PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD JUNE 2, 2003

GENERAL INFORMATION

This statement is furnished in connection with the solicitation of proxies to be used at the Annual Meeting of Shareholders (the Annual Meeting) of Mid-America Apartment Communities, Inc. (the Company) to be held on June 2, 2003 at 4:00 P.M., local time, at the Reserve at Dexter Lake Apartments, 1505 Dexter Lake Drive, Memphis, Tennessee 38018 and at any adjournment thereof.

No person is authorized to give any information or to make any representation not contained in this Proxy Statement and, if given or made, such information or representation should not be relied upon as having been authorized. This Proxy Statement does not constitute the solicitation of a proxy in any jurisdiction where or from any person to whom it is unlawful to make such proxy solicitation. The delivery of this Proxy Statement shall not, under any circumstances, imply that there has been no change in the information set forth herein since the date of the Proxy Statement.

THE PROXY

The solicitation of proxies by means of the enclosed form is made on behalf of the Board of Directors of the Company. The entire cost of soliciting these proxies will be borne by the Company. In addition to being solicited through the mail, proxies may be solicited personally or by telephone or telegraph by officers, directors and employees of the Company, who will receive no additional compensation for such activities. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares held of record by such persons. It is expected that this Proxy Statement will first be sent to shareholders on or about April 30, 2003.

Shareholders are urged to sign the enclosed form of proxy and return it promptly in the envelope enclosed for that purpose. If no instruction is indicated on the proxy, the named holders of the proxies will vote all such shares of Common Stock (hereinafter defined) of such holder (i) FOR the election of the nominees named herein as directors, (ii) FOR the ratification of the selection of KPMG LLP as the Company's independent auditors for 2003, and (iii) FOR approval of the Long-Term Performance Based Incentive Plan for the Company's executive officers. The named holders of proxies will use their discretion in voting the shares of Common Stock in connection with any other business that may properly come before the Annual Meeting.

A shareholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by (i) submitting another proxy with a more recent date than that of the proxy first given, (ii) attending the Annual Meeting and voting in person, or (iii) sending written notice of revocation to the Company's Corporate Secretary, Leslie Wolfgang.

VOTING RIGHTS

Each outstanding share of the Company's common stock, \$.01 par value (the Common Stock), is entitled to one vote. Cumulative voting is not permitted. Only shareholders of record at the close of business on April 7, 2003 will be entitled to notice of, and to vote at, the Annual Meeting and any adjournment thereof. As of the close of business on April 7, 2003, the Company had 17,893,631 shares of Common Stock outstanding.

No specific provision of the Tennessee Business Corporation Act, the Company's Charter or the Company's Bylaws addresses the issue of abstentions or broker non-votes. Brokers holding shares for beneficial owners must

vote those shares according to the specific instructions they receive from the owners. In the absence of any specific instructions, brokers may vote those shares in their discretion with respect to certain routine proposals. However, brokers or nominees holding shares for a beneficial owner may not have discretionary voting power and may not have received voting instructions from the beneficial owner with respect to voting on certain non-routine proposals. In such cases, absent specific voting instructions from the beneficial owner, the broker may not vote on these proposals. This results in what is known as a broker non-vote, which will be counted for purposes of determining the presence of a quorum but will not be counted in the voting results. An abstention, likewise, will be counted as present or represented for purposes of determining whether a quorum exists but will not count in the voting results.

REQUIRED VOTE

Under Tennessee law and the Company's Charter and Bylaws, if a majority of the votes entitled to be cast is present at the Annual Meeting so as to constitute a quorum, in person or by proxy, approval of each matter submitted to the shareholders of the Company for a vote at the Annual Meeting, excluding the election of directors, will require the affirmative vote of a majority of the votes cast, either in person or by proxy. Election of directors will require the affirmative vote of a plurality of the votes cast at the Annual Meeting, either in person or by proxy.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Committees and Meetings of the Board of Directors

The Board of Directors presently has an Audit Committee, a Compensation Committee and a Nominating/ Corporate Governance Committee, all of which are composed of certain of its independent directors. The Company may, from time to time, form other committees as circumstances warrant. Such committees will have authority and responsibility as delegated by the Board of Directors.

