of a winding up of CIFSA, the notes will be paid after payment of all secured debts, the cost of liquidation and certain debts of CIFSA that are entitled to priority under Luxembourg law. Such preferential debts include the following:

money owed to Luxembourg tax authorities, for example, in respect of income tax deducted at the source;

value-added tax and certain other taxes and duties owed to Luxembourg Customs and Excise;

Table of Contents

social security contributions; and

remuneration owed to employees.

If the bankruptcy administrator can show that preference has been given to any person by defrauding rights of creditors generally, regardless of when the transaction giving fraudulent preference to a party occurred, or if certain abnormal transactions have been effected during a relevant suspect period of six months plus 10 days prior to the date of bankruptcy, a court has the power, among other things, to void the preferential or abnormal transaction. This provision of Luxembourg insolvency law may affect transactions entered into or payments made by CIFSA during the period before liquidation or administration.

OUR RELATIONSHIP WITH MALLINCKRODT FOLLOWING THE DISTRIBUTION

Following the distribution, we and Mallinckrodt will operate as separate, independent public companies. Mallinckrodt is not and will not become an obligor or guarantor of the notes offered hereby. In connection with the separation, we will enter into certain agreements with Mallinckrodt to provide a framework for our relationship with Mallinckrodt after the separation and provide for the allocation between us and Mallinckrodt of our assets, employees, liabilities and obligations (including our property, employee benefits, environmental liabilities and tax liabilities) attributable to periods prior to, at and after Mallinckrodt's separation from Covidien plc. The following is a summary of the anticipated terms of the material agreements that we intend to enter into with Mallinckrodt in connection with the separation.

The agreements summarized below will be filed as exhibits to a Current Report on Form 8-K to be filed by Covidien plc following completion of the separation. The anticipated terms of the agreements summarized below have not yet been finalized. The summary below is based on the terms that currently are expected to be included in such agreements.

Separation and Distribution Agreement

The separation and distribution agreement will set forth the agreements between us and Mallinckrodt regarding the principal corporate transactions required to effect the separation and other agreements governing our relationship with Mallinckrodt.

The separation and distribution agreement will identify assets to be transferred, liabilities to be assumed and contracts to be assigned to each of us and Mallinckrodt as part of the separation, and it will provide for when and how these transfers, assumptions and assignments will occur. In particular, the separation and distribution agreement will provide, among other things, that, subject to the terms and conditions contained therein:

certain assets related to the businesses and operations of our Pharmaceuticals business (and certain legacy businesses and operations of Mallinckrodt entities), which we refer to as the Mallinckrodt Assets, will be transferred to Mallinckrodt or one of its subsidiaries;

certain liabilities (including whether accrued, contingent or otherwise) arising out of or resulting from the Mallinckrodt Assets, and other liabilities related to the businesses and operations of our Pharmaceuticals business (and certain legacy businesses and operations of Mallinckrodt entities), which we refer to as the Mallinckrodt Liabilities, will be retained by or transferred to Mallinckrodt or one of its subsidiaries;

all of the assets and liabilities (including whether accrued, contingent or otherwise) other than the Mallinckrodt Assets and Mallinckrodt Liabilities (such assets and liabilities, other than the Mallinckrodt Assets and the Mallinckrodt Liabilities, are referred to as the Excluded Assets and Excluded Liabilities, respectively) will be retained by or transferred to us or one of our subsidiaries; and

certain shared contracts will be assigned, in part to Mallinckrodt or its applicable subsidiaries or be appropriately amended. Except as may expressly be set forth in the separation and distribution agreement or any other transaction agreements, all assets will be transferred on an as is, where is basis and the respective transferees will bear the economic and legal risks that (1) any conveyance will prove to be insufficient to vest in the transferee good title, free and clear of any security interest, and (2) any necessary consents or governmental approvals are not obtained or any requirements of laws or judgments are not complied with. In general, each party to the separation and distribution agreement will assume liability for all pending, threatened and unasserted legal matters related to its own business or its assumed or retained liabilities and will indemnify the other party for any liability to the extent arising out of or resulting from such assumed or retained legal matters. In addition, the separation and

Table of Contents

distribution agreement will provide for cross-indemnities principally designed to place financial responsibility for the obligations and liabilities of Mallinckrodt's business with it and financial responsibility for the obligations and liabilities of our remaining business with us, among other indemnities. Specifically, each of Covidien plc and Mallinckrodt will indemnify, defend and hold harmless the other party, its subsidiaries and their respective directors, officers, employees and agents against any losses arising out of or resulting from:

the liabilities that each such party assumed or retained pursuant to the separation and distribution agreement (which, in the case of Mallinckrodt, would include the Mallinckrodt Liabilities and, in the case of Covidien plc, would include the Excluded Liabilities); and

any breach by such party of the separation and distribution agreement or the other transaction agreements.

Also, Mallinckrodt will indemnify, defend and hold harmless Covidien plc, its subsidiaries and their respective directors, officers, employees and agents from and against any losses arising out of or resulting from:

the operation of Mallinckrodt's business;

except to the extent it relates to an Excluded Liability, any guarantee, indemnification obligation, letter of credit reimbursement obligation, surety bond or other credit support agreement, arrangement, commitment or understanding for the benefit of Mallinckrodt or its subsidiaries by Covidien plc or any of its subsidiaries that survives following the distribution; and

any untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, with respect to all information contained in Mallinckrodt's registration statement on Form 10, the information statement, the offering memorandum for the April 2013 notes offering by Mallinckrodt International Finance S.A. or any other disclosure document that describes the separation or the distribution of Mallinckrodt and its subsidiaries or primarily relates to the transactions contemplated by the separation and distribution agreement.

In addition, Covidien plc will indemnify, defend and hold harmless Mallinckrodt, its subsidiaries and their respective directors, officers, employees and agents from and against any losses arising out of or resulting from the investigation and remediation of sites in Orrington, Maine and Penobscot River and Bay (as described in note 15 to our interim unaudited consolidated financial statements included in our Quarterly Report on Form 10-Q for the quarter ended March 29, 2013, which is incorporated by reference in this prospectus supplement.

The separation and distribution agreement also will specify procedures with respect to claims subject to indemnification and related matters.

To the extent that any transfers contemplated by the separation and distribution agreement have not been consummated on or prior to the distribution date, the parties will agree to cooperate to effect such transfers as promptly as practicable following the distribution date. In addition, each of the parties will agree to cooperate with the other party and use commercially reasonable efforts to take or to cause to be taken all actions, and to do, or to cause to be done, all things reasonably necessary under applicable law or contractual obligations to consummate and make effective the transactions contemplated by the separation and distribution agreement and the other transaction agreements.

The separation and distribution agreement also will govern the rights and obligations of us and Mallinckrodt regarding the distribution. The separation and distribution agreement will provide that our obligation to complete the distribution is subject to several customary conditions that must be satisfied (or waived by us in our sole discretion). Mallinckrodt will cooperate with us to accomplish the distribution and will, at our direction, promptly take any and all actions necessary or desirable to effect the distribution.

Table of Contents

The separation and distribution agreement may also provide for an adjustment payment to potentially be made following the distribution from Covidien plc to Mallinckrodt, or from Mallinckrodt to Covidien plc. The purpose of the adjustment payment is to compensate Mallinckrodt or Covidien plc, as applicable, to the extent that the aggregate of the cash, indebtedness and specified working capital accounts of Mallinckrodt as of the distribution date, as well as the capital expenditures made with respect to the Mallinckrodt business during fiscal 2013 through the distribution date, deviates from a specified target. The target will be set assuming that the distribution date is June 28, 2013, that the Mallinckrodt business is conducted in the ordinary course through that date and that Mallinckrodt will have approximately \$168 million of cash upon the completion of the distribution. The actual amount of cash that Mallinckrodt will have after giving effect to any adjustment payment may be more or less than \$168 million.

Under the separation and distribution agreement, following the separation, we and Mallinckrodt will be obligated to provide each other access to information in certain circumstances. The separation and distribution agreement also will impose obligations with respect to retention of information and confidentiality.

The separation and distribution agreement will provide for the allocation among the parties of rights and obligations under existing insurance policies with respect to occurrences prior to completion of the separation and will set forth procedures for the administration of insured claims. In addition, the separation and distribution agreement will allocate between the parties the right to proceeds and the obligation to incur certain deductibles under certain insurance policies.

The separation and distribution agreement may be terminated and the distribution may be amended, modified or abandoned at any time prior to the distribution by Covidien plc.

Transition Services Agreement

We will enter into a transition services agreement with Mallinckrodt in connection with the separation pursuant to which we and Mallinckrodt and our respective affiliates will provide each other, on an interim, transitional basis, various services, including, but not limited to, treasury administration, employee benefits administration, information technology services, non-exclusive distribution and importation services for Mallinckrodt's products in certain countries outside the United States, regulatory, general administrative services and other support services. The agreed-upon charges for such services are generally intended to allow the servicing party to recover all out-of-pocket costs and expenses and a predetermined profit equal to a mark-up of such out-of-pocket expenses. The party receiving each transition service will be provided with reasonable information that supports the charges for such transition service by the party providing the service.

The services generally will commence on the distribution date and terminate up to 24 months following the distribution date. Certain specified services may be extended beyond the original term at the recipient's election, subject to certain service charge increases. The receiving party may terminate certain specified services by giving prior written notice to the provider of such services and paying specified wind-down charges.

Subject to certain exceptions, the liabilities of each party providing services under the transition services agreement will generally be limited to the aggregate charges (excluding any third-party costs and expenses included in such charges) actually paid to such party by the other party pursuant to the transition services agreement. The transition services agreement also will provide that the provider of a service will not be liable to the recipient of such service for any special, indirect, incidental or consequential damages.

Tax Matters Agreement

In connection with the separation, we will enter into a tax matters agreement with Mallinckrodt that generally will govern Mallinckrodt's and our respective rights, responsibilities and obligations after the distribution with respect to certain taxes, including ordinary course of business taxes and taxes, if any, incurred

Table of Contents

as a result of any failure of the distribution of Mallinckrodt's shares to qualify as a tax-free distribution for U.S. federal income tax purposes within the meaning of Section 355 of the Code or other applicable tax law or any failure of certain internal transactions undertaken in anticipation of the distribution to qualify for tax-free or tax-favored treatment under the applicable tax law. The agreement will also assign rights and responsibilities for administrative matters, such as the filing of returns, payment of taxes due, retention of records and conduct of audits, examinations or similar proceedings. In addition, the agreement provides for cooperation and information sharing with respect to tax matters.

Under the tax matters agreement, we expect, with certain exceptions, that Mallinckrodt will generally be responsible for the payment of:

All taxes attributable to Mallinckrodt or its subsidiaries for taxable periods beginning on or after September 29, 2012; and

To the extent that Mallinckrodt's liability for such taxes (after taking into account certain tax benefits realized by us) does not, in the aggregate, exceed \$200 million, taxes attributable to the following:

Taxes attributable to Mallinckrodt or its subsidiaries for taxable periods beginning before September 29, 2012;

Certain taxes related to the separation; and

20% of certain taxes arising from a failure of the distribution or any internal transaction undertaken in anticipation of the distribution, to qualify for tax-free or tax-favored treatment under applicable tax law through no fault of us or Mallinckrodt.

Mallinckrodt's potential liability for any taxes related to periods prior to the distribution (after taking into account certain tax benefits realized by Mallinckrodt, including those which are subject to the provisions of the Tyco tax sharing agreement) is anticipated to be approximately \$150 million. The tax matters agreement also will contain restrictions on Mallinckrodt's ability to take actions without our consent that could cause the distribution or certain internal transactions undertaken in anticipation of the distribution to fail to qualify as tax-free or tax-favored transactions under applicable tax law, including entering into, approving or allowing any transaction that results in a change in ownership of more than 35% of Mallinckrodt's shares; any merger, consolidation, scheme of arrangement, liquidation or partial liquidation, or any approval or allowance of such transaction with respect to certain of Mallinckrodt's subsidiaries; the cessation or transfer of certain business activities; the sale, issuance or other disposition of any equity interest in certain of Mallinckrodt's subsidiaries; a sale or other disposition of a substantial portion of Mallinckrodt's assets or a substantial portion of the assets of certain of Mallinckrodt's subsidiaries; extraordinary distributions by or to certain of Mallinckrodt's subsidiaries; or engaging in certain internal transactions. These restrictions will all apply for the two-year period after the distribution and in some cases will apply for periods as long as five years following the distribution.

Moreover, the tax matters agreement generally will provide that a party thereto is responsible for any taxes imposed on any other party thereto as a result of the failure of the distribution or the internal transactions to qualify as tax-free or tax-favored transactions under the Code or other applicable tax law if such failure is attributable to certain post-distribution actions taken by or in respect of the responsible party or its shareholders, regardless of whether the actions occur more than two years after the distribution, or we consent to such actions. Any such taxes for which Mallinckrodt is liable as a result of its actions or the actions of its shareholders will not be subject to the \$200 million limitation described above.

