### *Potential Property Investments*

Our advisor has identified the following properties as potential suitable investments for us. The acquisition of each such property is subject to a number of conditions. A significant condition to acquiring any one of these potential acquisitions is our ability to raise sufficient proceeds in this offering to pay all or a portion of the purchase price. An additional condition to acquiring these properties may be our securing debt financing to pay the balance of the purchase price. Such financing may not be available on acceptable terms or at all.

## Edgar Filing: Cole Credit Property Trust II Inc - Form 424B3

Our evaluation of a property as a potential acquisition, including the appropriate purchase price, will include our consideration of a property condition report; unit-level store performance; property location, visibility and access; age of the property, physical condition and curb appeal; neighboring property uses; local market conditions, including vacancy rates; area demographics, including trade area population and average household income; neighborhood growth patterns and economic conditions; and the presence of demand generators.

We will decide whether to acquire each property generally based upon:

- satisfaction of the conditions to the acquisition contained in the respective contract;
- no material adverse change occurring relating to the properties, the tenant or in the local economic conditions;
- our receipt of sufficient net proceeds from the offering of our common stock to the public and financing proceeds to make this acquisition; and
- our receipt of satisfactory due diligence information including the appraisal, environmental reports and tenant and lease information.

Other properties may be identified in the future that we may acquire before or instead of these properties. Due to the considerable conditions to the consummation of the acquisition of these properties, we cannot make any assurances that the closing of these acquisitions is probable.

<b>Property</b>	<b>Expected Acquisition Date</b>	<b>Seller (1)</b>	<b>Approximate Purchase Price (2)</b>	<b>Approximate Compensation to Sponsor (3)</b>

Starbucks — Ponca City, OK	March, 2008	Onyx Ponca SB, LLC	1,061,753	31,853

(1) Seller is an unaffiliated third party.

(2) Approximate purchase price does not include acquisition costs which we expect to be approximately 3.0% of the contract purchase price.

(3) Amounts include acquisition fees payable to an affiliate of our advisor for acquisition fees in connection with the property acquisition.

Each potential property acquisition is subject to a net lease, pursuant to which the tenant is required to pay substantially all operating expenses and capital expenditures in addition to base rent.
