HOWEVER, WE ENCOURAGE YOU TO SIGN, DATE AND PROMPTLY RETURN THE PROXY IN THE ENCLOSED ENVELOPE, REGARDLESS OF WHETHER YOU PLAN TO ATTEND THE MEETING. FOR IDENTIFICATION PURPOSES, "STREET NAME" SHAREHOLDERS WILL NEED TO BRING A COPY OF A BROKERAGE STATEMENT REFLECTING STOCK OWNERSHIP AS OF THE RECORD DATE.

PROXY STATEMENT ANNUAL MEETING OF SHAREHOLDERS [_____], 2007

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Gyrodyne Company of America, Inc. ("Gyrodyne" or the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held [_____], 2007 at 11:00 a.m., Eastern Time, at Flowerfield Celebrations, Mills Pond Road, Saint James, New York 11780 and at any and all adjournments thereof.

VOTING SECURITIES AND PROXIES

The Board has fixed the close of business on [_____], 2007 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. The securities which may be voted at the Annual Meeting consist of shares of common stock, par value \$1.00 per share, of the Company (the "Common Stock"). Holders of Common Stock are entitled to one vote per share. Shareholders do not have cumulative voting rights. It is necessary for a quorum that record holders of a majority of the shares outstanding and entitled to vote as of the Record Date be represented by proxy or in person at the Annual Meeting. The number of shares of Common Stock, the Company's only authorized class of stock, outstanding on the Record Date was 1,289,878. This Proxy Statement and the enclosed proxy card were mailed starting on or about [_____], 2007.

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

At the Annual Meeting, shareholders will consider and vote upon the following matters: (i) the election of three (3) directors to a three-year term of office, (ii) the ratification of the engagement of independent accountants for the Company for the fiscal year ending December 31, 2007, and (iii) such other matters as may properly come before the meeting.

Proxies solicited by the Board will be voted in accordance with the instructions given therein. Where no instructions are indicated, proxies will be voted "FOR" the election of the nominees for director and "FOR" the ratification of the engagement of independent accountants. Directors shall be elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. The proposal to ratify the appointment of independent accountants will be decided by a majority of the votes cast in favor of or against the proposal by the holders of shares entitled to vote. A shareholder who abstains from voting on the proposal to ratify the appointment of independent accountants will be included in the number of shareholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted, however, either in favor of or against the election of the nominees or the proposal to ratify the appointment of independent accountants. Brokers holding stock for the accounts of their clients who have not been given specific voting instructions as to a matter by their clients may vote their clients' proxies in their own discretion, to the extent permitted under the rules of the National Association of Securities Dealers. Broker non-votes will be included in

determining the presence of a quorum, but will not be counted in determining whether a matter has been approved. If you do not return your duly signed proxy card, your shares cannot be voted unless you attend the Annual Meeting and vote in person or present a duly signed proxy at the Annual Meeting. Proxies solicited hereby will be tabulated by inspectors of election designated by the Board of Directors, who will not be directors or officers of the Company. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

The Company received a letter from Full Value Partners L.P. ("Full Value Partners"), a shareholder of the Company, in August 2007 which states that at the 2007 Annual Meeting, Full Value Partners intends to nominate three persons for election as directors of the Company and also to propose that the Company terminate its Shareholder Rights Plan. After receiving the letter from Full Value Partners, the Company indicated to Full Value Partners that in light of Full Value Partners' significant share ownership position and in order to avoid the cost and expense of a proxy contest, the Company would be prepared to offer Full Value Partners one seat on the Board. Full Value Partners rejected this offer and indicated that it believed it should have more than one seat on the Board. The Company does not currently know whether Full Value Partners will nominate such persons or present such proposal at the Annual Meeting. If such proposal is properly presented at the Annual Meeting, it is intended that the shares represented by proxies solicited by the Board will be voted "AGAINST" their proposal to terminate the Shareholder Rights Plan.