Employee Matters Agreement

We will enter into an employee matters agreement with Mallinckrodt in connection with the separation to allocate assets, liabilities, responsibilities and obligations relating to employment matters, employee compensation, employee benefit plans, programs, arrangements and agreements and other related matters. In

Table of Contents

connection with the separation, we have or currently intend to transfer the employment of employees who will continue in employment with Mallinckrodt after the separation to an entity that will be within the Mallinckrodt controlled group after the separation. Also, Mallinckrodt has either assumed sponsorship of or adopted various employee benefit plans, including United States tax-qualified retirement plans, non-qualified deferred compensation plans and health and welfare benefit plans, that provide benefits to eligible current and former United States employees of our Pharmaceuticals business.

It is currently contemplated that the employee matters agreement will allocate responsibility to Mallinckrodt to continue to provide employee benefits to employees of our Pharmaceuticals business (*i.e.*, Mallinckrodt employees) upon the separation and to assume the responsibility for any assets and liabilities associated with the plans or programs providing such employee benefits. It is currently anticipated that Mallinckrodt employees who are resident outside of the United States or who otherwise are subject to non-U.S. law and their related benefits and obligations shall be treated in the same manner as the Mallinckrodt employees who are residents of the United States; provided, however, that all actions taken with respect to non-U.S. Mallinckrodt employees in connection with the separation will be accomplished in accordance with applicable law and custom in each of the applicable jurisdictions. In addition, it is currently contemplated that our outstanding equity awards held by active employees of our Pharmaceuticals business upon the separation will be converted into Mallinckrodt equity awards in connection with the distribution, except in certain non-U.S. jurisdictions where such conversion would either have an adverse tax impact or be subject to local exchange control requirements that make such conversion impracticable or impossible. The mechanics of this conversion will be set forth in the employee matters agreement. Finally, it is currently anticipated that the employee matters agreement will provide that (i) the distribution does not constitute a change in control for purposes of any Covidien employee benefit plan, program, agreement or arrangement and any Mallinckrodt employee benefit plan, program, agreement or arrangement assumed or adopted in anticipation of the separation; and (ii) the distribution and the continuation of employment of employees of our Pharmaceuticals business with Mallinckrodt after the separation will not constitute a severance event under any applicable plan, program, agreement or arrangement.

DESCRIPTION OF NOTES

The summary herein of certain provisions of the indenture governing the notes does not purport to be complete and is subject to, and is qualified in its entirety by reference to, all the provisions of the indenture (a form of which has been filed as an exhibit to the registration statement of which the accompanying prospectus is a part) as supplemented by a supplemental indenture, including definitions therein of certain terms. In this description, (i) the term "CIFSA" refers to Covidien International Finance S.A. and (ii) the terms "we," "our," and "us" refer to CIFSA and any of its successors and their respective subsidiaries.

General

The notes will be issued under an indenture dated as of October 22, 2007 as supplemented by a supplemental indenture, among us, Covidien plc, Covidien Ltd. and Deutsche Bank Trust Company Americas, as trustee (the "Indenture"). The notes will be a separate series of our debt securities (as that term is used in the accompanying prospectus).

We will issue a total of \$750,000,000 aggregate principal amount of senior notes that will mature on June 15, 2023 (the "notes").

The notes will bear interest at an annual rate of 2.950% per year. The notes will bear interest from May 16, 2013. The first interest payment date on the notes will be December 15, 2013. Interest is payable semi-annually on June 15 and December 15 to holders of record at the close of business on the June 1 and December 1 (whether or not that date is a business day), as the case may be, immediately preceding such interest payment date, and on the maturity date. Interest on the notes will be computed on the basis of a 360-day year composed of twelve 30-day months.

If any interest payment date would otherwise be a day that is not a business day, the related payment of interest will be postponed to the next date that is a business day and no interest will accrue on the amounts so payable for the period from and after that interest payment date to the next date that is a business day. If the maturity date falls on a day that is not a business day, the related payment of principal and interest will be made on the next business day as if it were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the next business day.

The notes will be issued in registered form in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The notes will be represented by one or more global notes registered in the name of DTC.

The notes will not be entitled to any sinking fund.

Ranking

CIFSA is a holding company that conducts substantially all of its operations through its subsidiaries. CIFSA's rights and the rights of its creditors, including holders of the notes, to participate in any distribution of assets of any subsidiary upon a liquidation or reorganization or otherwise of such subsidiary will be effectively subordinated to the claims of the subsidiary's creditors, except to the extent that CIFSA or any of its creditors may itself be a creditor of that subsidiary.

The notes and the guarantees will be senior unsecured obligations of CIFSA and Covidien plc and Covidien Ltd. (the "guarantors"), respectively, and will rank equally in right of payment with all existing and future unsecured and unsubordinated obligations of CIFSA and the guarantors, respectively. As of March 29, 2013, CIFSA had indebtedness of approximately \$5.0 billion that ranks equally with the notes, and the guarantors collectively had no third-party indebtedness.

Table of Contents

The notes and the guarantees will effectively rank junior to any future secured indebtedness of CIFSA and the guarantors, respectively, to the extent of the value of the assets securing such indebtedness. As of March 29, 2013, CIFSA and the guarantors had no secured indebtedness.

In addition, the notes are not guaranteed by any of Covidien plc's subsidiaries (other than Covidien Ltd.) and will therefore be effectively subordinated to all existing and future indebtedness and other obligations, including trade payables, of Covidien plc's subsidiaries (other than Covidien Ltd. and CIFSA), excluding any amounts owed to Covidien plc, Covidien Ltd. and CIFSA. Covidien plc, Covidien Ltd. and CIFSA derive their income from continuing operations and cash flow primarily through distributions from their respective subsidiaries. Claims of creditors of such subsidiaries generally will have priority with respect to the assets and earnings of such subsidiaries over the claims of creditors of Covidien plc, Covidien Ltd. or CIFSA, as the case may be, including holders of the notes. Accordingly, the notes will be effectively subordinated to creditors, including trade creditors and preferred stockholders, if any, of Covidien plc's subsidiaries (other than Covidien Ltd. and CIFSA). As of March 29, 2013, Covidien plc's subsidiaries (other than Covidien Ltd. and CIFSA) had approximately \$6.4 billion of liabilities, excluding intercompany liabilities. See "Risk Factors." The notes are effectively subordinated to our secured debt and the existing and future liabilities of our subsidiaries.

Negative Covenants

In addition to the covenants described under "Description of Debt Securities - Covenants" in the accompanying prospectus, the supplemental indenture for the notes contains the following additional negative covenants with respect to the notes:

Limitations on the Ability to Incur Liens

The Indenture provides that, so long as any of the notes remain outstanding (but subject to defeasance, as provided in the Indenture), CIFSA will not, and will not permit any Restricted Subsidiary to, issue, assume or guarantee any Indebtedness that is secured by a mortgage, pledge, security interest, lien or encumbrance (each a "lien") upon any property that at the time of such issuance, assumption or guarantee constitutes a Principal Property, or any shares of stock of or Indebtedness issued by any Restricted Subsidiary, whether now owned or hereafter acquired, without effectively providing that, for so long as such lien shall continue in existence with respect to such secured Indebtedness, the notes (together with, if CIFSA determines, any other Indebtedness of CIFSA ranking equally with the notes, it being understood that for purposes hereof, Indebtedness which is secured by a lien and Indebtedness which is not so secured shall not, solely by reason of such lien, be deemed to be of different ranking) shall be equally and ratably secured by a lien ranking ratably with or equal to (or at CIFSA's option prior to) such secured Indebtedness. The foregoing covenant shall not apply to:

liens existing on the date the notes were first issued;

liens on the stock, assets or Indebtedness of a person existing at the time such person becomes a Restricted Subsidiary unless created in contemplation of such person becoming a Restricted Subsidiary;

liens on any assets or Indebtedness of a person existing at the time such person is merged with or into or consolidated with or acquired by CIFSA or a Restricted Subsidiary or at the time of a purchase, lease or other acquisition of the assets of a corporation or firm as an entirety or substantially as an entirety by CIFSA or any Restricted Subsidiary;

liens on any Principal Property existing at the time of acquisition thereof by CIFSA or any Restricted Subsidiary, or liens to secure the payment of the purchase price of such Principal Property by CIFSA or any Restricted Subsidiary, or to secure any Indebtedness incurred, assumed or guaranteed by CIFSA or a Restricted Subsidiary for the purpose of financing all or any part of the purchase price of such Principal Property or improvements or construction thereon, which Indebtedness is incurred, assumed or guaranteed prior to, at the time of or within one year after such acquisition (or in the case of real

property, completion of such improvement or construction or commencement of full operation of such property, whichever is later); *provided, however*, that in the case of any such acquisition, construction or improvement, the lien shall not apply to any Principal Property theretofore owned by CIFSA or a Restricted Subsidiary, other than the Principal Property so acquired, constructed or improved (and any accessions thereto and improvements and replacements thereof and the proceeds of the foregoing);

liens securing Indebtedness owing by any Restricted Subsidiary to CIFSA, Covidien Ltd., Covidien plc or a subsidiary thereof or by CIFSA to Covidien Ltd. or Covidien plc;

liens in favor of the United States or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other country or any political subdivision thereof, to secure partial, progress, advance or other payments pursuant to any contract, statute, rule or regulation or to secure any Indebtedness incurred or guaranteed for the purpose of financing all or any part of the purchase price (or, in the case of real property, the cost of construction or improvement) of the Principal Property subject to such liens (including liens incurred in connection with pollution control, industrial revenue or similar financings);

pledges, liens or deposits under workers' compensation or similar legislation, and liens thereunder that are not currently dischargeable, or in connection with bids, tenders, contracts (other than for the payment of money) or leases to which CIFSA or any Restricted Subsidiary is a party, or to secure the public or statutory obligations of CIFSA or any Restricted Subsidiary, or in connection with obtaining or maintaining self-insurance, or to obtain the benefits of any law, regulation or arrangement pertaining to unemployment insurance, old age pensions, social security or similar matters, or to secure surety, performance, appeal or customs bonds to which CIFSA or any Restricted Subsidiary is a party, or in litigation or other proceedings in connection with the matters heretofore referred to in this bullet point, such as interpleader proceedings, and other similar pledges, liens or deposits made or incurred in the ordinary course of business;

liens created by or resulting from any litigation or other proceeding that is being contested in good faith by appropriate proceedings, including liens arising out of judgments or awards against CIFSA or any Restricted Subsidiary with respect to which CIFSA or such Restricted Subsidiary in good faith is prosecuting an appeal or proceedings for review or for which the time to make an appeal has not yet expired; or final unappealable judgment liens which are satisfied within 15 days of the date of judgment; or liens incurred by CIFSA or any Restricted Subsidiary for the purpose of obtaining a stay or discharge in the course of any litigation or other proceeding to which CIFSA or such Restricted Subsidiary is a party;

liens for taxes or assessments or governmental charges or levies not yet due or delinquent; or that can thereafter be paid without penalty, or that are being contested in good faith by appropriate proceedings; landlords' liens on property held under lease; and any other liens or charges incidental to the conduct of the business of CIFSA or any Restricted Subsidiary, or the ownership of their respective assets, that were not incurred in connection with the borrowing of money or the obtaining of advances or credit and that, in the opinion of the board of directors of CIFSA, do not materially impair the use of such assets in the operation of the business of CIFSA or such Restricted Subsidiary or the value of such Principal Property for the purposes of such business;

liens to secure CIFSA's or any Restricted Subsidiary's obligations under agreements with respect to spot, forward, future and option transactions, entered into in the ordinary course of business;

liens not permitted by the foregoing bullet points, if at the time of, and after giving effect to, the creation or assumption of any such lien, the aggregate amount of all outstanding Indebtedness of CIFSA and its Restricted Subsidiaries (without duplication) secured by all such liens not so permitted by the foregoing bullet points, together with the Attributable Debt in respect of Sale and Lease-Back Transactions permitted by the first bullet point under *Limitation on Sale and Lease-Back Transactions* below does not exceed the greater of \$675 million and 10% of Consolidated Net Worth; and

Table of Contents

any extension, renewal or replacement (or successive extensions, renewals or replacements), in whole or in part, of any lien referred to in the foregoing bullet points if the principal amount of Indebtedness secured thereby unless otherwise excepted under the above bullet points does not exceed the principal amount of Indebtedness so secured at the time of such extension, renewal or replacement and that such extension, renewal or replacement is limited to all or a part of the assets (or any replacement assets) that secured the lien so extended, renewed or replaced (plus improvements and construction on real property).

Although this covenant limits CIFSA's and any Restricted Subsidiary's ability to incur indebtedness that is secured by liens on Principal Properties or on the shares of stock of or indebtedness issued by any Restricted Subsidiary, it would not prevent our subsidiaries that are not Restricted Subsidiaries from incurring Indebtedness secured by liens on shares of stock of or Indebtedness issued by Restricted Subsidiaries.

