Item 1.01 Entry into a Material Definitive Agreement.

On November 5, 2016 Windstream Holdings, Inc. (“Windstream”), EarthLink Holdings Corp., a Delaware corporation (“EarthLink”), Europa Merger Sub, Inc., a Delaware corporation and an indirect, wholly-owned subsidiary of Windstream (“Merger Sub 1”), and Europa Merger Sub, LLC, a Delaware limited liability company and an indirect, wholly-owned subsidiary of Windstream (“Merger Sub 2”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) pursuant to which, among other things, (i) Merger Sub 1 will be merged with and into EarthLink (the “Merger”) with EarthLink continuing as the surviving corporation (the “Surviving Corporation”) and (ii) immediately following the Merger, the Surviving Corporation will be merged with and into Merger Sub 2 (the “Subsequent Merger” and, together with the Merger, the “Combination”), with Merger Sub 2 continuing as the surviving company and an indirect, wholly-owned subsidiary of Windstream (the “Surviving Company”), in each case subject to the terms and conditions of the Merger Agreement.

Under the terms of the Merger Agreement, stockholders of EarthLink will receive 0.818 shares (the “Exchange Ratio”) of common stock of Windstream (“Windstream Common Stock”) for each share of common stock of EarthLink upon the closing of the Merger (the “Merger Consideration”). No fractional shares of Windstream Common Stock will be issued in the Merger, and EarthLink stockholders will receive cash in lieu of any fractional shares. The transaction is valued at approximately \$1.1 billion, including the assumption or satisfaction of EarthLink debt. The Combination is intended to be treated as a single integrated transaction that qualifies as a tax-free reorganization for U.S. federal income tax purposes. Upon the closing of the Combination, Windstream stockholders will own approximately fifty-one percent (51%) and EarthLink stockholders will own approximately forty-nine percent (49%) of the combined company.

The Merger Agreement provides that, upon the closing of the Merger, each option to purchase EarthLink common stock will be cancelled and converted into the right to receive a number of shares of Windstream Common Stock equal to (i) the product of the number of shares of EarthLink common stock underlying such option and the Exchange Ratio, less (ii) a number of shares of Windstream Common Stock equal to the product of (A) the number of shares of EarthLink common stock subject to such EarthLink option with a fair market value (determined based on the closing price of EarthLink common stock on the business day immediately preceding the closing date of the Combination) equal to the sum of (x) the aggregate exercise price of such EarthLink option plus (y) any withholding on such option and (B) the Exchange Ratio. Additionally, each outstanding EarthLink restricted stock unit will be assumed by Windstream and converted into a restricted stock unit with respect to a number of shares of Windstream Common Stock determined by multiplying the number of shares of EarthLink common stock subject to such EarthLink restricted stock unit by the Exchange Ratio. Any resulting fractional shares of Windstream Common Stock otherwise payable to former holders of options to purchase EarthLink common stock and EarthLink restricted stock units after giving effect to the conversions summarized in this paragraph will be treated in the same manner as fractional shares of Windstream Common Stock payable as Merger Consideration.

The Merger Agreement contains representations and warranties customary for transactions of this type. Each of Windstream and EarthLink have agreed to various customary covenants and agreements, including, among others, (1) to conduct its business in the ordinary course consistent with past practice during the interim period between the execution of the Merger Agreement and the effective time of the Combination, (2) not to engage in certain kinds of transactions during this interim period, (3) to convene and hold a meeting of their respective stockholders, in the case of EarthLink to consider and vote upon the Merger, and in the case of Windstream to vote on an amendment to its certificate of incorporation to increase the number of shares of common stock authorized for issuance (the “Charter Amendment”) and to authorize the issuance of the Windstream Common Stock (the “Stock Issuance”) in the Merger, and (4) not to (A) solicit, initiate, or knowingly facilitate or encourage any alternative proposal to acquire Windstream or EarthLink, or (B) subject to certain exceptions, provide any non-public information in connection with any such proposal, or engage in any discussions or negotiations regarding or any such proposal.

The Merger Agreement has been unanimously approved by the Board of Directors of each of Windstream and EarthLink.

The closing of the Combination is subject to (i) the approval and adoption of the Merger Agreement by the stockholders of EarthLink and (ii) the approval by the stockholders of Windstream of the Charter Amendment and the Stock Issuance in the Merger. The Combination is also subject to certain other customary closing conditions, including among other things:

- the absence of any applicable law, legal restraint or order by any governmental entity that prevents, makes illegal or prohibits the completion of the Combination;
- the effectiveness of a registration statement on Form S-4 to be filed by Windstream with the U.S. Securities and Exchange Commission (the “SEC”) covering the shares of Windstream Common Stock to be issued in the Merger, and the absence of any stop order or proceedings to effect a stop order with respect thereto;
- the approval of the listing on the NASDAQ of the shares of Windstream Common Stock to be issued in the Merger;
- the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended;
- receipt of the authorizations required to be obtained from the Federal Communications Commission and from certain state public service or public utility commissions; and
- the receipt of tax opinions confirming that the Combination will be treated as a tax-free reorganization within the meaning of Section 368(a) of the Internal Revenue Code.

