Item 2.05 Costs Associated with Exit or Disposal Activities.

On October 4, 2006, we issued a press release announcing our exit from the Telecom Decisioning Services (TDS) business. Our board of directors committed to this decision on October 4, 2006, and the process is expected to be completed by the end of the second quarter of 2007. The decision was based upon the outcome of negotiations with Sprint Nextel, which advised us that it would not be a significant customer after October 2006. The Sprint Nextel business is expected to rapidly wind down prior to the expiration of the Sprint contract on December 31, 2006.

Based on preliminary information and assessments, we currently expect that we will incur pre-tax restructuring and asset impairment charges in the range of \$6.5 million to \$13.0 million from the third quarter 2006 through the second quarter of 2007 with respect to our exit from the TDS business. These charges are expected to consist of:

- approximately \$2.0 to \$4.0 million of severance charges with respect to terminated employees;
- approximately \$1.0 to \$2.5 million of facilities exit charges, comprised of the net present value of the lease payment obligations for the remaining term of our leases in Burlington, Lynn, and Waltham, Massachusetts, net of any estimated sublease income;
- approximately \$3.0 to \$5.0 million of charges related to tenant improvements and other abandoned assets; and
- approximately \$500,000 to \$1.5 million of other charges related to the closing of the TDS business.

The severance, facilities exit and other charges related to the closing are estimated to result in future cash expenditures by us of approximately \$3.5 to \$8.0 million. The impairment charges related to tenant improvements and other abandoned assets are not expected to result in future cash expenditures by us.

A copy of the press release entitled "Lightbridge Announces Exit From Telecom Decisioning Services Business" is included as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 2.06 Material Impairments.

See the discussion in Item 2.05 above regarding information with respect to the impairment of tenant improvements and other abandoned assets at our Burlington, Lynn, and Waltham, Massachusetts facilities, estimated to be incurred in connection with our exit from the TDS business. That discussion is incorporated by this reference.
