ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission, or the SEC, using a shelf registration process. Under this shelf registration process, we and any selling stockholders may sell the securities described in this prospectus in one or more offerings at any time and from time to time.

This prospectus provides you with a general description of the securities we and any selling stockholders may offer. Each time we or any selling stockholders sell securities, we will provide a prospectus supplement that will contain specific information about the terms of the securities being offered and the specific manner in which they will be offered. The prospectus supplement may also add to, update or change information contained in the prospectus and, accordingly, to the extent inconsistent, information in this prospectus is superseded by the information in that prospectus supplement.

The prospectus supplement to be attached to the front of this prospectus may describe, as applicable, the terms of the securities offered, the identity of any selling stockholders, the initial public offering price, the price paid for the securities, net proceeds and the other specific terms related to the offering of these securities.

We have not authorized anyone to provide any information other than that contained or incorporated by reference in this prospectus, any prospectus supplement or in any free writing prospectus prepared by or on behalf of us or to which we have referred you. We take no responsibility for, and can provide no assurance as to the reliability of, any other information that others may give you.

You should not assume that the information in this prospectus or any prospectus supplement or free writing prospectus is accurate as of any date other than the date on the cover of the applicable document and that any information we have incorporated by reference is accurate only as of the date of the document incorporated by reference. Our business, financial condition, results of operations, cash flows and prospects may have changed since that date.

The terms the Company, we, us, our and Choice as used in this prospectus refer to Choice Hotels International, Inc. and its subsidiaries. The phrase this prospectus refers to this prospectus and any applicable prospectus supplement, unless the context otherwise requires.

We urge you to consider carefully the risks incorporated by reference into this prospectus and, if applicable, into any accompanying prospectus supplement or any free writing prospectus used in connection with an offering of securities, before making an investment decision, including those risks identified under **Risk Factors** in our most recent annual report on Form 10-K, which is incorporated by reference into this prospectus and which may be amended, supplemented or superseded from time to time by other reports we file with the SEC in the future. Additional risks, including those that relate to any particular securities we offer, may be included in the applicable prospectus supplement or any related free writing prospectus, or be incorporated by reference into this prospectus or such prospectus supplement or free writing prospectus.

Our business, financial condition, results of operations, cash flows and prospects could be materially adversely affected by any of these risks. The market or trading price of our securities could decline due to any of these risks. In addition, please read **Forward-Looking Statements** in this prospectus, where we describe additional uncertainties associated with our business and the forward-looking statements included or incorporated by reference into this prospectus or into any prospectus supplement or any related free writing prospectus used in connection with an offering of securities. Additional risks not presently known to us or that we currently deem immaterial may also impair our business and operations or cause the price of our securities to decline.

THE COMPANY

Choice is one of the largest hotel franchisors in the world with 6,340 hotels open and 503 hotels under construction, awaiting conversion or approved for development as of December 31, 2013, representing 506,058 rooms open and 38,957 rooms under construction, awaiting conversion or approved for development in 50 states, the District of Columbia and over 35 countries and territories outside the United States. Choice franchises lodging properties under the following proprietary brand names: Comfort Inn®, Comfort Suites®, Quality®, Clarion®, Sleep Inn®, Econo Lodge®, Rodeway Inn®, MainStay Suites®, Suburban Extended Stay Hotel®, Cambria Suites® and Ascend Hotel Collection® (collectively, the Choice brands).

We operate in two reportable segments encompassing our hotel franchising business and our SkyTouch Technology (SkyTouch) division. SkyTouch is a division of Choice that develops and markets cloud-based technology products, including inventory management, pricing and connectivity to third party channels, to hoteliers not under franchise agreements with Choice. SkyTouch's technology products are based on our choiceAdvantage property management system which is utilized by over 5,500 of Choice's franchised hotels.

Our domestic franchising operations are conducted through direct franchising relationships while our international franchise operations are conducted through a combination of direct franchising and master franchising relationships. Master franchising relationships are governed by master franchising agreements which generally provide the master franchisee with the right to use and sub-license the use of our brands in a specific geographic region, usually for a fee.

Choice was incorporated in 1980 in the State of Delaware. Our executive offices are located at 1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850, and our telephone number is (301) 592-5000. Information about the Company is available on the internet at www.choicehotels.com. We have not incorporated by reference into this prospectus the information on our website and it is not part of this prospectus.

RATIO OF EARNINGS TO FIXED CHARGES

| | Nine Months Ended | Year Ended | | | | |

| | September 30, 2013 | December 31, 2012 | December 31, 2011 | December 31, 2010 | December 31, 2009 | December 31, 2008 |
| Ratio of earnings to fixed charges (1)(2) | 4.1x | 6.0x | 9.1x | 16.1x | 22.7x | 12.8x |

- (1) For purposes of calculating the ratio of earnings to fixed charges, earnings represent earnings from continuing operations before income taxes and before income or loss from equity investments, *plus* (a) fixed charges, and (b) distributed income of equity investees. Fixed charges consist of interest expense and the interest component of rental expense.
- (2) We had no preferred stock outstanding in any of the periods presented. As a result, our ratio of earnings to combined fixed charges and preferred stock dividends for each period is identical to our ratio of earnings to fixed charges as indicated above.

DESCRIPTION OF CAPITAL STOCK

Common Stock

Our Restated Certificate of Incorporation, as amended (the *Certificate*), authorizes common stock consisting of 160,000,000 shares, par value \$0.01 per share. We may issue additional shares of common stock without further stockholder approval, up to the maximum authorized number of shares, except as may be otherwise required by applicable law or stock exchange regulations.

Dividend Rights. Holders of common stock are entitled to receive, subject to preferences that may be applicable from time to time with respect to any outstanding preferred stock, such dividends as are declared by the board of directors of Choice.

