ITEM 8.01 Other Events.

This Current Report on Form 8-K discloses certain additional information relating to the proposed merger (the merger) of The Valspar Corporation (Valspar or the Company) with and into Viking Merger Sub, Inc. (Merger Sub wholly owned subsidiary of The Sherwin-Williams Company (Sherwin-Williams)), pursuant to the Agreement and Plan of Merger (as it may be amended from time to time, the merger agreement), dated as of March 19, 2016, by and among Valspar, Merger Sub and Sherwin-Williams. On May 24, 2016, a purported stockholder of Valspar filed a putative class action lawsuit captioned *Mitsopoulos v. Valspar et al.* (Case No. 12373) (the Action) in the Court of Chancery of the State of Delaware. As previously disclosed in the definitive proxy statement relating to the merger filed by Valspar on May 25, 2016, the Action seeks to enjoin the merger and alleges, among other things, that the members of the Valspar board of directors breached their fiduciary duties by failing to disclose material information relating to the merger.

This Current Report on Form 8-K discloses certain additional information in response to allegations made by plaintiff in the Action. Valspar denies the allegations of the Action, believes that the definitive proxy statement disclosed all material information, and denies that any supplemental disclosure is necessary. Valspar is disclosing this information solely for the purpose of avoiding the expense and burden of litigation.

SUPPLEMENTAL DISCLOSURES

The following information supplements the definitive proxy statement filed by Valspar dated May 25, 2016 (the Proxy Statement) and should be read in conjunction with the Proxy Statement, which should be read in its entirety, including the annexes thereto. All page references in the information below are to pages in the Proxy Statement, and terms used below have the meanings set forth in the Proxy Statement, unless otherwise defined below.

The first full sentence on page 36 of the Proxy Statement is replaced in its entirety to read:

In connection with the merger, Valspar's management prepared financial projections of revenue, adjusted EBITDA, adjusted earnings per share and future dividends per share for fiscal years 2016 through 2020 (the Valspar Projections).

The following new row is added immediately below the row entitled Adjusted Earnings Per Share in the table entitled Summary of the Valspar Projections on page 37 of the Proxy Statement:

Future Dividends Per Share	\$ 0.99 ⁽³⁾	\$ 1.48	\$ 1.68	\$ 1.92	\$ 2.20
----------------------------	------------------------	---------	---------	---------	---------

The following footnote is added immediately below footnote 2 to the table entitled Summary of the Valspar Projections on page 37 of the Proxy Statement:

(3) Excludes \$0.33 per share dividend paid in the first quarter of fiscal year 2016.

The following paragraph is inserted immediately below the footnotes to the table entitled Summary of the Valspar Projections on page 37 of the Proxy Statement:

Valspar management also approved certain estimates of unlevered free cash flow, defined as tax effected earnings before interest and taxes plus depreciation and amortization, less capital expenditures and the change in net working capital (unlevered free cash flow), as calculated by BofA Merrill Lynch and Goldman Sachs using information set forth in the Valspar Forecasts (as defined below). Such estimates were not shared with Sherwin-Williams or its financial advisor. Unlevered free cash flows for the final three quarters of fiscal year 2016 and for each fiscal year thereafter through October 31, 2020 were calculated to be \$394 million, \$444 million, \$493 million, \$537 million and \$586 million, respectively, with an estimated terminal year normalized free cash flow of \$635 million, calculated based on the fiscal year 2020 unlevered free cash flow with certain assumptions made regarding capital expenditures, net working capital, depreciation and amortization, as approved by Valspar management.