Limitation on Sale and Lease-Back Transactions

The Indenture provides that so long as any of the notes remain outstanding (but subject to defeasance, as provided in the Indenture), CIFSA will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Lease-Back Transaction unless:

CIFSA or such Restricted Subsidiary, at the time of entering into a Sale and Lease-Back Transaction, would be entitled to incur Indebtedness secured by a lien on the Principal Property to be leased in an amount at least equal to the Attributable Debt in respect of such Sale and Lease-Back Transaction, without equally and ratably securing the notes pursuant to the covenant described under Limitations on the Ability to Incur Liens; or

the direct or indirect proceeds of the sale of the Principal Property to be leased are at least equal to the fair value of such Principal Property (as determined by CIFSA's board of directors) and an amount equal to the net proceeds from the sale of the property or assets so leased is applied, within 180 days of the effective date of any such Sale and Lease-Back Transaction, to the purchase or acquisition (or, in the case of real property, commencement of the construction) of property or assets or to the retirement (other than at maturity or pursuant to a mandatory sinking fund or mandatory redemption provision) of notes, or of Funded Indebtedness of CIFSA or a consolidated subsidiary ranking on a parity with or senior to the notes; *provided* that there shall be credited to the amount of net proceeds required to be applied pursuant to this bullet point an amount equal to the sum of (i) the principal amount of notes delivered within 180 days of the effective date of such Sale and Lease-Back Transaction to the trustee for retirement and cancellation and (ii) the principal amount of other Funded Indebtedness voluntarily retired by CIFSA within such 180-day period, excluding retirements of notes and other Funded Indebtedness as a result of conversions or pursuant to mandatory sinking fund or mandatory prepayment provisions.

For purposes of this Negative Covenants section, the following terms have the following meanings:

Attributable Debt in connection with a Sale and Lease-Back Transaction, as of any particular time, means the aggregate of present values (discounted at a rate that, at the inception of the lease, represents the effective interest rate that the lessee would have incurred to borrow over a similar term the funds necessary to purchase the leased assets) of the obligations of CIFSA or any Restricted Subsidiary for net rental payments during the remaining term of the applicable lease, including any period for which such lease has been extended or, at the option of the lessor, may be extended. The term net rental payments under any lease of any period shall mean the sum of the rental and other payments required to be paid in such period by the lessee thereunder, not including any amounts required to be paid by such lessee, whether or not designated as rental payments or additional rental payments, on account of maintenance and repairs, reconstruction, insurance, taxes, assessments, water rates or similar charges required to be paid by such lessee thereunder or any amounts required to be paid by such lessee thereunder contingent upon the amount of sales, maintenance and repairs, reconstruction, insurance, taxes, assessments, water rates or similar charges.

Table of Contents

Consolidated Net Worth at any date means total assets less total liabilities, in each case appearing on the most recently prepared consolidated balance sheet of Covidien plc and its subsidiaries as of the end of a fiscal quarter of Covidien plc, prepared in accordance with GAAP as in effect on the date of the consolidated balance sheet.

Consolidated Tangible Assets at any date means total assets less all intangible assets appearing on the most recently prepared consolidated balance sheet of Covidien plc and its subsidiaries as of the end of a fiscal quarter of Covidien plc, prepared in accordance with GAAP as in effect on the date of the consolidated balance sheet. *Intangible assets* means the amount (if any) stated under the heading *Goodwill and Other Intangible Assets, Net* or under any other heading of intangible assets separately listed, in each case on the face of such consolidated balance sheet.

Funded Indebtedness means any Indebtedness maturing by its terms more than one year from the date of the determination thereof, including any Indebtedness renewable or extendible at the option of the obligor to a date later than one year from the date of the determination thereof.

GAAP means generally accepted accounting principles set forth in the FASB Accounting Standards Codification or in such other statements by such other entity as may be approved by a significant segment of the accounting profession of the United States, as in effect from time to time. At any time after the initial date of issuance of the notes, CIFSA may elect (by providing written notice to the trustee) to apply International Financial Reporting Standards (*IFRS*) in lieu of GAAP and, upon any such election, references herein to GAAP shall thereafter be construed to mean IFRS (except as otherwise provided herein); *provided* that any such election, once made, shall be irrevocable.

Indebtedness means, without duplication, the principal amount (such amount being the face amount or, with respect to original issue discount bonds or zero coupon notes, bonds or debentures or similar securities, determined based on the accreted amount as of the date of the most recently prepared consolidated balance sheet of Covidien plc and its subsidiaries as of the end of a fiscal quarter of Covidien plc prepared in accordance with GAAP as in effect on the date of such consolidated balance sheet) of (i) all obligations for borrowed money, (ii) all obligations evidenced by debentures, notes or other similar instruments, (iii) all obligations in respect of letters of credit or bankers' acceptances or similar instruments or reimbursement obligations with respect thereto (such instruments to constitute Indebtedness only to the extent that the outstanding reimbursement obligations in respect thereof are collateralized by cash or cash equivalents reflected as assets on a balance sheet prepared in accordance with GAAP), (iv) all obligations to pay the deferred purchase price of property or services, except (A) trade and similar accounts payable and accrued expenses, (B) employee compensation, deferred compensation and pension obligations, and other obligations arising from employee benefit programs and agreements or other similar employment arrangements, (C) obligations in respect of customer advances received and (D) obligations in connection with earnout and holdback agreements, in each case in the ordinary course of business, (v) all obligations as lessee to the extent capitalized in accordance with GAAP, and (vi) all Indebtedness of others consolidated in such balance sheet that is guaranteed by CIFSA or any of its subsidiaries or for which CIFSA or any of its subsidiaries is legally responsible or liable (whether by agreement to purchase indebtedness of, or to supply funds or to invest in, others).

Principal Property means any U.S. manufacturing, processing or assembly plant or any U.S. warehouse or distribution facility of Covidien plc or any of its subsidiaries that is used by any U.S. subsidiary of CIFSA and (A) is owned by Covidien plc or any subsidiary of Covidien plc on the date hereof, (B) the initial construction of which has been completed after the date hereof or (C) is acquired after the date of the initial issuance of the notes, in each case other than any such plants, facilities, warehouses or portions thereof, that in the opinion of the board of directors of CIFSA, are not collectively of material importance to the total business conducted by Covidien plc and its subsidiaries as an entirety, or that has a net book value (excluding any capitalized interest expense) on the date of the initial issuance of the notes in the case of clause (A) of this definition, on the date of completion of the initial construction in the case of clause (B) of this definition or on the date of acquisition in the case of clause (C) of this definition, of less

than 2.0% of Consolidated Tangible Assets on the consolidated balance sheet of Covidien plc and its subsidiaries as of the applicable date.

Restricted Subsidiary means any subsidiary of CIFSA that owns or leases a Principal Property.

Sale and Lease-Back Transaction means an arrangement with any person providing for the leasing by CIFSA or a Restricted Subsidiary of any Principal Property whereby such Principal Property has been or is to be sold or transferred by CIFSA or a Restricted Subsidiary to such person other than Covidien plc, Covidien Ltd., CIFSA or any of their respective subsidiaries; *provided, however*, that the foregoing shall not apply to any such arrangement involving a lease for a term, including renewal rights, for not more than three years.

Events of Default

In addition to the events of default described under "Description of Debt Securities - Events of Default" in the accompanying prospectus, the supplemental indenture for the notes contains the following additional event of default with respect to the notes:

an event of default shall occur and be continuing with respect to CIFSA's, Covidien Ltd.'s or Covidien plc's Indebtedness for borrowed money (other than Non-Recourse Indebtedness) under any indenture or other instrument evidencing or under which CIFSA, Covidien Ltd. or Covidien plc shall have a principal amount outstanding (such amount with respect to original issue discount bonds or zero coupon notes, bonds or debentures or similar securities based on the accreted amount determined in accordance with GAAP and as of the date of the most recently prepared consolidated balance sheet of CIFSA, Covidien Ltd. or Covidien plc, as the case may be) in excess of \$100,000,000, and such event of default shall involve the failure to pay the principal of such Indebtedness on the final maturity date thereof after the expiration of any applicable grace period with respect thereto, or such Indebtedness shall have been accelerated so that the same shall have become due and payable prior to the date on which the same would otherwise have become due and payable, and such acceleration shall not be rescinded or annulled within ten business days after notice thereof shall have been given to CIFSA, Covidien Ltd. and Covidien plc by the trustee, or to CIFSA, Covidien Ltd., Covidien plc and the trustee by the holders of at least 25% in aggregate principal amount of the outstanding debt securities of all series under the Indenture affected thereby; *provided* that, if such event of default under such Indenture or instrument shall be remedied or cured by CIFSA, Covidien Ltd. or Covidien plc or waived by the requisite holders of such Indebtedness, then the event of default under the Indenture by reason thereof shall be deemed likewise to have been thereupon remedied, cured or waived without further action upon the part of either the trustee or any of the holders of debt securities under the Indenture.

For purposes of this "Events of Default" section, the following terms have the following meanings:

Indebtedness has the definition given to it under "Negative Covenants" above.

Non-Recourse Indebtedness means Indebtedness upon the enforcement of which recourse may be had by the holder(s) thereof only to identified assets of Covidien plc, Covidien Ltd. or CIFSA or any subsidiary of Covidien plc, Covidien Ltd. or CIFSA and not to Covidien plc, Covidien Ltd. or CIFSA or any subsidiary of Covidien plc, Covidien Ltd. or CIFSA personally (subject to, for the avoidance of doubt, customary exceptions contained in non-recourse financings to the non-recourse nature of the obligations thereunder).

Issuance of Additional Notes

The Indenture does not limit the amount of debt securities that we may issue under the Indenture and provides that debt securities may be issued from time to time in one or more series. We may from time to time, without giving notice to or seeking the consent of the holders of the notes, issue debt securities having the same

Table of Contents

ranking and the same interest rate, maturity and other terms (except for the issue date, the public offering price and the first interest payment date) as, and ranking equally and ratably with, the notes. Any additional debt securities having such similar terms, together with the notes, will constitute a single series of securities under the Indenture, including for purposes of voting and redemptions; *provided* that if the additional debt securities are not fungible with the notes for U.S. federal income tax purposes, the additional debt securities will have a separate CUSIP number.

No such additional debt securities may be issued if an event of default (as such term is defined in the accompanying prospectus) has occurred and is continuing with respect to the notes.

Optional Redemption

In addition to the redemption provisions described under Description of Debt Securities Redemption Upon Changes in Withholding Taxes in the accompanying prospectus, the supplemental indenture for the notes contains the additional redemption provisions with respect to the notes described in this Optional Redemption section.

The notes will be redeemable, in whole or in part (in integral multiples of \$1,000, with any portion of a holder's notes not redeemed to be in a minimum denomination of \$2,000 and integral multiples in excess thereof), solely at CIFSA's option, at any time and from time to time prior to March 15, 2023 (three months prior to their maturity), on not less than 30 nor more than 60 days' prior notice mailed to the holders of the notes to be redeemed, at a redemption price equal to the greater of:

100% of the principal amount of the notes to be redeemed, and

as determined by the Quotation Agent and delivered to the trustee, the sum of the present values of the remaining scheduled payments of principal and interest thereon due on any date after the redemption date (excluding the portion of interest that will be accrued and unpaid to and including the redemption date) discounted from their scheduled date of payment to the redemption date (assuming a 360-day year consisting of twelve 30-day months) at the Adjusted Redemption Treasury Rate *plus* 15 basis points, *plus*, accrued and unpaid interest, if any, to, but excluding, the redemption date.

In addition, CIFSA may, at its option, redeem the notes, in whole or in part, at any time or from time to time on or after March 15, 2023 (three months prior to their maturity), at a redemption price equal to 100% of the principal amount of the notes to be redeemed, *plus* accrued and unpaid interest, if any, to, but excluding, the redemption date.

For purposes of this Optional Redemption section:

Adjusted Redemption Treasury Rate with respect to any redemption date means the rate equal to the semiannual equivalent yield to maturity or interpolated (on a 30/360 day count basis) yield to maturity of the Comparable Redemption Treasury Issue, assuming a price for the Comparable Redemption Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Redemption Treasury Price for such redemption date.

Comparable Redemption Treasury Issue means the United States Treasury security selected by the Quotation Agent as having a maturity comparable to the remaining term of the notes to be redeemed that will be utilized at the time of selection and in accordance with customary financial practice in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes.

Table of Contents

Comparable Redemption Treasury Price with respect to any redemption date means:

the average of the Redemption Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest such Redemption Reference Treasury Dealer Quotations (unless there is more than one highest or lowest quotation, in which case only one such highest and/or lowest quotation shall be excluded), or

if the Quotation Agent obtains fewer than four such Redemption Reference Treasury Dealer Quotations, the average of all such Redemption Reference Treasury Dealer Quotations.

Quotation Agent means a Redemption Reference Treasury Dealer appointed as such agent by CIFSA.

Redemption Reference Treasury Dealer means (a) each of Barclays Capital Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, and Morgan Stanley & Co. LLC or their affiliates which are primary U.S. government securities dealers, and their respective successors; *provided, however,* that if any of the foregoing shall cease to be a primary U.S. government securities dealer (a *Primary Treasury Dealer*), we will substitute therefor another Primary Treasury Dealer selected by us and (b) any other Primary Treasury Dealer selected by us.