The Company's Board of Directors urges you to discard any proxy materials and proxy card that you may receive from Full Value Partners, and to vote as follows on the white proxy card enclosed with this Proxy Statement:

"FOR" the Board's nominees for director; and

"FOR" the ratification of Holtz Rubenstein Reminick LLP as the Company's auditors for 2007.

At the time this Proxy Statement was mailed to shareholders, management was not

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

aware of any matter other than the matters described above that would be presented for action at the Annual Meeting. The shares shall be voted in the discretion of the proxies on such other matters as may properly come before the meeting or any adjournment thereof.

The cost of the solicitation of proxies by the Board of Directors will be paid by the Company. In addition to solicitation by mail, officers, directors, and regular employees of the Company may, without compensation (other than their regular compensation), solicit proxies telephonically, electronically or by other means of communication. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward solicitation materials to their principals and the Company will reimburse the expense of doing so. In addition, Mackenzie Partners Inc., a proxy solicitation firm, will assist the Company in soliciting proxies for the Annual Meeting and will be paid a fee of [_____] plus out-of-pocket expenses.

2

Any shareholder executing the enclosed proxy has the right to revoke it at any time prior to its exercise by delivering to the Company a written revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to attend the Annual Meeting and to vote personally at the Annual Meeting.

CAUTIONARY STATEMENTS REGARDING FORWARD-LOOKING STATEMENTS IN THIS PROXY STATEMENT

This Proxy Statement and the documents incorporated by reference into this Proxy Statement contain forward-looking statements about Gyrodyne within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Statements containing the words "believes," "anticipates," "estimates," "expects," "intends," "plans," "seeks," "will," "may," "should," "would," "projects," "predicts," "continues" and similar expressions or the negative of these terms constitute forward-looking statements that involve risks and uncertainties. We intend such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and they are included in this Proxy Statement for the purpose of invoking these safe harbor provisions. Such statements are based on current expectations and are subject to risks, uncertainties and changes in condition, significance, value and effect. Such risks, uncertainties and changes in condition, significance, value and effect could cause Gyrodyne's actual results to differ materially from those anticipated events, such as the effect of economic and business conditions, risks inherent in the Long Island, New York and Palm Beach County, Florida real estate markets, the ability to obtain additional capital to develop the Company's existing real estate and other risks detailed from time to time in the Company's SEC reports. Except as may be required under federal law, we undertake no obligation to update publicly any forward-looking statements for any reason, even if new information becomes available or other events occur.

DISCUSSION OF PROPOSALS TO BE CONSIDERED AT THE ANNUAL MEETING

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

ELECTION OF DIRECTORS (Proposal 1)

The By-Laws of the Company provide that there shall be not less than three (3), nor more than nineteen (19), directors. The Board is divided into three (3) classes of directors serving staggered terms of office with each class to consist, as nearly as possible, of one-third of the total number of directors constituting the entire Board of Directors. Upon the expiration of the term of office for a class of directors, the nominees for that class are elected for a three (3) year term to serve until the election and qualification of their successors. At the Annual Meeting, three (3) directors of the Company are to be elected to three-year terms, each to serve until his or her successor is elected and has been qualified. The Board of Directors of the Company has nominated Ronald J. Macklin, Stephen V. Maroney and Philip F. Palmedo to three (3) year terms, upon the recommendation of our Nominating Committee. All three nominees are members of the present Board of Directors of the Company, with terms expiring at the Annual Meeting. Each properly executed proxy received will be voted in accordance with the instruction given therein. Where no instructions are indicated, proxies will be voted "FOR" the election of the foregoing three (3) nominees as directors to serve three-year terms or until their respective successors shall be elected and shall qualify. The nominees have consented to be named as nominees in the Proxy Statement and to serve as directors if elected.

Should any nominee become unable or unwilling to accept a nomination or election, the persons named in the enclosed proxy will vote for the election of a nominee designated by the Board.

ELECTION OF THE NOMINEES FOR DIRECTOR. THIS IS IDENTIFIED AS ITEM 1 ON
THE ENCLOSED PROXY CARD.

