PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS ON AUGUST 21, 2009

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders and proxy card are furnished to stockholders of Akeena Solar, Inc., a Delaware corporation ("Akeena" or the "Company"), in connection with the solicitation by order of the Board of Directors of the Company of proxies for use at the annual meeting of stockholders (the "Annual Meeting") to be held on Friday, August 21, 2009 at the Company's corporate offices located at 16005 Los Gatos Blvd., Los Gatos, CA 95032 at 9:30 a.m. local time, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. These proxy materials and the accompanying Annual Report on Form 10-K for the year ended December 31, 2008, are being provided on or about July 9, 2009 to stockholders of the Company entitled to vote at the Annual Meeting.

Akeena has been in business since February 23, 2001. The Company's corporate headquarters are located at 16005 Los Gatos Boulevard, Los Gatos, California 95032. In addition, the Company maintains installation offices at its Los Gatos facility and at Fresno (Clovis), Lake Forest, Santa Rosa, and San Diego, California offices and sales only offices at its Palm Springs and Thousand Oaks (Westlake Village), California offices. The Company's telephone number is (408) 402-9400.

As indicated in the Notice of Annual Meeting of Stockholders, the Company's Annual Meeting has been called to (i) elect three (3) directors to the Board of Directors for the ensuing year, (ii) ratify the Board's appointment of Burr, Pilger and Mayer LLP as the Company's independent auditors for the fiscal year ending December 31, 2009, (iii) approve any adjournments of the meeting to another time or place, if necessary in the judgment of the proxy holders, for the purpose of soliciting additional proxies in favor of any of the foregoing proposals, and (iv) consider and act upon such other business as may properly come before the Annual Meeting or any adjournment thereof.

SOLICITATION AND VOTING

Voting Rights and Outstanding Shares

Only stockholders of record at the close of business on June 30, 2009 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. The voting securities of the Company issued and outstanding on the Record Date consisted of 33,864,916 shares (the "Shares") of common stock, par value \$0.001 per share (the "Common Stock"), entitling the holders thereof to one vote per Share. There was no other class of voting securities of the Company outstanding on such date. The presence at the Annual Meeting in person or by proxy of holders of a majority of the Shares entitled to vote is required for a quorum.

The election of directors will be determined based upon the affirmative vote of a plurality of the Shares present at the Annual Meeting. Approval for each of the other proposals being submitted to the stockholders requires the affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of Shares entitled to vote on such proposals. Shares which are voted to abstain on any proposal are counted as votes cast, and therefore have the same effect as a vote against the proposal.

Edgar Filing: Akeena Solar, Inc. - Form DEF 14A

Votes for and against, abstentions and broker “non-votes” are included for purposes of determining whether a quorum of Shares is present at the Annual Meeting. A broker “non-vote” occurs when a broker or nominee holding Shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Broker “non-votes” are not included in the tabulation of the voting results on the election of directors or on proposals requiring approval of a majority of the votes cast and, therefore, do not have the effect of votes in opposition in such tabulations.

Votes cast by proxy or in person at the Annual Meeting will be tabulated by persons appointed by our Board of Directors to act as Inspectors of Election for the Annual Meeting, as provided by the Company's By-laws. The Inspectors of Election will count the total number of votes cast for approval of each proposal for purposes of determining whether sufficient affirmative votes have been cast.

Solicitation of Proxies

All expenses in connection with the solicitation of proxies will be borne by the Company. The Company expects that the solicitation will be made primarily by mail, but regular employees or representatives of the Company may also solicit proxies by telephone, facsimile, e-mail or in person, without additional compensation. The Company will, upon request, reimburse brokerage houses and persons holding Shares in the names of their nominees for their reasonable expenses in sending proxy material to their principals.

Voting Instructions

All Shares represented by properly executed proxies received before or at the Annual Meeting will, unless the proxies are revoked, be voted in accordance with the instructions indicated on those proxies. If no instructions are indicated on the proxy, the Shares will be voted as the Board recommends on each proposal. All proxies delivered pursuant to this solicitation may be revoked by the person executing the same at any time prior to the time they are voted. A proxy may be revoked by notice in writing received at the office of the Company, Attention: General Counsel, by execution of a subsequent proxy or by attendance and voting in person at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke the proxy.

