PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

July 17, 2003

Approximate date of mailing: June 20, 2003

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of California Amplifier, Inc. (the "Company" or "California Amplifier") of proxies for use at the Annual Meeting of Stockholders of California Amplifier (the "Annual Meeting") to be held on Thursday, July 17, 2003 at 10:00 a.m. local time or at any adjournment or postponement thereof.

VOTING RIGHTS

Stockholders of record of California Amplifier as of the close of business on the record date established for the Annual Meeting, June 10, 2003, have the right to receive notice of and to vote at the Annual Meeting. On June 10, 2003, California Amplifier had issued and outstanding 14,745,812 shares of Common Stock, par value \$0.01 per share ("Common Stock"), the only class of voting securities outstanding.

Each stockholder of record as of the record date will be entitled to one vote for each share of Common Stock held as of the record date. The presence at the Annual Meeting in person or by proxy of a majority of the shares of Common Stock outstanding as of the record date will constitute a quorum for transacting business. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. With regard to election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on proposals other than the election of directors, and will be counted as present for purposes of the item on which the abstention is noted, and therefore counted in the tabulation of the votes cast on a proposal with the effect of a negative vote. Under applicable Delaware law, broker non-votes are not counted for purposes of determining the votes cast on a proposal.

1

Persons Making the Solicitation

The Proxy is solicited on behalf of the Board of Directors of the Company. The only solicitation materials to be sent to stockholders will be this Proxy Statement and the accompanying Proxy. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors also intends to solicit the Proxies held on behalf of stockholders by brokers, dealers, banks and voting trustees, or their nominees. The Company will pay all reasonable expenses by such holders for mailing the solicitation material to the stockholders for whom they hold shares. All solicitation expenses are being paid by the Company.

Terms of the Proxy

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides a box to be marked to indicate the manner in which the stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a stockholder may specify, with respect to the election of directors, whether the Proxy holder shall vote for or be without authority to vote on any or all candidates. The Proxy also confers upon the holders thereof discretionary voting authority with respect to such other business as may properly come before the Annual Meeting.

Where a stockholder has appropriately directed how the Proxy is to be voted, the shares will be voted in accordance with the stockholder's direction. In the absence of instructions, shares represented by valid Proxies will be voted in favor of the nominees for director and in favor of all proposals set forth in

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

the Notice of Meeting and this Proxy Statement. If any other matters are properly presented at the Annual Meeting, the persons named in the Proxy will vote or refrain from voting in accordance with their best judgment. A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to the Corporate Secretary of the Company or by filing a duly executed Proxy bearing a later date. Stockholders may also vote in person if they attend the Annual Meeting even though they have executed and returned a Proxy.

matters and makes recommendations with respect to its findings. See also the Report of the Audit Committee included elsewhere herein.

make recommendations to the full Board on corporate governance matters.

All directors attended more than 75% of the aggregate meetings of the Board and committees on which the directors serve which were held during fiscal year 2003.

- o \$25,000 for the Chairman of the Board;
- o \$20,000 for chairmen of board committees;
- o \$15,000 for other non-employee directors

Annual retainers are payable monthly at 1/12th of the annual amount.

Non-employee directors also receive meeting fees as follows:

- o A fee of \$1,250 for each Board meeting attended in person;
- o A fee of \$625 for each Board meeting attended telephonically;
- o A fee of \$1,000 for each committee meeting attended in person which is not held on the same day as a Board meeting; and

In addition, pursuant to the terms of the Company's 1999 Stock Option Plan, each non-employee director receives an automatic grant of 8,000 non-qualified stock options upon initial appointment to the Board, and an additional grant of 8,000 non-qualified stock options annually upon re-election to the Board, with all such options vesting one year from date of grant.

Directors who are also executive officers of the Company receive no additional compensation for their services on the Board.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board has furnished the following report on executive compensation. This report will not be deemed to be incorporated by reference by any general statement incorporating this proxy statement into any filing of the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this information by reference and will not be deemed soliciting material or deemed filed under those Acts.

The Compensation Committee of the Board is composed entirely of independent

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

outside directors. We are responsible for monitoring the performance and compensation of executive officers, reviewing the compensation plans, including bonuses, and administering the Company's stock option plans.

Each year, we comprehensively review the compensation of Fred Sturm, the Company's Chief Executive Officer, and the other executive officers to assure that compensation is appropriately tied to performance and that salary and potential bonus compensation levels are appropriate. To focus and facilitate such review, we developed the following executive compensation guidelines for the Company:

- o executive compensation should be at or above the 50th percentile of technology company market levels to allow the Company to attract and retain talented management;
- o annual variable compensation should reward the executives for achieving specific results which should lead to increased stockholder value; and
- o supplemental benefits and perquisites which reward executives without regard to performance should be minimal.

