Item 1.01. Entry into a Material Definitive Agreement.

On July 8, 2014 (the **Effective Date**), VeriFone, Inc. (**VeriFone**), an indirect wholly-owned subsidiary of VeriFone Systems, Inc. (the **Company**), VeriFone Intermediate Holdings, Inc. (**Holdings**), a direct wholly-owned subsidiary of the Company, and certain other indirect wholly-owned subsidiaries of the Company entered into an Amendment and Restatement Agreement (the **Amendment and Restatement Agreement**), dated as of July 8, 2014, with the lenders party thereto and JPMorgan Chase Bank, N.A. (**JPM**) as Administrative Agent and Collateral Agent, which amended (i) the existing Credit Agreement (the **Existing Credit Agreement**), dated as of December 28, 2011, as amended by the Additional Credit Extension Amendment, dated as of October 15, 2012 and further amended by the Credit Agreement Amendment, dated as of July 19, 2013, among VeriFone, Holdings, the lenders party thereto, JPM, as Administrative Agent, an L/C Issuer and Swing Line Lender, Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Bank, National Association as Co-Syndication Agents and Barclays Bank PLC and RBC Capital Markets, as Co-Documentation Agents and (ii) certain related Loan Documents (as defined in the Existing Credit Agreement). The Existing Credit Agreement, as amended by the Amendment and Restatement Agreement, is referred to as the **Amended and Restated Credit Agreement** .

VeriFone entered into the Amendment and Restatement Agreement in order to extend the maturity dates of its facilities under the Existing Credit Agreement, to obtain more favorable pricing, and to make certain improvements to the covenants and other terms of the Existing Credit Agreement. The Amendment and Restatement Agreement provides for senior secured credit facilities (the **New Facilities**) in an aggregate amount of up to \$1,300,000,000 consisting of a term A loan facility (the **Term A Facility**) in the amount of \$600,000,000, a term B loan facility (the **Term B Facility**) in the amount of \$200,000,000 and a revolving credit facility (the **Revolving Facility**) with a committed amount of \$500,000,000. The New Facilities were made available to repay the outstanding balances due under the Existing Credit Agreement and to pay related fees and expenses as well as, in the case of the Revolving Facility, for working capital requirements and for other general corporate purposes. VeriFone previously repaid the term B loan facility under the Existing Credit Agreement in full.

Amounts outstanding under the New Facilities bear interest, at VeriFone's option, at a base rate equal to the highest of (a) the federal funds rate plus 0.50%, (b) JPM's prime rate and (c) the one-month LIBOR rate plus 1.00% (the **Base Rate**), or at LIBOR (subject, with respect to Term B Loans only, to a 0.75% floor), plus in each case a margin, which, for revolving loans and the Term A Facility, ranges from 0.50% to 1.75% for Base Rate-based loans and from 1.50% to 2.75% for LIBOR-based loans, subject to a 0.25% step-down if VeriFone obtains public corporate ratings from S&P and public corporate family ratings from Moody's of BB and Ba2 (or better), respectively, and, for the Term B Facility, 1.75% for Base Rate-based loans and 2.75% for LIBOR-based loans, in each case depending on VeriFone's consolidated first lien net leverage ratio. VeriFone will pay an undrawn commitment fee ranging from 0.25% to 0.50% (depending on VeriFone's consolidated first lien net leverage ratio and VeriFone's credit ratings) on the unused portion of the Revolving Facility. The base rate for loans under the Revolving Facility that are denominated in Euros will be the rate of interest at which deposits in Euros for delivery on the first day of the applicable interest period with a term equivalent to the borrowing are being offered by JPM, plus the applicable margin then in effect with respect to LIBOR-based loans under the Revolving Facility. For letters of credit issued under the Revolving Facility, VeriFone will pay a fronting fee in an amount to be agreed with the issuer of the letters of credit together with a fee on all outstanding letters of credit at a per annum rate equal to the margin then in effect with respect to LIBOR-based loans under the Revolving Facility.