Voting Rights. Each holder of our common stock is entitled to one vote for each share of common stock held of record on the applicable record date on all matters submitted to a vote of stockholders. Holders of our common stock do not have cumulative voting rights.

Rights upon Liquidation or Dissolution. In the event of liquidation or dissolution, each share of common stock is entitled to share pro rata in any distribution of our assets after payment or providing for the payment of liabilities and the liquidation preference of any outstanding preferred stock. Holders of our common stock have no preferential, preemptive, conversion, sinking fund or redemption rights.

Preferred Stock

The Certificate authorizes preferred stock consisting of 5,000,000 shares, par value \$0.01 per share. Of the authorized preferred shares, 1,000,000 are designated Series A Junior Participating Preferred Stock. No preferred shares currently are outstanding. Under our Certificate, our board of directors may from time to time establish and issue preferred shares. Our board of directors may determine the designation, preference, limitations and relative rights of each series of preferred shares so issued.

The prospectus supplement relating to any preferred shares offered thereby will contain the specific terms thereof, including, without limitation:

the designation of such preferred shares;

the number of such preferred shares offered, the liquidation preference per share and the offering price of such preferred shares;

the dividend rate, period and/or payment date or method of calculation thereof applicable to such preferred shares;

the date from which dividends on such preferred shares will accumulate, if applicable;

the voting rights of the preferred shares;

the provision for a sinking fund, if any, for such preferred shares;

the provision for redemption, if applicable, of such preferred shares;

the terms and conditions, if applicable, upon which such preferred shares will be convertible into our common shares, including the conversion price (or manner of calculation thereof);

any other specific preferences, limitations and relative rights of such preferred shares;

a discussion of federal income tax considerations applicable to such preferred shares;

the relative ranking and preferences of such preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs;

any limitations on issuance of any series of preferred shares ranking senior to or on a parity with such series of preferred shares as to dividend rights and rights upon liquidation, dissolution or winding up of our affairs; and

whether interests in such preferred shares will be represented by depositary shares.

Table of Contents

Because our board of directors has the power to establish the preference, limitations and relative rights of each series of preferred shares, it may afford the holders of any series of preferred shares preference, limitations and relative rights, voting or otherwise, senior to the rights of holders of common stock.

Certain Anti-takeover Matters

Our Certificate and by-laws contain provisions that may make it more difficult for a potential acquirer to acquire us by means of a transaction that is not negotiated with our board of directors. These provisions and the General Corporation Law of the State of Delaware (the "DGCL") could delay or prevent entirely a merger or acquisition that our stockholders consider favorable. These provisions may also discourage acquisition proposals or have the effect of delaying or preventing entirely a change in control, which could harm our stock price. Our board of directors is not aware of any current effort to accumulate shares of our common stock or to otherwise obtain control of our Company and does not currently contemplate adopting or recommending the approval of any other action that might have the effect of delaying, deterring or preventing a change in control of our Company.

Following is a description of the anti-takeover effects of certain provisions of our Certificate and by-laws.

No stockholder action by written consent. The DGCL provides that stockholders of a Delaware corporation can act by written consent instead of by vote at a stockholder meeting, unless the corporation's certificate of incorporation provides otherwise. Our Certificate provides that stockholders may not act by written consent.

No cumulative voting. The DGCL provides that stockholders of a Delaware corporation are not entitled to the right to cumulate votes in the election of directors, unless its certificate of incorporation provides otherwise. Our Certificate does not provide for cumulative voting.

Calling of special meetings of stockholders. Our by-laws provide that to properly bring business before a special meeting of our stockholders, the business must be specified in a notice of meeting (or any supplement thereto) given by or at the direction of the board of directors or otherwise properly brought before the meeting by or at the direction of the board of directors.

Advance notice requirements for stockholder proposals and director nominations. Our by-laws provide that stockholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to our corporate secretary.

Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 60 days nor more than 90 days prior to the first anniversary of the previous year's annual meeting. Our by-laws also specify requirements as to the form and content of a stockholder's notice. These provisions may impede stockholders' ability to bring matters before an annual meeting of stockholders or make nominations for directors at an annual meeting of stockholders.

Classified Board of Directors. Our board of directors is currently divided into three classes of directors, each class constituting approximately one-third of the total number of directors, with the classes currently serving staggered terms. However, at the 2013 annual meeting, our stockholders approved an amendment to the Certificate to declassify the board of directors. Each director elected by the stockholders after our 2013 annual meeting of stockholders will serve for a term expiring at the first annual meeting of stockholders held after such director's election. As a result, beginning with the 2016 annual meeting of stockholders our board of directors will be declassified and directors will be elected on an annual basis.

Under the DGCL, directors on a classified board can only be removed for cause. At present, because our board of directors is classified, our Certificate and by-laws provide that the members of our board of directors are removable only for cause. Our Certificate provides that, once our board of directors has become declassified in 2016, directors may be removed with or without cause.

Table of Contents

Limitations on Liability and Indemnification of Officers and Directors

The DGCL authorizes corporations to limit or eliminate the personal liability of directors to corporations and their stockholders for monetary damages for breaches of directors' fiduciary duties. Our Certificate includes a provision that eliminates the personal liability of directors for monetary damages for any breach of fiduciary duty in such capacity, except for liability:

for any breach of the director's duty of loyalty to us or our stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or

for any transaction from which the director derived any improper personal benefit, except to the extent any such exemption from liability or limitation thereof is not permitted under the DGCL.

Our Certificate and by-laws also provide for the indemnification of our directors and officers, past and present, to the fullest extent authorized by the DGCL against expenses and liabilities (including, but not limited to, counsel fees) reasonably incurred by or imposed upon such persons in connection with any proceeding to which they may be made a party or in which they may become involved as a result of being or having been directors or officers. We have the power to purchase and maintain insurance on behalf of our past and present directors and officers, or those who are or were serving at our request as directors or officers of another corporation, partnership, joint venture, trust or other business, against any liability asserted against those persons or incurred by those persons in any of these capacities, or arising out of their status as such, whether or not we would have the power to indemnify those persons against such liability under our certificate of incorporation.

