The exact stock prices and effective dates may not be set forth in the table above, in which case:

Edgar Filing: BLACKSTONE MORTGAGE TRUST, INC. - Form FWP

if the stock price is between two stock prices in the table or the effective date is between two effective dates in the table, the number of additional shares will be determined by a straight-line interpolation between the number of additional shares set forth for the higher and lower stock prices and the earlier and later effective dates, as applicable, based on a 365-day year;

if the stock price is greater than \$42.00 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above), no additional shares will be added to the conversion rate; or

if the stock price is less than \$24.92 per share (subject to adjustment in the same manner as the stock prices set forth in the column headings of the table above), no additional shares will be added to the conversion rate.

Notwithstanding the foregoing, in no event will the conversion rate be increased on account of a make-whole fundamental change to exceed 40.1284 shares of our class A common stock per \$1,000 principal amount of Notes, subject to adjustments in the same manner as the conversion rate is required to be adjusted as set forth under Description of the Notes Conversion Rights Conversion Rate Adjustments in the Preliminary Prospectus Supplement.