The outstanding principal balance of the Term A Facility is required to be repaid in quarterly installments of the following percentages of the original balance outstanding under the Term A Facility: 1.25% for each quarter from the quarter ending September 30, 2014 through the quarter ending June 30, 2016; 2.50% for each quarter from the quarter ending September 30, 2016 through the quarter ending June 30, 2019, with the balance being due at maturity on July 8, 2019. The outstanding principal balance of the Term B Loans is required to be repaid in equal quarterly installments of 0.25% of the original balance outstanding under the Term B Facility, with the balance being due at maturity on July 8, 2021. Outstanding amounts may also be subject to mandatory prepayment with the proceeds of certain asset sales and debt issuances and, in the case of the Term B Facility only, from a portion of annual excess cash flows (as determined under the Amended and Restated Credit Agreement) depending on the Company's total net leverage ratio.

The Amendment and Restatement Agreement amends and reaffirms the Guaranty, dated as of December 28, 2011 (as amended, the "Guaranty"), among certain wholly owned domestic subsidiaries of VeriFone identified therein (the "Guarantors"), pursuant to which obligations under the Amended and Restated Credit Agreement are guaranteed by the Guarantors. The Amendment and Restatement Agreement also amends and reaffirms the Security Agreement and leaves in place and reaffirms the Pledge Agreement, each dated as of December 28, 2011 (together, as amended, the "Collateral Agreements") among VeriFone and the Guarantors on the one hand and JPM, as Collateral Agent, on the other hand, pursuant to which obligations under the Amended and Restated Credit Agreement, and the guarantees of the Guarantors in respect of such obligations, are secured by a first priority lien and security interest, subject to customary exceptions, in substantially all of the assets of VeriFone and the Guarantors and equity interests owned by VeriFone and the Guarantors in certain of their respective domestic and foreign subsidiaries (limited, in the case of foreign subsidiaries, 65% of the voting stock of such subsidiaries). Certain equity interests owned by existing and subsequently acquired subsidiaries may also be pledged in the future. Other existing and subsequently acquired or newly-formed domestic subsidiaries of VeriFone and the Guarantors may become Guarantors in the future.

The Amended and Restated Credit Agreement contains certain representations and warranties, certain affirmative covenants, certain negative covenants, certain financial covenants and certain conditions that are customarily required for similar financings and which are similar to the terms of the Existing Credit Agreement. These covenants include, among others:

A restriction on incurring additional indebtedness, subject to specified permitted debt;

A restriction on creating certain liens, subject to specified exceptions;

A restriction on mergers and consolidations, subject to specified exceptions;

A restriction on asset dispositions, subject to specified exceptions for ordinary course and other transactions;

A restriction on certain investments, subject to certain exceptions and a suspension if VeriFone achieves certain credit ratings;

A restriction on the payment of dividends, subject to specified exceptions; and

A restriction on entering into certain transactions with affiliates, subject to specified exceptions. In addition, commencing with the fiscal quarter ending July 31, 2014, VeriFone may not permit its total net leverage ratio (as defined in the Amended and Restated Credit Agreement) to exceed (i) 4.50 to

1.00, as of the end of any fiscal quarter ending prior to May 1, 2015, (ii) 4.25 to 1.00 as of the end of any fiscal quarter ending thereafter and prior to November 1, 2015, (iii) 4.00 to 1.00 as of the end of any fiscal quarter ending thereafter and prior to May 1, 2017 and (iv) 3.75 to 1.00, in the case of any fiscal quarter ending thereafter. In addition, VeriFone must maintain an interest coverage ratio (as defined in the Amended and Restated Credit Agreement) of at least 3.00 to 1.00 at the end of any fiscal quarter.

The Amended and Restated Credit Agreement also contains customary events of default that include, among others, non-payment of principal, interest or fees, violation of covenants, inaccuracy of representations and warranties, bankruptcy and insolvency events, material judgments, cross defaults to material indebtedness and events constituting a change of control. The occurrence of an event of default could result in the termination of commitments under the New Facilities, the declaration that all outstanding loans are due and payable in whole or in part and the requirement of cash collateral deposits in respect of outstanding letters of credit.

The foregoing summary of the Amendment and Restatement Agreement is not complete and is qualified in its entirety by reference to the Amendment and Restatement Agreement, including the exhibits thereof, a copy of which has been filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