AUDIT COMMITTEE. The Audit Committee of the Board of Directors is currently composed of Messrs. Graf (Chairman), Grinalds and Starnes. The Board of Directors and the Audit Committee believe that the current composition of the Audit Committee satisfies Section 303.01(B) of the New York Stock Exchange listing standards, which governs audit committee composition, including the requirement that all audit committee members be independent directors as that term is defined by Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange listing standards. The Audit Committee met five times during 2002. For more information concerning the Audit Committee and its activities, please see Audit Committee Report on page 13 of this Proxy Statement.

Edgar Filing: MID AMERICA APARTMENT COMMUNITIES INC - Form DEF 14A

COMPENSATION COMMITTEE. The Compensation Committee of the Board of Directors is currently composed of Messrs. Horn (Chairman), Fogelman, Grinalds, and Starnes. The Compensation Committee determines compensation for the Company's executive officers and administers the Company's Fourth Amended and Restated 1994 Restricted Stock and Stock Option Plan and the Company's Non-Qualified Executive Deferred Compensation Plan. The Compensation Committee met twice during 2002.

NOMINATING/CORPORATE GOVERNANCE COMMITTEE. The Nominating/Corporate Governance Committee of the Board of Directors is currently composed of Messrs. Horn (Chairman), Fogelman, Grinalds, and Starnes. The Nominating/Corporate Governance Committee identifies and recommends individuals qualified to serve as directors for nomination by the Board of Directors for election by the shareholders at the Annual meeting of Shareholders. The Nominating/Corporate Governance Committee also develops and recommends to the Board of Directors corporate governance principles applicable to the Company. The Nominating/Corporate Governance Committee met once during 2002.

DIRECTOR MEETINGS. The affairs of the Company are managed under the direction of its Board of Directors as provided by the Company's Bylaws and the laws of Tennessee, the Company's state of incorporation. The Board of Directors holds regular meetings quarterly during the Company's fiscal year. There are presently nine directors. The Board of Directors held four regular meetings during fiscal 2002. During 2002, none of the Company's directors attended fewer than 75% of the total number of Board meetings and meetings of committees of the Board on which he served.

Compensation of Directors

Directors who are employees of the Company or one of its subsidiaries do not receive additional remuneration for serving as directors. Commencing in 2002, the Compensation Committee established that each non-employee Director will receive \$22,000 annually for serving on the Board of Directors. To compensate for their additional duties, the Audit Committee chairman receives an additional \$15,000 annually, and other committee chairmen receive an additional \$5,500 annually. Directors also receive \$1,000 for attending a Board meeting or a committee meeting not held in conjunction with a Board meeting in person and \$500 for attending a Board meeting or a committee meeting not held in conjunction with a Board meeting by telephone. All compensation is made by way of issuance of shares of the Company's common stock into the Company's Non-Qualified Deferred Compensation Plan For Outside Company Directors.

4

Nominees for Directors

The Company's Charter divides the Board of Directors into three classes as nearly equal in number as possible, with each class serving a term of three years. One class of directors is elected by the shareholders of the Company at each annual meeting. The Board of Directors has set at nine the number of directors constituting the full Board of Directors.

The Board of Directors proposes to nominate Messrs. Cates, Grinalds and Wadsworth for election to serve as Class III directors of the Company, all of whom are currently directors of the Company. The remaining members of the Board of Directors listed below will continue as members until their respective terms expire as indicated below.

Unless a shareholder specifies otherwise on the proxy card, such shareholder's shares of Common Stock will be voted for the election of the nominees to serve as directors until the annual meetings set forth below and until their successors are elected and qualified. If any nominee shall become unavailable or unwilling to serve the Company as a director for any reason, the persons named in the proxy card are expected to consult with the management of the Company in voting the shares represented by them. The Board of Directors has no reason to doubt the availability of any of the nominees, and each has indicated his willingness to serve as a director of the Company if elected.

