#### **SPLIT-OFF EXCHANGE OFFER FOR DHR'S COMMUNICATIONS BUSINESS**

On May 14, 2015, Danaher commenced an exchange offer related to the split-off of its communications business (the Communications Business ). The split-off is in connection with Danaher's announcement on October 13, 2014, that Danaher will separate its Communications Business and then combine it with NetScout. The terms of the transaction call for Danaher to separate its Communications Business through the split-off of its subsidiary, Potomac Holding LLC, and to immediately merge Potomac Holding LLC with a subsidiary of NetScout. Danaher will provide indicative calculated per share values and exchange ratios for each of the trading days that the exchange offer is open.

On June 25, 2015, Danaher amended the exchange offer by (i) increasing the upper limit on the exchange ratio to 2.4000 Potomac Holding LLC common units per share of Danaher common stock tendered from 2.2522 Potomac Holding LLC common units per share of Danaher common stock tendered and (ii) extending the exchange offer's expiration to 12:00 midnight, New York City time, on July 9, 2015, unless the exchange offer is further extended or terminated. After giving effect to these amendments, the final exchange ratio is expected to be calculated using the volume weighted average stock prices ( VWAP ) of Danaher and NetScout on July 7, 8 and 9, 2015, subject to the upper limit, and is expected to be announced by 4:30 pm New York time on July 9, 2015, the currently expected expiration date of the exchange offer, unless the exchange offer is further extended or terminated. Further information regarding the exchange offer can be found using the links below.