Redemption Reference Treasury Dealer Quotations with respect to each Redemption Reference Treasury Dealer and any redemption date means the average, as determined by the Quotation Agent, of the bid and offer prices at 11:00 a.m., New York City time, for the Comparable Redemption Treasury Issue (expressed in each case as a percentage of its principal amount) for settlement on the redemption date quoted in writing to the Quotation Agent by such Redemption Reference Treasury Dealer on the third business day preceding such redemption date.

Change of Control Triggering Event

Upon the occurrence of a Change of Control Triggering Event with respect to the notes, unless CIFSA has exercised its right to redeem such notes as described under *Optional Redemption*, each holder of such notes will have the right to require that CIFSA repurchase all or a portion of such holder's notes (in integral multiples of \$1,000, with any portion of such holder's notes not repurchased to be in a minimum denomination of \$2,000 and integral multiples in excess thereof) pursuant to the offer described below (the *Change of Control Offer*), at a repurchase price equal to 101% of the principal amount of the notes to be repurchased, *plus* accrued and unpaid interest, if any, to, but excluding, the repurchase date.

Within 30 days following the date upon which the Change of Control Triggering Event occurred, or at CIFSA's option, prior to any Change of Control, but after the public announcement of the Change of Control, CIFSA is required to send, by first class mail, a notice to each noteholder, with a copy to the trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state, among other things, the repurchase date, which must be no earlier than 30 days nor later than 60 days from the date such notice is mailed, other than as may be required by law (the *Change of Control Payment Date*). The notice, if mailed prior to the date of consummation of the Change of Control, shall state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date. Holders of notes electing to have notes repurchased pursuant to a Change of Control Offer will be required to surrender their notes, with the form entitled *Option of Holder to Elect Repurchase* on the reverse of the note completed, or transfer their notes by book-entry transfer, to the paying agent at the address specified in the notice prior to the close of business on the third business day prior to the Change of Control Payment Date.

CIFSA will not be required to make a Change of Control Offer if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for such an offer made by CIFSA and such third party purchases all notes properly tendered and not withdrawn under its offer.

Table of Contents

Consummation of any such transaction in certain circumstances may require redemption or repurchase of the notes, and CIFSA or the acquiring party may not have sufficient financial resources to effect such redemption or repurchase. Provisions in the Indenture relating to a Change of Control Triggering Event may, in certain circumstances, make it more difficult or discourage any leveraged buyout of Covidien plc or any of its subsidiaries. The Indenture may not afford the holders of notes protection in all circumstances from the adverse aspects of a highly leveraged transaction, reorganization, restructuring, merger or similar transaction.

CIFSA will comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act) and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of notes pursuant to a Change of Control Offer. To the extent that any securities laws or regulations conflict with the Change of Control provisions of the Indenture, CIFSA will comply with the applicable securities laws and regulations and shall be deemed not to have breached its obligations under the Change of Control provisions of the Indenture by virtue thereof.

For purposes of this Change of Control Triggering Event section, the following terms have the following meanings:

Below Investment Grade Rating Event means the notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of such notes is under publicly-announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a Below Investment Grade Rating Event otherwise arising by virtue of a particular reduction in rating shall be deemed not to have occurred in respect of a particular Change of Control (and thus shall be deemed not to be a Below Investment Grade Rating Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the Below Investment Grade Rating Event).

Change of Control Triggering Event means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

Change of Control means the occurrence of any of the following events:

the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of Covidien plc and its subsidiaries taken as a whole to any person or group of persons for purposes of Section 13(d) of the Exchange Act other than Covidien plc or one of its subsidiaries or a person controlled by Covidien plc or one of its subsidiaries;

consummation of any transaction (including any merger or consolidation) the result of which is that any person (as that term is used in Section 13(d)(3) of the Exchange Act) other than Covidien plc or its subsidiaries' employee benefit plans, becomes the beneficial owner (as defined in Rules 13(d)(3) and 13(d)(5) under the Exchange Act), directly or indirectly, of more than 50% of the outstanding voting stock of Covidien plc, measured by voting power rather than number of shares; or

the replacement of a majority of the board of directors of Covidien plc over a two-year period from the directors who constituted the board of directors of Covidien plc at the beginning of such period, and such replacement shall not have been approved by at least a majority of the board of directors of Covidien plc then still in office (either by a specific vote or by approval of a proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination) who either were members of such board of directors at the beginning of such period or whose election as a member of such board of directors was previously so approved.

Table of Contents

Notwithstanding the foregoing, a transaction effected to create a holding company for Covidien plc will not be deemed to involve a Change of Control if: (1) pursuant to such transaction Covidien plc becomes a direct or indirect wholly-owned subsidiary of such holding company, (2) the direct or indirect holders of the voting stock of such holding company immediately following that transaction are substantially the same as the holders of Covidien plc's voting stock, if any, immediately prior to that transaction and (3) immediately following the transaction no person is the beneficial owner, directly or indirectly, of more than 50% of the voting power represented by the outstanding voting stock of such holding company. Following any such transaction, references in this definition to Covidien plc shall be deemed to refer to such holding company. For purposes of this definition, voting stock of any specified person (as that term is used in Section 13(d)(3) of the Exchange Act) as of any date means the capital stock of such person that is at the time entitled to vote generally in the election of the board of directors of such person.

Fitch means Fitch Ratings Ltd.

CERTAIN LUXEMBOURG, BERMUDA AND IRELAND TAX CONSIDERATIONS

Luxembourg

The following summary is of a general nature only and is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a withholding tax or a tax of a similar nature refers to Luxembourg tax law and/or concepts only.

Withholding Tax

Non-resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 mentioned below, as amended (the Savings Laws), there is no withholding tax on payments of principal, premium or interest made to non-resident holders of notes, nor on accrued but unpaid interest in respect of notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the notes held by non-resident holders of notes.

Under the Savings Laws implementing the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the EU Savings Directive) and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the Territories), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Savings Laws, which are resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the notes coming within the scope of the Savings Laws will be subject to withholding tax of 35%.

The Luxembourg Government has announced its intention to introduce, as of 1 January 2015, automatic exchange of information with respect to the EU Savings Directive.

Resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005, as amended (the Relibi Law), there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of notes, nor on accrued but unpaid interest in respect of notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of notes held by Luxembourg resident holders of notes.

Under the Relibi Law, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 10%. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the notes coming within the scope of the Relibi Law would be subject to withholding tax of 10%.

Bermuda

Under current law, no income, withholding or other taxes or stamp, registration or other duties are imposed in Bermuda upon the issue, transfer or sale of the notes, or payments made in respect of the notes. As of the date hereof, there is no Bermuda income, company or profits tax, withholding tax, capital gains tax, capital transfer tax, estate duty or inheritance tax payable in respect of capital gains realized on a disposition of securities issued by Covidien Ltd. or in respect of distribution by Covidien Ltd. with respect to Covidien Ltd.'s securities. Furthermore, Covidien Ltd. has received from the Minister of Finance of Bermuda under the Exempted Undertakings Tax Protection Act of 1966 an undertaking that, in the event of there being enacted in Bermuda any legislation imposing any tax computed on profits or income, including any dividend or capital gains withholding tax, or computed on any capital assets, gain or appreciation or any tax in the nature of an estate or inheritance tax or duty, the imposition of such tax shall not be applicable to Covidien Ltd. or any of its operations or obligations until March 28, 2016. This undertaking applies to securities issued by Covidien Ltd. It does not, however, prevent the application of Bermuda taxes to persons ordinarily resident in Bermuda. As an exempted company, Covidien Ltd. is liable to pay, in Bermuda, an annual registration fee based on its assessable capital, comprising the amount of its authorized share capital and share premium account, at a rate not exceeding \$31,120 per annum.

Ireland

The following is a summary based on the laws and practices currently in force in Ireland of certain matters regarding the tax position of investors who are the absolute beneficial owners of their notes and should be treated with appropriate caution. Particular rules may apply to certain classes of taxpayers holding notes including dealers in securities and trusts. The summary does not constitute tax or legal advice and the comments below are of a general nature only. Investors should consult their professional advisers on the tax implications of the purchase, holding, redemption or sale of the notes and the receipt of interest thereon under the laws of their country of residence, citizenship or domicile.

Withholding Tax

Tax at the standard rate of income tax (currently 20%) is required to be withheld from payments of Irish source interest. An issuer of notes will not be obliged to withhold tax from payments of interest and premium (if any) on the notes so long as such payments do not constitute Irish source income. Interest and any premium paid on the notes may be treated as having an Irish source if:

the issuer is resident in Ireland for tax purposes; or

the issuer is not resident in Ireland for tax purposes but the register for the notes is maintained in Ireland or (if the notes are in bearer form) the notes are physically held in Ireland; or

the assets relating to the notes are attributed to an Irish branch or agency of the issuer.

CIFSA, the issuer of notes, confirms that it is not and will not be resident in Ireland for tax purposes and that it will not bring bearer notes (if any) into Ireland nor maintain a register of any registered notes in Ireland.

Tax at the standard rate of income tax (currently 20%) may be required to be withheld from guarantee payments as they could be treated as having an Irish source. Please see *Description of Debt Securities* *Payment of Additional Amounts* in the accompanying prospectus.

Taxation of Receipts

Notwithstanding that a noteholder may receive payments of interest or premium (if any) on the notes or guarantee payments under the notes free of Irish withholding tax, the noteholder may still be liable to pay Irish income or corporation tax on such interest, premium or guarantee payment if (i) such interest, premium or guarantee payment has an Irish source, (ii) the noteholder is resident or (in the case of a person other than a body

Table of Contents

corporate) ordinarily resident in Ireland for tax purposes or (iii) the notes are attributed to a branch or agency in Ireland. Noteholders who are individuals may also be liable to pay social insurance (PRSI) contributions and the universal social charge. Ireland operates a self-assessment system in respect of income and corporation tax, and each person must assess its own liability to Irish tax. Relief from Irish income tax may be available under the specific provisions of a double taxation agreement between Ireland and the country of residence of the recipient.

Encashment Tax

In certain circumstances, Irish tax will be required to be withheld at the standard rate of income tax (currently 20%) from interest or premium paid on notes issued by a company not resident in Ireland, where such interest or premium is collected or realised by a bank or encashment agent in Ireland on behalf of any noteholder.

Encashment tax does not apply where the noteholder is not resident in Ireland and has made a declaration in the prescribed form to the encashment agent or bank.

Capital Gains Tax

A noteholder will not be subject to Irish tax on capital gains on a disposal of notes unless such holder is either resident or ordinarily resident in Ireland or carries on a trade or business in Ireland through a permanent establishment, branch or agency in respect of which the notes were used or held.

Capital Acquisitions Tax

A gift or inheritance comprising of notes will be within the charge to capital acquisitions tax (which subject to available exemptions and reliefs is currently levied at 33%) if either (i) the disponent or the donee/successor in relation to the gift or inheritance is resident or ordinarily resident in Ireland (or, in certain circumstances, if the disponent is domiciled in Ireland irrespective of his residence or that of the donee/successor) on the relevant date or (ii) if the notes are regarded as property situate in Ireland. A foreign domiciled individual will not be regarded as being resident or ordinarily resident in Ireland at the date of the gift or inheritance unless that individual (i) has been resident in Ireland for the five consecutive tax years preceding that date, and (ii) is either resident or ordinarily resident in Ireland on that date.

Bearer notes are generally regarded as situated where they are physically located at any particular time. Notes in registered form are property situate in Ireland if the register is in Ireland. The notes may, however, be regarded as situated in Ireland regardless of their physical location if they secure a debt due by an Irish resident debtor and/or are secured over Irish property. Accordingly, if such notes are comprised in a gift or inheritance, the gift or inheritance may be within the charge to tax regardless of the residence status of the disponent or the donee/successor.

Stamp Duty

As the issuer is not registered in Ireland, stamp duty will not arise on a document effecting a transfer of the notes so long as the instrument of transfer of the notes does not relate to:

any immoveable property in Ireland; or

stocks or marketable securities of a company registered in Ireland.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

This section contains a discussion of certain United States federal income tax considerations for initial purchasers of the notes who purchase the notes pursuant to this offering at the price set forth on the cover of this prospectus supplement and who will hold the notes as capital assets (generally, property held for investment) under the Internal Revenue Code of 1986, as amended. This discussion is based upon existing United States federal income tax law, which is subject to differing interpretations or change, possibly with retroactive effect. This discussion does not describe all aspects of United States federal income taxation which may be important to particular investors in light of their individual investment circumstances, such as notes held by investors subject to special tax rules (e.g., financial institutions, insurance companies, broker-dealers, partnerships and their partners, S corporations or other pass-through entities or investors in such entities, regulated investment companies, real estate investment trusts, U.S. expatriates and tax-exempt organizations (including private foundations)) or to persons that will hold the notes as part of a straddle, hedge, conversion, constructive sale, or other integrated security transaction for United States federal income tax purposes or that have a functional currency other than the United States dollar, all of whom may be subject to tax rules that differ significantly from those discussed below. In addition, this discussion does not discuss any state, local, or non-United States tax considerations or any tax laws other than income tax laws. We will not seek a ruling from the Internal Revenue Service (the IRS) with respect to any of the matters discussed herein and there can be no assurance that the IRS will not challenge one or more of the tax consequences described herein.