The limitation of liability and indemnification provisions in our Certificate and the by-laws may discourage our stockholders from bringing a lawsuit against directors and officers for breach of their fiduciary duties. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our stockholders. In addition, the stockholder's investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

We may designate someone else to perform this function. Whoever maintains the list of registered holders is called the Registrar.

You will not be required to pay a service charge to transfer or exchange Debt Securities, but you may be required to pay us for any transfer tax or other governmental charge payable upon the exchange or transfer. The transfer or exchange will be made only if the Registrar is satisfied with your proof of ownership.

If we designate additional Registrars, we will name them in the accompanying prospectus supplement. We may cancel the designation of any particular Registrar. We may also approve a change in the office through which any Registrar acts.

If we redeem less than all of the Debt Securities of a redeemable series, we may block the transfer or exchange of Registered Securities during the period beginning 15 days before the day of mailing of a notice of redemption of such Registered Securities and ending on the day of such mailing. We may also decline to register transfers or exchanges of Debt Securities selected for redemption, except that we will continue to permit transfers and exchanges of the unredeemed portion of any Debt Security being partially redeemed.

If the offered Debt Securities are redeemable, we will describe the procedures for redemption in the accompanying prospectus supplement.

In this Transfer and Exchange section of this prospectus, you means direct holders and not indirect holders of Debt Securities.

Definitions

Attributable Indebtedness with respect to any sale and leaseback transaction that is subject to the restrictions described under Covenants Limitations on Sale and Leaseback Transactions means:

if such sale and leaseback transaction is a Capitalized Lease Obligation, the amount of Indebtedness represented thereby according to the definition of Capitalized Lease Obligations, and

in all other instances, the present value of the total obligations of the lessee for rental payments during the remaining term of the lease included in such sale and leaseback transaction (including

any period for which such lease has been extended) determined in accordance with GAAP, discounted at a rate that at the inception of the lease the lessee would have incurred to borrow over a similar term the funds necessary to purchase the leased assets.

Capitalized Lease Obligations of any Person means the obligations of such Person to pay rent or other amounts under a lease that is accounted for as a capital lease, and the amount of such obligation shall be the capitalized amount thereof determined in accordance with GAAP.

Consolidated Net Assets means the consolidated total assets of Choice and its Subsidiaries, after deducting therefrom all current liabilities of Choice and its Subsidiaries (other than the current portion of long-term Indebtedness of Choice and its Subsidiaries and Capitalized Lease Obligations of Choice and its Subsidiaries), all as set forth on the latest consolidated balance sheet of Choice prepared in accordance with GAAP.

Funded Debt means all Indebtedness of Choice and its Subsidiaries with a maturity date more than one year after, or which is renewable or extendable at the option of Choice for a period ending more than one year after, the date as of which Funded Debt is being determined.

Indebtedness means, with respect to any Person, indebtedness of, or guaranteed or assumed by, the Person for borrowed money, including indebtedness evidenced by bonds, debentures, notes, or other similar instruments and reimbursement and cash collateralization of letters of credit, bankers' acceptances, interest rate hedge and currency hedge agreements, if any such indebtedness would appear as a liability upon a consolidated balance sheet of the Person and its Subsidiaries prepared in accordance with GAAP (not including contingent liabilities that appear only in a footnote to such balance sheet).

Lien means, with respect to any property or assets of any Person, any mortgage or deed of trust, pledge, hypothecation, assignment, security interest, lien, encumbrance, or other security arrangement of any kind or nature whatsoever on or with respect to such property or assets (including any conditional sale or other title retention agreement having substantially the same economic effect as any of the foregoing).

Permitted Liens means:

- (a) Liens existing on the date of the Indenture;
- (b) Liens in favor of Choice or a Restricted Subsidiary;
- (c) Liens on any property existing at the time of the acquisition thereof;
- (d) Liens on any property of a Person or its Subsidiaries existing at the time such Person is consolidated with or merged into Choice or a Restricted Subsidiary, or Liens on any property of a Person existing at the time such Person becomes a Restricted Subsidiary;

(e) Liens to secure all or part of the cost of acquisition (including Liens created as a result of an acquisition by way of Capitalized Lease Obligations), construction, development or improvement of the underlying property, or to secure Indebtedness incurred to provide funds for any such purposes; *provided*, that the commitment of the creditor to extend the credit secured by any such Lien shall have been obtained not later than 18 months after the later of (A) the completion of the acquisition, construction, development or improvement of such property and (B) the placing in operation of such property or of such property as so constructed, developed or improved;

(f) Liens securing industrial revenue, pollution control or similar bonds; and

(g) any extension, renewal or replacement (including successive extensions, renewals and replacements), in whole or in part, of any Lien referred to in any of clauses (a) through (f) of this definition of Permitted Liens that would not otherwise be permitted pursuant to any of clauses (a) through (f) of this definition of Permitted Liens, to the extent that (A) the principal amount of Indebtedness secured thereby and not otherwise permitted to be secured pursuant to any of clauses (a) through (f) of this definition of Permitted Liens does not exceed the principal amount of Indebtedness, plus any premium or fee payable in connection with any such extension, renewal or replacement, so secured at the time of any such extension, renewal or replacement, except that where (1) the Indebtedness so secured at the time of any such extension, renewal or replacement was incurred for the sole purpose of financing a specific project and (2) additional Indebtedness is to be incurred in connection with such extension, renewal or replacement solely to finance the completion of the same project, the additional Indebtedness may also be secured by such Lien; and (B) the property that is subject to the Lien serving as an extension, renewal or replacement is limited to some or all of the Property that was subject to the Lien so extended, renewed or replaced.