For each of Windstream and EarthLink, the obligation to complete the Combination is also subject to the accuracy of the representations and warranties of, and compliance with covenants by, the other party, in accordance with the materiality standards set forth in the Merger Agreement, and the absence of any circumstance that has had, or would reasonably be expected to have, individually or in the aggregate, a material adverse effect on the other party. There is no financing condition with respect to Windstream’s obligation to consummate the Combination.

Subject to the satisfaction of the closing conditions, the parties anticipate completing the transaction in the first half of 2017.

The Merger Agreement also contains certain termination provisions for each of Windstream and EarthLink and provides that, in connection with the termination of the Merger Agreement under specified circumstances, a party may be required to pay to the other party a termination fee of \$35,000,000. Additionally, if Windstream fails to close the Combination when required to do so under the Merger Agreement or breaches its covenant to keep sufficient funds available to consummate the transactions contemplated by the Merger Agreement, Windstream would be required to pay a termination fee of \$70,000,000 to EarthLink upon termination of the Merger Agreement by EarthLink; provided that EarthLink may elect in its notice of termination to waive its right to receive the \$70,000,000 fee in order to bring a claim for damages under the Merger Agreement. Either Windstream or EarthLink may terminate the Merger Agreement if the Combination is not consummated on or before November 5, 2017, subject to extension in certain circumstances set forth therein.

In the event that Windstream or EarthLink terminates the Merger Agreement because stockholder approval is not obtained at either party’s stockholder meeting, the party whose stockholder approval has not been obtained must pay the other party its fees and expenses incurred in connection with the Merger Agreement up to \$10 million.

The parties have agreed that each of Windstream and EarthLink will continue to pay their respective quarterly dividends in accordance with past practice until the closing of the Combination; provided, that Windstream and EarthLink will coordinate to designate the business day immediately prior to closing of the Combination as the record and payment dates for a pro-rata portion of their respective quarterly dividends declared in the calendar quarter in which closing is to occur. After the closing of the Combination, all Windstream stockholders (including former EarthLink stockholders and former holders of options to purchase EarthLink common stock who receive Windstream Common Stock pursuant to the Merger) will be entitled to receive Windstream’s regular quarterly dividend, pro-rated for the number of days from the closing through such subsequent record date.

Windstream has agreed to increase the size of its board of directors and to appoint to the board, at the effective time of the Merger, three members of EarthLink's board of directors, to be selected by EarthLink and reasonably acceptable to Windstream based on Windstream's normal corporate governance process for evaluating candidates for its board of directors. Such EarthLink directors will serve until the next annual meeting of Windstream stockholders, and Windstream has agreed to nominate such EarthLink directors, and to solicit proxies in favor of their election, to the Windstream board of directors at the first annual meeting immediately following the closing of the Combination.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 2.1, and is incorporated by reference herein. The Merger Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about Windstream or its subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, are solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the parties that differ from those applicable to investors. Investors should not rely on the representations, warranties, or covenants or any description thereof as characterizations of the actual state of facts or condition of Windstream or any of its subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Windstream.

The information included in Item 3.03 below and the Amendment No. 1 to 382 Rights Agreement, filed as Exhibit 4.1 to this Current Report on Form 8-K, is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders.

Concurrently with the execution of the Merger Agreement, Windstream effected an amendment, dated November 5, 2016 (the "Amendment"), to its 382 Rights Agreement, dated September 17, 2015 (the "Rights Agreement"), by and between Windstream and Computershare Trust Company, N.A. (as Rights Agent thereunder), pursuant to which the Rights Agreement was amended to provide that, among other things, (i) neither EarthLink nor its controlled affiliates will be deemed an "Acquiring Person" thereunder, (ii) no holder of EarthLink common stock, stock options or restricted stock units will be deemed a "Beneficial Owner" thereunder prior to the consummation of the Combination, and (iii) neither a "Distribution Date" nor a "Stock Acquisition Date" thereunder will be deemed to have occurred in connection with the Combination, in each case, solely as a result of the execution, delivery or performance of the Merger Agreement or the consummation of the Combination and the other transactions contemplated thereby. The Amendment also provides that any person who becomes a holder of 4.9% or more of Windstream Common Stock solely as a result of the Combination will be deemed an existing holder (not triggering the rights under the Rights Agreement), unless and until such person acquires any additional shares of Windstream Common Stock. The Amendment will terminate automatically and will have no force or effect upon a termination of the Merger Agreement.

A copy of the Amendment is attached as Exhibit 4.1 to this Current Report on Form 8-K and is incorporated herein by reference. The foregoing summary of the Amendment does not purport to be complete and is subject to and qualified in its entirety by reference to the Amendment.
