On 28 April 2011, the Board considered and approved the proposal regarding non-public issuance of debt financing instruments by the Company. At the request of Huaneng Group, the Board therefore included such ad hoc proposal in the agenda of the 2010 Annual General Meeting as a newly-included proposed resolution numbered 12 for shareholders' approval by way of special resolution. Save for such newly-included proposed resolution numbered 12, all other matters and details as contained in the AGM Notice issued by the Company on 30 March 2011 remain unchanged.

The Revised Proxy Form will as soon as practicable be issued and despatched to the Company's shareholders together with a copy of this announcement. Proxies in the from previously distributed by the Company together with the AGM Notice (dated 30 March 2011) that have been duly completed and timely submitted by the shareholders of the Company will still be considered valid proxies for the 2010 Annual General Meeting unless the Company receives a duly completed proxy on the Revised Form of Proxy. However, shareholders using the original proxy form will not be able to vote in respect of Resolution No. 12.

The notice (the “AGM Notice”) convening the 2010 annual general meeting (the “AGM” or “2010 Annual General Meeting”) of Huaneng Power International, Inc. (the “Company”) to be held at 9:00 a.m. on 17 May 2011 was issued by the Company on 30 March 2011. Unless otherwise specified, terms defined in the AGM Notice shall have the same meanings when used herein.

In accordance with the applicable laws and regulations, including the Company Law of the People’s Republic of China (“PRC”) and PRC’s Regulations for Convening of General Meetings of Listed Companies, shareholders(s) of a listed company who hold(s), individually or in aggregate, 3% or more of the shares of a listed company are entitled to put forward ad hoc proposal at general meetings. China Huaneng Group (“Huaneng Group”), a shareholder of the Company holding more than 3% of the issued shares of the Company, has asked the Board of Directors of the Company (the “Board”) to table the proposal regarding non-public issuance of debt financing instruments by the Company at the 2010 Annual General Meeting to be held on 17 May 2011 after the Board considered and approved such proposal. On 28 April 2011, the Board considered and approved the proposal regarding non-public issuance of debt financing instruments by the Company. At the request of Huaneng Group, the Board therefore included such ad hoc proposal in the agenda of the 2010 Annual General Meeting as a newly-included proposed resolution numbered 12 for shareholders’ approval by way of special resolution.

Proposed resolution numbered 12 is set out below:

Proposal regarding the non-public issuance of debt financing instruments by the Company (Resolution No. 12 as special resolution)

“To consider and approve that (i) the Company may apply to the National Association of Financial Market Institutional Investors for the quota of the non-public issuance of debt financing instruments with a principal amount of not exceeding RMB10 billion within 12 months from the date of obtaining an approval at the general meeting (to be issued within such period on a rolling basis) (for avoidance of doubt, the debt financing instruments regarding the general mandate for the issue of RMB-denominated debt instruments considered at the 2010 Annual General Meeting shall exclude this non-public issuance of debt financing instruments as considered herein); (ii) an approval at the general meeting for an unconditional general mandate to be given to the Company’s Board of Directors or any two or more Directors to determine the specific terms and conditions and other relevant matters in relation to the respective tranches of the non-public issuance of debt financing instruments in accordance with the need of the Company and the market

conditions, including but not limited to the final principal amount of the non-public issuance of debt financing instruments to be issued and the terms thereof within the prescribed scope as set out in (i) above, the execution of all necessary legal documents, and the conduct of appropriate information disclosures.”

Save for the inclusion of the proposed Special Resolution numbered 12 as set out above, no other changes will be made to the resolutions proposed for approval at the AGM. All resolutions originally set out in the AGM Notice and other details included therein remain unchanged.

In light of the newly-included special resolution set out above (the “New Resolution”) to be proposed at the AGM, a revised proxy form for use at the AGM (the “Revised Proxy Form”) will as soon as practicable be issued and despatched by the Company to its shareholders together with a copy of this announcement. Any of the company’s shareholders entitled, but not otherwise able, to attend and vote in respect of the New Resolution at the AGM are strongly urged to complete and return the Revised Proxy Form in accordance with the instructions printed thereon as soon as possible and in any event not later than 24 hours before the time appointed for the holding of the AGM (or any adjournment thereof). Completion and return of the Revised Proxy Form will not preclude shareholders from attending and voting in respect of the New Resolution at the AGM (or any adjournment thereof).

The proxy form issued by the Company and despatched to its shareholders with AGM Notice dated 30 March 2011, if completed and received by the Company in accordance with the instructions printed thereon, is, and will continue to be, valid in respect of all other resolutions proposed for approval at the AGM.