Stockholders whose shares are registered in their own names may vote (1) by returning a proxy card (if requested), (2) via the Internet or (3) by telephone. Specific instructions to be followed by any registered stockholder interested in voting via the Internet or by telephone are set forth in these materials. The Internet and telephone voting procedures are designed to authenticate the stockholder's identity and to allow the stockholders to vote his or her shares and confirm that his or her voting instructions have been properly recorded. If you do not wish to vote via the Internet or telephone, please request a proxy card and then complete, sign and return the proxy card in the self-addressed, postage paid envelope provided.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Directors are to be elected at the annual meeting to hold office until the next annual meeting and until their respective successors are elected and qualified. The By-Laws of the Company (the "By-Laws") provide that the Company shall have not less than one nor more than fifteen directors, with the exact number to be fixed by the Board of Directors from time to time. From July of 2007 to October of 2008, the Board of Directors of the Company was comprised of four members. One director resigned from the Board in October of 2008, and therefore the Board presently consists of three members. The three nominees for election at the Annual Meeting are currently directors of the Company, and upon election will serve, subject to the provisions of the By-Laws, until the next annual meeting of stockholders and until such director's successor is elected and qualified or until such director's prior death, resignation or removal. Management has no reason to believe that any of the nominees will be unable or unwilling to serve as a director, if elected. Should any nominee not be a candidate at the time of the Annual Meeting (a situation which is not now anticipated), proxies may be voted in favor of the remaining nominees and may also be voted for a substitute nominee selected by the Board of Directors. To date, a new director to fill the vacant seat has not been nominated, however, the Company expects that the Board will propose for election or appointment an additional nominee at the time of the Annual Meeting in order to return the size of the Board to four members.

The names of the nominees for director are Barry Cinnamon, Ed Roffman, and Jon Witkin. See “Directors and Executive Officers” for information regarding each of the nominees for director.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE “FOR” THE ABOVE-NAMED NOMINEES FOR ELECTION AS DIRECTORS OF THE COMPANY. The proxy provided herewith will be voted FOR the above-named nominees for election as directors of the Company unless the stockholder specifically withholds votes for any or all of the nominees. Pursuant to the By-Laws, directors are elected by a plurality of the votes cast at the Annual Meeting, if a quorum is present. If a quorum is present, each of the three nominees receiving the highest number of votes cast “for” any nominee will be elected. Proxies cannot be voted for more than three nominees. Abstentions, “broker non-votes” and withheld votes will have no effect on the outcome of the vote. The Company’s Certificate of Incorporation does not provide for cumulative voting in the election of directors.

CORPORATE GOVERNANCE

Director Independence and Other Matters

The Board of Directors has determined that, other than Barry Cinnamon, the CEO of the Company, each of the members of the Board is an "independent director" as such term is defined in Marketplace Rule 5605(a)(2) of the listing standards of the NASDAQ Stock Market.

Each member of the Nominating, Compensation and Audit committees of our Board of Directors meets the independence requirements applicable to those committees prescribed by the listing standards of the NASDAQ Stock Market and, for purposes of the Audit Committee, Section 10A of The Securities Exchange Act of 1934, as amended (the "Exchange Act").

In the course of the Board of Director's determination regarding the independence of each non-management director, it considered any transactions, relationships and arrangements as required by the applicable NASDAQ Marketplace Rules and the rules and regulations of the SEC.

Certain Relationships and Related Transactions

There were no relationships or related party transactions in the fiscal year ended December 31, 2008 ("Fiscal 2008") requiring disclosure in this Proxy Statement.

Procedures for Approval of Related Person Transactions

Any request for us to enter into a transaction with an executive officer, director or employee, or any of such persons' immediate family members or affiliates, must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting the proposed agreement, our Audit Committee will review each such transaction for potential conflicts of interest or improprieties.