The compensation of the Chief Executive Officer and of the Company's other executive officers is comprised of three primary components:

- o Salary
- o Bonus
- o Stock options

Salary is fixed at a competitive level to attract and retain qualified candidates. Bonuses are tied specifically to performance of the Company or a specific business unit of the Company and/or individual contributions. Stock options are awarded in amounts we believe necessary to provide incentives for future performance, taking into account individual performance and length of service with the Company. This mix of compensation elements places a significant portion of compensation at risk and emphasizes performance.

From time to time we utilize the services of independent compensation consultants to review and assess various aspects of the Company's compensation program for executive officers as a means of ensuring that the Company maintains compensation at appropriate levels relative to the peer companies and the overall industry in which the Company operates.

Salary. Mr. Sturm's base salary for fiscal 2003 was set at \$325,000, effective March 1, 2002, and was determined by us in accordance with the general principles described above. The base salaries of the other executive officers were similarly reviewed and set, with consideration also given to the relationship of those salaries to the salary of Mr. Sturm. Mr. Sturm's base salary for fiscal 2004 is unchanged from his salary in fiscal 2003.

Bonus. For fiscal 2003, we established an expected target bonus for Mr. Sturm of 50% of his base salary that was dependent upon Company performance in relation to the annual operating plan. Mr. Sturm's actual bonus for the year was \$164,000. Under the fiscal 2003 incentive compensation program, the target bonus of other senior executive officers was set at between 30% to 40% of their annual base salary, depending upon the actual executive officer, and was also dependent on Company or business unit performance.

Stock Options. We believe that the Company should provide greater equity incentives to the Chief Executive Officer and other executive officers to better align their interests with those of the Company's stockholders, and to enhance

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

retention and continuity of management. Equity incentives for management at the Company have historically been below the median level at peer companies. We assigned option awards to Mr. Sturm and other executive officers in part based on our desire to increase equity incentives at the Company and on their respective compensation levels and individual performance.

- (4) Mr. Vitelle joined the Company effective July 23, 2001.

10

Employment Agreements and Executive Severance Arrangements

The Company historically had not entered into written employment agreements and severance arrangements with executive officers. During fiscal year 2002, the Compensation Committee addressed the subject of employment agreements, and reached the determination that such agreements with executive officers would help maintain a competitive compensation structure with peer group companies in the telecommunications equipment industry, thereby enhancing the motivation and retention of the Company's executive officers. The Compensation Committee also engaged an independent compensation consultant and legal counsel to provide input on provisions of the employment agreements. As a result of this process, on May 31, 2002, the Company entered into employment agreements with each of the officers named in the Summary Compensation Table above. The key terms of each officer's employment agreement, which are the same for all officers except as noted below, are as follows:

- o The officer's base salary will be reviewed by and be subject to adjustment at the sole discretion of the Board of Directors each year during the agreement;
- o The officer will be eligible to participate in the Company's employee bonus program and employee stock option award program;
- o The initial term of the employment agreement is 12 months (or 24 months in the case of the Chief Executive Officer), and unless either the Company or the officer provide notice of non-renewal at least 30 days before the end of the employment agreement term, the agreement will be automatically extended for a period of one year, with such procedure to be followed in each successive year; and
- o If the officer's employment is terminated by the Company for "Cause" (as defined), then he is not entitled to severance pay. If the officer's employment is terminated by the Company without Cause, if the Company elects to not renew the employment agreement, or if the officer resigns

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

for "good reason" (as defined) within 12 months following a change in control of the Company, then the officer is entitled to severance in the form of continuation of payments of base salary and employee benefits coverage for 12 months (or 24 months in the case of the Chief Executive Officer).

Options Grants In Last Fiscal Year

The following table sets forth information on grants of stock options pursuant to the Company's 1999 Stock Option Plan during the fiscal year ended February 28, 2003 to the executive officers included in the Summary Compensation Table:

Name	Options Granted	% of Total Options Granted to Employees in Fiscal Year (1)	Exercise or Base Price (\$/share)	Expiration Date (2)	Potential Realizable Value at Assumed 5% Increase in Stock Price for Options (3)
Fred Sturm	80,000	26.6%	\$5.00	3/7/2012	\$251,600
Robert Hannah	30,000	10.0%	\$5.00	3/7/2012	\$ 94,300
Patrick Hutchins	40,000	13.3%	\$5.00	3/7/2012	\$125,800
Kris Kelkar	30,000	10.0%	\$5.00	3/7/2012	\$ 94,300
Richard Vitelle	40,000	13.3%	\$5.00	3/7/2012	\$125,800

(1) In fiscal 2003, option grants to the named executive officers represented 73% of total options granted to employees because of a change in the timing of option grants to non-officer employees, which like officer grants are typically made once a year. The most recent dates for option grants to non-officer employees, other than grants made to newly recruited employees, were February 26, 2002 (in fiscal 2002) and April 25, 2003 (in fiscal 2004). Therefore, no options were granted to non-officer employees during fiscal 2003, other than grants to newly hired managers.