If a partnership (or other entity or arrangement classified as a partnership for United States federal income tax purposes) holds the notes, the tax treatment of a partner in the partnership generally will depend on the status of the partner and the activities of the partnership. If you are a partnership or a partner in a partnership holding the notes, you should consult your tax advisor regarding the tax consequences of the purchase, ownership, or disposition of the notes.

Each prospective investor is urged to consult its tax advisor regarding the United States federal, state, local, and non-United States income and other tax considerations of the purchase, ownership, and disposition of the notes.

Additional Amounts

We may pay additional amounts in certain circumstances, including as described under *Description of Notes* *Optional Redemption* and *Description of Notes* *Change of Control Triggering Event*. We intend to take the position that the possibility of such payments does not result in the notes being treated as contingent payment debt instruments under the applicable Treasury regulations. This position is based on our determination that, as of the date of issuance of the notes, the possibility that additional amounts will have to be paid is remote or incidental within the meaning of the applicable Treasury regulations. Our position is binding on a U.S. Holder unless such holder discloses its contrary position in the manner required by applicable Treasury regulations. However, the IRS could challenge this position, and if such challenge were successful it could affect the amount and timing of the income recognized by a U.S. Holder and cause a U.S. Holder to treat as ordinary income rather than capital gain any income realized on the taxable disposition of a note. The remainder of this discussion assumes the notes are not treated as contingent payment debt instruments. Holders of notes should consult their tax advisors regarding the tax consequences of the notes being treated as contingent payment debt instruments.

U.S. Holders

For the purposes of this discussion, a U.S. Holder is a beneficial owner of a note that is, for United States federal income tax purposes:

an individual who is a citizen or resident of the United States,

Table of Contents

a corporation, or other entity taxable as a corporation for United States federal income tax purposes, created in, or organized under the laws of, the United States or any State or political subdivision thereof,

an estate the income of which is includible in gross income for United States federal income tax purposes regardless of its source, or

a trust, (A) the administration of which is subject to the primary supervision of a United States court and which has one or more United States persons who have the authority to control all substantial decisions of the trust, or (B) that has otherwise elected to be treated as a United States person.

Payments of Interest

It is expected, and this discussion assumes, that the notes will be issued without original issue discount for United States federal income tax purposes.

Interest payable on the notes, including any Additional Amounts, will be taxable to a U.S. Holder as ordinary income when received or accrued in accordance with the U.S. Holder's method of tax accounting and will constitute foreign source income for United States federal income tax purposes.

The amount of interest taxable as ordinary income will include amounts withheld in respect of non-United States taxes. If any non-United States income taxes are withheld in respect of any payments on the notes, a U.S. Holder may elect to claim either a deduction or, subject to certain complex limitations, a foreign tax credit for United States federal income tax purposes. If a U.S. Holder elects to claim a foreign tax credit rather than a deduction for a particular tax year, such election will apply to all foreign taxes paid by the U.S. Holder in the particular year. The limitation on foreign taxes eligible for credit is calculated separately with respect to specific classes of income. For this purpose, interest paid on the notes generally will constitute passive category income.

Sale, Redemption, or Retirement of the Notes

A U.S. Holder will generally recognize United States source capital gain or loss upon the sale, redemption, retirement, or other taxable disposition of the notes in an amount equal to the difference between the amount realized from such disposition (other than any amount attributable to accrued but unpaid interest, which will be treated as a payment of interest) and the U.S. Holder's tax basis in the notes. A U.S. Holder's tax basis in a note will be, in general, the cost of the note to the U.S. Holder. Any such gain or loss generally will be long-term capital gain or loss if the notes have been held for more than one year. Long-term capital gains recognized by a non-corporate U.S. Holder generally are currently subject to U.S. federal income taxation at preferential rates. The deductibility of capital losses is subject to significant limitations.

Medicare Tax and Foreign Asset Reporting

For taxable years beginning after December 31, 2012, certain U.S. Holders that are individuals, estates or trusts will be required to pay an additional 3.8% tax on the lesser of (1) the U.S. Holder's net investment income for the relevant taxable year and (2) the excess of the U.S. person's modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals will be between \$125,000 and \$250,000 depending on the individual's circumstances). Net investment income will generally include interest income and net gains from the disposition of the notes, unless such interest income or net gains are derived in the ordinary course of the conduct of a trade or business (other than a trade or business that consists of certain passive or trading activities). In addition, certain U.S. Holders who are individuals that hold certain foreign financial assets (which may include the notes) are required to report information relating to such assets, subject to certain exceptions (including an exception for assets held through a U.S. financial institution). U.S. Holders should consult their tax advisors regarding the effect, if any, of this legislation on their ownership and disposition of the notes.

Table of Contents

Information Reporting and Backup Withholding

Payments of principal, and interest on, and the proceeds of sale, exchange, or other disposition of, notes by a U.S. paying agent or other U.S. intermediary will be reported to the IRS and to the U.S. Holder as may be required under applicable regulations. Backup withholding may apply to these payments if the U.S. Holder fails to provide an accurate taxpayer identification number or certification of exempt status or fails to report all interest and dividends required to be shown on its U.S. federal income tax returns. Certain U.S. Holders are not subject to these information reporting and backup withholding requirements. Backup withholding is not an additional tax. The amount of any backup withholding from a payment to a U.S. Holder generally will be allowed as a refund or credit against the U.S. Holder's U.S. federal income tax liability, provided the required information is furnished to the IRS in a timely manner.

Non-U.S. Holders

As used herein, a non-U.S. Holder is a beneficial owner of a note that is, for United States federal income tax purposes, not a partnership and not a U.S. Holder.

A non-U.S. Holder generally will not be subject to United States federal income or withholding tax or backup withholding on payments of interest on, or gain on the sale or other taxable disposition of, a note unless (i) such payments of interest or gain are effectively connected with the conduct by such non-U.S. Holder of a U.S. trade or business (and, if required by an applicable tax treaty, attributable to a U.S. permanent establishment) or (ii) in the case of gain realized by an individual non-U.S. Holder, such individual was present in the United States for 183 days or more during the tax year in which such gain is realized and certain other conditions are met.

A non-U.S. Holder may have to comply with certification procedures to establish that it is not a U.S. person in order to avoid information reporting and backup withholding requirements.

THE UNITED STATES FEDERAL INCOME TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY, IS NOT TAX ADVICE AND MAY NOT BE APPLICABLE DEPENDING UPON A HOLDER'S PARTICULAR SITUATION. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE NOTES, INCLUDING THE TAX CONSEQUENCES UNDER UNITED STATES FEDERAL INCOME, STATE, LOCAL, NON-UNITED STATES AND OTHER TAX LAWS (AND ANY PROPOSED CHANGES IN APPLICABLE LAW).

LLC are acting as representatives, have entered into an underwriting agreement with respect to the notes. Subject to certain conditions, we have agreed to sell and each underwriter has severally agreed to purchase the principal amount of notes indicated in the following table.

Underwriter	Principal Amount of Notes
Barclays Capital Inc.	\$ 212,500,000
Merrill Lynch, Pierce, Fenner & Smith Incorporated	212,500,000
Morgan Stanley & Co. LLC	212,500,000
ANZ Securities, Inc.	28,125,000
Banca IMI S.p.A.	28,125,000
CastleOak Securities, L.P.	28,125,000
Scotia Capital (USA) Inc.	28,125,000
Total	\$ 750,000,000

The underwriters have agreed to purchase all of the notes sold under the underwriting agreement if any of the notes are purchased. The underwriting agreement provides that the obligations of the several underwriters to purchase the notes offered by this prospectus supplement are subject to the approval of specified legal matters by their counsel and several other specified conditions. If an underwriter defaults, the underwriting agreement provides that the purchase commitments of the non-defaulting underwriters may be increased or the underwriting agreement may be terminated.

The underwriters have advised us that they propose to offer the notes offered by this prospectus supplement to the public at the initial public offering price set forth on the cover of this prospectus supplement and may offer the notes to certain securities dealers at such prices less concessions not in excess of 0.350% of the principal amount of the notes. The underwriters may allow, and such dealers may reallow, concessions not in excess of 0.125% of the principal amount of the notes on sales to certain other brokers and dealers. After the initial offering of the notes, the underwriters may change the offering price and the other selling terms. The offering of the notes by the underwriters is subject to receipt and acceptance and subject to the underwriters' right to reject any order in whole or in part.

The following table shows the underwriting discounts that we will pay to the underwriters in connection with this offering of notes (expressed as a percentage of the principal amount of the notes):

	Paid by Us
Per note	0.550%
Total	\$ 4,125,000

We estimate that our share of the total expenses of this offering, excluding underwriting discounts, will be approximately \$1,500,000. Prior to the offering, there has been no public market for the notes.

The notes are a new issue of securities with no established trading markets. The underwriters have informed us that they may make a market in the notes from time to time. The underwriters are not obligated to do this, and they may discontinue this market-making for the notes at any time without notice. Therefore, no assurance can be given concerning the liquidity of any trading market for the notes or that an active market for the notes will develop. We do not intend to apply for listing of the notes on any securities exchange or automated quotation system.

We have agreed to indemnify the several underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or contribute to payments that each underwriter may be required to make in respect thereof.

the notes be offered or sold, or be made the subject of an invitation for subscription or purchase, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the Securities and Futures Act, Chapter 289 of Singapore (the SFA), (ii) to a relevant person pursuant to Section 275(1), or any person pursuant to Section 275(1A), and in accordance with the conditions specified in Section 275 of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA, in each case subject to compliance with conditions set forth in the SFA. Where the notes are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,
shares, debentures and units of shares and debentures of that corporation or the beneficiaries' rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the notes pursuant to an offer made under Section 275 of the SFA except:

where no consideration is or will be given for the transfer; or

where the transfer is by operation of law.

Price Stabilization and Short Positions

In connection with the offering of the notes, the underwriters may engage in transactions that stabilize, maintain or otherwise affect the price of the notes. Specifically, the underwriters may sell a greater number of notes than they are required to purchase in connection with the offering of the notes, creating a syndicate short position. In addition, the underwriters may bid for, and purchase, notes in the open market to cover syndicate short positions or to stabilize the price of the notes. Finally, the underwriting syndicate may reclaim selling concessions allowed for distributing the notes in the offering of the notes, if the syndicate repurchases previously distributed notes in syndicate covering transactions, stabilization transactions or otherwise. Any of these activities may stabilize or maintain the market price of the notes above independent market levels. Neither we nor any of the underwriters make any representations or predictions as to the direction or magnitude of any effect that the transactions described above may have on the price of the notes. The underwriters are not required to engage in any of these transactions and may end any of them at any time.

The underwriters also may impose a penalty bid. This occurs when a particular underwriter repays to the underwriters a portion of the underwriting discount received by it because the representatives have repurchased notes sold by or for the account of such underwriter in stabilizing or short-covering transactions.

THE COMPANY

We are a global leader in the development, manufacture and sale of healthcare products for use in clinical and home settings. Our products are found in almost every hospital in the United States, and we have a significant and growing presence in non-U.S. markets. Our mission is to create and deliver innovative healthcare solutions, developed in ethical collaboration with medical professionals, which enhance the quality of life for patients and improve outcomes for our customers and our shareholders.

Covidien Ltd. was incorporated in Bermuda in 2000 as a wholly-owned subsidiary of Tyco International Ltd. Until June 29, 2007, Covidien Ltd. did not engage in any significant business activities and held minimal assets. As part of a plan to separate Tyco International into three independent companies, Tyco International transferred the equity interests of the entities that held all of the assets and liabilities of its healthcare businesses to Covidien Ltd. and, on June 29, 2007, distributed all of its shares of Covidien Ltd. to Tyco International shareholders. Our financial results incorporated into this prospectus reflect the consolidated operations of Covidien Ltd. as an independent publicly-traded company following June 29, 2007, and a combined reporting entity comprised of the assets and liabilities used in managing Tyco International Ltd.'s healthcare businesses, including Covidien Ltd., prior to and including June 29, 2007.

In December 2008, our Board of Directors approved moving our principal executive office from Bermuda to Ireland. On May 28, 2009, shareholders voted in favor of a reorganization proposal pursuant to which Covidien Ltd. common shares would be cancelled and holders of such shares would receive ordinary shares of Covidien plc on a one-to-one basis. The reorganization transaction was completed on June 4, 2009, following approval from the Supreme Court of Bermuda, at which time Covidien plc replaced Covidien Ltd. as the ultimate parent company. Shares of the Irish company, Covidien plc, began trading on the New York Stock Exchange on June 5, 2009 under the symbol COV, the same symbol under which Covidien Ltd. shares were previously traded.

We operate our businesses through three segments:

Medical Devices includes the development, manufacture and sale of endomechanical instruments, soft tissue repair products, energy devices, oximetry and monitoring products, airway and ventilation products, products used in vascular therapies and other medical products.

Pharmaceuticals includes the development, manufacture and distribution of specialty pharmaceuticals, active pharmaceutical ingredients, specialty chemicals, contrast products and radiopharmaceuticals.