Person means any individual, corporation, partnership, limited liability company, joint venture, association, joint stock company, trust, unincorporated organization or government or any agency or political subdivision thereof.

Principal Property means (i) a parcel of improved or unimproved real estate or other physical facility or depreciable asset of Choice or a consolidated Subsidiary of Choice, the net book value of which on the date of determination exceeds 7.5% of Consolidated Net Assets and (ii) any group of parcels of real estate, other physical facilities, and/or depreciable assets of Choice and/or its consolidated Subsidiaries, the net book value of which, when sold in one or a series of related sale and leaseback transactions or securing Indebtedness issued in respect of such Principal Properties, on the date of determination exceeds 7.5% of the Consolidated Net Assets. For purposes of the foregoing, related sale and leaseback transactions refers to any two or more such contemporaneous transactions which are on substantially similar terms with substantially the same parties. As of the date of this prospectus, we and our consolidated Subsidiaries had no Principal Properties.

Restricted Subsidiary means any Subsidiary of Choice that owns, operates or leases one or more Principal Properties. As of the date of this prospectus, we had no Restricted Subsidiaries.

Subsidiary in respect of any Person, means (i) any Person of which more than 50% of the total voting power of shares of capital stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by any Person or one or more of the Subsidiaries of that Person or a combination thereof, and (ii) any partnership, joint venture or other Person in which such Person or one or more of the Subsidiaries of that Person or a combination thereof has the power to control by contract or otherwise the board of directors or equivalent governing body or otherwise controls such entity.

Covenants

The Indenture does not limit the amount of Indebtedness or other obligations that may be incurred by the Company and its Subsidiaries. The Indenture does contain the following covenants, among others:

Limitations on Liens

The Indenture provides that Choice will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or otherwise cause or suffer to exist or become effective any Liens of any kind upon any Principal Property or any capital stock of any Restricted Subsidiary which owns or leases Principal Property (whether

such Principal Property or capital stock are now owned or hereafter acquired), or any interest therein or any increase or profits therefrom, unless all payments due under the Indenture and the Debt Securities are secured on an equal and ratable basis with (or prior to) the obligations so secured until such time as such obligation is no longer secured by a Lien, except in the case of Permitted Liens or as provided under Exempted Debt below. As of the date of this prospectus, there are no Principal Properties or Restricted Subsidiaries.

Table of Contents

Limitations on Sale and Leaseback Transactions

The Indenture provides that, except as provided under **Exempted Debt** below, Choice will not, and will not permit any of its Restricted Subsidiaries to, enter into any arrangement with any Person (other than the Company or any Subsidiary of the Company) providing for the leasing by Choice or a Restricted Subsidiary of any Principal Property owned by Choice or such Restricted Subsidiary (except for leases for a term of not more than three years), which property has been or is to be sold or transferred by Choice or such Restricted Subsidiary to such Person on the security of such Principal Property more than 365 days after the acquisition thereof or the completion of construction and commencement of full operation thereof unless either (a) Choice or such Restricted Subsidiary would be entitled, pursuant to the provisions of the Indenture, to incur Indebtedness secured by a Lien on the Property to be leased in an amount equal to the Attributable Indebtedness with respect to such transaction without equally and ratably securing the Debt Securities, or (b) Choice, within 180 days after the effective date of such transaction, applies to the voluntary retirement of its Funded Debt an amount equal to the value of such transaction, defined as the greater of the net proceeds of the sale of the Principal Property leased in such transaction or the fair value, in the opinion of Choice's board of directors, of the leased Principal Property at the time such transaction was entered into. As of the date of this prospectus, there are no Principal Properties or Restricted Subsidiaries.

Exempted Debt

Notwithstanding the foregoing limitations on Liens and sale and leaseback transactions, Choice and its Restricted Subsidiaries may create, incur or otherwise cause to suffer to exist or become effective Liens without securing the Debt Securities or enter into a sale and leaseback transaction without retiring Funded Debt, or enter into a combination of such transactions, provided that, at the time of such event, and after giving effect thereto and to the retirement of any other such Indebtedness which is concurrently being repaid, the sum of (x) the principal amount of such Indebtedness secured by such Liens or the Attributable Indebtedness in respect of such sale and leaseback transaction, as the case may be, and (y) the principal amount of all other such Indebtedness secured by such Liens (not including Liens permitted under **Limitations on Liens** above) and all other Attributable Indebtedness in respect of sale and leaseback transactions then outstanding (not including sale and leaseback transactions permitted under **Limitations on Sale and Leaseback Transactions** above), measured, in each case, at the time any such Lien is incurred or any such sale and leaseback transaction is entered into, does not exceed the greater of (i) \$25 million or (ii) 15% of the Consolidated Net Assets of Choice and its consolidated Subsidiaries.

Merger and Consolidation

We covenant that we will not consolidate with or merge into any Person or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of our and our Subsidiaries' properties and assets as an entirety unless, among other things:

the successor Person is Choice or another entity organized and existing under the laws of the United States, any state or territory thereof or the District of Columbia that assumes our obligations on the Debt Securities and under the Indenture,

immediately after giving effect to such transaction, Choice or the successor Person would not be in default under the Indenture, and

Choice shall have delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture, comply with the terms of the Indenture and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Except as described above or as set forth in the applicable prospectus supplement, the Indenture does not contain any provisions that would afford holders of the Debt Securities protection in the event of:

a highly leveraged or similar transaction involving us;

a change in our control or a change in our management; or

a reorganization, restructuring, merger or similar transaction involving us that may adversely affect the holders of the Debt Securities.

Table of Contents

In addition, subject to the limitations set forth above, we may, in the future, enter into certain transactions such as the sale of our properties and assets substantially as an entirety or a merger or consolidation with another entity that could increase the amount of our Indebtedness or the Indebtedness of our Subsidiaries or otherwise adversely affect our financial condition or results of operations, which may have an adverse effect on our ability to service our Indebtedness, including the Debt Securities. We have no present intention of engaging in a highly leveraged or similar transaction involving us.