Executive Sessions

Our non-management directors meet in executive session without management present periodically after regularly scheduled Board and Committee meetings throughout the year.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors held two meetings and acted by unanimous written consent two times during the fiscal year ended December 31, 2008. From July of 2007 to October of 2008, the Board was comprised of Ed Roffman, Barry Cinnamon, George Lauro and Jon Witkin. Mr. Lauro resigned from the Board, and each of the committees on which he served, effective October 1, 2008, decreasing the size of the Board from four to three persons. During Fiscal 2008, each of our directors attended at least 75% of the total number of meetings of the Board of Directors and all of the committees of the Board of Directors held during the period on which such director served. The Company encourages but does not require members of the Board of Directors to attend the annual meetings of the stockholders.

The Company has standing Nominating and Corporate Governance, Audit and Compensation Committees of the Board of Directors.

The Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee (the "Nominating Committee") is comprised of Messrs. Witkin and Roffman. Mr. Lauro served as a member of the Nominating Committee until his resignation in October 2008. The Nominating Committee of the Board of Directors performs the functions typical of a nominating committee, including: (i) developing and recommending corporate governance principles and procedures applicable to the Board of Directors and the Company's employees; (ii) recommending committee composition and assignments; (iii) identifying individuals qualified to become directors; (iv) recommending director nominees; (v) recommending whether incumbent directors should be nominated for re-election to the Board of Directors and (vi) reviewing the adequacy of the Nominating Committee charter. The Nominating Committee has established a charter, a current copy of which is available on the investor relations section of our website at <http://ir.akeena.com/Governance.cfm>. The Nominating Committee held one meeting in the fiscal year ended December 31, 2008.

The Audit Committee. The Audit Committee is comprised of Messrs. Roffman and Witkin. Mr. Lauro served as a member of the Audit Committee until his resignation in October 2008. Our Board has designated Mr. Roffman our audit committee financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K. The Audit Committee of the Board of Directors has the authority and responsibility to select, evaluate and, when appropriate, replace the company's independent registered public accounting firm. The Audit Committee monitors the activities of the Company's external auditors, including the audit scope, the external audit fees, auditor independence matters and the extent to which the independent auditors may be retained to perform advisory services. The Audit Committee also reviews the results of the external audit work to assess the adequacy and appropriateness of the Company's financial and accounting controls. The Audit Committee reviews changes in accounting standards that impact the Company's financial statements and discusses with management major events, including legal matters and tax audits, which may have significant financial impact or are the subject of discussions with the independent auditors. In addition, the Audit Committee oversees the Company's internal audit and compliance programs. The Audit Committee has established a charter, a current copy of which is available on the investor relations section of our website at <http://ir.akeena.com/Governance.cfm>. The Audit Committee held seven meetings in the fiscal year ended December 31, 2008.

The Compensation Committee. The Compensation Committee is comprised of Messrs. Witkin and Roffman. Mr. Lauro served as a member of the Compensation Committee until his resignation in October 2008. The Compensation Committee administers the Company's Stock Plan, including the review and grant of stock options and restricted stock to officers, directors and other employees under the Stock Plan. The Compensation Committee also reviews and approves various other Company compensation policies and matters, and reviews and approves salaries and other matters relating to compensation of the executive officers of the Company. The Compensation Committee has established a charter, a current copy of which is available on the investor relations section of our website at <http://ir.akeena.com/Governance.cfm>.

The Compensation Committee meets in person, telephonically or otherwise at least twice during each fiscal year for, among other things, the consideration and determination of executive and director compensation. The Compensation Committee may also hold special meetings or act by unanimous written consent as required. The Compensation Committee may request any officer or employee of the Company or the Company's outside counsel to attend a meeting of the Compensation Committee or to meet with any members of, or consultants to, the Compensation Committee; provided, however, that the Chief Executive Officer may not be present during any discussions or deliberations of the Compensation Committee regarding the Chief Executive Officer's compensation.

The Compensation Committee reviews and approves on an annual basis the corporate goals and objectives with respect to the compensation for the Company's Chief Executive Officer and other executive officers. The Committee evaluates at least once a year the Chief Executive Officer and other executive officers' performance in light of these established goals and objectives and based upon these evaluations shall recommend to the full Board the Chief Executive Officer and other executive officers' annual compensation, including salary, bonus, incentive and equity compensation. In reviewing and recommending the compensation of the Chief Executive Officer and other executive officers, the Committee may consider the compensation awarded to officers of similarly situated companies, the Company's performance, the individuals' performance, compensation given to the Company's officers in past years or any other fact the Committee deems appropriate. The Chief Executive Officer is not be permitted to participate in any discussions or processes concerning his compensation, but may participate in a non-voting capacity in discussions or processes concerning the compensation of other executive officers.