Medical Supplies includes the development, manufacture and sale of nursing care products, medical surgical products, SharpSafety products and original equipment manufacturer products (OEM).

The principal executive offices of Covidien International Finance S.A. are located at 3b Boulevard Prince Henri, L-1724 Luxembourg and the telephone number of its principal executive offices is + 352 266-3790. The principal executive offices of each of Covidien Ltd. and Covidien plc are located at 20 Lower Hatch Street, Dublin 2, Ireland and the telephone number at that address is +353 (1) 438-1700.

DESCRIPTION OF DEBT SECURITIES

The debt securities will be issued under the indenture, dated October 22, 2007, as supplemented, among CIFSA, Covidien Ltd., Covidien plc and Deutsche Bank Trust Company Americas, as trustee (the Indenture). References to the Indenture in this description refer to the Indenture as supplemented. The Indenture is subject to and governed by the Trust Indenture Act of 1939, as amended (the Trust Indenture Act). The terms of the debt securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act.

The Indenture does not limit the aggregate principal amount of debt securities that may be issued thereunder. CIFSA may issue additional debt securities in the future without the consent of the holders of outstanding debt securities. If CIFSA issues additional debt securities of any series, those debt securities will contain the same terms as and be deemed part of the same series as that series of new debt securities. The terms and provisions of other series of debt securities that may be issued under the Indenture may differ. CIFSA may issue other debt securities separately, upon conversion of or in exchange for other securities, or as part of a unit with other securities.

General

Reference is made to the applicable prospectus supplement for the following terms of the debt securities: (1) the aggregate principal amount of the debt securities; (2) the percentage of their principal amount at which the debt securities will be issued, if issued at a discount from their principal amount; (3) the date on which the debt securities will mature; (4) the rate or rates (which may be fixed or variable) per annum at which the debt securities will bear interest, if any, or the method by which such interest rates will be determined; (5) the times at which such interest, if any, will be payable; (6) the date, if any, after which the debt securities may be redeemed at the option of CIFSA or the Holder (as defined in the Indenture) and the redemption price; (7) the terms of any redemption, whether mandatory or optional; (8) the denominations in which the debt securities are authorized to be issued; (9) if other than U.S. dollars, the currency (including composite currencies) in which payment of principal of (and premium if any) and interest (if any) on such debt securities shall be payable; (10) any additional affirmative or negative covenants or events of default applicable to any series of debt securities; and (11) any other terms of the debt securities not inconsistent with the provisions of the Indenture.

Except as otherwise provided in the applicable prospectus supplement, the debt securities will be issued in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof. The debt securities will be CIFSA's direct and unconditional general obligations. The debt securities will be unsubordinated and unsecured obligations ranking equally with all of CIFSA's existing and future unsubordinated and unsecured obligations. Claims of holders of the debt securities will be effectively subordinated to the claims of holders of CIFSA's secured debt, if any, with respect to the collateral securing such claims and structurally subordinated to the debt of CIFSA's subsidiaries.

Guarantees

Covidien Ltd. and Covidien plc, jointly and severally, will unconditionally guarantee the due and punctual payment of the principal of, premium, if any, and interest on the debt securities, when and as the same shall become due and payable, whether at maturity, upon redemption, by acceleration or otherwise. Each of Covidien Ltd.'s and Covidien plc's guarantees is its unsecured, unsubordinated obligation and ranks equally with all other unsecured and unsubordinated obligations of Covidien Ltd. and Covidien plc, respectively. The guarantees provide that in the event of a default in payment on a debt security, the holder of the debt security may institute legal proceedings directly against Covidien Ltd. and Covidien plc to enforce the guarantees without first proceeding against CIFSA.

Table of Contents

Redemption Upon Changes in Withholding Taxes

CIFSA may redeem all, but not less than all, of the debt securities under the following conditions:

If there is an amendment to, or change in, the laws or regulations of Luxembourg, Ireland or Bermuda, or another jurisdiction in which CIFSA, Covidien Ltd., Covidien plc or any successor thereof may be organized, or the United States, as applicable, or any political subdivision thereof or therein having the power to tax (a Taxing Jurisdiction), or any change in the application or official interpretation of such laws, including any action taken by a taxing authority or a holding by a court of competent jurisdiction, regardless of whether such action or such holding is with respect to CIFSA, Covidien Ltd. or Covidien plc which amendment or change is announced or becomes effective after the date on which the Notes are first issued.

As a result of such amendment or change, CIFSA, Covidien Ltd. or Covidien plc becomes, or there is a material probability that CIFSA, Covidien Ltd. or Covidien plc will become, obligated to pay Additional Amounts, as defined below in Payment of Additional Amounts, on the next payment date with respect to the debt securities.

The obligation to pay Additional Amounts cannot be avoided through CIFSA's, Covidien Ltd.'s, or Covidien plc's commercially reasonable measures.

CIFSA delivers to the trustee:

a certificate of CIFSA, Covidien Ltd. or Covidien plc, as the case may be, stating that the obligation to pay Additional Amounts cannot be avoided by CIFSA, Covidien Ltd. or Covidien plc, as the case may be, taking commercially reasonable measures available to it; and

a written opinion of independent legal counsel to CIFSA, Covidien Ltd. or Covidien plc, as the case may be, of recognized standing to the effect that CIFSA, Covidien Ltd. or Covidien plc, as the case may be, is obligated to, or there is a material probability that it will become obligated to, pay Additional Amounts as a result of a change, amendment, official interpretation or application described above and that CIFSA, Covidien Ltd., or Covidien plc, as the case may be, cannot avoid the payment of such Additional Amounts by taking commercially reasonable measures available to it.

Following the delivery of the certificate and opinion described above, CIFSA provides notice of redemption not less than 30 days, but not more than 90 days, prior to the date of redemption. The notice of redemption cannot be given more than 90 days before the earliest date on which CIFSA, Covidien Ltd. or Covidien plc would be otherwise required to pay Additional Amounts, and the obligation to pay Additional Amounts must still be in effect when the notice is given.

Upon the occurrence of each of the items discussed above, CIFSA may redeem the debt securities at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the redemption date.

Redemption of the Debt Securities in Other Circumstances

Any additional redemption rights with respect to the debt securities will be set forth in the applicable prospectus supplement.

no event of default and no event that, after notice or lapse of time or both, would become an event of default shall be continuing immediately after such merger or consolidation, or such sale or conveyance.

Events of Default

The following are events of default under the Indenture with respect to each series of the debt securities:

CIFSA, Covidien Ltd. or Covidien plc shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consent to the entry of an order for relief in an involuntary case under any such law, or consent to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee or sequestrator (or similar official) of CIFSA, Covidien Ltd. or Covidien plc or for any substantial part of its property, or make any general assignment for the benefit of creditors.

Any additional events of default applicable to a specific series of debt securities will be set forth in the applicable Indenture supplement for such series of debt securities and described in the applicable prospectus supplement.

Any failure to perform, or breach of, any covenant or agreement of Covidien plc, Covidien Ltd. or CIFSA in respect of the debt securities and the guarantees contained in Section 314(a)(1) of the Trust Indenture Act or to file with the trustee the information that may be required to be filed with the Commission shall not be a default or an event of default. Remedies against Covidien plc, Covidien Ltd. and CIFSA for any such failure or breach will be limited to liquidated damages. If there is such a failure or breach and continuance of such failure or breach for a period of 90 days after the date on which there has been given, by registered or certified mail, to Covidien plc, Covidien Ltd. and CIFSA by the trustee or to Covidien plc, Covidien Ltd., CIFSA and the trustee by the holders of at least 25% in principal amount of the outstanding debt securities of all series under the Indenture affected thereby, a written notice specifying such failure or breach and requiring it to be remedied and stating that such notice is a Notice of Reporting Noncompliance under the Indenture, CIFSA will pay liquidated damages to all holders of debt securities, at a rate per year equal to 0.25% of the principal amount of such debt securities from the 90th day following such notice to and including the 150th day following such notice and at a rate per year equal to 0.5% of the principal amount of such Securities from and including the 151st day following such notice, until such failure or breach is cured.

In any event of default with respect to the debt securities, unless the principal has already become due and payable, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of such series, by notice in writing to CIFSA, Covidien Ltd. and Covidien plc, and to the trustee if notice is given by such holders, may declare the unpaid principal of all such debt securities to be due and payable immediately.

The holders of a majority in principal amount of the outstanding debt securities may waive any default in the performance of any of the covenants contained in the Indenture with respect to the debt securities of such series and its consequences, except a default regarding payment of principal, premium, if any, or interest. Any such waiver shall cure such default.

Subject to the terms of the Indenture, if an event of default under the Indenture shall occur and be continuing, the trustee will be under no obligation to exercise any of its rights or powers under the Indenture at

it is not in conflict with any law or the Indenture; and

it is not unduly prejudicial to the rights of the holders of the debt securities of another series issued under the Indenture.

A holder of the debt securities will only have the right to institute a proceeding under the Indenture or to appoint a receiver or trustee, or to seek other remedies if:

The right of any holder to receive payment of principal, premium, if any, or interest or to institute a suit for such payment shall not be impaired without the consent of such holder.

to issue additional debt securities of any series if such additional debt securities have the same terms and will be part of the same series as the applicable series of debt securities to the extent required under the Indenture; and

to provide for a successor trustee with respect to the debt securities of one or more series and add or change any provision of the Indenture to provide for or to facilitate the administration of the trust by more than one trustee.

In addition, under the Indenture, the rights of holders may be changed by Covidien plc, CIFSA, Covidien Ltd. and the trustee with the written consent of the holders of at least a majority in aggregate principal amount of the outstanding debt securities of each series at the time outstanding that are affected. However, the following changes may only be made with the consent of each holder of outstanding debt securities affected:

extend a fixed maturity of or any installment of principal of any debt securities of any series or reduce the principal amount thereof or reduce the amount of principal of any original issue discount security that would be due and payable upon declaration of acceleration of the maturity thereof;

reduce the rate of or extend the time for payment of interest on any debt security of any series;

reduce the premium payable upon the redemption of any debt security;

make any debt security payable in currency other than that stated in the debt security;

impair the right to institute suit for the enforcement of any payment on or after the fixed maturity thereof or, in the case of redemption, on or after the redemption date; or

reduce the percentage of debt securities the holders of which are required to consent to any such supplemental indenture or indentures.

An amendment of a provision included solely for the benefit of one or more series of debt securities does not affect the interests of the holders of any other series of debt securities.

It will not be necessary for the consent of the holders to approve the particular form of any proposed supplement, amendment or waiver, but it shall be sufficient if the consent approves the substance of it.

Information Concerning the Trustee

Deutsche Bank Trust Company Americas will serve as the trustee for the debt securities pursuant to the Indenture. The address of the corporate trust office of the trustee is 60 Wall Street, 27th Floor, New York, New York 10005. Pursuant to the Trust Indenture Act, if a default occurs with respect to any series of the debt securities, Deutsche Bank Trust Company Americas would be required to resign as trustee within 90 days of default unless such default were cured, duly waived or otherwise eliminated.

Edgar Filing: Covidien plc - Form 424B2

The trustee, upon an event of default under the Indenture, must use the same degree of care as a prudent person would exercise or use in the conduct of his or her own affairs. The trustee is not required to spend or risk its own money or otherwise become financially liable while performing its duties if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it under the terms of the Indenture or adequate indemnity against such risk is not reasonably assured it.

Table of Contents

The trustee may resign with respect to one or more series of debt securities by giving a written notice to CIFSA and to the holders of that series of debt securities. The holders of a majority in principal amount of the outstanding debt securities of a particular series may remove the trustee by notifying CIFSA and the trustee. CIFSA may remove the trustee if:

the trustee acquires a conflicting interest, as such term is defined in the Trust Indenture Act, and fails to comply with the Trust Indenture Act;

the trustee fails to comply with the eligibility requirements provided in the Indenture; or

the trustee:

is incapable of acting,

is adjudged to be bankrupt or insolvent,

commences a voluntary bankruptcy proceeding, or

a receiver is appointed for the trustee, its property or its affairs for the purpose of rehabilitation, conservation or liquidation. If the trustee resigns or is removed or if the office of the trustee is otherwise vacant, CIFSA will appoint a successor trustee in accordance with the provisions of the Indenture.

A resignation or removal of the trustee and appointment of a successor trustee shall become effective only upon the successor trustee's acceptance of the appointment as provided in the Indenture.

Payment and Paying Agents

The interest on the debt securities on any interest payment date will be paid to the person in whose name such debt securities (or one or more predecessor debt securities) are registered at the close of business on the regular record date for such interest.

CIFSA may appoint one or more paying agents, other than the trustee, for all or any series of the debt securities. The debt securities of a particular series will be surrendered for payment at the office of the paying agents designated by CIFSA. If CIFSA does not designate such an office, the corporate trust office of the trustee will serve as the office of the paying agent for such series.

