Yes No

Clarification on the acquisition of Shell's assets in Chile

(Rio de Janeiro, August 25, 2004). PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA], a Brazilian international energy company wishes to reiterate to the market that the strategy for its international business contained in the Strategic Plan 2015 is to seek the leadership as an integrated energy company in Latin America, to expand Petrobras' focus areas through businesses which contribute to the growth and diversification of the portfolio, and internationalize and enhance the value of the Petrobras brand.

Today, Petrobras operates in all countries of South America with the exception of Chile, Paraguay and Uruguay.

Representatives of Petrobras are today visiting Chile to meet various players in the energy sector in that country and to obtain additional information on the local market in line with the Company's declared strategic objectives as part of its normal business activities.

Any commitment undertaken leading to the acquisition of any asset in Chile will be announced to the market and the shareholders at the appropriate time in accordance with the Company's disclosure practices.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
