Notice to Stockholders

The Management Bodies of Banco Bradesco S.A., in meetings held on September 18th, 2006, decided:

1. to amortize, in the current quarter, the existing Goodwills, which on June 30th, 2006 totaled R\$2.055 billion, with the consequent net impact on the Company s result in the amount of R\$1.356 billion;
2. with the purpose of resetting the Bank's capitalization levels, as a result of the amortization of the Goodwills, to propose to the stockholders a Capital Stock increase in the amount of R\$1.2 billion, by means of the issuance of new stocks;
3. in order to enable the full exercise of the subscription rights in the proposed capital increase, without the need of disbursement on the account of stockholders, to anticipate the declaration and payment of Complementary Interest on Own Capital and Dividends, in the amount of R\$1.391 billion.

I. Amortization of the Existing Goodwills

The anticipation of the amortization of the total Goodwills, which would be made in accordance with the flow below, will not affect the distribution of Dividends and/or Interest on Own Capital for the year of 2006. In addition, it will bring positive impact in future results, once the referred expense will not be recorded in the mentioned results, and accordingly in the capital compensation of the stockholders, in the net amount of approximately R\$400 million.

Previously Disclosed Flow of Amortization of Goodwills

Reference Date: 6.30.2006 R\$ million