All funds paid by Covidien plc, Covidien Ltd. or CIFSA to a paying agent or the trustee for the payment of the principal of, premium, if any, or interest on the debt securities which remains unclaimed at the end of one year after such principal, premium, if any, or interest has become due and payable will be repaid to Covidien plc, Covidien Ltd. or CIFSA, as the case may be, and the holder of the debt securities thereafter may look only to Covidien plc, Covidien Ltd. and CIFSA for payment thereof.

Payment of Additional Amounts

Unless otherwise required by law, none of CIFSA, Covidien Ltd. nor Covidien plc will deduct or withhold from payments made with respect to the debt securities and the guarantees on account of any present or future taxes, duties, levies, imposts, assessments or governmental charges of whatever nature imposed or levied by or on behalf of any Taxing Jurisdiction (Taxes). In the event that CIFSA, Covidien Ltd. or Covidien plc is required to withhold or deduct any amount for or on account of any Taxes from any payment made under or with respect to the debt securities or the guarantees, as the case may be, CIFSA, Covidien Ltd. or Covidien plc, as the case may be, will pay such Additional Amounts (as defined below) so that the net amount received by each holder of debt securities, including the Additional Amounts, will equal the amount that such

holder would have received if such Taxes had not been required to be withheld or deducted. However, Additional Amounts will not

Table of Contents

be paid with respect to a payment to a holder of debt securities where such holder is subject to taxation on such payment by a relevant Taxing Jurisdiction for any reason other than the holder's mere ownership of a debt security, nor will we pay Additional Amounts for or on the account of:

any Taxes that are imposed or withheld solely because the beneficial owner of such debt securities, or a fiduciary, settler, beneficiary, or member of the beneficial owner if the beneficial owner is an estate, trust, partnership, limited liability company or other fiscally transparent entity, or a person holding a power over an estate or trust administered by a fiduciary holder:

is or was present or engaged in, or is or was treated as present or engaged in, a trade or business in the Taxing Jurisdiction or has or had a permanent establishment in the Taxing Jurisdiction;

has or had any present or former connection (other than the mere fact of ownership of a debt security) with the Taxing Jurisdiction imposing such Taxes, including being or having been a citizen or resident thereof or being treated as being or having been a resident thereof;

with respect to any withholding Taxes imposed by the United States, is or was with respect to the United States a personal holding company, a passive foreign investment company, a controlled foreign corporation, a foreign tax exempt organization or a corporation that has accumulated earnings to avoid United States federal income tax;

owns or owned 10% or more of the total combined voting power of all classes of stock of CIFSA, Covidien Ltd. or Covidien plc;

any estate, inheritance, gift, sales, transfer, excise or personal property Taxes imposed with respect to the debt securities, except as otherwise provided in the Indenture;

any Taxes imposed solely as a result of the presentation of the debt securities, where presentation is required, for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever is later, except to the extent that the beneficiary or holder thereof would have been entitled to the payment of Additional Amounts had the debt securities been presented for payment on any date during such 30-day period;

any Taxes imposed solely as a result of the failure of the beneficial owner or any other person to comply with applicable certification, information, documentation or other reporting requirements concerning the nationality, residence, identity or connection with the Taxing Jurisdiction of the holder or beneficial owner of a debt security, if such compliance is required by statute or regulation of the relevant Taxing Jurisdiction as a precondition to relief or exemption from such Taxes;

with respect to withholding Taxes imposed by the United States, any such Taxes imposed by reason of the failure of the beneficial owner to fulfill the statement requirements of sections 871(h) or 881(c) of the Internal Revenue Code of 1986, as amended from time to time;

any Taxes that are payable by any method other than withholding or deduction by CIFSA, Covidien Ltd. or Covidien plc or any paying agent from payments in respect of such debt security;

Edgar Filing: Covidien plc - Form 424B2

any Taxes that are required to be withheld by any paying agent from any payment in respect of any debt security if such payment can be made without such withholding by at least one other paying agent;

any Taxes required to be deducted or withheld pursuant to the European Council Directive 2003/48/EC of June 3, 2003 on the taxation of savings income in the form of interest payments, or any law implementing or complying with, or introduced in order to conform to, that Directive;

any withholding or deduction for Taxes which would not have been imposed if the relevant debt security had been presented to another paying agent in a Member State of the European Union; or

any combination of the above conditions.

Table of Contents

Additional Amounts also will not be payable to a holder of a debt security that is a fiduciary, partnership, limited liability company or other fiscally transparent entity, or to a beneficial owner of a debt security that is not the sole beneficial owner of such debt security, as the case may be. This exception, however, will apply only to the extent that a beneficiary or settlor with respect to the fiduciary, or a beneficial owner or member of the partnership, limited liability company or other fiscally transparent entity, would not have been entitled to the payment of an additional amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment.

We refer to the amounts that CIFSA, Covidien Ltd. or Covidien plc is required to pay to preserve the net amount receivable by the holders of debt securities as Additional Amounts. Whenever in the Indenture, the debt securities, the guarantees or in this Description of Debt Securities there is mentioned, in any context, the payment of principal, premium, if any, redemption price, interest or any other amount payable under or with respect to any debt security, such mention includes the payment of Additional Amounts to the extent payable in the particular context. The foregoing provisions will survive any termination or the discharge of the Indenture and will apply to any jurisdiction in which any successor to CIFSA, Covidien Ltd. or Covidien plc, as the case may be, is organized or is engaged in business for tax purposes or any political subdivision or taxing authority or agency thereof or therein.

Each of CIFSA, Covidien Ltd. and Covidien plc, as applicable, also:

will withhold or deduct the Taxes as required;

will remit the full amount of Taxes deducted or withheld to the relevant taxing authority in accordance with all applicable laws;

will use its commercially reasonable efforts to obtain from each Taxing Jurisdiction imposing such Taxes certified copies of tax receipts evidencing the payment of any Taxes deducted or withheld; and

upon request, will make available to the holders of the debt securities, within 90 days after the date the payment of any Taxes deducted or withheld is due pursuant to applicable law, certified copies of tax receipts evidencing such payment by CIFSA, Covidien Ltd. or Covidien plc or if, notwithstanding CIFSA's, Covidien Ltd. or Covidien plc's efforts to obtain such receipts, the same are not obtainable, other evidence of such payments.

At least 30 days prior to each date on which any payment under or with respect to the debt securities or a guarantee is due and payable, if CIFSA, Covidien Ltd. or Covidien plc will be obligated to pay Additional Amounts with respect to such payment, CIFSA, Covidien Ltd. or Covidien plc will deliver to the trustee an officer's certificate stating the fact that such Additional Amounts will be payable, the amounts so payable and such other information as is necessary to enable the trustee to pay such Additional Amounts to holders of the debt securities on the payment date.

In addition, CIFSA will pay any stamp, issue, registration, documentary or other similar taxes and duties, including interest, penalties and Additional Amounts with respect thereto, payable in Luxembourg or the United States or any political subdivision or taxing authority of or in the foregoing in respect of the creation, issue, offering, enforcement, redemption or retirement of the debt securities.

Governing Law

The Indenture and the debt securities are deemed to be a contract made under the internal laws of the State of New York, and for all purposes will be construed in accordance with the laws of New York without regard to conflicts of laws principles that would require the application of any other law except to the extent that the Trust Indenture Act is applicable.

Satisfaction and Discharge

CIFSA's obligations with respect to a series of the debt securities will be discharged upon Covidien plc's, Covidien Ltd.'s or CIFSA's irrevocable deposit with the trustee, in trust, of funds or governmental obligations sufficient to pay at maturity within one year or upon redemption within one year all of such debt securities which have not already been delivered to the trustee for cancellation, including:

principal;

premium, if any;

unpaid interest; and

all other payments due under the terms of the Indenture with respect to such debt securities.

Notwithstanding the above, CIFSA may not be discharged from the following obligations which will survive until such debt securities mature:

to make any interest or principal payments that may be required;

to register the transfer or exchange of such debt securities;

to replace stolen, lost or mutilated debt securities;

to maintain a paying agent; and

to appoint a new trustee as required.

CIFSA also may not be discharged from the following obligations which will survive the satisfaction and discharge of such debt securities:

to compensate and reimburse the trustee in accordance with the terms of the Indenture; and

to receive unclaimed payments held by the trustee for at least one year and remit such payments to the holders if required.

Defeasance of Covenants Under Certain Circumstances

Upon compliance with specified conditions, CIFSA will not be required to comply with some covenants contained in the Indenture and the supplemental indenture, and any omission to comply with the obligations will not constitute a default or event of default relating to such debt securities, or, if applicable, CIFSA's obligations with respect to such debt securities will be discharged. These conditions include:

Edgar Filing: Covidien plc - Form 424B2

the irrevocable deposit, in trust with the trustee for the benefit of the holders of such debt securities, of funds, or governmental obligations, in each case, sufficient to pay all the principal of, premium, if any, and interest on such debt securities to maturity or redemption, as the case may be, and all other amounts payable by CIFSA under the Indenture;

the delivery to such trustee of a certificate signed by authorized persons and an opinion of counsel, each stating that all conditions precedent specified in the Indenture relating to covenant defeasance have been complied with;

an event of default under the Indenture described in the first, second, fourth, fifth or sixth bullet points in the first paragraph under the caption Events of Default has not occurred and is not continuing, and an event which with notice or lapse of time or both would become such an event of default with respect to such debt securities has not occurred and is not continuing, on the date of such deposit;

the delivery to such trustee of an opinion of counsel or a ruling received by the Internal Revenue Service to the effect that the holders of such debt securities will not recognize income, gain or loss for federal income tax purposes as a result of the exercise of such covenant defeasance and will be subject to federal income tax in the same amount and in the same manner and at the same times as would have been the case absent such exercise;

Table of Contents

the trustee will not have a conflicting interest for the purposes of the Trust Indenture Act with respect to any debt securities due to the defeasance; and

such covenant defeasance will not result in the trust arising from such deposit constituting, unless it is qualified, a regulated investment company under the Investment Company Act of 1940.

Compliance Certificates and Opinions of Counsel

The Indenture requires Covidien plc, Covidien Ltd. or CIFSA to furnish the following to the trustee under certain circumstances:

in the case of any redemption of debt securities prior to the expiration of any restriction on redemption contained in the debt securities or the Indenture, a certificate evidencing compliance with the restriction;

as may be required by the Commission, information, documents and reports as to compliance with or defaults under the Indenture;

prior to the closing of any consolidation, merger, sale, transfer, lease or conveyance of Covidien plc, Covidien Ltd. or CIFSA's assets substantially as an entirety, a certificate and an opinion of counsel as to compliance with the Indenture and the conditions set forth under the heading "Limitation on Covidien plc, Covidien Ltd. and CIFSA's Ability to Consolidate, Merge and Sell Assets";

prior to a defeasance, a certificate and an opinion of counsel, each stating that all conditions precedent specified in the Indenture relating to satisfaction and discharge have been complied with; and

unless a certificate or opinion of counsel is not already required, in connection with any action that CIFSA may ask the trustee to take under the Indenture, a certificate and/or an opinion of counsel as to compliance with conditions precedent in the Indenture relating to the proposed action.

Agent for Service of Process

The agent for service of process for each of Covidien plc, Covidien Ltd. and CIFSA in the State of New York for any action relating to the Indenture or the debt securities is CT Corporation System, which currently maintains a New York City office at 111 Eighth Ave., 13th Floor, New York, New York 10011.

BOOK-ENTRY SYSTEM

Each series of debt securities offered by this prospectus may be issued in the form of one or more global debt securities representing all or part of that series of debt securities. This means that we will not issue certificates for that series of debt securities to the holders. Instead, unless we specify otherwise in the applicable prospectus supplement, a global debt security representing that series will be deposited with, or on behalf of, DTC, or its successor as the Depository and registered in the name of the Depository or a nominee of the Depository. However, unless we specify otherwise in the applicable prospectus supplement, if the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.

The Depository will keep a computerized record of its participants (for example, your broker) whose clients have purchased securities represented by a global debt security. Unless it is exchanged in whole or in part for a certificated debt security, a global debt security may not be transferred, except that the Depository, its nominees and their successors may transfer a global debt security as a whole to one another.

Table of Contents

Beneficial interests in global debt securities will be shown on, and transfers of interests will be made only through, records maintained by the Depository and its participants. The laws of some jurisdictions require that some purchasers take physical delivery of securities in definitive form. These laws may impair the ability to transfer beneficial interests in a global debt security.

We will wire principal, interest and any premium payments to the Depository or its nominee. We and the applicable Trustee will treat the Depository or its nominee as the owner of the global debt security for all purposes, including any notices and voting. Accordingly, we, the applicable Trustee and any paying agent will have no direct responsibility or liability to pay amounts due on a global debt security to owners of beneficial interests in a global debt security.

Unless we specify otherwise in the applicable prospectus supplement, DTC will act as Depository for debt securities issued as global debt securities. The debt securities will be registered in the name of Cede & Co. (DTC's partnership nominee).

DTC is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code, and a clearing agency registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants (Direct Participants) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (DTCC). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (Indirect Participants). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at <http://www.dtcc.com> and <http://www.dtc.org>.

Purchases of debt securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the debt securities on DTC's records. The ownership interest of each actual purchaser of each debt security (Beneficial Owner) is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the debt securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in debt securities, except in the event that use of the book-entry system for the debt securities is discontinued.

