Subject: Thank You

All,

Thank you for your contributions to what I believe was a highly successful event with the Medtronic team, who spent an entire day learning more about our business.

In the Town Hall meeting, we got to see and hear Omar's passion about the Medtronic mission and his operating philosophies. His open and honest approach was compelling, and his message about the combined businesses was positive.

Then, we got to show Omar what we are passionate about. I know that you all went above and beyond to showcase the work that we do here in Connecticut and to make this event run smoothly. It could not have gone any better from my perspective.

This was a solid step in building and fostering relationships with the Medtronic team, which is important to our long term success.

Congratulations you only get one chance to make a first impression, and you nailed it.

Best,

Bryan