Certain Transactions with Management

All transactions involving related parties must be approved by a majority of the disinterested members of the Company s Board of Directors. The Company has transactions in the ordinary course of its business with directors and officers of the Company and their affiliates, including members of their families or corporations, partnerships or other organizations in which such officers or directors have a controlling interest, on substantially the same terms (including price, or interest rates and collateral) as those prevailing at the time for comparable transactions with unrelated parties.

The Company has a line of credit with a group of banks led by AmSouth Bank. First Tennessee Bank, the principal banking subsidiary of First Tennessee National Corporation (FTNC), has committed approximately \$20 million towards this line of credit. The Company has also entered into interest rate swap agreements with First Tennessee Bank totaling a notional amount of \$75 million based on three-month LIBOR. One of the Company s directors, Mr. Horn, is Chairman of the Board of Directors and the previous Chief Executive Officer and President of FTNC. Both the line of credit and the interest rate swap agreements were entered into in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions between unrelated parties.

6

Indebtedness of Management to the Company

In 1997, 1998, and 2000 the Company sold shares of Common Stock and Units to certain employees pursuant to a Leadership Employee Stock Ownership Program (LESOP). Under the LESOP, shares of Common Stock and Units were sold to employees at market prices, with 15% of the sale price bonused to the employee over a five-year period.

Mr. Cates purchased a total of 175,000 shares pursuant to this program at an aggregate purchase price of \$4,496,500. Roughly 85% of this amount, or \$3,822,063 was funded by personal loans obtained by Mr. Cates, and the balance, \$674,437, was funded by the Company s LESOP bonus program over a five-year period.

Mr. Bolton purchased a total of 110,000 Units pursuant to this program at an aggregate purchase price of \$2,966,500. Roughly 85% of this amount, or \$2,521,563 was funded by personal loans obtained by Mr. Bolton, and the balance, \$444,937 was funded by the Company s LESOP bonus program over a five-year period.

Mr. Wadsworth purchased a total of 100,000 shares and Units pursuant to this program at an aggregate purchase price of \$2,706,500. Roughly 85% of this amount, or \$2,300,563 was funded by personal loans obtained by Mr. Wadsworth, and the balance, \$405,937 was funded by the Company s LESOP bonus program over a five-year period.

In April 2002 the Company entered into duplicate LESOP bonus programs to the existing Common Stock and Unit Sales. These agreements take effect immediately following the conclusion of the first agreements, have the same form and terms of the original agreements, and effectively raise the total LESOP bonus amount to 30% of the original sale price.

The employees of the Company listed in the table below are indebted to the Company pursuant to such promissory notes for shares of Common Stock and Units acquired under the LESOP, which amounts are bonused to them over a five year period. The table indicates the largest amount of the indebtedness outstanding during fiscal year 2002 and the amount outstanding at March 31, 2003. Such indebtedness bears interest at rates ranging from 5.59% to 6.49% per annum.

	Maximum Indebtedness During 2002	Indebtedness at March 31, 2003
George E. Cates (1)	\$ 471,487.50	\$ 605,287.50
H. Eric Bolton, Jr	276,187.50	444,937.50
Simon R. C. Wadsworth	237,187.50	405,937.50
Total executive officers	\$ 984,862.50	\$ 1,456,162.50

- (1) George E. Cates was not an executive officer of the Company during 2002, but is shown here as a participant in the LESOP program as a result of his former executive status with the Company.

**COMPENSATION COMMITTEE INTERLOCKS AND
INSIDER PARTICIPATION**

The Compensation Committee at the beginning of 2002 consisted of Messrs. Horn (Chairman), Flournoy, Fogelman, Grinalds and Starnes. Beginning in November 2002 the Compensation Committee consisted of Messrs. Horn (Chairman), Fogelman, Grinalds and Starnes. During 2002 no employee of the Company participated in decisions related to his compensation. Except as described in this section, none of the Company's executive officers served as a director or member of the compensation committee of any other entity whose executive officers served on the Company's Board of Directors or Compensation Committee.

