Publicly Held Company

MATERIAL FACT

Braskem S.A. (Braskem), in accordance with Article 157, Paragraph 4 of Federal Law 6,404/76 (Brazilian Corporation Law) and CVM Rules 319/99 and 358/02, announces to shareholders and the general market that its Board of Directors approved on November 29, 2010, the convening of an Extraordinary Shareholders Meeting to be held on a date and time to be defined and announced through a Call Notice in accordance with the law, to resolve on the merger of Companhia Alagoas Industrial - Cinal (Cinal) by Braskem (Merger).

The Merger is part of the ownership reorganization strategies of Cinal and Braskem and seeks to simplify the current corporate structures of both companies, enabling the capture of synergies and reductions in financial, administrative and operational costs. The Merger also seeks the consolidation of the operations of Cinal by Braskem, which will be the general successor of all assets, rights and obligations of Cinal, in accordance with Article 227 of Brazilian Corporation Law.

Cinal is a closely held corporation and Braskem currently owns 100% of its capital, which means that the Merger will not result in an increase in the capital of Braskem or the issue of shares by Braskem to substitute the shares in Cinal. All ninety-three million, two hundred sixty-three thousand, nine hundred twenty-four (93,263,924) common shares issued by Cinal and held by Braskem will be cancelled, in accordance with Article 226, Paragraph 1 of Brazilian Corporation Law. Considering also that Braskem is the sole shareholder of Cinal and that the approval of the Merger will require a vote by Braskem in favor, there will be no exercise of withdrawal rights resulting from the Merger.

In accordance with Articles 8 and 227 of Brazilian Corporation Law, the specialized firm PricewaterhouseCoopers Auditores Independentes, headquartered in the city and state of São Paulo at Av. Francisco Matarazzo, 1400, inscribed in the roll of corporate taxpayers (CNPJ/MF) under number 61.562.112/0002-01, originally registered at the Regional

Edgar Filing: BRASKEM SA - Form 6-K

Accounting Board of the State of São Paulo under number 2SP000160/O-5 and secondarily registered at the Regional Accounting Board of the State of Bahia under number CRC 2SP000160/O-5 F BA (pwc), was contracted, whose appointment must be ratified by the shareholder meetings of Braskem and Cinal, to carry out the valuation of the net book value of Cinal based on the audited Financial Statements dated September 30, 2010 (Base Date) for the purposes of the Merger (Valuation Report).

According to the valuation, the net book value of Cinal to be merged by Braskem is twenty-seven million, eight hundred thirty-three thousand, eight hundred sixty reais and forty-four centavos (R\$27,833,860.44). Braskem will absorb any changes in the net book value of Cinal that occur between the Base Date and the date of the Merger.

To the best knowledge of the management teams of Braskem and Cinal, there are no relevant liabilities or contingencies that have not already been duly recorded.

Regarding pwc, to the best knowledge of the management teams of Braskem and Cinal, there are no conflicts or community of interests, either present or potential, involving the controlling shareholders of the companies involved in the Merger or involving the minority shareholders.

The costs of the Merger will be eighty thousand reais (R\$80,000.00) and include expenses with publications and with the fees charged by the auditors, appraisers, consultants and lawyers.

Since Cinal does not have minority shareholders and considering the various precedents of the CVM regarding this situation, the management teams of both companies believe that Article 264 of Brazilian Corporation Law is not applicable to the Merger and that any request by CVM to prepare the valuation reports of the net book value at market price of Braskem and Cinal is unwarranted.

The Merger will be communicated to the BM&FBOVESPA, the Securities and Exchange Commission of Brazil (CVM), the U.S. Securities and Exchange Commission (SEC), the New York Stock Exchange (NYSE) and the Market for Latin-American Stocks in Euros (Latibex).

All documents referred to in this Material Fact related to the Merger, including the respective Protocol and Justification of Merger and the valuation report prepared by pwc, will be available to the shareholders of Braskem as of the publication date of the call notice for the Extraordinary Shareholders Meeting of Braskem and may be consulted at the head offices and on the website of Braskem (www.braskem.com.br/ir), as well as at the head offices and on the websites of the CVM (www.cvm.gov.br) and the BM&FBOVESPA (www.bmfbovespa.com.br).