The Company's Secretary received a letter dated August 7, 2007 from Full Value Partners L.P. which states that at the 2007 Annual Meeting, Full Value Partners intends to nominate three persons (Phillip Goldstein, Timothy Brog and Andrew Dakos) for election as directors of the Company and to propose that the Company's Shareholder Rights Plan be terminated.

If you receive proxy solicitation materials and a proxy card from Full Value Partners, Mr. Goldstein, Mr. Brog or Mr. Dakos, our Board of Directors recommends that you discard such materials. Our Board urges shareholders not to vote for the Full Value Partners' nominees and not to return any proxy cards sent to shareholders by Full Value Partners or their nominees.

INFORMATION ABOUT THE BOARD OF DIRECTORS AND MANAGEMENT

Board Meeting Attendance

There were nine regular and special meetings of the Board of Directors during the eight month transition period ended December 31, 2006. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and meetings held by all committees of the Board on which such director served during the transition period.

Independence

The majority of the members of the Board of Directors are independent directors as defined by the listing requirements of the NASDAQ Stock Market. Such independent directors are Messrs. Beyer, Lamb, Levine, Macklin, Palmedo, Salour and Smith.

Committees

The Board of Directors of the Company has established the following committees:

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, and its current members are Messrs. Smith (Chairman), Levine and Macklin. The Audit Committee meets with the Company's independent auditors quarterly to review financial results, audited financial statements, internal financial controls and procedures and audit plans and recommendations. The Audit Committee also recommends the selection, retention or termination of the Company's independent auditors, approves services to be provided by the independent public accountants and evaluates the possible effect the performance of such services will have on the accountants' independence. The Company has adopted a written charter for the Audit Committee, which is available on the Company's website, www.gyrodyn.com. All of the members of the Audit Committee are independent directors as defined by the listing requirements of the NASDAQ Stock Market. The Audit Committee met seven (7) times during the eight month transition period ended December 31, 2006. All members of the Audit Committee are "financially literate" and have been determined to be "independent" within the meaning of SEC regulations and NASDAQ rules. The Board has determined that at least one member, Mr. Levine, a certified public accountant, qualifies as an "audit committee financial expert" as a result of relevant experience as a partner in the accounting firm of Levine & Seltzer, LLP, over ten years of accounting experience as a partner and director of taxes at Leslie Sufrin & Co. P.C. and several other years of experience in the field of public accounting.

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

The Compensation Committee of the Company's Board of Directors consists of directors Ronald Macklin (Chairman), Nader Salour and Philip Palmedo all of whom the Board has determined are independent pursuant to NASDAQ rules. The Compensation Committee oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines and making recommendations for all compensation paid to executive officers. The Compensation Committee does not have a charter. The Company's compensation policies for executives are intended to further the interests of the Company and its shareholders by encouraging growth of its business through securing, retaining and motivating management employees of high caliber who possess the skills necessary for the development and growth of the Company. The Compensation Committee also negotiates the terms of all employment contracts with executive officers which include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis. The Compensation Committee did not meet during the eight month transition period ended December 31, 2006.

The Nominating Committee consists entirely of non-employee directors and recommends guidelines to the Board regarding the size and composition of the Board and criteria for the selection of nominees. It also recommends the slate of director nominees to be included in the Proxy Statement and recommends candidates for vacancies which may occur. The Nominating Committee has a written charter, which is available on the Company's website, www.gyrodyn.com. Each member of the Nominating Committee is an independent director as defined by the listing standards of the NASDAQ Stock Market. The Nominating Committee will accept for consideration shareholders' nominations for directors if made in writing. The nominee's written consent to the nomination and sufficient background information on the candidate must be included to enable the Committee to make proper judgments as to his or her qualifications. Nominations must be addressed to the Secretary of the Company at the Company's headquarters and must be received no later than the deadline for submissions of shareholders' proposals in order to be considered for the next annual election of directors. The Nominating Committee believes that having directors with relevant experience in business and industry (in particular, the real estate industry) is beneficial and the Committee seeks to monitor the skills and experience of the Company's directors. All identified candidates, including shareholder-proposed candidates, are evaluated by the Committee using generally the same methods and criteria, although those methods and criteria are not standardized and may vary from time-to-time. The Company typically engages the services of third parties to perform background examinations of potential nominees, for which the Company pays a fee, in order to assist the Nominating Committee in its evaluation. The Committee met twice during the eight month transition period ended December 31, 2006 and its members currently are Mr. Beyer (Chairman), Mr. Levine and Mr. Smith.

