Combined fixed charges and preferred stock dividends consist of fixed charges and preferred stock dividends declared.

Table of Contents

DESCRIPTION OF CAPITAL STOCK

The following summary of the terms of our common stock is a summary and is qualified in its entirety by reference to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part, and the Maryland General Corporation Law, or MGCL. See [Where You Can Find More Information](#).

General

Our charter authorizes us to issue up to 3,000,000,000 shares of common stock, \$0.01 par value per share, and up to 300,000,000 shares of preferred stock, \$0.01 par value per share. Our charter authorizes our board of directors, without common stockholder approval, to amend our charter to increase or decrease the aggregate number of shares of stock that we are authorized to issue or the number of authorized shares of any class or series. Under Maryland law, a stockholder generally is not liable for a corporation's debts or obligations solely as a result of the stockholder's status as a stockholder.

Common Stock

Subject to the restrictions on ownership and transfer of our stock discussed below under the caption [Restrictions on Ownership and Transfer](#) and the voting rights of holders of outstanding shares of any other class or series of our stock, holders of our common stock are entitled to one vote for each share held of record on all matters on which stockholders are entitled to vote generally, including the election or removal of directors. The holders of our common stock do not have cumulative voting rights in the election of directors.

Holders of our common stock are entitled to receive dividends if, as and when authorized by our board of directors and declared by us out of assets legally available for the payment of dividends. Upon our liquidation, dissolution or winding up and after payment in full of all amounts required to be paid to creditors and to the holders of outstanding shares of any other class or series of our stock having a liquidation preference, if any, the holders of our common stock will be entitled to receive pro rata our remaining assets available for distribution. Holders of our common stock do not have preemptive, subscription, redemption or conversion rights. There are no sinking fund provisions applicable to the common stock. Holders of our common stock generally have no appraisal rights. All shares of our common stock outstanding as of the date of this prospectus are fully paid and nonassessable and have equal dividend and liquidation rights. The preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption of our common stock are subject to those of the holders of any shares of our preferred stock or any other class or series of stock we may authorize and issue in the future.

Under Maryland law, a Maryland corporation generally cannot amend its charter, consolidate, merge, convert, sell all or substantially all of its assets, engage in a statutory share exchange or dissolve unless the action is declared advisable by its board of directors and approved by the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter. As permitted by Maryland law, our charter provides that any of these actions may be approved by the affirmative vote of stockholders entitled to cast a majority of all of the votes entitled to be cast on the matter, although, for so long as the stockholders' agreement remains in effect, certain amendments to our charter inconsistent with the rights of certain investment funds affiliated with The Blackstone Group L.P. (together with such affiliates, Blackstone or our Sponsor) under the stockholders' agreement or our charter or bylaws also require our Sponsor's consent. See [Material Provisions of Maryland Law and of our Charter and Bylaws](#). In addition, because many of our operating assets are held by our subsidiaries, these subsidiaries may be able to merge or sell all or substantially all of their assets without the approval of our stockholders.

Preferred Stock

We are authorized to issue up to 300,000,000 shares of preferred stock, \$0.01 par value per share. We may issue shares of preferred stock from time-to-time, in one or more classes or series, as authorized by our board of

Table of Contents

directors. Prior to issuance of shares of each class or series, the board of directors is required by the MGCL and our charter to fix for each class or series, the preferences, conversion or other rights, voting power, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption.

The board of directors could authorize the issuance of shares of preferred stock with terms and conditions that could have the effect of discouraging a change of control or other transaction that holders of shares of our outstanding common stock might believe to be in their best interests or in which holders of some, or a majority, of shares of our outstanding common stock might receive a premium for their shares over the then market price of our common stock.

A prospectus supplement relating to any series of preferred stock being offered will include specific terms relating to the offering. They will include, where applicable:

the title and par value of the preferred stock;

the number of shares of the preferred stock offered, the liquidation preference per share and the offering price of the preferred stock;

the dividend rate(s), period(s) and/or payment date(s) or method(s) of calculation thereof applicable to the preferred stock;

whether dividends will be cumulative or non-cumulative and, if cumulative, the date from which dividends on the preferred stock shall accumulate;

the procedures for an auction and remarketing, if any, of the preferred stock;

the provisions for a sinking fund, if any, for the preferred stock;

any voting rights of the preferred stock;

the provisions for redemption, if applicable, of the preferred stock;

any listing of the preferred stock on any securities exchange;

information with respect to book-entry registration procedures, if any;

the terms and conditions, if applicable, upon which the preferred stock will be convertible into or exchangeable for our common stock, preferred stock or other securities including the conversion price or the manner of calculating the conversion price and conversion period;

if appropriate, a discussion of federal income tax consequences applicable to the preferred stock;

any limitations on direct or beneficial ownership and restrictions on transfer, in each case as may be appropriate to assist us in qualifying as a REIT or otherwise;

the priority of the preferred stock with all series of preferred stock ranking on a parity with each other unless otherwise specified in the charter and that the preferred stock will rank senior to common stock with respect to payment of dividends and distribution of assets upon liquidation; and

any other specific terms, preferences, rights, limitations or restrictions on the preferred stock.