Events of Default

An Event of Default with respect to a series of the Debt Securities is defined in the Indenture as being:

- (i) default in the payment of any principal or premium (if any) of the series of Debt Securities;
- (ii) default for 30 days in the payment of any installment of interest on the series of Debt Securities;
- (iii) default by Choice in the performance of any other covenants or agreements in the Indenture contained therein for the benefit of the series of Debt Securities which shall not have been remedied for a period of 90 days after written notice of such default to Choice by the Trustee or to Choice and the Trustee by the holders of at least 25% in aggregate principal amount of the series of Debt Securities;
- (iv) default by Choice or any Subsidiary under any Indebtedness (except non-recourse indebtedness) having an aggregate principal amount of \$25 million or 15% of Consolidated Net Assets (whichever amount is greater), or under any mortgage, indenture or other instrument under which there may be issued or by which there may be secured any Indebtedness for money borrowed by Choice or any Subsidiary having an aggregate principal amount of \$25 million or 15% of Consolidated Net Assets (whichever amount is greater), for failure to pay a portion of the principal when due (after any grace period has passed) or as a result of Indebtedness being declared due before it otherwise would have been due, and this repayment obligation has not been rescinded or annulled within ten days of written notice to Choice (sent by either the Trustee or by the holders of at least 25% of the outstanding principal amount of the series of Debt Securities to Choice and the Trustee) or remedied, cured or waived before a declaration of acceleration of the series of Debt Securities;
- (v) certain events of bankruptcy, insolvency or reorganization of Choice or a significant subsidiary of Choice; or
- (vi) any other Event of Default specified for the series in the applicable prospectus supplement.

The Indenture provides that if an Event of Default under clause (i), (ii), (iii), (iv) or (vi) above shall have occurred and be continuing, either the Trustee or the holders of not less than 25% in principal amount of the series of Debt Securities may declare the principal of all the Debt Securities of that series, together with any accrued interest and premium (if any), to be due and payable immediately.

If an Event of Default under clause (v) above shall have occurred and be continuing, then the principal of all the Debt Securities, together with any accrued interest and premium (if any), will be due and payable immediately without any declaration or other act on the part of the Trustee or any holder of a Debt Security. Upon certain conditions such declaration (including a declaration caused by a default in the payment of principal or interest, the payment for which has subsequently been provided) may be annulled by the holders of a majority in principal amount of the series of Debt Securities.

In addition, past defaults may be waived by the holders of a majority in principal amount of the series of Debt Securities, except a default in the payment of principal of or interest and premium (if any) on any Debt Security, a default arising from failure to redeem or purchase a Debt Security when required by the Indenture, or a default in respect of a covenant or provision of the Indenture which cannot be modified or amended without the approval of the holder of each Debt Security affected.

The Indenture contains a provision entitling the Trustee, subject to the duty of the Trustee during default to act with the required standard of care, to be indemnified by the holders of Debt Securities issued thereunder before proceeding to exercise any right or power under the Indenture at the request of the holders of such Debt Securities.

Table of Contents

The Indenture also provides that the holders of a majority in principal amount of the outstanding Debt Securities of a particular series issued thereunder and affected (each series voting as a separate class) may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Debt Securities of such series.

The Indenture contains a covenant that Choice will file annually with the Trustee a certificate as to the absence of any default or specifying any default that exists.

Satisfaction and Discharge

The Indenture will cease to be of further effect as to a series of Debt Securities (except as to surviving rights of registration of transfer or exchange of Debt Securities, as expressly provided for in the Indenture) when either:

all Debt Securities of the series theretofore authenticated (except lost, stolen or destroyed Debt Securities that have been replaced or paid) have been delivered to the Trustee for cancellation, or

with respect to all Debt Securities of a series due and payable within one year not theretofore delivered to the Trustee for cancellation,

Choice has deposited or caused to be deposited with the Trustee funds or government securities (as defined in the Indenture), or any combination thereof, in an amount sufficient to pay and discharge the entire indebtedness on the Debt Securities of the series not theretofore delivered to the Trustee for cancellation, for unpaid principal and interest to maturity;

Choice has paid all other sums payable by it with respect to the Debt Securities of the series under the Indenture; and

Choice has delivered to the Trustee an officers' certificate and an opinion of counsel each stating that all conditions precedent under the Indenture to the satisfaction and discharge of the Indenture with respect to the series of Debt Securities have been complied with.

Covenant and Legal Defeasance

The Indenture provides that Choice need not comply with certain restrictive covenants of the Indenture (including those described under "Covenants" above) or it will be deemed to have been discharged from its obligations with respect to a series of Debt Securities under the Indenture if:

Choice deposits in trust with the Trustee money or government securities, which through the payment of interest thereon and principal thereof in accordance with their terms will provide money, in an amount sufficient, in the opinion of a nationally recognized firm of certified public accountants, to pay all the principal of and interest and premium (if any) on the Debt Securities of the series when due;

Choice shall have delivered to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for or relating to the defeasance have been complied with;

no default or Event of Default with respect to that series of debt securities shall have occurred and be continuing under subsection (v) of Events of Default above at any time in the period ending on the 91st day after the date of deposit; and

Choice delivers to the Trustee an opinion of counsel to the effect that the holders of Debt Securities of the series will not recognize income, gain or loss for federal income tax purposes as a result of such defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times, as would have been the case if such defeasance had not occurred.

Modification and Waiver

Without the consent of any holder of the Debt Securities, Choice and the Trustee may modify or amend the Indenture to clarify or to make certain other changes that would not materially adversely affect the legal rights of any holder.

