Item 1.01. Entry into a Material Definitive Agreement.

On December 19, 2014, Becton, Dickinson and Company (NYSE:BDX) (BD) entered into a 364-day term loan agreement (the Term Loan Agreement), by and among BD, as borrower, Goldman Sachs Bank USA, as administrative agent (the Administrative Agent) and the lenders party thereto that provides for a \$1.0 billion term loan facility (the Term Loan Facility). Proceeds of the Term Loan Facility may be used only to pay for (i) a portion of the cash consideration due in connection with BD's previously announced and currently pending acquisition of CareFusion Corporation, a Delaware corporation (CareFusion), pursuant to an agreement and plan of merger, dated October 5, 2014, by and among BD, CareFusion and Griffin Sub, Inc., a Delaware corporation and wholly owned subsidiary of BD (the Merger) and the financing transactions associated with the Merger (together with the Merger, the Transactions) and (ii) the fees and expenses associated with the Transactions.

As previously announced, BD plans to consummate the Merger using cash on hand, borrowings under BD's commercial paper program and permanent financing. BD currently expects that such permanent financing will consist of a combination of (i) the Term Loan Facility, (ii) the net cash proceeds of the senior unsecured notes (the Notes) issued by BD on December 15, 2014 and (iii) to the extent required, borrowings under the 364-day bridge term loan agreement, dated as of November 14, 2014, by and among BD, as borrower, Goldman Sachs Bank USA, as administrative agent and the lenders party thereto (the Bridge Loan Agreement), the commitments of which have been reduced by the net cash proceeds of the Notes and the commitments under the Term Loan Facility as well as by a voluntary reduction of \$536,125,000.

Under the Term Loan Agreement, Goldman Sachs Bank USA will act as administrative agent; Goldman Sachs Bank USA and J.P. Morgan Securities LLC will act as joint lead arrangers and joint bookrunners; JPMorgan Chase Bank, N.A. will act as syndication agent; and The Bank of Tokyo-Mitsubishi UFJ, Ltd., BNP Paribas, The Bank of New York Mellon, Citibank, N.A. and Morgan Stanley Senior Funding, Inc. will act as documentation agents.

The Term Loan Facility will be unsecured. The loans under the Term Loan Facility will have an interest rate equal to either the Eurodollar rate, plus a margin of 100 to 175 basis points, or a base rate, plus a margin of 0 to 75 basis points. The applicable margin will be determined based on the credit ratings of BD's then-current long-term senior unsecured, unguaranteed debt securities.

The covenants in the Term Loan Agreement are the same as those in our Bridge Loan Agreement. The financial covenants in the Term Loan Agreement require BD to have (i) a ratio of consolidated EBITDA (as defined in the Term Loan Agreement) to interest expense of not less than 5.00:1.00 as of the last day of each fiscal quarter and (ii) a ratio of Debt (as defined in the Term Loan Agreement) to EBITDA of no more than 4.75:1.00 as of the last day of each fiscal quarter following the closing of the Term Loan Facility. The Term Loan Agreement also contains covenants that restrict BD in respect of, among other things, mergers and consolidations, sales of all or substantially all assets, incurrence of liens, change in nature of business and transactions with affiliates. The Term Loan Agreement is subject to acceleration upon the occurrence of an event of default, including cross-default with regard to indebtedness of BD or its subsidiaries in excess of \$200 million in the aggregate; failure to make a payment on other indebtedness of BD or its subsidiaries in an aggregate principal outstanding amount of at least \$25 million; change of control (as defined in the Term Loan Agreement); entry of judgment or order to pay of \$25 million or more which is not stayed; the occurrence of certain Employee Retirement Income Security Act of 1974 or bankruptcy events; failure to make payments under the Term Loan Facility when due; breach of representations and warranties or covenants under the Term Loan Facility; and invalidity of loan documents.

Borrowing under the Term Loan Agreement is subject to certain conditions precedent, including, among other conditions, the consummation of the Merger in accordance with the Merger Agreement; the absence since June 30, 2014 of undisclosed CareFusion material adverse effects (as defined in the Term Loan Agreement); the delivery of certain information, including financial information, to the Administrative Agent; the accuracy of certain representations and warranties; and the absence of certain defaults or events of default. The loans under the Term Loan Facility will be due and payable within one year of borrowing.

The descriptions of the provisions of the Term Loan Agreement are summary in nature and are qualified in their entirety by reference to the full and complete terms of the Term Loan Agreement, which is filed herewith as Exhibit 10.1.

Some of the agents and lenders under the Term Loan Agreement and certain of their affiliates have engaged, and in the future may engage, in investment banking transactions, including securities offerings, and in general financing and commercial banking transactions with, and the provision of services to, BD and its affiliates in the ordinary course of business and otherwise for which they have received, and will in the future receive, customary fees.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The disclosure of the material terms and conditions of the Term Loan Agreement contained in Item 1.01 above is hereby incorporated into this Item 2.03 by reference.

Item 9.01. Financial Statements and Exhibits.
