This Amendment No. 97 to a Statement on Schedule 13D amends and restates in its entirety such Schedule 13D (as so amended and restated, this "Schedule"). This Amendment No. 97 is being filed primarily because the number of shares of Common Stock (as defined in Item 1 below) beneficially owned by Covered Persons (as defined in Item 2 below) has decreased to below five percent of the total number of shares of Common Stock outstanding, in part due to individuals ceasing to be Covered Persons.

ITEM 1. Security and Issuer

## Edgar Filing: GOLDMAN SACHS GROUP INC - Form SC 13D/A

This Schedule relates to the Common Stock, par value \$.01 per share (the "Common Stock"), of The Goldman Sachs Group, Inc. ("GS Inc."), a Delaware corporation. The address of the principal executive offices of GS Inc. is 200 West Street, New York, New York 10282.

### ITEM 2. Identity and Background

(a), (b), (c), (f) The cover page to this Schedule and Appendix A hereto contain the names of the individuals ("Covered Persons") who are parties to an Amended and Restated Shareholders' Agreement, originally dated as of May 7, 1999 and amended and restated effective as of January 15, 2015 (as amended from time to time, the "Shareholders' Agreement"). This filing is being made on behalf of all of the Covered Persons, and their agreement that this filing may be so made is contained in the Shareholders' Agreement.

Appendix A hereto also provides the citizenship of each Covered Person. Each Covered Person is a current or former Participating Managing Director (as defined in Item 6 below) of GS Inc. or one of its affiliates. GS Inc. is a global investment banking, securities and investment management firm. The business address of each Covered Person for purposes of this Schedule is 200 West Street, New York, New York 10282.

(d), (e) During the last five years no Covered Person has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding or a judicial or administrative body of competent jurisdiction resulting in such Covered Person being subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

### ITEM 3. Source and Amount of Funds or Other Consideration

The Covered Persons have acquired and will acquire shares of Common Stock in the following manners: (i) the former profit participating limited partners active in the business of The Goldman Sachs Group, L.P. ("Group L.P.") (the "IPO PMDs") acquired certain shares of Common Stock in exchange for their interests in Group L.P. and certain of its affiliates and investee corporations; (ii) the former owners (the "Acquisition Covered Persons") of Hull and Associates, L.L.C. ("Hull") and Goldman Sachs & Partners Australia Group Holdings Pty Ltd ("GS&PA") acquired certain shares of Common Stock in exchange for their interests in Hull and GS&PA, respectively; and (iii) certain Covered Persons have acquired and will acquire beneficial ownership of certain shares of Common Stock in connection with GS Inc.'s initial public offering and/or pursuant to GS Inc.'s employee compensation, benefit or similar plans.

Covered Persons may from time to time acquire shares of Common Stock for investment purposes. Such Common Stock may be acquired with personal funds of or funds borrowed by such Covered Person.

### ITEM 4. Purpose of Transactions

The Covered Persons, other than the Acquisition Covered Persons, acquired certain shares of Common Stock in connection with the succession of GS Inc. to the business of Group L.P. and GS Inc.'s initial public offering and/or through certain employee compensation, benefit or similar plans of GS Inc. The Acquisition Covered Persons acquired certain shares of Common Stock in connection with the acquisition by GS Inc. of Hull or GS&PA, as applicable, and through certain employee compensation, benefit or similar plans of GS Inc.

Covered Persons may from time to time acquire shares of Common Stock for investment purposes. Except as described herein and in Annex A and except

for the acquisition by Covered Persons of Common Stock

-8-

pursuant to employee compensation, benefit or similar plans of GS Inc. in the future or as described above, none of the Covered Persons has any plans or proposals which relate to or would result in the acquisition of additional Common Stock by them or any of the other events described in Item 4(a) through 4(j).

Each Covered Person is expected to evaluate on an ongoing basis GS Inc.'s financial condition and prospects and his or her interests in and with respect to GS Inc. Accordingly, each Covered Person may change his or her plans and intentions at any time and from time to time. In particular, each Covered Person may at any time and from time to time acquire or dispose of shares of Common Stock.