The Compensation Committee develops and periodically assesses the Compensation Committee's compensation policies applicable to the Company's executive officers and directors, including the relationship of corporate performance to executive compensation. The Compensation Committee reviews and recommends to the Board appropriate director compensation programs for service as directors, committee chairs and committee members. - an annual grant of 10,000 shares of restricted stock under the Company's Stock Plan, which restriction lapses as to approximately 833 shares monthly as to 2,500 shares quarterly, in either case, for one year commencing on the date of grant. Directors are entitled to vote such restricted stock, subject to forfeiture, in accordance with the terms of the grant; and

Director Nomination Process

The Nominating Committee identifies nominees who have the business background and experience, industry specific knowledge and general reputation and expertise that would allow them to contribute as members of the Company's Board of Directors and who are willing to serve as directors of a public company. The Board approved the Director Nomination Process by written resolution dated August 1, 2007. To date, the Nominating Committee has not engaged any third parties to assist the Nominating Committee in identifying or evaluating potential nominees. After a possible candidate is identified, the candidate would meet with various members of the Board of Directors to evaluate the candidate's potential to be an effective member of the Board of Directors.

In considering nominees for election as a director, the Nominating Committee considers a number of factors. Characteristics expected of all directors include integrity, high personal and professional ethics, sound business judgment and the ability and willingness to commit sufficient time to the proceedings and activities of the Company's Board of Directors. In evaluating the suitability of candidates for membership on the Board of Directors, the Nominating Committee takes into account many factors, including the candidate's general understanding of marketing, finance and other disciplines relevant to the success of a publicly traded company in today's business environment, understanding of the Company's business and technology, educational and professional background and personal accomplishments.

The Nominating Committee will consider stockholder recommendations for nominees for membership on the Board of Directors. Such recommendations may be submitted in writing to Akeena Solar, Inc., 16005 Los Gatos Blvd., Los Gatos, CA 95032, Attention: General Counsel. Any such recommendation must include:

PROPOSAL NO. 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On December 19, 2006, the Board of Directors retained Burr, Pilger and Mayer LLP ("BPM"), as the Company's independent registered public accounting firm. Prior to December 19, 2006, Marcum & Kliegman LLP acted as the

Company's independent registered public accounting firm.

Burr, Pilger and Mayer LLP has audited the Company's financial statements for each of our two most recent fiscal years. The reports of Burr, Pilger and Mayer LLP, on the Company's financial statements for the fiscal years ended December 31, 2008 and December 31, 2007 did not contain an adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

The Audit Committee selected Burr, Pilger and Mayer LLP to continue in its capacity for the fiscal year ending December 31, 2009. Accordingly, the Company is asking the stockholders to ratify the engagement of Burr, Pilger and Mayer LLP as its independent registered public accounting firm.

Although the engagement of Burr, Pilger and Mayer LLP is not required to be submitted to a vote of the stockholders, the Board of Directors believes that it is appropriate as a matter of policy to request that the stockholders ratify the selection of its independent registered public accounting firm for the fiscal year ending December 31, 2009. If the stockholders fail to ratify the appointment, the Audit Committee of the Board of Directors will consider it as a direction to select other auditors for the subsequent year. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee feels that such a change would be in the best interests of the Company and our stockholders.

A representative of Burr, Pilger and Mayer LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

Burr, Pilger and Mayer LLP has served as our independent registered public accounting firm since December 19, 2006. The following table sets forth the aggregate fees billed to us by them for the fiscal years ended December 31, 2008 and 2007:

(2) Comprised of the reviews of our quarterly financial statements throughout 2008.

(3) Comprised of the audit of our annual financial statements, reviews of our quarterly financial statements and reviews of our various registration statements throughout 2007.

