## **STAR BULK TAKES DELIVERY OF THREE VESSELS AND EXPANDS ITS OPERATIONAL FLEET TO SIX VESSELS**

**New York, New York, January 03, 2008** - Star Bulk Carriers Corp. (NASDAQ:SBLK), announced today that it has taken delivery of the following three vessels:

The *M/V Star Beta* (ex *B Duckling*), a Capesize vessel of 174,691 dwt built in 1993. *Star Beta* has been committed to a two-year Time Charter at a gross daily rate of USD 106,500.

The *Star Zeta* (ex *I Duckling*), a Supramax vessel of 52,994 dwt built in 2003. *Star Zeta* is currently under a pre-existing time charter employment contract at a gross daily rate of USD 30,500 until the end of March 2008; thereafter, the vessel will enter into a five-year Time Charter until March 2013 at a gross daily rate of USD 39,500.

The *M/V Star Delta* (ex *F Duckling*), a Supramax vessel of 52,434 dwt built in 2000. *Star Delta* is currently under a pre-existing time charter employment at a gross daily rate of USD 25,800 until early May 2009.

Star Bulk has agreed to acquire a total of nine dry bulk vessels including two Capesize, one Panamax and six Supramax vessels. As of today, the company has taken delivery of one Capesize and five Supramax vessels, thereby expanding its operational fleet to six vessels. The remaining three vessels are scheduled for delivery within January 2008, as per the table below.

**Akis Tsirigakis, President and CEO of Star Maritime commented:** We are pleased to commence the New Year with the delivery of three additional vessels implementing an accelerated delivery schedule. Our operational fleet has now reached a total of six vessels within just over a month since our Redomiciliation Merger.

## About Star Bulk

Star Bulk is a global shipping company providing worldwide seaborne transportation solutions in the dry bulk sector. Star Bulk's vessels transport major bulks, which include iron ore, coal and grain and minor bulks such as bauxite, phosphate and steel products. Star Bulk was incorporated in the Marshall Islands on December 13, 2006 and is headquartered in Athens, Greece. Its common stock and warrants trade on the NASDAQ Global Market under the symbols "SBLK" and "SBLKW" respectively. Star Bulk has definitive agreements to acquire a fleet of nine dry bulk carriers, six of which have been delivered, from subsidiaries of TMT Co, Ltd. The nine dry bulk carriers consist of two Capesize, one Panamax and six Supramax dry bulk vessels with an average age of approximately 9.5 years and a combined cargo carrying capacity of 743,759 deadweight tons.

## Forward-Looking Statements

The information in this press release may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, statements regarding: (1) the delivery and operation of assets of Star Bulk; (2) Star Bulk's future operating or financial results; (3) future, pending or recent acquisitions, business strategy, areas of possible expansion, and expected capital spending or operating expenses; (4) drybulk market trends, including charter rates and factors affecting vessel supply and demand; and (5) other statements identified by words such as "anticipate," "believe," "plan," "estimate," "expect," "intend," "will," "should," "may," or words of similar meaning.

Such forward looking statements are based upon various assumptions, many of which are based, in turn, upon further assumptions, including without limitation, Star Bulk's examination of historical operating trends, data contained in their records and other data available from third parties. Although Star Bulk believes that these assumptions were reasonable when made, because these assumptions are inherently subject to significant uncertainties and contingencies which are difficult or impossible to predict and are beyond their control, Star Bulk cannot assure you that Star Bulk will achieve or accomplish these expectations, beliefs or projections. Important factors that could cause actual results to differ materially from those discussed in the forward-looking statements include the failure of a seller to deliver one or more vessels, the strength of world economies and currencies, general market conditions, including changes in charterhire rates and vessel values, changes in demand that may affect attitudes of time charterers to scheduled and unscheduled drydocking, changes in Star Bulk's operating expenses, including bunker prices, dry-docking and insurance costs, or actions taken by regulatory authorities, potential liability from pending or future litigation, domestic and international political conditions, potential disruption of shipping routes due to accidents and political events or acts by terrorists. Additional factors that could cause Star Bulk's results to differ materially from those described in the forward-looking statements can be found in Star Bulk's Registration Statement on Form F-1/F-4 and reports on Form 6-K filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's