Mr. Horn, who serves as the Chairman of the Compensation Committee, is also the Chairman of the Board of FTNC and served as FTNC's Chief Executive Officer and President from 1994 until his retirement as such in 2002. First Tennessee Bank, the principal banking subsidiary of FTNC, has committed approximately \$20 million

9

towards a line of credit which the Company has with a group of banks led by AmSouth Bank. The Company has also entered into interest rate swap agreements with First Tennessee Bank totaling a notional amount of \$75 million based on three-month LIBOR. Both the line of credit and the interest rate swap agreements were entered into in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions between unrelated parties.

Mr. Flournoy was formerly an officer of the Company but resigned in June 1999. Mr. Flournoy began serving on the Compensation Committee only after he ceased being an employee of the Company, and thus he did not participate in any decision related to his own compensation. As Mr. Flournoy does not meet the independence standards of the New York Stock Exchange (the NYSE) as approved by the NYSE Board of Directors on August 1, 2002, he is no longer serving on the Compensation Committee.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

The Compensation Committee of the Board of Directors is currently composed solely of Independent Directors. The Compensation Committee is responsible for ensuring that a proper balance of current compensation and longer-term equity-based rewards are offered to executive management to provide incentives to increase shareholder value.

Each executive officer's compensation is determined annually by the committee, including base salary, discretionary cash bonuses, and stock incentive awards. The Company's compensation policy is to reward performance, which leads to long-term growth in shareholder value per share.

Base Salary and Annual Incentive Compensation

Executive management's compensation, including their salaries, is based upon the competitive market for their services, their specific responsibilities, experience and overall performance. The company conducts a survey annually (Survey) of multifamily Real Estate Investment Trusts (REITs) by reviewing publicly available information on compensation of the REITs' senior management personnel, with special emphasis on those of similar geographic concentration, size, and/or business focus as the Company. This information is compiled and made available to the Compensation Committee in advance of its meeting in the beginning of each year.

The Compensation Committee sets executive compensation programs to be competitive with REITs which are included in the Survey, taking into account individually each component of compensation, including base salary, annual bonus programs, and long term incentive plans which it believes will best align executive management's interests with those of shareholders over a long term period. The Compensation Committee intends for each component and the aggregate of the compensation program to be competitive.

For 2003, the participants in the annual executive bonus plan are Messrs. Bolton and Wadsworth. In setting the 2003 annual bonus plan, which is re-evaluated at the beginning of each year, the Compensation Committee has adopted a plan which takes into account growth of Funds Available for Distribution (FAD) per share (defined as Funds From Operations less recurring capital expenditures) over 2002, and the achievement of individual goals as approved by the Compensation Committee. In a year when no FAD growth is achieved, the Compensation Committee has the option of approving, or not, a bonus payment considering the Company's performance relative to the performance of its peers over the same time period. The Compensation Committee also has the ability to factor in any unique variables that may or may not occur that impact the Company's performance. The scope of the plan was set with the goal of making it an important part of executive management's total compensation and making the plan competitive with programs offered by those REITs included in the Survey.

Fourth Amended and Restated 1994 Restricted Stock and Stock Option Plan

The Fourth Amended and Restated 1994 Restricted Stock and Stock Option Plan (the 1994 Plan) was established in 1994 to be the Company's long-term incentive plan for executive officers and other selected employees. The objective of the program is to retain and motivate executives to improve long-term stock performance. The Compensation Committee has the authority, within limitations set forth in the 1994 Plan, (i) to

10

establish rules and regulations concerning the 1994 Plan, (ii) to determine the persons to whom options and restricted securities may be granted, (iii) to fix the number of shares of Common Stock to be covered by each option and (iv) to set the terms and provisions of each option and restricted security to be granted. Stock options are generally granted at the prevailing market value and will only have value if the Company's stock increases in value.

The Compensation Committee has not approved any issuances of stock options under the 1994 Plan for executive or other officers in 2003. In lieu of these historical annual issuances, the executive officers and some key managers in the Company were granted restricted stock. Dependent upon the executive officer's continued employment with the Company, the restricted stock vests 20% annually from 2007 through 2011 with opportunities for earlier vesting based on compounded annual FAD growth. None of the restricted shares vested in 2002.