The terms, if any, on which the preferred stock may be convertible into or exchangeable for our common stock, preferred stock or other securities will be stated in the prospectus supplement relating to the preferred stock. The terms will include provisions as to whether conversion or exchange is mandatory, at the option of the holder or at our option, and may include provisions pursuant to which the number of shares of our common stock or other securities to be received by the holders of preferred stock would be subject to adjustment.

Table of Contents

Power to Reclassify and Issue Stock

Our board of directors may, without approval of holders of our common stock, classify and reclassify any unissued shares of our stock into other classes or series of stock, including one or more classes or series of stock that have priority over our common stock with respect to dividends or upon liquidation, or have voting rights and other rights that differ from the rights of the common stock, and authorize us to issue the newly-classified shares. Before authorizing the issuance of shares of any new class or series, our board of directors must set, subject to the provisions in our charter relating to the restrictions on ownership and transfer of our stock, the preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends and other distributions, qualifications and terms and conditions of redemption for each class or series of stock. These actions may be taken without the approval of holders of our common stock unless such approval is required by applicable law, the terms of any other class or series of our stock or the rules of any stock exchange or automated quotation system on which any of our stock is listed or traded.

Restrictions on Ownership and Transfer

In order for us to qualify as a REIT for U.S. federal income tax purposes, our stock must be beneficially owned by 100 or more persons during at least 335 days of a taxable year of 12 months (other than the first year for which an election to be a REIT has been made) or during a proportionate part of a shorter taxable year. Also, not more than 50% of the value of the outstanding shares of our stock may be owned, directly or indirectly, by five or fewer individuals (as defined in the Internal Revenue Code (the Code) to include certain entities such as qualified pension plans) during the last half of a taxable year (other than the first year for which an election to be a REIT has been made).

Our charter contains restrictions on the ownership and transfer of our stock. Subject to the exceptions described below, no person or entity may beneficially own, or be deemed to own by virtue of the applicable constructive ownership provisions of the Code, more than 9.8% (in value or by number of shares, whichever is more restrictive) of our outstanding common stock or 9.8% in value of our outstanding stock. We refer to these restrictions, collectively, as the ownership limit. Our board of directors has granted an exemption from the ownership limit to our Sponsor and its affiliates.

The constructive ownership rules under the Code are complex and may cause stock owned actually or constructively by a group of related individuals and/or entities to be owned constructively by one individual or entity. As a result, the acquisition of less than 9.8% of our outstanding common stock or 9.8% of our outstanding stock, or the acquisition of an interest in an entity that owns our stock, could, nevertheless, cause the acquiror or another individual or entity to own our stock in excess of the ownership limit.

Our board of directors may, upon receipt of certain representations and agreements and in its sole discretion, prospectively or retroactively, waive the ownership limit and may establish or increase a different limit on ownership, or excepted holder limit, for a particular stockholder if the stockholder's ownership in excess of the ownership limit would not result in our being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise failing to qualify as a REIT. As a condition of granting a waiver of the ownership limit or creating an excepted holder limit, our board of directors may, but is not required to, require an opinion of counsel or Internal Revenue Service (IRS) ruling satisfactory to our board of directors as it may deem necessary or advisable to determine or ensure our status as a REIT and may impose such other conditions or restrictions as it deems appropriate.

In connection with granting a waiver of the ownership limit or creating or modifying an excepted holder limit, or at any other time, our board of directors may increase or decrease the ownership limit unless, after giving effect to any increased or decreased ownership limit, five or fewer persons could beneficially own, in the aggregate, more than

49.9% in value of the shares of our stock then outstanding, or we would otherwise fail to qualify as a REIT. A decreased ownership limit will not apply to any person or entity whose percentage of

Table of Contents

ownership of our stock is in excess of the decreased ownership limit until the person or entity's ownership of our stock equals or falls below the decreased ownership limit, but any further acquisition of our stock will be subject to the decreased ownership limit.

Our charter also prohibits:

any person from beneficially or constructively owning shares of our stock that would result in our being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or otherwise cause us to fail to qualify as a REIT; and

any person from transferring shares of our stock if the transfer would result in shares of our stock being beneficially owned by fewer than 100 persons; and

any person from beneficially owning shares of our stock to the extent such ownership would result in our failing to qualify as a domestically controlled qualified investment entity within the meaning of Section 897(h) of the Code.