Communication with the Board of Directors

The Board does not currently provide a process for shareholders to send communications to the Board or any of the directors. The Company believes that senior management, as opposed to individual directors, provides the public voice of the Company, and that shareholders can effectively communicate with the Company by contacting the management of the Company through either regular mail, email or in person. Shareholders also have meaningful access to the Board through the shareholder proposal process, which is described below.

Attendance Policy for Directors at Annual Shareholder Meetings

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

The Company encourages, but does not require, all of its directors to attend annual shareholders meetings of the Company. Last year all of the directors were in attendance at the annual meeting of the Company's shareholders.

REPORT OF THE AUDIT COMMITTEE

EXECUTIVE COMPENSATION

(a) COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis ("CD&A") describes the Company's compensation philosophy and policies as they apply to the Company's named executive officers, who are Stephen V. Maroney, President, Chief Executive Officer and Treasurer, and Peter Pitsiokos, Executive Vice President, Chief Operating Officer, Chief Compliance Officer and Secretary. The CD&A explains the structure and rationale associated with each material element of the named executive officers' total compensation, and it provides important context for the more detailed disclosure tables and specific compensation amounts provided following the CD&A.

Objectives of the Company's Compensation Program

The Company's compensation program for executives is intended to motivate and retain key executives to manage the business affairs of the Company in the best interests of the Company and its shareholders. Beginning in 2006, the overriding objective of the Company's executive compensation program has been to incentivize management to carry out the Company's strategic plan for the future direction of the Company. The goal of the strategic plan, which was first announced at the Company's annual shareholders meeting in December 2005, is to position the Company so that it is best able to achieve one or more shareholder liquidity events in a reasonable period of time that would put the maximum amount of cash or marketable securities in the hands of the Company's

13

shareholders in a tax efficient manner. The plan calls for achieving this objective by pursuing a conversion to a real estate investment trust ("REIT"), disposition and redeployment of the assets of the Company in a tax efficient manner, maximization of the value for the remaining 68 acres at Flowerfield, and vigorous pursuit of maximum value from the State of New York for the 245.5 acres of Flowerfield taken by eminent domain. The Company believes that its executive compensation arrangements align executives' incentives with the creation of shareholder value.

What the Company's Compensation Program is Designed to Reward

The Company's compensation program is designed to reward its executive officers for their contributions in implementing the Company's strategic plan, consisting of the following:

- o Redevelopment of the remaining 68 acre parcel not taken in condemnation by the State University of New York ("SUNY").
- o Investing the \$26.3 million received by the Company as an advanced payment for the taking of approximately 246 acres by SUNY in REIT qualified short term liquid investments and in real estate assets consistent with the benefits of a tax efficient exchange under section 1033 of the Internal Revenue Code.

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

- o Prosecution of litigation with SUNY in the Court of Claims for just compensation for the property taken by eminent domain.
- o Monitoring the Company's limited partnership interest in Callery-Judge Grove, L.P. which owns a 3,500+ acre citrus grove in Florida which is the subject of a major development plan.

The Company's compensation program is also designed to reward its executive officers for increasing rental income and reducing costs of operation.

Role of the Compensation Committee

The Executive Compensation Committee (the "Compensation Committee") oversees and administers the Company's executive compensation programs and is therefore responsible for establishing guidelines for all compensation paid to executive officers. The Compensation Committee recognizes that a variety of events and circumstances might influence an individual's performance or that of the Company itself. As a result, the Compensation Committee carefully considers all relevant events and circumstances in making its compensation decisions in order to ensure that the appropriate relationship exists between executive compensation and corporate performance. The Compensation Committee consists entirely of non-employee directors and its members currently are Ronald J. Macklin (Chairman), Philip Palmedo and Nader G.M. Salour. No member of the Compensation Committee is or was formerly an officer or employee of the Company or any of its subsidiaries. The Compensation Committee is responsible for making recommendations to the Board with respect to compensation for executive officers and the Company's incentive compensation plan. The Committee also negotiates the terms of all employment contracts with executive officers which include compensation arrangements designed to reward management for achieving certain performance goals and which are revisited on an as needed basis.