Long-Term Performance Based Incentive Compensation Plan

In February 2003, subject to shareholder approval, the Compensation Committee by authorization of the Board of Directors approved a new Long-Term Performance Based Incentive Compensation Plan for executive officers (the Plan). The Plan provides executive officers with the opportunity to earn restricted stock based on a three-year performance window from 2003 to 2005. Performance goals are based on shareholders achieving defined investment returns over the three-year window and the Company's performance ranking in the top third of benchmark performance goals, (defined by the Compensation Committee). Any earned restricted stock would vest 20% a year over the five-year period from 2006 to 2010, dependent upon the executive officer's continued employment with the Company.

The shareholders will vote at the Annual Meeting this year on a proposal to approve the Plan. See Proposal No. 3 on page 16 for further information.

Non-Qualified Executive Deferred Compensation Plan

The non-qualified deferred compensation plan is the Company's long-term incentive plan for key employees who are not qualified for participation in the Company's 401(k) plan. Under the terms of the plan, key employees may elect to defer a percentage of their compensation and the Company matches a portion of their salary deferral with similar provisions as apply for the Company's 401(k) plan. The plan is designed so that the employees' investment earnings under the non-qualified plan should be the same as the earning assets in the Company's 401(k) plan.

Compensation of Chief Executive Officer

Mr. Bolton's employment agreement with the Company, entered into in December 1999, provides for a base salary of \$296,515 for the year ended December 31, 2002. The Compensation Committee considered this annual base salary to be competitive with comparable REITs to the

Company. During the calendar year 2002, Mr. Bolton received \$105,787 in bonus compensation, \$101,225 of which was earned related to work performed in 2001.

Employment Agreements

The Company entered into employment agreements with Messrs. Bolton and Wadsworth in December 1999. These employment agreements have substantially similar terms, except for their base salary provisions. Each one (i) has a term of one year that renews automatically on the first day of each month for an additional one-month period, so that on the first day of each month, unless sooner terminated in accordance with the terms of the agreement, the remaining term is one year; (ii) provides for annual base salaries for the executives, subject to increase at the discretion of the Compensation Committee; and (iii) allows for annual incentive/bonus compensation.

Upon the executive's termination due to death or permanent disability or in the event the executive is terminated without cause by the Company or suffers a constructive termination of his employment in the absence of a change of control, the Company will pay the executive all amounts due to the executive as of the date of termination under the terms of all incentive and bonus plans, and will also continue to pay the executive his base salary as then in effect for one year after the termination. In addition, all stock options granted to the executive shall become fully vested and exercisable in accordance with their terms on the termination date, or the executive may elect to receive an amount in cash equal to the in-the-money value of the shares covered by all such options. Finally, the Company

11

will pay to the executive all legal fees incurred by the executive in connection with his termination without cause or constructive termination by the Company.

If the executive is terminated without cause or suffers a constructive termination in anticipation of, on, or within three years after a change in control of the Company, the executive is entitled to receive a payment equal to the sum of two and 99/100 (2.99) times his annual base salary in effect on the date of termination plus two and 99/100 (2.99) times his average annual cash bonus paid during the two immediately preceding fiscal years. To the extent that an excise tax on excess parachute payments will be imposed on the executive under Section 4999 of the Internal Revenue Code as a result of such payment, the Company shall pay the executive an additional amount sufficient to reimburse him for taxes imposed pursuant to Sections 280G and 4999 of the Internal Revenue Code. In addition, all stock options granted to the executive shall become fully vested and exercisable in accordance with their terms on the termination date, or the executive may elect to receive an amount in cash equal to the greater of (i) the in-the-money value of the shares covered by all such options or (ii) the difference between the highest per share price for shares of the Company paid in connection with the change of control and the per share exercise price of the options held by the executive, multiplied by the number of shares covered by all such options. Finally, the Company will pay to the executive all legal fees incurred by the executive in connection with the change of control.

Each employment agreement also contains confidentiality and non-competition provisions, as well as the agreement of the executive not to hire other employees of the Company upon severance.

