**IMPORTANT VOTE PENDING**

Stockholders of The China Fund, Inc. (the Fund):

The Annual Meeting of the Fund's stockholders will be held on March 27, 2018. At that meeting, you will be asked to make important decisions that critically affect the Fund's future. **Whether or not you have voted a WHITE card already, we urge you to return the enclosed WHITE proxy card to vote FOR the election of Directors nominated by the Fund's Board of Directors (the Board), Joe Rogers and Richard Shore, and AGAINST the proposal to terminate the Fund's investment advisory and management agreements with Allianz Global Investors U.S. LLC (Allianz) (the Termination Proposal). Only the latest dated proxy card will be counted. To ensure your votes are counted, please do so as soon as you can.**

The Termination Proposal is being made by two dissident stockholders, City of London Investment Management Company Limited (City of London) and Emerging Markets Country Fund (EMC). **City of London has publicly announced it wants to force the Fund to liquidate as soon as possible.** The dissidents' Termination Proposal and related proposal to elect two dissident directors seem designed to force the Fund to liquidate. Firing Allianz without replacing it will leave the Fund with no portfolio manager and may leave the Board and stockholders with no other choice but to approve a liquidation you and they don't really want.

If the Fund is forced to liquidate, you will be forced out of an investment that has performed well for you recently:

For the year ended December 31, 2017, the Fund's shares were up **47.42%**, and net asset value (NAV) per share was up **37.92%**.

For the 52 weeks ended February 9, 2018, the Fund's average discount to NAV was less than 10%.

Normally, your financial advisor or broker has the authority to vote your shares on your behalf. But that will not be the case for this Annual Meeting. Because the Annual Meeting involves a proxy contest, your financial advisor or broker can't vote your shares without your instructions. **In order for your vote to count, you must personally instruct your financial advisor or broker how you want your shares voted.**

PLEASE NOTE: You may not have been aware that you are a stockholder of the Fund. If so, it's because your financial advisor or broker invested in the Fund on your behalf. It is still important that you protect the value of your investment in the Fund by telling your financial advisor or broker how you want your shares voted.

If you would like more information about the Fund and its proxy fight with the dissident stockholders, we encourage you to contact your financial advisor or broker. You can also call the Fund's proxy solicitor, D.F. King, toll free at (800) 207-3156, if you have any questions regarding the Annual Meeting or how to vote your shares.

Please do not return the dissident stockholders' BLUE proxy card, even to vote against the dissident stockholders' nominees, as this will cancel out any **WHITE** proxy card for the Fund that you have previously returned.

If for any reason you have already voted using the dissident stockholders' BLUE proxy card, you have the right to change your vote by signing, dating and mailing back the Fund's **WHITE** proxy card.

**For your convenience you may also vote via the internet and telephone; as follows:**

To vote via the Internet:

- 1) Go to [www.proxyvote.com](http://www.proxyvote.com)
- 2) Use the 16 digit control number located on the right-hand side of the **WHITE** voting instruction form

To vote by Telephone:

- 1) Call 1-800-454-8683
- 2) Use the 16-digit control number located on the right-hand side of the **WHITE** voting instruction form

Thank you for your continued support.

Sincerely,

**The China Fund, Inc.**

Joe O. Rogers

Chairman