The Audit Committee reviews and pre-approves all proposed audit and non-audit engagements and related fees of BPM. In addition, any audit and non-audit fees for newly proposed professional services to be provided by BPM that arise during the year, or changes to previously approved BPM work, are reviewed and approved in advance of commencement of such services by the Audit Committee at their regularly scheduled meetings throughout the fiscal year. Should a situation arise that requires approval between meetings, the Audit Committee has delegated authority to its Chairman to authorize such pre-approval and to report on same at the following regularly scheduled meeting. The Audit Committee has the authority to grant pre-approval of audit and non-audit services to one or more designated members of the Audit Committee who are independent directors. Any such delegation shall be presented to the full Audit Committee at its next scheduled meeting.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE “FOR” THE APPOINTMENT OF BURR, PILGER AND MAYER LLP AS THE COMPANY’S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009. Approval of this proposal requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. Broker non-votes will be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal. Abstentions will have the same effect as a vote against the proposal.

The Audit Committee reviewed the audited financial statements of the Company, as of and for the year ended December 31, 2008, with management and the independent registered public accounting firm. The Audit Committee recommended and approved the reappointment of the independent registered public account firm.

Respectfully submitted,

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion & Analysis (“CD&A”) outlines the Company’s executive compensation programs. It explains the decision making process used by our Compensation Committee, the reasoning behind our executive compensation programs, and the actions the Compensation Committee took related to the compensation of the following executives (our “Named Executive Officers”):

- Barry Cinnamon — President, Chief Executive Officer and Secretary
- Gary Effren — Chief Financial Officer and Treasurer
- Steve Daniel — Executive Vice President, Sales and Marketing
- James Curran — Chief Operating Officer

I. Overview of Our Compensation Programs

A. Philosophy and Objectives

The Company’s executive compensation programs are based on the following philosophies and objectives:

- Compensation Should Align with Stockholders’ Interests — The Compensation Committee believes that executives’ interests should be aligned with those of the stockholders. Executives are granted restricted stock and stock options so that their total compensation is tied directly to the same value realized by our stockholders. Executive bonuses are tied directly to the value that the Company gains from an executive’s contribution to the Company’s success as a whole.
- Compensation is Competitive — The Compensation Committee seeks to provide a total compensation package that attracts, motivates and retains the executive talent that the Company needs in order to maximize its return to stockholders. To accomplish this objective, executive compensation is reviewed annually to ensure that compensation levels are competitive and reasonable given the Company’s level of performance and other comparable companies with which the Company competes for talent.
- Compensation Motivates and Rewards the Achievement of Goals — The Company’s executive compensation programs are designed to appropriately reward both individual and collective performance that meets and exceeds annual, long-term and strategic goals of the Company. To accomplish this objective, a substantial percentage of total compensation is variable, “at risk”, both through annual incentive compensation and the granting of long-term incentive awards.

B. Compensation Administration

Role of the Compensation Committee

Pursuant to the terms of its charter, the Compensation Committee is responsible for the review and approval of all aspects of our executive compensation program and makes decisions regarding the compensation of our Named Executive Officers, including our Chief Executive Officer. The Compensation Committee’s responsibilities include but

are not limited to the following:

- Reviewing and approving on an annual basis the corporate goals and objectives with respect to the compensation of the Chief Executive Officer and other Named Executive Officers;

- Evaluating the Chief Executive Officer's and other Named Executive Officer's performance at least annually in light of those goals and objectives, and based upon these evaluations reviewing on an annual basis those officers' annual compensations, including (i) annual base salary level, (ii) annual incentive compensation, (iii) long-term incentive compensation, (iv) employment, severance and change-in-control agreements, if any, and (v) any other compensation, ongoing perquisites or special benefit items;
- Developing and periodically assessing the Compensation Committee's compensation policies applicable to the Company's Chief Executive Officer and other Named Executive Officers and directors, including the relationship of corporate performance to executive compensation.
- Periodically reviewing and advising the Board concerning both regional and industry-wide compensation practices and trends in order to assess the adequacy and competitiveness of the Company's compensation programs for the Chief Executive Officer and other Named Executive Officers and directors relative to comparable companies in the Company's industry.
- Granting restricted stock, stock option, and other equity-based or incentive awards to the Company's Named Executive Officers, employees and other individuals under the Company's stock and incentive compensation plans, including any performance criteria relating to the plans or awards, and otherwise assisting the Board in administering awards under these plans.
- Reviewing and approving the Company's employee benefit programs, including reviewing and approving any incentive-compensation and equity-based plans of the Company that are subject to Board approval;

Additional information regarding the Compensation Committee's responsibilities is set forth in its charter, which is posted on our website at <http://ir.akeena.com/Governance.cfm>.