Any person who acquires or attempts or intends to acquire beneficial or constructive ownership of shares of our stock that will or may violate the ownership limit or any of the other restrictions on ownership and transfer of our stock, and any person who is the intended transferee of shares of our stock that are transferred to a trust for the benefit of one or more charitable beneficiaries described below, must give immediate written notice to us of such an event or, in the case of a proposed or attempted transfer, give at least 15 days' prior written notice to us and must provide us with such other information as we may request in order to determine the effect of the transfer on our status as a REIT. The provisions of our charter relating to the restrictions on ownership and transfer of our stock will not apply if our board of directors determines that it is no longer in our best interests to attempt to qualify, or to continue to qualify, as a REIT, or that compliance is no longer required in order for us to qualify as a REIT.

Any attempted transfer of our stock that, if effective, would result in our stock being beneficially owned by fewer than 100 persons will be null and void. Any attempted transfer of our stock that, if effective, would result in a violation of the ownership limit (or other limit established by our charter or our board of directors), our being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or our otherwise failing to qualify as a REIT or as a domestically controlled qualified investment entity within the meaning of Section 897(h) of the Code will cause the number of shares causing the violation (rounded up to the nearest whole share) to be transferred automatically to a trust for the exclusive benefit of one or more charitable beneficiaries, and the proposed transferee will not acquire any rights in the shares. The automatic transfer will be effective as of the close of business on the business day before the date of the attempted transfer or other event that resulted in a transfer to the trust. If the transfer to the trust as described above is not automatically effective, for any reason, to prevent a violation of the applicable restrictions on ownership and transfer of our stock, then the attempted transfer that, if effective, would have resulted in a violation of the ownership limit (or other limit established by our charter or our board of directors), our being closely held under Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year) or our otherwise failing to qualify as a REIT or as a domestically controlled qualified investment entity, will be null and void.

Shares of our stock held in the trust will be issued and outstanding shares. The proposed transferee will not benefit economically from ownership of any shares of our stock held in the trust and will have no rights to dividends and no

rights to vote or other rights attributable to the shares of our stock held in the trust. The trustee of the trust will exercise all voting rights and receive all dividends and other distributions with respect to shares held in the trust for the exclusive benefit of the charitable beneficiary of the trust. Any dividend or other distribution paid before we discover that the shares have been transferred to a trust as described above must be repaid by the recipient to the trustee upon demand. Subject to Maryland law, effective as of the date that the shares have been transferred to the trust, the trustee will have the authority to rescind as void any vote cast by a

proposed transferee before our discovery that the shares have been transferred to the trust and to recast the vote in the sole discretion of the trustee. However, if we have already taken irreversible corporate action, then the trustee may not rescind or recast the vote.

Within 20 days of receiving notice from us of a transfer of shares to the trust, the trustee must sell the shares to a person that would be permitted to own the shares without violating the ownership limit or the other restrictions on ownership and transfer of our stock in our charter. After the sale of the shares, the interest of the charitable beneficiary in the shares transferred to the trust will terminate and the trustee must distribute to the proposed transferee an amount equal to the lesser of:

the price paid by the proposed transferee for the shares or, if the event that resulted in the transfer to the trust did not involve a purchase of such shares at market price, which will generally be the last sales price reported on the NYSE, the market price on the last trading day before the day of the event that resulted in the transfer of such shares to the trust; and

the sales proceeds (net of commissions and other expenses of sale) received by the trust for the shares. The trustee must distribute any remaining funds held by the trust with respect to the shares to the charitable beneficiary. If the shares are sold by the proposed transferee before we discover that they have been transferred to the trust, the shares will be deemed to have been sold on behalf of the trust and the proposed transferee must pay to the trustee, upon demand, the amount, if any, that the proposed transferee received in excess of the amount that the proposed transferee would have received had the shares been sold by the trustee.

Shares of our stock held in the trust will be deemed to be offered for sale to us, or our designee, at a price per share equal to the lesser of:

the price per share in the transaction that resulted in the transfer to the trust or, if the event that resulted in the transfer to the trust did not involve a purchase of such shares at market price, the market price on the last trading day before the day of the event that resulted in the transfer of such shares to the trust; and

the market price on the date we accept, or our designee accepts, such offer.

We may accept the offer until the trustee has otherwise sold the shares of our stock held in the trust. Upon a sale to us, the interest of the charitable beneficiary in the shares sold will terminate and the trustee must distribute the net proceeds of the sale to the proposed transferee and distribute any dividends or other distributions held by the trustee with respect to the shares to the charitable beneficiary.