PROPOSAL NO. 3

APPROVAL OF THE LONG-TERM PERFORMANCE BASED INCENTIVE PLAN FOR EXECUTIVE OFFICERS

Edgar Filing: MID AMERICA APARTMENT COMMUNITIES INC - Form DEF 14A

In February 2003, subject to shareholder approval, the Compensation Committee by authorization of the Board of Directors approved a new Long-Term Performance Based Incentive Compensation Plan for executive officers (the Plan). The Plan allows executive management to earn performance units that convert into restricted stock based on achieving defined total shareholder investment performance levels. Following are the details of the Plan.

Plan Period

The Plan results in the potential award of restricted stock based on the Company's performance from January 1, 2003 through December 31, 2005. Dependent upon the executive officer's continued employment with the Company, any restricted stock awarded will vest 20% annually from 2006 through 2010.

Shareholder Investment Return Performance

Shareholder investment return performance is calculated by the combination of dividends paid plus either (i) the market closing price of the Company's common stock on December 31, 2005, or (ii) the value of the Company's common stock at the close of business December 31, 2005. The value of the Company's common stock will be calculated by using a 12.5 multiple of Funds Available for Distribution (FAD) per share earned in 2005. The methodology utilized will be that which generates the highest performance unit award pay-out at December 31, 2005.

Performance Units

The number of performance units to be issued is dependent upon the compounded shareholder investment return performance as indicated in the following table:

Compounded Shareholder Investment Return Performance	Percentage of Value Created to be Awarded
≤ 10.0%	0%
10.1% - 11.0%	1%
11.1% - 12.0%	2%
≥ 12.1%	3%

In addition to the above, the compounded shareholder investment return performance must rank within the top one-third of peer multifamily REITs as defined by the Compensation Committee.

16

The number of performance units awarded will equal the percentage of value created to be awarded times the total shareholder value created, divided by the value or price per share used in the generation of the shareholder investment return performance. The performance units will then be allocated 60% to the Chief Executive Officer and 40% to the Chief Financial Officer. Following is an example of these calculations:

	2002	2003	2004	2005	3 Year Total per Share	Total
Outstanding Shares and Units (1)						20,592,000
<i>Value per Share Basis (1)</i>						
Dividends Paid		\$ 2.34	\$ 2.34	\$ 2.34	\$ 7.02	\$ 144,555,840
Share Value	\$ 27.20			\$ 29.00	\$ 1.80	\$ 37,065,600
						\$ 181,621,440
Total Shareholder Value Created						\$ 181,621,440
Compounded Shareholder Investment Return Performance						10.6%

Edgar Filing: MID AMERICA APARTMENT COMMUNITIES INC - Form DEF 14A

1% x Total Shareholder Value Created						\$ 1,816,214
Number of Performance Units Awarded (\$1,816,214 divided by \$ 29.00)						62,628
<i>Price per Share Basis (1)</i>						
Dividends Paid	\$2.34	\$2.34	\$ 2.34	\$7.02		\$ 144,555,840
Share Price	\$24.45		\$26.25	\$1.80		\$ 37,065,600
Total Shareholder Value Created						\$ 181,621,440
Compounded Shareholder Investment Return Performance						11.8%
2% x Total Shareholder Value Created						\$ 3,632,429
Number of Performance Units Awarded (\$3,632,429 divided by \$ 26.25)						138,378

In this example the price per share calculation would be used as it generates the highest performance unit award.

(1) Values used are for example purposes only and do not imply expected performance or the Company's ability to achieve these levels.

Restricted Stock

Each performance unit is immediately convertible to restricted shares of the Company's common stock. The restricted shares will not be transferable or have voting privileges until they vest, but will be entitled to any dividend payments that may occur at a rate consistent with the dividend rate for all other common stock of the Company.

Vesting

Dependent upon the executive officer's continued employment with the Company, the restricted shares will vest at a rate of 20% a year from 2006 through 2010. In the event of death, disability, retirement or change of control any unvested shares of restricted stock will immediately vest.

ADOPTION OF PROPOSAL NO. 3.**