Role of the Chief Executive Officer

Our Chief Executive Officer, Barry Cinnamon, makes recommendations to the Compensation Committee regarding the compensation of our other Named Executive Officers. The Compensation Committee often requests Mr. Cinnamon to be present at Compensation Committee meetings where executive compensation and the performance of our Named Executive Officers are discussed and evaluated. Within the framework of the compensation programs approved by the Compensation Committee, Mr. Cinnamon may recommend base salary adjustments and make suggestions regarding incentive plan performance measures and equity compensation grants for other Named Executive Officers. Mr. Cinnamon does not participate in any discussions or processes concerning his own compensation, and participates in a non-voting capacity in discussions or processes concerning the compensation of the Company's Named Executive Officers.

C. Program Design

The Compensation Committee uses a simple and straightforward approach in compensating our Named Executive Officers in which base salary, annual incentives and stock options are the principal components. In addition, executives generally participate in the same benefit programs as other full-time employees.

The Company's executive compensation programs are designed to provide executives with a reasonable level of fixed compensation through base salary and benefits, and an opportunity to earn incentive compensation through the annual

and long-term incentive programs based on a mix of individual and Company performance and increases in the value of our stock. The incentive plans are designed to pay well when performance meets or exceeds expectations and pay little or no incentive if performance is below expectations.

As an executive's level of responsibility increases, the Compensation Committee generally targets a greater portion of the executive's compensation to be contingent upon performance. For example, the Company's Chief Executive Officer and the other Named Executive Officers have a higher percentage of compensation at risk (and thus greater upside and downside potential) relative to the Company's other employees. The Compensation Committee believes this is appropriate because the Named Executive Officers have the greatest influence on the Company's performance.

D. Compensation Review Process

The Compensation Committee annually reviews compensation for our Named Executive Officers. In making its decisions, the Compensation Committee considers the executive's role and responsibilities, Company and individual performance, and regional and industry-wide compensation practices and trends. This approach is used to set base salaries, annual incentive opportunities, stock option award levels and the mix of compensation elements.

II. Components of Compensation

The Company provides four compensation components to Named Executive Officers:

- Base salary,
- A cash annual incentive based on the achievement of specified goals and objectives,
- Long-term incentive in the form of restricted stock and stock options, and
- Benefits.

A. Base Salaries

The Company provides its Named Executive Officers a base salary commensurate with their position, responsibilities and experience. The 2008 base salaries, in dollars, and the percentage increase in the 2008 base salaries from the 2007 base salaries, for our Named Executive Officers, are as follows:

Named Executive Officer	2008 Base Salary	Percentage Increase from 2007 Base Salary
Barry Cinnamon President and Chief Executive Officer and Secretary	\$ 275,000	35.0 %
Gary Effren Chief Financial Officer and Treasurer	\$ 250,000	0.0 % (1)
Steve P. Daniel Executive Vice President Sales and Marketing	\$ 250,000	38.7 % (2)
James Curran Chief Operating Officer	\$ 275,000	17.3 % (3)

(1) Mr. Effren joined the Company on September 24, 2007.

(2) Mr. Daniel joined the Company on January 30, 2007 and left on December 5, 2008.

(3) Mr. Curran joined the Company on May 29, 2007 and left on April 23, 2008.

B. Annual Incentives

In 2008, the Compensation Committee established the Company's Executive Bonus Plan (the "Bonus Plan"). Named Executive Officers were to be rewarded bonuses based on whether, in the discretion of the Compensation Committee,

the Company met certain revenue and operating income goals that aligned with the business plan to achieve profitability. The Compensation Committee believed that the Bonus Plan was appropriate to motivate the Named Executive Officers to focus on expanding the Company's business and managing profitability.