With the consent of the holders of not less than a majority in aggregate principal amount of the outstanding Debt Securities of the particular series affected, Choice and the Trustee may modify or amend the Indenture; *provided, however*, that no such modification or amendment may, without the consent of the holder of each Debt Security affected:

change the stated maturity of the principal of, or any installment of interest on, any Debt Security or reduce the principal amount thereof or the rate of interest thereon, or change the coin or currency in which any Debt Security or the interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment after the stated maturity thereof;

reduce the amount payable upon the redemption of any Debt Security or change the time at which such Debt Security may be redeemed;

waive a default or Event of Default in the payment of principal of or premium, if any, or interest on the Debt Securities (except a rescission of acceleration of the Debt Securities by the holders of not less than a majority in aggregate principal amount of the then outstanding Debt Securities and a waiver of the payment default that resulted from such acceleration);

waive a redemption payment with respect to any Debt Security;

reduce the principal amount of Debt Securities of a series whose holders must consent to a modification or waiver, or make any change in the Indenture relating to waivers of past defaults or the rights of holders of Debt Securities of a series to receive payments of principal of, or premium, if any, or interest on the Debt Securities; or

modify any of the provisions relating to supplemental indentures requiring the consent of holders or relating to the waiver of past defaults, except to increase the percentage of outstanding Debt Securities required for such actions or to provide that certain other provisions of the Indenture cannot be modified or waived without the consent of the holder of each Debt Security.

Concerning our Relationship with the Trustee

We and our Subsidiaries maintain ordinary banking relationships and revolving credit facilities with affiliates of Wells Fargo Bank, National Association.

BOOK-ENTRY SECURITIES

The securities offered by means of this prospectus and any related prospectus supplement may be issued in whole or in part in book-entry form, meaning that beneficial owners of the securities would not receive certificates representing their ownership interests in the securities, except in the event the book-entry system for the securities is discontinued. Securities issued in book-entry form will be evidenced by one or more global securities that will be deposited with, or on behalf of, a depositary identified in the applicable prospectus supplement relating to the securities. Unless and until it is exchanged in whole or in part for the individual securities represented thereby, a global security may not be transferred except as a whole by the depositary for the global security to a nominee of such depositary or by a nominee of such depositary to such depositary or another nominee of such depositary or by the depositary or any nominee of such depositary to a successor depositary or a nominee of such successor. Global securities may be

issued in either registered or bearer form and in either temporary or permanent form. The specific terms of the depositary arrangement with respect to a class or series of securities that differ from the terms described here will be described in the applicable prospectus supplement.

SELLING STOCKHOLDERS

If the registration statement of which this prospectus forms a part is used by selling stockholders for the resale of any shares of common stock registered thereunder, information about such selling stockholders, their beneficial ownership of our common stock and their relationship with us will be set forth in a prospectus supplement or in filings we make with the SEC under the Exchange Act that are incorporated by reference herein or therein.

PLAN OF DISTRIBUTION

Sales by Us

We may sell any of the securities being offered by this prospectus in any one or more of the following ways from time to time:

through agents or dealers;

to or through underwriters;

directly to purchasers or existing stockholders; or

through a combination of any of these methods.

The prospectus supplement relating to the offered securities will set forth its offering terms, including the name or names of any underwriters, dealers or agents, the purchase price of the offered securities and the proceeds to us from the sale, any underwriting discounts, commissions and other items constituting underwriters' compensation, any initial public offering price and any underwriting discounts, commissions and other items allowed or reallocated or paid to dealers or agents and any securities exchanges on which the offered securities may be listed.

We may use one or more underwriters in the sale of the offered securities, in which case the offered securities will be acquired by the underwriter or underwriters for their own account and may be resold from time to time in one or more transactions either:

at a fixed price or prices, which may be changed,

at market prices prevailing at the time of sale,

at prices related to the prevailing market prices, or

at negotiated prices.

In addition, we may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of stock. The third party in any such sale transactions would be an underwriter, as that term is defined in the Securities Act, and would be identified in the applicable prospectus supplement (or a post-effective amendment). In addition, we

Table of Contents

may otherwise loan or pledge securities to a financial institution or other third party that in turn may sell the securities short using this prospectus. Such financial institution or other third party may transfer its economic short position to investors in our securities or in connection with a concurrent offering of other securities.

We may engage in at the market offerings of our common stock. An at the market offering is an offering of our common stock at other than a fixed price. Any underwriter that we engage for an at the market offering would be named in a post-effective amendment to the registration statement of which this prospectus is a part or a prospectus supplement related to that offering.

We may directly solicit offers to purchase the securities and may sell such securities directly to institutional investors or others, who may be deemed to be underwriters within the meaning of the Securities Act with respect to any resale thereof. The prospectus supplement will describe the terms of any such sales.

Agents designated by us may solicit offers to purchase the securities from time to time. The prospectus supplement will name any such agent involved in the offer or sale of the securities and will set forth any commissions payable by us to such agent. Unless otherwise indicated in such prospectus supplement, any such agent will be acting on a reasonable best efforts basis for the period of its appointment. Any such agent may be deemed to be an underwriter of the securities so offered and sold.

If the securities are sold by means of an underwritten offering, we will execute an underwriting agreement with an underwriter or underwriters at the time an agreement for such sale is reached. A prospectus supplement will be used by the underwriters to make resales of the securities to the public and will set forth the names of the specific managing underwriter or underwriters, as well as any other underwriters, and the terms of the transaction, including commissions, discounts and any other compensation of the underwriters and dealers, if any. If underwriters are utilized in the sale of the securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at fixed public offering prices or at varying prices determined by the underwriter at the time of sale. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by the managing underwriters. In connection with the sale of offered securities, the underwriter may be deemed to have received compensation from us in the form of underwriting discounts or commissions and may also receive commissions from purchasers of offered securities for whom they may act as agents. Underwriters may also sell offered securities to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents.