14

Compensation Components

The Company's executive compensation program consists of three key elements: base salary, discretionary bonus and incentive compensation upon a change-in-control. The executive officers have also received stock options under the Company's incentive stock option plan which expired in October 2003. All options authorized under the plan have been granted, and all such options have either expired or been exercised as of March 20, 2007. The Company is not currently evaluating or proposing the establishment of any new stock option or long-term incentive plans.

Base Salary

The Compensation Committee determines the base salary of each named executive officer based on his position and responsibility. In setting and adjusting base salary levels for each individual executive, the Compensation Committee considers factors such as the executive's scope of responsibility, the executive's performance, the performance of the Company, future potential and the executive's total compensation, both individually and relative to each other. In making salary decisions, the Compensation Committee exercises its best judgment using no specific weights for the previously discussed factors. The Compensation Committee historically has not considered benchmarks of comparable positions at other companies because it does not believe there are companies similarly situated with the Company that would provide meaningful comparisons. The Committee typically considers base salary levels annually as part of its review of performance and from time to time upon a promotion or other change in job responsibilities. Based primarily upon the Compensation Committee's

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

recommendations, the Board approved as of January 1, 2006, base salary for the Company's two executive officers, Stephen Maroney and Peter Pitsiokos, in the amount of \$220,000 (an increase of \$10,500) and \$160,790 (an increase of \$8,290), respectively.

Discretionary Bonus

The cash bonus component of executive compensation reflects the Company's belief that a portion of overall compensation should be discretionary and linked to performance. Annual discretionary cash bonus awards are intended to reward achievement of stated corporate and personal performance goals and provide an incentive for prospective performance. Achievement of these performance goals is measured by progress made in advancing the components of the Company's strategic plan, namely conversion to a REIT, redeployment of the Company's assets in a tax efficient manner, implementation of the Company's redevelopment plans for the remaining 68 acres at Flowerfield and pursuit of maximum value from the State of New York for the 245.5 acres of Flowerfield taken by eminent domain. As of January 1, 2006, the Board approved, based primarily upon the recommendation of the Compensation Committee, cash bonuses of \$11,000 and \$8,290 for Mr. Maroney and Mr. Pitsiokos, respectively, which were paid on or prior to February 15, 2006.

15

Incentive Compensation Upon a Change-in-Control

The Company believes that providing severance in a change-in-control situation is beneficial to shareholders because it encourages management and the Board to remain impartial when evaluating a transaction that may be beneficial to shareholders yet could negatively impact the continued employment or board position of an executive or director, and to promote long term value maximization. The Company established an incentive compensation plan in 1999 for all full-time employees and members of the Board. Except in the case of death, the benefits of the incentive compensation plan are realized only upon a change-in-control of the Company. Change-in-control is defined as the accumulation by any person, entity or group of 30% or more of the combined voting power of the Company's voting stock or the occurrence of certain other specified events. In the event of a change-in-control, the Company's plan provides for a cash payment equal to the difference between the plan's "establishment date" price of \$15.39 per share and the per share price of the Common Stock on the closing date, equivalent to 110,000 shares of Common Stock, such number of shares and "establishment date" price per share subject to adjustments to reflect changes in capitalization. The payment amount would be distributed to eligible participants based upon their respective weighted percentages (ranging from 0.5% to 18.5%). Messrs. Maroney and Pitsiokos are currently entitled to 18.5% and 13.5%, respectively, of any distribution under the incentive compensation plan with the balance being distributable to other eligible employees (11.5%), members of the Board of Directors (52.5%) and the Chairman of the Board (4%). There are currently 110,000 units granted under the Incentive Plan, equal to 110,000 shares of Common Stock. A participant would also be entitled to a payment on the spread of their units in the event of death. The Compensation Committee has considered the application of Section 409A to the Incentive Program and expects to continue to evaluate the Incentive Plan to determine if any changes are required to the Plan by December 31, 2007 in order to comply with the provisions of Section 409A of the Internal Revenue Code.

