On April 3, 2019, Marina Bay Sands Pte. Ltd. ("MBS"), an indirect wholly owned subsidiary of Las Vegas Sands Corp. (the "Company"), and the Singapore Tourism Board (the "STB") entered into a Development Agreement (the "Development Agreement") pursuant to which MBS will construct a development, which includes a comprehensive range of integrated amenities for tourism, recreation, entertainment and lifestyle uses, including a hotel tower with a rooftop attraction, Meetings, Incentives, Convention and Exhibition ("MICE") facilities comprising meeting rooms, function rooms and exhibition halls, and a state-of-the-art live entertainment arena with a seating capacity of at least 15,000 persons, as well as associated public areas and public connections (the "MBS Expansion Project"). The Development Agreement provides for a total project cost of the MBS Expansion Project of approximately SGD 4.5 billion (approximately \$3.3 billion at exchange rates in effect on April 2, 2019), which investment must be completed within eight years from the Effective Date (as defined below). In connection with entering into the Development Agreement, MBS will enter into a lease with the STB for the parcels of land underlying the proposed MBS Expansion Project site (the "Land"), for the period commencing from the Effective Date and ending on August 21, 2066.

The Development Agreement contains provisions relating to the construction of the MBS Expansion Project and associated deadlines for completion, insurance and limitations on MBS' ability to assign the lease or sub-let any portion of the Land. In addition, the Development Agreement contains events of default, including, among other things, the failure of MBS to perform its obligations under the Development Agreement. The Development Agreement also contains, among other things, restrictions limiting the use of the Land to the development and operation of the MBS Expansion Project and requirements that MBS obtain the prior approval of the STB in order to subdivide the Land or any building thereon, which approval, if given, will be subject to such terms and conditions as may be determined by the STB.

The Development Agreement makes provision for the following benefits and entitlements conferred on MBS on specified terms and conditions: MBS will be entitled to make available for gaming an additional 1,000 gaming machines over and above its existing 2,500 gaming machines; MBS is granted approval for the change of use of the area comprising the whole of the 55th floor of MBS' hotel tower 1, or such other areas as may be agreed within hotel tower 1, to be developed and used as part of MBS' casino; and MBS is granted an option to purchase an additional 2,000 square meters of casino gaming area at a price to be determined by the relevant Singapore government authority upon written request by MBS to exercise the option. In addition, the Development Agreement contemplates that for a period of not less than 10 years commencing no sooner than March 1, 2022, the rate of casino tax applicable to MBS will not exceed specified tiered rates; there shall not be more than two casino licenses in force under the Casino Control Act at any time prior to January 1, 2031; and for a period of five years from the date of the Development Agreement, the entry levy payable by a Singapore citizen or permanent resident for entry into the casino will not exceed SGD 150 for a 24-hour period and SGD 3,000 for a 12-month period. The Development Agreement also provides for MBS to be entitled to compensation by STB for any losses or damages suffered under certain conditions and events related to the above-described benefits and entitlements. The Development Agreement further provides MBS must maintain compliance with the material terms of the Development Agreement to obtain the above-described benefits and entitlements.

On or before the April 10, 2019, MBS is required to make payments to various governmental agencies in Singapore for premiums, deposits, stamp duty, goods and services tax and other fees in an aggregate amount of approximately SGD 1.5 billion (approximately \$1.1 billion at exchange rates in effect on April 2, 2019) (the "Effective Date").
