**Item 7.01. Regulation FD.**

On September 9, 2016, Pennsylvania-American Water Company, a wholly owned subsidiary of American Water Works Company, Inc. (the Company), issued a press release announcing that it has entered into an Asset Purchase Agreement, dated as of September 9, 2016 (the Agreement), with The Municipal Authority of the City of McKeesport ( Seller ) and the City of McKeesport (the City ) for the purchase of Seller's wastewater assets. Additional information regarding the Agreement and the transactions contemplated thereby is included in response to Item 8.01 to this Current Report on Form 8-K. A copy of the press release has been included as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference in response to this Item 7.01. A copy of an Acquisition Fact Sheet, dated September 9, 2016, regarding the Agreement and the System Purchase (as defined below), has been included as Exhibit 99.2 to this Current Report on Form 8-K and is incorporated by reference in response to this Item 7.01.

The information furnished in response to this Item 7.01, including Exhibits 99.1 and 99.2, shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), nor shall they be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.

**Item 8.01. Other Events.**

On September 9, 2016, Pennsylvania American Water entered into the Agreement with the City and Seller whereby Pennsylvania American Water is to acquire substantially all of the wastewater collection and treatment system assets of Seller (the System Assets) for a total purchase price of approximately \$156.0 million, subject to certain adjustments as provided in the Agreement (the System Purchase). Seller currently uses the System Assets to provide wastewater service to approximately 22,000 customers located in the City, the City of Duquesne, Port Vue Borough and the Borough of Dravosburg, including customers in communities that are parties to certain municipal service agreements as described in the Agreement (collectively, the Service Agreements).

Pennsylvania American Water is seeking to close the System Purchase during the second half of 2017. If the closing does not occur on or before December 31, 2017 (the Termination Date), either party may terminate the Agreement so long as the terminating party is not in breach of its obligations thereunder. In addition, Pennsylvania American Water has the one-time right, subject to certain conditions, to extend the Termination Date by up to 90 days if, in its sole discretion, such additional time is necessary to obtain a required governmental approval. The Agreement may also be terminated under specified conditions, including, without limitation, by Seller on a date that is at least 60 days but no more than 90 days after the date of the Agreement, if Seller notifies Pennsylvania American Water that, in Seller's sole discretion, insufficient progress has been made with respect to obtaining all written assignments, amendments or new agreements with respect to the Service Agreements.

The closing of the System Purchase is subject to obtaining required regulatory approvals, including the approval of the Pennsylvania Public Utility Commission, and the receipt of applicable environmental approvals, on terms reasonably acceptable to Pennsylvania American Water, from the U.S. Environmental Protection Agency and the Pennsylvania Department of Environmental Protection. The closing of the System Purchase is also subject to the compliance of the parties with various interim affirmative and negative covenants, as well as the satisfaction of various other required and customary conditions to closing.