Stock Option Plan

In 1993, the Company's shareholders adopted a Stock Incentive Plan (the "Stock

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

Plan") under which participants could be granted incentive stock options ("ISOs"), non-qualified stock options ("NQSOs") and stock grants. The purpose of the Stock Plan was to promote the overall financial objectives of the Company and the shareholders by motivating those persons selected to participate in the Stock Plan to achieve growth in shareholder value and retain the association of those individuals who were perceived as important in achieving the growth of the Company. The Stock Plan expired in 2003. There are no remaining shares or rights available for issuance under the Stock Plan. No options or stock grants were available for granting in 2006.

16

Severance and Change in Control Benefits

The executive officers are covered by employment agreements which specifically provide for a severance payment equivalent to three years salary and certain other benefits as outlined in the table below in the event of a change in control, termination by the Company without cause, or by the executive officer for good reason. Under the terms of each employment agreement, the executive officer's employment term is extended at the end of each day, to automatically add an additional day, so that the remaining three-year employment term is always outstanding. Nevertheless, the employment term terminates three years after delivery of written notice by either the Company or the executive officer to the other party.

The primary reasons for providing severance and change-in-control benefits for the executive officers are to retain the executives and their talents and to encourage them to remain impartial when evaluating a transaction that may be beneficial to shareholders yet could negatively impact continued employment. As a result of the enactment of Section 409A of the Internal Revenue Code, the Company may seek to modify the employment agreements so that they are in compliance.

Employment Agreements

The Company is a party to an Employment Agreement with each of Mr. Maroney and Mr. Pitsiokos. The Employment Agreements provide for an annual base salary and discretionary annual incentive cash bonuses and/or stock option awards which are no longer available. The Agreements provide for a severance benefit over a prescribed term in the event an executive is terminated, if their duties are materially changed, or in connection with a Change-In-Control. The Agreements also provide that no severance benefit is due in the event of a voluntary termination or a termination of employment for Cause. Mr. Pitsiokos would also have use of a Company car until the third anniversary following termination. The executives' employment term is extended at the end of each day, to automatically add an additional day, so that the remaining three-year employment term is always outstanding. The Employment Agreements may be terminated in the event of death or disability. An executive officer may terminate the Agreement at any time upon one years' prior written notice, or upon ten days prior notice if for Good Reason. Good Reason includes a material change in an executive's duties, relocation of the corporate headquarters outside 25 miles of its current location, and breach of any material term of the Agreement. The executive officer may also terminate employment upon 30 days written notice within three months following a Change-In-Control. Change-In-Control means the occurrence of any one of the following events: a change in the composition of the Board of Directors of the Company from its composition on the date the Agreement was executed such that more than one-third of the directors have changed; the sale or transfer of shares of the Company such that there is a change in the beneficial ownership by more than 30% of the voting shares of the Company; the sale of a substantial portion of the Company's assets; or the Board of

Edgar Filing: GYRODYNE CO OF AMERICA INC - Form PRE 14A

Directors' approval of a liquidation or dissolution of the Company. In the event of a termination without Cause, for Good Reason, or upon a Change-In-Control, a three-year severance benefit is paid in a single lump sum payment. The Employment Agreements also provide for the following additional severance benefits:

17

- o The executive, spouse and dependents receive medical, hospitalization, dental and life insurance coverage in effect on the date of termination for 3 years under Company plans. If Company plans may not be continued, the Company must arrange to provide the parties with an economic equivalent of the benefits they would otherwise have been entitled to, provided further that such benefits terminate on the date or dates an executive become "eligible" to receive equivalent coverage.
- o Any unreimbursed business expenses.
- o For one year, the Company shall provide the cost of office space and pay the salary of an administrative assistant, consistent with the office and administrative assistant provided prior to termination.
- o Any other rights, compensation and/or benefits under any other agreements, plans, etc.
- o Any accrued unpaid bonuses including a prorated amount which would be considered to have been earned if the executive had remained employed through the then current fiscal year.

