Item 1.01 Entry into a Material Definitive Agreement.

On June 24, 2008, Core Molding Technologies, Inc. (the "Company") and Core Composites Corporation, its wholly-owned subsidiary (together, with the Company, collectively referred to herein as the "Seller"), entered into a new supply agreement (the "Supply Agreement") with Navistar, Inc. ("Navistar"), formerly know as International Truck and Engine Corporation, which supersedes the existing supply agreement in effect between the seller and Navistar that was entered into on October 31, 2006. Under the terms of the Supply Agreement, Navistar will continue to purchase from the Seller one-hundred percent of its original equipment and service requirements that presently exist for specified fiberglass reinforced products and sheet molded compound. Unless extended by the parties, the Supply Agreement will expire on October 31, 2013. A copy of the press release issued by the Company announcing the entry into the Supply Agreement is attached as Exhibit 99(a) to this report.

Navistar is the Company's largest customer and accounted for approximately 44% of Company's 2007 total revenue, and is also a significant stockholder, owning approximately 9.8% of the Company's outstanding common stock.

The Company intends to seek confidential treatment of certain terms contained in the Supply Agreement, which will be filed as an exhibit to the Company's quarterly report on Form 10-Q for the six months ended June 30, 2008.

Item 9.01 Financial Statements and Exhibits.

Exhibit 99(a)

Press release
