Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 13, 2013 the Compensation Committee of Markel Corporation (the Company) approved salary increases for the Company's named executive officers, taking into account increased size and complexity of the Company following its acquisition of Alterra Capital Holdings Limited (Alterra) on May 1, 2013 and the work that will be required by these individuals with respect to the integration of Alterra into the Company over the next several years. In addition, the Compensation Committee approved retention awards of restricted stock units to each of the named executive officers other than Steven A. Markel (who has not, at his request, participated in the Company's equity incentive plans). The purpose of these awards was to assist in assuring the Company of the services of these individuals to oversee the Alterra integration.

The table below sets forth the new base salaries for each of the named executive officers, which went into effect on May 1, 2013, as well as the number of restricted stock units granted to the named executive officers on May 13, 2013. The restricted stock units were granted under the Company's 2012 Equity Incentive Compensation Plan and, subject to certain conditions, are scheduled to vest on May 13, 2016, with pro rata vesting in the case of death or disability. Each unit represents the right to receive one share of the Company's common stock upon vesting. See Exhibit 10.1 for the form of Restricted Stock Unit Award Agreement.

On May 13, 2013, the Board of Directors of the Company also approved the recommendation of the Compensation Committee to increase the compensation of the Company's non-employee directors. Beginning May 13, 2013, each non-employee director is paid an annual retainer fee of \$60,000 and the Lead Director is paid an additional annual retainer fee of \$20,000. In addition, each non-employee director receives an annual grant of approximately \$100,000 in restricted stock. In conjunction with these modifications, on May 13, 2013, each of the Company's non-employee directors received an annual award of 190 shares of restricted stock under the Company's 2012 Equity Incentive Compensation Plan.

Item 5.07 Submission of Matters to a Vote of Security Holders