Every owner of 5% or more (or such lower percentage as required by the Code or the regulations promulgated thereunder) of our stock, within 30 days after the end of each taxable year, must give us written notice stating the person's name and address, the number of shares of each class and series of our stock that the person beneficially owns and a description of the manner in which the shares are held. Each such owner also must provide us with any additional information that we request in order to determine the effect, if any, of the person's beneficial ownership on our status as a REIT and to ensure compliance with the ownership limit. In addition, any person or entity that is a beneficial owner or constructive owner of shares of our stock and any person or entity (including the stockholder of

record) who is holding shares of our stock for a beneficial owner or constructive owner must, on request, disclose to us in writing such information as we may request in order to determine our status as a REIT or to comply, or determine our compliance, with the requirements of any governmental or taxing authority.

If our board of directors authorizes any of our shares to be represented by certificates, the certificates will bear a legend referring to the restrictions described above.

These restrictions on ownership and transfer of our stock could delay, defer or prevent a transaction or a change of control of us that might involve a premium price for our common stock or otherwise be in the best interests of our stockholders.

MATERIAL PROVISIONS OF MARYLAND LAW AND OF OUR CHARTER AND BYLAWS

The following summary of certain provisions of Maryland law and of our charter and bylaws is a summary and is qualified in its entirety by reference to our charter and bylaws, copies of which are filed as exhibits to the registration statement of which this prospectus forms a part, and by the MGCL. See [Where You Can Find More Information](#). Under [Material Provisions of Maryland Law and of Our Charter and Bylaws](#), we, us, our and our company refer to Brixmor Property Group Inc. and not to any of its subsidiaries.

Election and Removal of Directors

Our charter and bylaws provide that the number of our directors may be established only by our board of directors but may not be more than 15 or fewer than the minimum number permitted by Maryland law, which is one. As provided in the [stockholders' agreement](#) and our bylaws, for so long as the [stockholders' agreement](#) remains in effect, any action by our board of directors to increase or decrease the size of our board of directors generally requires the consent of our Sponsor, and our Sponsor must consent to any amendment to our bylaws to modify this consent requirement. For so long as the [stockholders' agreement](#) remains in effect, our bylaws require that, in order for an individual to qualify to be nominated or to serve as a director of our company, the individual must have been nominated in accordance with the [stockholders' agreement](#), including the requirement that we must nominate a certain number of directors designated by our Sponsor from time to time described in the [Transactions with Related Persons Stockholders' Agreement](#) section of our definitive proxy statement on Schedule 14A that was filed with the SEC on April 10, 2014 and is incorporated by reference in this prospectus, and our Sponsor must consent to any amendment to our bylaws to eliminate these director qualifications. There will be no cumulative voting in the election of directors, and a director will be elected by a plurality of the votes cast in the election of directors.

Our charter provides that any vacancy on our board of directors may be filled only by the affirmative vote of a majority of the remaining directors in office, even if the remaining directors do not constitute a quorum of the board of directors.

Our charter provides that a director may be removed with or without cause by the affirmative vote of stockholders entitled to cast a majority of the votes entitled to be cast generally in the election of directors, except that, for so long as the [stockholders' agreement](#) remains in effect, the removal of a director who was nominated at the direction of our Sponsor, or a Sponsor Director, requires the consent of our Sponsor, and our Sponsor must consent to any amendment to our charter to amend or modify this consent requirement.

Amendment to Charter and Bylaws

Except as described below and as provided in the MGCL, amendments to our charter must be advised by our board of directors and approved by the affirmative vote of our stockholders entitled to cast a majority of all of the votes entitled to be cast on the matter, and our board of directors has the exclusive power to amend our bylaws. Amendments to certain provisions of our charter and bylaws requiring our Sponsor's consent to certain actions or otherwise providing our Sponsor with certain rights under our charter or bylaws (such as our Sponsor's right to call a special meeting of our stockholders and the requirement that, to be qualified to be nominated and to serve as a director, an individual must be nominated in accordance with the [stockholders' agreement](#)), and amendments that modify the approvals required to amend such provisions, in any case, as described under [Material Provisions of Maryland Law and of our Charter and Bylaws](#), require the consent of our Sponsor. In addition, any amendment to the provision of our bylaws prohibiting our board of directors from revoking, altering or amending its resolution exempting any business combination from the [business combination](#) provisions of the MGCL without the approval of our stockholders and the provision exempting any acquisition of our stock from the [control share](#) provisions of the MGCL must be approved by the

affirmative vote of a majority of the votes cast on the matter by our stockholders entitled to vote generally in the election of directors.
