A copy of the Company's press release is attached to this Current Report on Form 8-K (the Current Report) as Exhibit 99.1 and is incorporated herein solely for purposes of this Item 7.01 disclosure.

This Current Report, including the exhibit attached hereto, is being furnished and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into any of the Company's filings under the Securities Act of 1933, as amended, or the Exchange Act, unless expressly set forth as being incorporated by reference into such filing.

Cautionary Note Regarding Forward-Looking Statements

Certain statements in this Current Report may constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are generally identified by the use of words such as outlook, believe, expect, potential, continue, may, will, should, could, would, seek, approximate, plan, estimate, anticipate, opportunity, pipeline, comfortable, assume, remain, maintain, sustain, negative version of those words or other comparable words. Forward-looking statements are not historical facts, but instead represent only the Company's beliefs as of the date of this report regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. Numerous factors could cause actual events to differ from these forward-looking statements, and any such differences could cause our actual results to differ materially from the results expressed or implied by these forward-looking statements. In addition, new risks and uncertainties emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those expressed or implied in any forward-looking statements.

Accordingly, you should not place undue reliance on any forward-looking statements contained in this Current Report, and you should not regard any forward-looking statement as a representation by the Company or any other person that the future plans, estimates or expectations currently contemplated by the Company will be achieved. You should consider any forward-looking statements included in this report in light of the risks and other important factors described in the Company's filings with the Securities and Exchange Commission, particularly those identified in the sections entitled Risk Factors and Management's Discussion and Analysis of Financial Condition and Results of Operations in the Company's most recent Quarterly Report on Form 10-Q and Annual Report on Form 10-K, which are available on the Company's website (www.fortress.com).

The Company can give no assurance that the expectations of any forward-looking statement will be obtained. Such forward-looking statements speak only as of the date of this Current Report. The Company expressly disclaims any obligation to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with regard thereto or any change in events, conditions or circumstances on which any statement is based.