### ITEM 5. Interest in Securities of the Issuer

(a) Rows (11) and (13) of the cover page to this Schedule and Appendix A are hereby incorporated by reference. Each Covered Person hereby disclaims beneficial ownership of any shares of Common Stock held by any other Covered Person. Except as described in Annex B, none of the shares of Common Stock reported in rows (11) and (13) of the cover page to this Schedule and Appendix A are shares as to which there is a right to acquire exercisable within 60 days.

(b) Rows (7) through (10) of the cover page to this Schedule set forth for each Covered Person: the percentage range of Voting Shares, Shared Ownership Shares, Sixty Day Shares and Other Shares (each as defined on the cover page hereof) as to which there is sole power to vote or direct the vote or to dispose or direct the disposition or shared power to vote or direct the vote or to dispose or direct the disposition. The power to vote Voting Shares by Covered Persons is shared with each other Covered Person, as described below in response to Item 6. Each Covered Person hereby disclaims beneficial ownership of any shares of Common Stock held by any other Covered Person.

(c) Except as described in Annex C or previously reported on Schedule 13D, no Covered Person has effected any transactions in Common Stock in the 60 days preceding December 31, 2018.

(d) Not applicable.

(e) The Covered Persons ceased to be the beneficial owners of more than five percent of the total number of shares of Common Stock outstanding on December 31, 2018.

### ITEM 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Each Covered Person listed on the cover page to this Schedule and Appendix A hereto is a party to the Shareholders' Agreement. The Shareholders' Agreement and forms of the Counterparts to the Shareholders' Agreement are filed as Exhibits to this Schedule, and the following summary of the terms of the Shareholders' Agreement is qualified in its entirety by reference thereto. References to the "board of directors" are to the board of directors of GS Inc.

The Covered Persons under the Shareholders' Agreement include all Managing Directors of GS Inc. who participate in the GS Inc. Partner Compensation Plan or Restricted Partner Compensation Plan (each as defined in the Shareholders' Agreement) or any other employee benefit plan specified by

## Edgar Filing: GOLDMAN SACHS GROUP INC - Form SC 13D/A

the Shareholders' Committee described below under "Information Regarding the Shareholders' Committee" (the "Participating Managing Directors").

The "Voting Shares" include all of the shares of Common Stock of which a Covered Person (or, in approved cases, his or her spouse or domestic partner) is the sole beneficial owner (excluding shares of Common Stock held by the trust underlying The Goldman Sachs 401(k) Plan). The interest of a spouse or domestic partner in a joint account, an economic interest of GS Inc. as pledgee, and the interest of certain persons in approved estate planning vehicles will be disregarded for the purposes of determining whether a Covered Person is the sole beneficial owner of shares of Common Stock.

-9-

### TRANSFER RESTRICTIONS

Each Covered Person has agreed in the Shareholders' Agreement, among other things, to retain sole beneficial ownership of a number of shares of Common Stock at least equal to 25% of such Covered Person's Covered Shares (as defined below); provided, that with respect to 2009 year-end equity awards granted in accordance with the equity deferral table approved by the board of directors or its Compensation Committee, such number shall equal 30% of the Covered Shares relating thereto (the "General Transfer Restrictions"). Effective January 15, 2015 (the "Effective Date"), in connection with GS Inc.'s implementation of stock ownership guidelines (the "Guidelines") for its senior executive officers, the transfer restrictions in the Shareholders' Agreement applicable to certain senior officers designated by the Shareholders' Committee (the "Special Transfer Restrictions" and, together with the General Transfer Restrictions, the "Transfer Restrictions") were amended to require such officers to retain sole beneficial ownership of a number of shares of Common Stock at least equal to 50% of the increase (or, if such Covered Person is then the chief executive officer of GS Inc., 75% of the increase) in Covered Shares received by or delivered to such Covered Person following the Effective Date. The prior Special Transfer Restrictions, which required each senior officer to retain 75% of his or her Covered Shares, will continue to apply to deliveries made prior to the Effective Date. The Guidelines require that the Corporation's chief executive officer hold shares of common stock equal to 10 times his or her base salary and each other senior executive officer hold shares of common stock equal to 6 times his or her base salary. The same shares may be used to satisfy the Guidelines, the Special Transfer Restrictions and the General Transfer Restrictions. The Transfer Restrictions applicable to a Covered Person terminate upon the death of the Covered Person. Shares beneficially owned by a Covered Person through certain approved estate planning vehicles established by Covered Persons or, as applicable, by the Covered Person's spouse or domestic partner are generally deemed to count toward the satisfaction of the Transfer Restrictions.

