SUPPLEMENT TO PROXY STATEMENT

FOR THE SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD ON MARCH 3, 2016

This supplement revises the Definitive Proxy Statement, dated February 5, 2016, previously furnished to stockholders of Acadia Healthcare Company, Inc. in connection with the Special Meeting of Stockholders to be held on March 3, 2016. Unless the context otherwise requires, references herein to Acadia, we, us, our or the Company refer to Acadia Healthcare Company, Inc., a Delaware corporation.

The purpose of this supplement is to revise Proposal 1 the proposal to amend the Company's Amended and Restated Certificate of Incorporation to increase the total number of authorized shares of common stock of the Company by reducing the size of that proposed increase from 160,000,000 shares to 90,000,000 shares.

The Company is making these revisions to conform to guidelines established by proxy advisory firms. Because many stockholders follow recommendations of certain proxy advisory firms as a matter of policy or choice, we are issuing this supplement and the revised amendment to the Company's Amended and Restated Certificate of Incorporation, and submitting the revised amendment for approval by stockholders.

Proposal 1

The first full paragraph of Proposal 1 under the heading Description of the Proposed Amendment, as set forth on page 3 of the Definitive Proxy Statement, is revised in its entirety to read as follows (with additions indicated with italicized text and deletions indicated by strike-through text):

Effective January 21, 2016, the Company's Board of Directors unanimously approved an amendment to the Company's Amended and Restated Certificate of Incorporation (the Amendment), subject to stockholder approval, to increase the number of shares of Common Stock authorized for issuance from 90,000,000 shares to 250,000,000 shares. *The Company subsequently determined to reduce the size of that proposed increase from 160,000,000 shares to 90,000,000 shares, resulting in a total number of authorized shares of Common Stock of 180,000,000.* The Amendment will not change the number of shares of Preferred Stock that are authorized, and the total authorized shares of capital stock will be increased from 100,000,000 shares to *190,000,000* ~~260,000,000~~ shares. The full text of the proposed Amendment is set out in Appendix A to this Proxy Statement.

Appendix A

As a result of the Proposal 1 amendment, we are replacing the Certificate of Amendment to the Company's Amended and Restated Certificate of Incorporation that was set forth as Appendix A to the Definitive Proxy Statement with the following Appendix A (with additions indicated with italicized text and deletions indicated by strike-through text):