(2) Options become exercisable at the rate of 25% per year, and have an option term of ten years.

11

(3) The potential realizable value is calculated assuming both a 5% and a 10% annual increase in the stock value from the date and price of the option grant, and also assumes that the option is exercised at the end of 10 years on the last day of the option period (expiration date). The calculated future stock price for options granted at \$5.00 assuming 5% annual appreciation is \$8.14, and \$12.97 assuming 10% annual appreciation. There can be no assurances, however, that such future stock prices or annual appreciation percentage amounts can be achieved.

Aggregate Option Exercises in Last Fiscal Year and Fiscal Year-End Option Values

The following table sets forth information as to options exercised during fiscal year 2003, and options held at the end of fiscal year 2003, by executive officers named in the Summary Compensation Table:

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, the Company's directors, its executive officers, and any persons holding more than 10 percent of the Company's Common Stock are required to report their initial ownership of the Company's Common Stock and any subsequent changes in that ownership to the Securities and Exchange Commission, the National Association of Securities Dealers and the Company. Specific due dates for these reports have been established and the Company is required to disclose in this Proxy Statement any failure to file, or late filing, of such reports with respect to the fiscal year ended February 28, 2003. Based solely upon a review of reports delivered to the Company during this period, all of these filing requirements were satisfied on a timely basis.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has adopted a policy pursuant to which material transactions between the Company and its executive officers, directors, nominees for election as directors, and principal stockholders (i.e., stockholders owning beneficially five percent or more of the outstanding voting securities of the Company) and members of immediate family of any of the foregoing persons, shall be submitted to the Board of Directors for approval by a disinterested majority of the directors voting with respect to the transaction. For this purpose, a transaction is deemed material if such transaction, alone or together with a series of similar transactions during the same fiscal year, involves an amount which exceeds \$60,000. No such transactions occurred during the fiscal year ended February 28, 2003.

REPORT OF THE AUDIT COMMITTEE

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Audit Committee Report by reference therein.

The members of the Audit Committee have been appointed by the Board of Directors. The Audit Committee operates under a written charter which was adopted by the Board in May 2001. On May 28, 2003, the Board of Directors adopted an amended and restated Audit Committee Charter, which is attached hereto as Exhibit A. The Audit Committee consists of three directors, none of whom were or are officers or employees of the Company. The current members of the Audit Committee are Thomas Ringer, who serves as Chairman, Arthur Hausman and Frank Perna, Jr. Each is an "independent" director within Section 4200(a)(14) of the National Association of Securities Dealers' Marketplace Rules.

Duties of the Audit Committee during the period covered by this Report were to:

- o oversee the Company's internal accounting and operational controls as well as its financial and regulatory reporting,
- o select the Company's independent auditors and assess their performance on an ongoing basis,
- o review the Company's interim and year-end financial statements and audit findings with management and the Company's independent auditors, and take any action considered appropriate by the Audit Committee and the Board,
- o review the Company's general policies and procedures regarding audits, accounting and financial controls, the scope and results of the auditing engagement, and the extent to which the Company has implemented changes suggested by the auditors,
- o review the results of each audit by the Company's independent accountants and discuss with them any factors, including, without limitation, the provision of any non-audit services, that may affect their independence,
- o perform other oversight functions as requested by the full Board, and
- o report activities performed to the full Board.

Management is responsible for the Company's internal controls. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee reviewed California Amplifier's audited financial statements for the fiscal year ended February 28, 2003 and discussed with both the management of California Amplifier and KPMG LLP ("KPMG"), its independent public accountants, these financial statements. California Amplifier's management, which has primary responsibility for the Company's financial statements, represented to the Audit Committee that its audited

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee also discussed with KPMG the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, "Communication with Audit Committees", and SAS No. 90, "Audit Committee Communications". The Audit Committee also received from KPMG the written disclosures and letter required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees", and discussed with KPMG the independence of that firm. For the fiscal year ended February 28, 2003, KPMG received fees for the audit of California Amplifier's consolidated financial statements, for income tax planning and return preparation services, for services rendered in connection with the Company's acquisition of Kaul-Tronics, and for various accounting related consultation and advice. The Audit Committee also considered whether the provision of these services is compatible with maintaining the independence of KPMG.