For these purposes, "Covered Shares," with respect to a Covered Person, will be recalculated each time the Covered Person receives Common Stock underlying an award of restricted stock units, exercises a stock option (not including, in each case, awards in connection with GS Inc.'s initial public offering) or receives an award of restricted stock. The calculation of Covered Shares will include the gross number of shares underlying such restricted stock units or stock options or the gross number of shares of restricted stock, in each case less (i) a number of shares determined by reference to tax rates specified by the Shareholders' Committee and (ii) the number of shares necessary to cover the option exercise price, if applicable (all as calculated pursuant to a formula set out in the Shareholders' Agreement). The calculation of Covered Shares will only take into account awards that occurred after the Covered Person became a Participating Managing Director. The Shareholders'

## Edgar Filing: GOLDMAN SACHS GROUP INC - Form SC 13D/A

Committee has the power to determine, and has determined from time to time in particular situations, whether restricted stock or shares of Common Stock delivered pursuant to restricted stock units or stock options are deemed "Covered Shares."

### WAIVERS

The Shareholders' Committee has the power to waive, and has waived, the Transfer Restrictions from time to time to permit Covered Persons to transfer Common Stock in particular situations (such as transfers to family members, partnerships or trusts), but not generally. The Shareholders' Committee also has the power to waive the Transfer Restriction to permit Covered Persons to: participate as sellers in underwritten public offerings of, and stock repurchase programs and tender and exchange offers by GS Inc. for, Common Stock; transfer Common Stock to charities, including charitable foundations; and transfer Common Stock held in employee benefit plans. Taking into account the Shareholders' Committee's waivers and determinations regarding Covered Shares to date, 6,322,661 shares of Common Stock are subject to the Transfer Restrictions as December 31, 2018.

In the case of a third-party tender or exchange offer, the Transfer Restrictions may be waived or terminated: if the board of directors is recommending acceptance or is not making any recommendation with respect to acceptance of the tender or exchange offer, by a majority of the outstanding Covered Shares; or if the board of directors is recommending rejection of the tender or exchange offer, by 66 2/3% of the outstanding Covered Shares.

In the case of a tender or exchange offer by GS Inc., a majority of the outstanding Covered Shares may also waive or terminate the Transfer Restrictions.

-10-

### VOTING

Prior to any vote of the shareholders of GS Inc., the Shareholders' Agreement requires a separate, preliminary vote of substantially all Voting Shares on each matter upon which a vote of the shareholders is proposed to be taken (the "Preliminary Vote"). Each Voting Share will be voted in accordance with the majority of the votes cast by the Voting Shares in the Preliminary Vote. In elections of directors, each Voting Share will be voted in favor of the election of those persons, equal in number to the number of such positions to be filled, receiving the highest numbers of votes cast by the Voting Shares in the Preliminary Vote.

### OTHER RESTRICTIONS

The Shareholders' Agreement also prohibits Covered Persons from engaging in certain activities relating to any securities of GS Inc. with any person who is not a Covered Person or a director, officer or employee of GS Inc. ("Restricted Persons"). Among other things, a Covered Person may not: participate in a proxy solicitation to or with a Restricted Person; deposit any shares of Common Stock in a voting trust or subject any shares of Common Stock to any voting agreement or arrangement that includes any Restricted Person; form, join or in any way participate in a "group" with any Restricted Person; or together with any Restricted Person, propose certain transactions with GS Inc. or seek the removal of any directors of GS Inc. or any change in the composition of the board of directors.

### TERM, AMENDMENT AND CONTINUATION

## Edgar Filing: GOLDMAN SACHS GROUP INC - Form SC 13D/A

The Shareholders' Agreement is to continue in effect until the earlier of January 1, 2050 and the time it is terminated by the vote of 66 2/3% of the outstanding Covered Shares. The Shareholders' Agreement may generally be amended at any time by a majority of the outstanding Covered Shares.