Unless otherwise set forth in the applicable prospectus supplement, the obligations of underwriters to purchase the offered securities will be subject to certain conditions precedent, and such underwriters will be obligated to purchase all such securities, if any are purchased. In connection with any offering of securities, we may grant to the underwriters an option to purchase additional securities at the initial public offering price, with an additional underwriting commission, as may be set forth in the accompanying prospectus supplement. If we grant any option to purchase additional securities, the terms of such option to purchase additional securities will be set forth in the prospectus supplement for such securities.

In connection with an offering of securities, underwriters may purchase and sell the securities in the open market. These transactions may include over-allotment, syndicate covering transactions, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. An over-allotment involves sales in excess of the offering size, which create a short position. Syndicate covering transactions involve purchases of securities in the open market after the distribution has been completed in order to cover syndicate short positions. Stabilizing transactions permit bids to purchase the underlying security so long as the

stabilizing bids do not exceed a specified maximum. Short-covering transactions involve purchases of the securities in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling

Table of Contents

concession from a dealer when the securities originally sold by the dealer are purchased in a covering transaction to cover short positions. These activities may have the effect of raising or maintaining the market price of the securities or preventing or slowing a decline in the market price of the securities. As a result, the price of the securities may be higher than the price that might otherwise exist in the open market. In addition, a penalty bid may discourage the immediate resale of securities sold in this offering. Neither we nor the underwriters make any representation or prediction as to the direction or magnitude of any effect that the transactions described above may have on the price of the securities. In addition, neither we nor the underwriters make any representation that the underwriters will engage in these transactions or that these transactions, once commenced, will not be discontinued without notice.

If a dealer is utilized in the sale of the securities, we will sell such securities to the dealer as principal. The dealer may then resell such securities to the public at varying prices to be determined by such dealer at the time of resale. Any such dealer may be deemed to be an underwriter, as such term is defined in the Securities Act, of the securities so offered and sold. The prospectus supplement will set forth the name of the dealer and the terms of the transaction, including any commissions, discounts or other compensation provided.

If an applicable prospectus supplement indicates, we will authorize agents, underwriters or dealers to solicit offers by certain specified institutions to purchase securities from us at the public offering price set forth in the prospectus supplement under delayed delivery contracts providing for payment and delivery on a specified date in the future. These contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth the price to be paid for offered securities pursuant to the contracts, the commission payable for solicitation of the contracts and the date or dates in the future for delivery of offered securities pursuant to the contracts.

The securities may also be offered and sold, if so indicated in the prospectus supplement, in connection with a remarketing upon their purchase, in accordance with a redemption or repayment pursuant to their terms, or otherwise, by one or more firms, which we refer to as remarketing firms, acting as principals for their own accounts or as agents for us. The prospectus supplement will identify any remarketing firm and will describe the terms of its agreement, if any, with us and its compensation. Remarketing firms may be deemed to be underwriters, as such term is defined in the Securities Act, in connection with the securities remarketed thereby. Remarketing firms may also be customers of, engage in transactions with or perform services for us and our subsidiaries in the ordinary course of business.

Each series of securities will be a new issue with no established trading market, other than our common stock which is listed on the New York Stock Exchange under the symbol CHH. Any common stock sold pursuant to a prospectus supplement will be listed on such exchange, subject to official notice of issuance. We may elect to list any series of debt securities or preferred stock on an exchange or in a market, but we will not be obligated to do so. It is possible that one or more underwriters may make a market in a series of the securities, but will not be obligated to do so and may discontinue any market making at any time without notice. Therefore, we can give no assurance as to the liquidity of the trading market for the securities.

Agents, underwriters and dealers may be customers of, engage in transactions with, or perform services for, us and our subsidiaries in the ordinary course of business.

Agents, underwriters, dealers and remarketing firms may be entitled, under agreements that may be entered into with us, to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to any contribution with respect to payments which they may be required to make in respect thereof and may engage in transactions with, or perform services for, us in the ordinary course of business.

Sales by Selling Stockholders

Selling stockholders may use this prospectus in connection with resales of shares of our common stock. The applicable prospectus supplement will identify the selling stockholders, their beneficial

Table of Contents

ownership of our shares of common stock, the shares of our common stock that the selling stockholders intend to sell and any material relationships between us and the selling stockholders. Selling stockholders may be deemed to be underwriters under the Securities Act in connection with the common stock they resell and any profits on the sales may be deemed to be underwriting discounts and commissions under the Securities Act.

Unless otherwise set forth in a prospectus supplement, the selling stockholders will receive all the proceeds from the resale of our common stock. We will not receive any proceeds from the resale by the selling stockholders of common stock. Unless otherwise set forth in a prospectus supplement, the selling stockholders will pay all underwriting discounts, commissions and agent's commissions, if any.

The selling stockholders may offer and sell shares of common stock from time to time in one or more transactions, either:

at a fixed price or prices, which may be changed,

at market prices prevailing at the time of sale,

at varying prices related to the prevailing market prices, or

at negotiated prices.

Any such price may be changed from time to time. Each selling stockholder will act independently from us in making decisions with respect to the timing, manner of sale, amount of common stock to be sold and the pricing of any transaction. These prices will be determined by the selling stockholder or by agreement between such holder and any underwriters, brokers, dealers or agents who may receive fees or commissions in connection with such sale. Such sales may be effected by a variety of methods, including the following:

in market transactions;

in privately negotiated transactions;

through the writing of options;

in a block trade in which a broker-dealer will attempt to sell a block of securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;

through broker-dealers, who may act as agents or principals;

in any combination of the above or by any other legally available means.

The prospectus supplement relating to the resale of common stock will set forth the specific terms of the resale offer, including the names of the selling stockholders.

In connection with the resale of the shares of common stock, the selling stockholders may enter into hedging transactions with brokers, dealers, agents or other financial institutions, who may in turn engage in short sales of common stock, deliver the shares of common stock to close out such short positions, or loan or pledge the shares of common stock to brokers, dealers or other financial institutions that in turn may sell such shares of common stock.

