Item 1.01 Entry into a Material Definitive Agreement.

On June 19, 2013, FuelCell Energy, Inc., a Delaware corporation (the Company), entered into an underwriting agreement (the Underwriting Agreement) with Lazard Capital Markets LLC, as sole book-running manager, and Stifel, Nicolaus & Company, Incorporated, as the co-lead manager (together, the Underwriters), related to the offering (the Offering) of \$38 million in aggregate principal amount of the Company's 8.0% Senior Convertible Notes due 2018 (the Notes). The Notes will be issued pursuant to an indenture, as supplemented by a supplemental indenture (collectively, the Indenture), to be entered into between the Company and U.S. Bank National Association, as trustee, and to be filed by the Company in a future Current Report on Form 8-K. The Notes are convertible into shares (the Shares) of common stock, \$0.0001 par value per share, of the Company, in accordance with the terms of the Notes and the Indenture, at an initial conversion rate of 645.1613 shares of common stock per \$1,000 principal amount of the Notes (equivalent to an initial conversion price of approximately \$1.55 per share) as specified in the Notes, under the circumstances and subject to adjustment as set forth in the Indenture.

The Company is not obligated to issue Shares upon conversion of the Notes and will not be able to pay interest on the Notes in Shares to the extent the issuance of such Shares would exceed, in the aggregate, 19.9% of its outstanding common stock on the date hereof (including Shares issued as interest on the Notes and as conversion of the Notes), unless the Company obtains the prior approval of its stockholders. In the event such conversion and interest payments on the Notes will cross the 19.9% threshold, the Company will settle its conversion and interest obligations, if any, in excess of this limitation in cash, until such time as shareholder approval, if any, is obtained.

The closing of the sale of the Notes is expected to take place on or about June 25, 2013, subject to the satisfaction of customary closing conditions.

The terms of the Notes are further described in the Description of the Notes, which is filed as Exhibit 99.2 to this Current Report, and which is incorporated by reference into this Item 1.01.

The Notes and the Shares were registered under the Securities Act of 1933, as amended, pursuant to a shelf registration statement on Form S-3 filed by the Company on September 21, 2010 (Registration No. 333-164412) (the Registration Statement). The foregoing description of the Underwriting Agreement is only a summary and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 10.1 to this Current Report, and which is incorporated by reference into this Item 1.01.

This Current Report on Form 8-K does not constitute an offer to sell nor a solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Item 8.01 Other Events.

On June 20, 2013, the Company issued a press release announcing the pricing of the offering of the Notes. A copy of the press release is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference in this Item 8.01.

In connection with the offering of the Notes, the Company has updated its ratio of earnings to fixed charges included in the Registration Statement to reflect the consolidated financial statements of the Company filed in its Quarterly Report on Form 10-Q for the quarter ended April 30, 2013. The updated ratio of earnings to fixed charges on a consolidated basis is set forth below.
