## ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

### ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS

On February 27, 2015, PCTEL, Inc. ( PCTEL or the Company ), acquired substantially all of the assets of, and assumed certain specified liabilities of, Nexgen Wireless, Inc., an Illinois corporation ( Nexgen ), pursuant to an Asset Purchase Agreement dated as of February 27, 2015 (the Acquisition Agreement ) among PCTEL, Nexgen, Bhumika Thakkar 2012 Irrevocable Trust Number One, Bhumika Thakkar 2012 Irrevocable Trust Number Two, and Jigar Thakkar (collectively, such trusts and Mr. Thakkar are the Nexgen Shareholders ), and Bhumika Thakkar (collectively with Nexgen and the Nexgen Shareholders, the Nexgen Parties ).

The business of Nexgen is based in Schaumburg, Illinois. Nexgen provides Meridian , a network analysis tool portfolio, and engineering services. Nexgen s Meridian software product portfolio translates real-time network performance data into engineering actions to optimize operator performance. Meridian, with its modules of Network IQ , Subscriber IQ , and Map IQ , supports crowd-based, cloud-based data analysis to enhance network performance. Nexgen provides performance engineering, specialized staffing, and trend analysis for carriers, infrastructure vendors, and neutral hosts for 2G, 3G, 4G, and LTE networks.

The purchase price was \$20.5 million in cash paid at the closing of the transaction, with a potential performance-based earn-out valued at up to \$2.0 million, which brings the total potential consideration to \$22.5 million. The earn-out is dependent on the achievement of revenue-based goals pertaining to the acquired business for the period commencing on March 1, 2015 and ending on April 30, 2016. The cash consideration paid was provided from PCTEL s existing cash. The assets acquired consisted primarily of intellectual property (including trade names), working capital (accounts receivable, accounts payable and accrued liabilities), fixed assets and customer relationships.

The Company does not have any material relationship with the Nexgen Parties, other than in respect of the Acquisition Agreement and the transactions provided for therein.

Under the Acquisition Agreement, the Nexgen Parties are required to indemnify PCTEL against losses resulting from breaches of representations and warranties contained in the Acquisition Agreement, breaches of various covenants contained in the Acquisition Agreement and liabilities of Nexgen not explicitly assumed by PCTEL. The indemnification obligations relating to representations and warranties generally survive until September 30, 2016, with certain exceptions as to which longer survival periods apply. An escrow arrangement has been established under the Acquisition Agreement for the benefit of PCTEL to provide security for a portion of the indemnification obligations. The Nexgen Parties are bound by non-competition covenants under the Acquisition Agreement, which generally survive until February 27, 2019.

PCTEL will continue the employment of 160 employees of Nexgen. Mr. Thakkar will remain with the acquired business as PCTEL s newly-appointed Vice President, Network Analytics, under an employment arrangement that includes non-competition covenants for the duration of his employment with PCTEL and for 12 months thereafter (which covenants are in addition to his non-competition covenants under the Acquisition Agreement described above). PCTEL has assumed Nexgen s existing lease for Nexgen s facility and offices in Schaumburg, Illinois and will operate the acquired business from that location.

A copy of the Acquisition Agreement is filed as Exhibit 2.1 hereto and is incorporated by reference into this Current Report. The description of the Acquisition Agreement set forth above is only a summary of the material terms of that agreement and is qualified in its entirety by the text of the Acquisition Agreement.

A copy of the Company s press release dated March 2, 2015 announcing the acquisition is attached hereto as Exhibit 99.1.