Providing severance and Change in Control benefits for the executives is primarily designed to retain key management personnel. As a result of the enactment of Section 409A, the Company will look to modify the Employment Agreements so that they are in compliance with that statute.

Pension Plan

The Company maintains the Gyrodyne Company of America, Inc. Pension Plan, which is a traditional defined benefit pension plan. The Pension Plan is believed to provide a reasonable benefit for the executives and all other employees. The Plan is adequately funded and is believed to provide a reasonable retirement benefit for the executive group. The Company does not maintain any nonqualified deferred compensation programs (other than the Incentive Plan) or any qualified Profit Sharing or Section 401(k) Plans intended to qualify under Sections 401(a) and 501(a) of the Internal Revenue Code.

Perquisites and Other Compensation

During the fiscal year ended December 31, 2006, Mr. Pitsiokos received use of a company car. Both executives received company health insurance and other benefits. No significant perks are otherwise provided to the executives. The Company does not currently provide any short-term or long-term disability benefits. The Committee intends to maintain the existing executive benefits and perks. However, the Committee may, in its discretion, revise, amend or increase any executive perks as it deems appropriate.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

There were no transactions in effect since May 1, 2006 (the beginning of the Company's last fiscal year) or currently proposed in which the Company was or is to be a participant and the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest.

The Company has a policy regarding related party transactions that is set forth in the Company's Code of Business Conduct and Ethics ("Code of Ethics"). The Code of Ethics provides that when a conflict of interest arises, an officer, director or employee has a duty to place the Company's interests ahead of his or her own personal interests. The Code of Ethics states that it is essential that in those instances where a Company decision or practice may appear to have been made to advance a personal interest, that the decision be made or approved by the independent and "disinterested" officers or directors of the Company. In those instances where an employee faces a potential conflict of interest, the employee is required to report the potential conflict of interest to the compliance officer for his or her review. Any action or transaction in which the personal interests of an officer or a director of the Company may be in conflict with those of the Company must be promptly reported to the chairperson of the Audit Committee of the Board of Directors (the "Committee"). The Committee has the authority to determine in advance whether any such action or transaction constitutes a conflict of interest in violation of the Code of Ethics.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that the Company's directors, executive officers and any person holding more than ten percent of the Company's Common Stock file with the SEC reports of ownership and changes in ownership, and that such individuals furnish the Company with copies of the reports.

Based solely on our review of the copies of such forms received by us with respect to the eight month transition period ended December 31, 2006, and any written representations from reporting persons that no Forms 5 were required, the Company believes that none of the Company's executive officers, directors or ten-percent holders failed to file on a timely basis reports required by section 16(a) of the Exchange Act during the Transition period, except that Nader G.M. Salour filed a Form 3 nine days after the deadline for filing such Form.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

(Proposal 2)

The Board of Directors, upon the recommendation of the Audit Committee, which is comprised entirely of independent directors, has appointed the accounting firm of Holtz Rubenstein Reminick LLP ("Holtz Rubenstein") as independent public accountants of the Company and its subsidiaries for the current fiscal year. The appointment of Holtz Rubenstein has been ratified by the shareholders every year since 1990. The Board is requesting ratification of Holtz Rubenstein as independent public accountants. This firm has no financial interest in the Company or any connection with the Company other than as auditors and independent public accountants. The report of Holtz Rubenstein with respect to the Company's financial statements appears in the Company's annual report for the eight months ended December 31, 2006.

In the event the proposal is defeated, the adverse vote will be considered a direction to the Board to select other independent public accountants for the next fiscal year. However, because of the expense and difficulty of making any substitution of independent public accountants after the beginning of a fiscal period, it is contemplated that the appointment for Fiscal Year 2007 will be permitted to stand unless the Board finds other reasons for making the change.
