Item 7.01 Regulation FD Disclosure.

On December 7, 2018, Armstrong World Industries, Inc. (AWI, or the Company) issued a press release regarding conditional approval by the European Commission (the EC) for the proposed sale of certain subsidiaries comprising the Company's businesses and operations in Europe, the Middle East and Africa (including Russia) and the Pacific Rim (the International Business), including the corresponding businesses and operations conducted by Worthington Armstrong Venture, a Delaware general partnership (WAVE), in which AWI holds a fifty-percent (50%) interest (collectively, the Sale), to Knauf International GmbH, a company incorporated in the Federal Republic of Germany (Knauf). EC approval is conditional on Knauf fulfilling commitments given to the EC in connection with the clearance, including the divestiture by Knauf to an approved third party of certain of the Company's mineral fiber tile and grid operations in Austria, Estonia, Germany, Ireland, Italy, Latvia, Lithuania, Portugal, Spain, Turkey and the UK.

The Company now expects closing of the Sale to occur in the first half of 2019. As a result, the Company expects to pay approximately \$35 million of additional cash taxes in fiscal 2018 due to the timing of the previously received non-refundable purchase price from Knauf. The Company expects to recoup all or substantially all of such taxes following closing in fiscal 2019. A copy of the press release is furnished herewith as Exhibit 99.1.

The information contained in Item 7.01, including Exhibit 99.1, of this Current Report on Form 8-K shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liability of that section, and shall not be incorporated by reference into any registration statement or other document filed by the Company under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act.
