### **Item 1.01 Entry into a Material Definitive Agreement.**

The information provided under Item 3.02 below is incorporated by reference to this Item 1.01 in its entirety.

### **Item 3.02 Unregistered Sales of Equity Securities.**

On September 29, 2015, Western Digital Corporation (the **Company**) entered into a stock purchase agreement (the **Stock Purchase Agreement**) with Unis Union Information System Ltd., a Hong Kong corporation (the **Investor**), and Unisplendour Corporation Limited, a Chinese corporation (the **Guarantor**), pursuant to which the Company agreed to issue and sell to the Investor 40,814,802 shares of the Company's common stock (the **Shares**) for \$92.50 per share, for an aggregate purchase price of approximately \$3.775 billion, and the Guarantor agreed to guarantee the payment and performance of Investor's obligations therein (collectively, the **Transaction**). The Investor's ownership in the Company's common stock will be approximately 15% of the Company's total issued and outstanding shares of common stock as of September 25, 2015, as adjusted for the issuance of the Shares.

The closing of the Transaction is subject to certain closing conditions. These closing conditions include clearance by the U.S. Committee on Foreign Investment in the United States and the receipt of requisite regulatory approvals, including clearance by U.S. antitrust authorities and certain Chinese regulatory approvals, including clearance by the Ministry of Commerce of the People's Republic of China, the Ministry of Education of the People's Republic of China, the National Development and Reform Commission of the People's Republic of China and the State Administration of Foreign Exchange of the People's Republic of China. In addition, the Investor's obligation to purchase the shares of common stock of the Company and the Guarantor's guarantee are subject to approval of the Transaction by shareholders of the Guarantor. The Transaction is expected to close in the fourth quarter of calendar 2015 or the first quarter of calendar 2016.

At the closing of the Transaction, the Company, the Investor and the Guarantor would enter into an investor rights agreement (the **Investor Rights Agreement**). Under the Investor Rights Agreement, as long as the Investor and the Guarantor hold more than 10% of the issued and outstanding shares of common stock of the Company, the Investor will have the right to nominate one representative for election to the Board of Directors of the Company. In addition, until the later of such time as the Investor and the Guarantor hold less than 5% of the total voting power of the Company and six months following the date on which the Investor is no longer entitled to nominate a representative for election to the Board of Directors of the Company, each of the Investor and the Guarantor has agreed to vote its shares in accordance with the recommendation of the Company on various matters submitted to a vote of the stockholders of the Company, including, among other things, matters relating to the election of directors, business combination transactions, the issuance of indebtedness and compensation matters. Otherwise, the Investor and the Guarantor may vote such shares in their discretion. Further, under the Investor Rights Agreement, the Investor and the Guarantor will be subject to a customary standstill restriction which, among other things, generally prohibits the Investor and the Guarantor from purchasing additional securities of the Company beyond the 15% ownership level acquired under the Stock Purchase Agreement. The standstill terminates at the latest to occur of the fifth anniversary of closing, such time as the Investor and the Guarantor hold less than 5% of the Company's voting securities and three months following the date on which the Investor is no longer entitled to nominate a representative for election to the Board of Directors of the Company. In addition, the Investor and the Guarantor have agreed to a lock-up restriction such that the Investor and the Guarantor will not sell the Shares for a period of five years following the closing, subject to certain exceptions, including the elimination of the lock-up restriction for 2.5% of the Shares on the six-month anniversary following the closing, and an additional 5%, 15%, 20% and 27.5% of the Shares on each of the first, second, third and fourth year anniversaries, respectively, following the closing. The Investor will have certain registration rights under the Investor Rights Agreement with respect to the Shares.