To facilitate subsequent transfers, all securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of securities with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the debt securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such debt securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Table of Contents

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the debt securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the debt securities unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an omnibus proxy to us as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the debt securities are credited on the record date (identified in a listing attached to the omnibus proxy).

Redemption proceeds, distributions, and dividend payments on the debt securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from us or the applicable Trustee on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in street name, and will be the responsibility of such Participant and not of DTC nor its nominee, the applicable Trustee, or us, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of us or the applicable Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

Although we expect that DTC will agree to the foregoing procedures in order to facilitate transfers of interests in each global security among participants of DTC, DTC is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. Neither we, the underwriters nor the trustee will have any responsibility for the performance or nonperformance by DTC or its participants or indirect participants of their respective obligations under the rules and procedures governing their operations.

DTC may discontinue providing its services as securities depository with respect to the debt securities at any time by giving reasonable notice to us or the applicable Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, debt security certificates are required to be printed and delivered.

We may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, debt security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and we and any underwriters, dealers or agents are not responsible for the performance by DTC of its obligations under the rules and procedures governing its operations or otherwise.

Any underwriters, dealers or agents of any debt securities may be Direct Participants of DTC.

So long as the depository for a global security is DTC, you may hold interests in the global security through Clearstream Banking, *société anonyme*, which we refer to as Clearstream, or Euroclear Bank SA/ NV, as operator of the Euroclear System, which we refer to as Euroclear, in each case, as a participant in DTC. Euroclear and Clearstream will hold interests, in each case, on behalf of their participants through customers securities accounts in the names of Euroclear and Clearstream on the books of their respective depositories, which in turn will hold such interests in customers securities in the depositories' names on DTC's books.

Table of Contents

Payments, deliveries, transfers, exchanges, notices and other matters relating to the debt securities made through Euroclear or Clearstream must comply with the rules and procedures of those systems. Those systems could change their rules and procedures at any time. We have no control over those systems or their participants, and we take no responsibility for their activities. Transactions between participants in Euroclear or Clearstream, on one hand, and other participants in DTC, on the other hand, would also be subject to DTC's rules and procedures.

Investors will be able to make and receive through Euroclear and Clearstream payments, deliveries, transfers, exchanges, notices and other transactions involving any securities held through those systems only on days when those systems are open for business. Those systems may not be open for business on days when banks, brokers and other institutions are open for business in the United States.

In addition, because of time-zone differences, U.S. investors who hold their interests in the debt securities through these systems and wish on a particular day, to transfer their interests, or to receive or make a payment or delivery or exercise any other right with respect to their interests, may find that the transaction will not be effected until the next business day in Luxembourg or Brussels, as applicable. Thus, investors who wish to exercise rights that expire on a particular day may need to act before the expiration date. In addition, investors who hold their interests through both DTC and Euroclear or Clearstream may need to make special arrangements to finance any purchase or sales of their interests between the U.S. and European clearing systems, and those transactions may settle later than transactions within one clearing system.

Euroclear and Clearstream hold securities for participating organizations. They also facilitate the clearance and settlement of securities transactions between their respective participants through electronic book-entry changes in the accounts of such participants. Euroclear and Clearstream provide various services to their participants, including the safekeeping, administration, clearance, settlement, lending and borrowing of internationally traded securities. Euroclear and Clearstream interface with domestic securities markets. Euroclear and Clearstream participants are financial institutions such as initial purchasers, securities brokers and dealers, banks, trust companies and certain other organizations. Indirect access to Euroclear or Clearstream is also available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Euroclear or Clearstream participant, either directly or indirectly.

PLAN OF DISTRIBUTION

We may sell debt securities to or through one or more underwriters or dealers for public offering and sale by or through them, directly to one or more individual, institutional or other purchasers, through agents or through any combination of these methods of sale. The distribution of the debt securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at market prices prevailing at the time of sale or at prices related to such prevailing market prices, or at negotiated prices (any of which may represent a discount from the prevailing market prices).

In connection with the sale of debt securities, underwriters or agents may receive compensation from us or from purchasers of debt securities, for whom they may act as agents, in the form of discounts, concessions, or commissions. Underwriters may sell the debt securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions, or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers, and agents that participate in the distribution of the debt securities may be deemed to be underwriters, and any discounts or commissions they receive from us, and any profit on the resale of the debt securities they realize may be deemed to be underwriting discounts and commissions, under the Securities Act. Any such underwriter or agent will be identified, and any such compensation received from us will be described, in the applicable prospectus supplement.

Table of Contents

Unless otherwise specified in the related prospectus supplement, each series of debt securities will be a new issue with no established trading market. We may elect to list any series of debt securities on an exchange, but are not obligated to do so. It is possible that one or more underwriters may make a market in a series of the debt securities, but will not be obligated to do so and may discontinue any market making at any time without notice. Therefore, no assurance can be given as to the liquidity of, or the trading market for, the debt securities.

Under agreements into which the we may enter, underwriters will be, and dealers and agents who participate in the distribution of the debt securities may be, entitled to indemnification by us against certain liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the agents, dealers or underwriters may be required to make in respect thereof.

Underwriters, dealers and agents may engage in transactions with, or perform services for, us in the ordinary course of business. We may also use underwriters with whom we have a material relationship. We will describe the nature of any such relationship in the applicable prospectus supplement.

If so indicated in the applicable prospectus supplement, we will authorize dealers or other persons acting as the our agents to solicit offers by certain institutions to purchase debt securities from us at the public offering price set forth in such prospectus supplement pursuant to delayed delivery contracts (Contracts) providing for payment and delivery on the date or dates stated in such prospectus supplement. Each Contract will be for an amount no less than, and the aggregate principal amounts of debt securities sold pursuant to Contracts shall be not less nor more than, the respective amounts stated in the applicable prospectus supplement. Institutions with whom Contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and other institutions, but will in all cases be subject to approval by us. Contracts will not be subject to any conditions except (i) the purchase by an institution of the debt securities covered by its Contracts shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which such institution is subject, and (ii) if debt securities are being sold to underwriters, we shall have sold to such underwriters the total principal amount of the debt securities less the principal amount thereof covered by the Contracts. If in conjunction with the sale of the debt securities to institutions under Contracts, the debt securities are also being sold to the public, the consummation of the sale under the Contracts shall occur simultaneously with the consummation of the sale to the public. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such Contracts.

In order to comply with the securities laws of certain states, if applicable, the debt securities offered hereby will be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states debt securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the debt securities offered hereby may not simultaneously engage in market making activities with respect to the debt securities for a period of two business days prior to the commencement of such distribution.

ENFORCEMENT OF CIVIL LIABILITIES

General

CIFSA is a Luxembourg company, Covidien Ltd. is a Bermuda company and Covidien plc is an Irish company. CIFSA, Covidien and Covidien plc have consented in the Indenture to jurisdiction in the U.S. federal and state courts in The City of New York and to service of process in The City of New York in any legal suit, action or proceeding brought to enforce any rights under or with respect to the Indenture, the notes or the guarantees. A substantial majority of each of Covidien Ltd. s directly held assets and Covidien plc s indirectly

Table of Contents

held assets consist of shares in CIFSA. Accordingly, any judgment against CIFSA, Covidien Ltd. or Covidien plc in respect of the Indenture, the notes or the guarantees, including for civil liabilities under the U.S. federal securities laws, obtained in any U.S. federal or state court may have to be enforced in the courts of Luxembourg, Bermuda or Ireland. Investors should not assume that the courts of Luxembourg, Bermuda or Ireland would enforce judgments of U.S. courts obtained against CIFSA, Covidien Ltd. or Covidien plc predicated upon the civil liability provisions of the U.S. federal securities laws or that such courts would enforce, in original actions, liabilities against CIFSA, Covidien Ltd. or Covidien plc predicated solely upon such laws.

Luxembourg

CIFSA is incorporated under the laws of Luxembourg. Certain members of the board of directors are non-residents of the United States and a substantial portion of CIFSA's assets and those of such directors are located outside the United States. As a result, you may not be able to effect a service of process within the United States on CIFSA or on such persons or to enforce in Luxembourg courts judgments obtained against CIFSA or such persons in U.S. courts, including actions predicated upon the civil liability provisions of the U.S. federal and state securities laws or other laws. Likewise, it may also be difficult for an investor to enforce in U.S. courts judgments obtained against CIFSA or such persons in courts in jurisdictions outside the United States, including actions predicated upon the civil liability provisions of the U.S. securities laws.

CIFSA has been advised by Allen & Overy Luxembourg, its Luxembourg counsel, that the United States and the Grand-Duchy of Luxembourg are not currently bound by a treaty providing for reciprocal recognition and enforcement of judgments (other than arbitral awards) rendered in civil and commercial matters. According to such counsel, an enforceable judgment for the payment of monies rendered by any U.S. federal or state court based on civil liability, whether or not predicated solely upon the U.S. securities laws, would not directly be enforceable in Luxembourg. However, a party who received such favorable judgment in a U.S. court may initiate enforcement proceedings in Luxembourg (*exequatur*) by requesting enforcement of the U.S. judgment to the president of the District Court (*Tribunal d'Arrondissement*) pursuant to Section 678 of the New Luxembourg code of Civil Procedure. The president of the District Court will authorize the enforcement in Luxembourg of the U.S. judgment if it is satisfied that all of the following conditions are met:

the U.S. judgment is enforceable (*executoire*) in the United States;

the jurisdictional ground of the U.S. court is founded according to Luxembourg private international law rules and to the applicable domestic U.S. federal or state jurisdiction rules;

the U.S. court has applied to the dispute the substantive law which would have been applied by Luxembourg courts;

the U.S. judgment must not have violated the right of the defendant to present a defense;

the principles of natural justice have been complied with; and

the U.S. judgment does not contravene Luxembourg international public policy. In practice, Luxembourg courts tend not to review the merits of a U.S. judgment.

Ireland

Covidien plc is incorporated under the laws of Ireland. Covidien plc has been advised by its Irish counsel, Arthur Cox, that a judgment for the payment of money rendered by a court in the United States based on civil liability would not be automatically enforceable in Ireland. There is no treaty between Ireland and the United States providing for the reciprocal enforcement of foreign judgments. The following requirements must be met before the foreign judgment will be deemed to be enforceable in Ireland:

Edgar Filing: Covidien plc - Form 424B2

The judgment must be for a definite sum;

The judgment must be final and conclusive; and

The judgment must be provided by a court of competent jurisdiction.

An Irish court will also exercise its right to refuse judgment if the foreign judgment was obtained by fraud, if the judgment violated public policy, if the judgment is in breach of natural justice or if it is irreconcilable with an earlier foreign judgment.

Bermuda

Covidien Ltd. is incorporated under the laws of Bermuda. In addition, certain of its directors and officers reside outside the United States, and all or a substantial portion of its assets and the assets of such persons are or may be located in jurisdictions outside the United States. As such, it may be difficult or impossible to effect service of process within the United States upon Covidien Ltd. or those persons.

Covidien Ltd. has been advised by Appleby, its Bermuda counsel, that there is doubt as to whether the courts of Bermuda would enforce judgements of U.S. courts obtained in actions against Covidien Ltd. or its directors and officers predicated upon the civil liability provisions of the U.S. federal securities laws or original actions brought in Bermuda against Covidien Ltd. or such persons predicated solely upon U.S. federal securities laws. Further, Covidien Ltd. has been advised by Appleby that there is no treaty in force between the U.S. and Bermuda providing for the reciprocal recognition and enforcement of judgments in civil and commercial matters. As a result, whether a U.S. judgment would be enforceable in Bermuda against Covidien Ltd. or its directors and officers depends on whether the U.S. court that entered the judgment is recognized by the Bermuda court as having jurisdiction over Covidien Ltd. or its directors and officers, as determined by reference to Bermuda conflict of law rules. A judgment debt from a U.S. court that is final and for a certain sum based on U.S. federal securities laws will not be enforceable in Bermuda unless the judgment debtor had submitted to the jurisdiction of the U.S. court, and the issue of submission and jurisdiction is a matter of Bermuda (not U.S.) law.

In addition to and irrespective of jurisdictional issues, the Bermuda courts will not enforce a U.S. federal securities law that is either penal or contrary to public policy. It is the advice of our Bermuda counsel that an action brought pursuant to a public or penal law, the purpose of which is the enforcement of a sanction, power or right at the instance of the state in its sovereign capacity, will not be entertained by a Bermuda court. Certain remedies available under the laws of U.S. jurisdictions, including certain remedies under U.S. federal securities laws, would not be available under Bermuda law or enforceable in a Bermuda court, as they would be contrary to Bermuda public policy. Further, no claim may be brought in Bermuda against Covidien Ltd. or its directors and officers in the first instance for violation of U.S. federal securities laws because these laws have no extraterritorial jurisdiction under Bermuda law and do not have force of law in Bermuda. A Bermuda court may, however, impose civil liability, including the possibility of monetary damages, on Covidien Ltd. or its directors and officers if the facts alleged in a complaint constitute or give rise to a cause of action under Bermuda law.