Table of Contents

The underwriter or underwriters with respect to an underwritten offering of common stock and the other material terms and conditions of the underwriting will be set forth in a prospectus supplement relating to such offering and, if an underwriting syndicate is used, the managing underwriter or underwriters will be set forth on the cover of the prospectus supplement. In connection with the sale of the shares of common stock, underwriters will receive compensation in the form of underwriting discounts or commissions and may also receive commissions from purchasers of common stock for whom they may act as agent. Underwriters may sell to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agent.

The selling stockholders may decide to sell all, any portion or none of the shares of common stock offered by them pursuant to the applicable prospectus supplement. In addition, the selling stockholders may transfer, devise or give the shares of common stock by other means not described in this prospectus.

The selling stockholders and any underwriters, brokers, dealers, other financial institutions or agents participating in a distribution of the shares of common stock may be deemed to be underwriters within the meaning of the Securities Act, and any profit on the sale of the shares of common stock by the selling stockholders and any commissions received by any such underwriters, broker-dealers or agents may be deemed to be underwriting commissions under the Securities Act. If any selling stockholder is deemed to be an underwriter, the selling stockholder may be subject to statutory liabilities including, but not limited to, those of Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

The selling stockholders and any other person participating in a distribution will be subject to the applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including, without limitation, Regulation M, which may limit the timing of purchases and sales of any shares of common stock by the selling stockholders and any other relevant person. Furthermore, Regulation M may restrict the ability of any person engaged in a distribution of the shares of common stock to engage in market-making activities with respect to the common stock being distributed. All of the above may affect the marketability of common stock and the ability of any person or entity to engage in market-making activities with respect to common stock.

Under the securities laws of certain states, the shares of common stock may be sold in those states only through registered or licensed brokers or dealers. In addition, in certain states the shares of common stock may not be sold unless such shares of common stock have been registered or qualified for sale in the state or an exemption from registration or qualification is available and complied with.

We may agree to indemnify the selling stockholders against certain civil liabilities, including certain liabilities arising under the Securities Act, and the selling stockholders may be entitled to contribution from us in connection with those liabilities. The selling stockholders may agree to indemnify us against certain civil liabilities, including liabilities arising under the Securities Act, and may be entitled to contribution severally from the selling stockholders in connection with those liabilities.

Agents, underwriters, dealers and remarketing firms may be entitled, under agreements that may be entered into with us and/or the selling stockholders, to indemnification by us and/or the selling stockholders against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which they may be required to make in respect thereof and may engage in transactions with, or perform services for, us or the selling stockholders in the ordinary course of business.

Item 15. Indemnification of Officers and Directors.***Choice Hotels International, Inc.***

Delaware General Corporation Law. Choice Hotels International, Inc. is incorporated under the laws of the State of Delaware.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") enables a corporation to eliminate or limit the personal liability of a director to the corporation or its stockholders for monetary damages for breach of the director's fiduciary duty, except:

for any breach of the director's duty of loyalty to the corporation or its stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

pursuant to Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or

for any transaction from which the director derived an improper personal benefit.

In accordance with Section 102(b)(7) of the DGCL, the certificate of incorporation of Choice Hotels International, Inc. includes provisions eliminating, to the fullest extent permitted by the DGCL, the liability of its directors to Choice or its stockholders for monetary damages for breach of fiduciary duties as directors.

Section 145(a) of the DGCL empowers a corporation to indemnify any present or former director, officer, employee or agent of the corporation, or any individual serving at the corporation's request as a director, officer, employee or agent of another organization, who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding provided that such director, officer, employee or agent acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, provided further that such director, officer, employee or agent had no reasonable cause to believe his or her conduct was unlawful.

Table of Contents

The DGCL provides that the indemnification described above shall not be deemed exclusive of any other indemnification that may be granted by a corporation pursuant to its by-laws, disinterested directors' vote, stockholders' vote, agreement or otherwise.

The DGCL also provides corporations with the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in a similar capacity for another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify him or her against such liability as described above.

In accordance with Section 145(a) of the DGCL, the by-laws of Choice Hotels International, Inc. provide that any person who was or is a party or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding or investigation, whether civil, criminal or administrative, and whether external or internal to Choice (other than a judicial action or suit brought by or in the right of Choice) by reason of the fact that he or she is or was a director, officer, employee or agent of Choice, or that, being or having been such a director, officer, employee or agent, he or she is or was serving at the request of Choice as a director, officer, employee or agent or another corporation, partnership, joint venture, trust or other enterprise (all such persons being referred to hereafter as an Agent), shall be indemnified and held harmless against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding, or any appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of Choice, and with respect to any criminal action or proceeding had no reasonable cause to believe his or her conduct was unlawful. Expenses incurred in defending any civil, criminal, administrative or investigative action, suit or proceeding or investigation or any appeal therein shall be paid by Choice in advance of the final disposition of such matter, if the Agent shall undertake to repay such amount in the event that it is ultimately determined, as provided herein, that such person is not entitled to indemnification.

Choice may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent against any liability asserted against him and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not Choice would have the power to indemnify him or her against such liability under the provisions of its by-laws. Choice Hotels International, Inc. has purchased and maintains insurance under which the directors, officers, employees and agents of Choice Hotels International, Inc. are insured against loss arising from claims made against them due to wrongful acts while acting in their individual and collective capacities as such, subject to certain exclusions.

Item 16. Exhibits and Financial Statement Schedules.

The exhibits to this registration statement are listed in the Exhibit Index, which appears immediately after the signature page and is included herein or incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(i), (1)(ii) and (1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

Table of Contents

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in this registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Table of Contents

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(e) The undersigned registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act ("Act") in accordance with the rules and regulations prescribed by the Commission under section 305(b)(2) of the Act.