Based on the review and discussions as described above, and in reliance thereon, the Audit Committee recommended to Board of Directors that the audited financial statements be included in Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2003.

INDEPENDENT PUBLIC ACCOUNTANTS

KPMG was selected by the Board of Directors as independent public accountants to audit the consolidated financial statements of the Company for fiscal year 2003. A representative of KPMG is expected to be present at the 2003 Annual Meeting, and will have the opportunity to make a statement and respond to questions. KPMG has served as the Company's independent public accountants since fiscal 2002.

On April 3, 2002, the Board of Directors, upon recommendation of the Audit Committee, dismissed Arthur Andersen LLP ("Andersen") as the Company's independent auditor. Andersen's reports on the Company's consolidated financial statements for fiscal years 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. However, as previously reported in the Company's Form 8-Ks filed with the Securities and Exchange Commission on April 4, 2001 and May 23, 2001, Andersen's report on the Company's consolidated financial statements for fiscal year 2000 was withdrawn on April 2, 2001 when it was discovered that such financial statements contained misstatements made by the Company's former controller. Andersen's audit report, as restated, on the fiscal year 2000 financial statements was reissued on May 21, 2001, following the correction and re-audit of such financial statements.

During fiscal years 2000 and 2001 and through the date hereof, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Andersen's satisfaction, would have caused Andersen to make reference to the subject matter of such disagreements in connection with their reports on the Company's consolidated financial statements for such years.

In connection with their audits of the financial statements of the Company for

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

fiscal years 2000 and 2001, Andersen reported to the Company's Board of Directors conditions they believed to be material weaknesses in the Company's system of internal accounting and financial controls. In response, management identified measures to improve the Company's system of internal controls, including implementing more rigorous internal accounting policies, procedures and controls. Management believes these improved procedures corrected the noted weaknesses.

During fiscal years 2000 and 2001, and through April 4, 2002, the date KPMG was engaged as independent auditor, the Company did not consult KPMG with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report nor oral advice was provided by KPMG to the Company that KPMG concluded was an important factor considered by the Company in reaching a decision as to an accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

Fees paid to KPMG

Fees and out-of-pocket expenses for the fiscal year 2003 audit, and other work provided by KPMG during fiscal year 2003, are as follows:

Audit fees and expenses	\$165,000
Financial information systems design and implementation fees	\$ -0-
All other fees	\$ 92,000

The amount shown for "All other fees" represents fees for income tax planning and return preparation services (\$52,000), fees associated with accounting services rendered in connection with the Company's acquisition of Kaul-Tronics in April 2002 (\$33,000), and fees for advising on the accounting treatment of various transactions (\$7,000).

ANNUAL REPORT

The Annual Report to Stockholders for the fiscal year ended February 28, 2003 is being sent to all stockholders with this Proxy Statement. The Annual Report does not form any part of the material for the solicitation of any Proxy.

STOCKHOLDER PROPOSALS

The Bylaws of the Company provide that at any meeting of the stockholders only such business shall be conducted as shall have been brought before the meeting by or at the discretion of the Board of Directors or by any stockholder of the Company who gives written notice (in the form required by the Bylaws) of such business to the Corporate Secretary of the Company not less than 60 days in advance of such meeting or, if later, the seventh day following the first public announcement of the date of such meeting. The Bylaws also provide that only such nominations for the election of directors may be considered as are made by the Board of Directors, or by any stockholder entitled to vote in the election of directors who provides written notice (in the form required by the Bylaws) of such stockholder's intent to make such nomination to the Corporate Secretary of the Company not later than 60 days in advance of such meeting or, if later, the seventh day following the first public announcement of the date of such meeting.

Stockholders who intend to submit proposals for inclusion in the Proxy Statement relating to the fiscal year ending February 28, 2004 must do so by sending the proposal and supporting statements, if any, to the Company no later than February 14, 2004. Such proposals should be sent to the attention of the Corporate Secretary, California Amplifier, Inc., 460 Calle San Pablo, Camarillo, California 93012.

OTHER MATTERS

Except for the matters described herein, management does not intend to present any matter for action at the Annual Meeting and knows of no matter to be presented at such meeting that is a proper subject for action by the stockholders. However, if any other matters should properly come before the Annual Meeting, it is intended that votes will be cast pursuant to the authority granted by the enclosed Proxy in accordance with the best judgment of the person or person(s) acting under the Proxy.

By Order of the Board of Directors,