Based on the executive compensation review, the Compensation Committee established a target incentive of up to 70% of salary for Mr. Cinnamon, up to 50% of salary for Mr. Effren and Mr. Curran, and up to 100% of salary for Mr. Daniel with no eligibility for override commissions. According to the terms of the Bonus Plan, the Company's targeted revenue and operation income goals must be achieved before an incentive is paid, and the Named Executive Officers have the opportunity to receive up to 100% of their target incentive at maximum performance.

Actual performance resulted in revenues of \$40.8 million and an adjusted operating loss of \$24.4 million. The Compensation Committee decided to follow the recommendation of the Chief Executive Officer and to not award any cash bonuses to the Name Executive Officers for 2008 given the financial results for the year.

C. Long-Term Incentives

The Compensation Committee has elected to grant restricted stock and stock options to the Named Executive Officers and other key employees as the primary long-term incentive vehicle. In making this determination, the Compensation Committee considered a number of factors including: the accounting impact, potential value of restricted stock and stock option grants versus other equity instruments and cash incentives, and the alignment of equity participants with stockholders. The Company determined that grants of restricted stock and stock options:

- Enhance the link between the creation of stockholder value and executive compensation;
- Provide an opportunity for equity ownership;
- Act as a retention tool; and
- Provide competitive levels of total compensation.

Restrictions on the Named Executive Officer's shares lapse retain equal annual increments over a period of four (4) years, commencing one year from the date of grant. Each Named Executive Officer is entitled to vote such restricted shares, subject to forfeiture in accordance with the terms of the grant. The stock options granted to the Named Executive Officers in 2008 have five-year terms and, with the exception of 38,500 options for Mr. Cinnamon and 6,918 options for Mr. Effren which vested on January 17, 2009 which was the one year anniversary of the grant date, 33.33% of the shares underlying the Named Executive Officers' options vest in equal annual installments over a period of three years on each anniversary of the grant date.

The Compensation Committee may make grants of equity awards to Named Executive Officers during their regular quarterly meetings or by special meeting during the year. The Compensation Committee reviews Company performance, potential burn rates and dilution levels to create a restricted stock and option pool that may be awarded to employee participants. Grants to the Named Executive Officers were determined by the Compensation Committee after reviewing market data and considering each executive's performance, role and responsibilities.

The Company does not reprice options if the Company stock price declines after the grant date. The Company does not seek to time equity grants to take advantage of information, either positive or negative, about the Company that has not been publicly disclosed. Option grants are effective on the date the award determination is made by the Compensation Committee and the exercise price of options is the closing market price of Company common stock on the last business day prior to the date of the grant or, if the grant is made on a weekend or holiday, on the prior business day.

D. Benefits

Named Executive Officers are eligible to participate in the Company's standard medical, dental, vision, disability insurance, life insurance plans and other health and welfare plans provided to other full time employees.

Retirement Benefits

The Company's retirement savings plans help the Company's employees prepare for retirement. The Company's objectives with regard to retirement savings plans are to provide benefit levels that are competitive when compared to similarly sized companies within the Company's general industry and that are designed with simple and straightforward terms to enable participants to maximize the value they receive from such plans.

All of the Company's Named Executive Officers are entitled to participate in the Company's 401(k) program.

Employment Agreements and Post Termination Compensation

The Company does not maintain employment or other compensatory agreements with any of the Named Executive Officers. If the Company terminates the employment of a Named Executive Officer, it will not be obligated to pay them severance compensation or other benefits. The Compensation Committee believes that the at-will nature of employment of the Named Executive Officers is appropriate because it provides the Company with more flexibility to make a management change if such a change is in the best interests of the Company and stockholders. Upon termination, these executives are bound by confidentiality agreements.

III. Limitation on Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code denies a publicly held corporation a federal income tax deduction for the compensation of certain executive officers exceeding \$1 million per year. "Performance based" compensation is not subject to the limitations on deductibility and the Compensation Committee strives to structure compensation so as to qualify for deductibility. Currently, the Company believes all compensation is deductible. However, the Compensation Committee may authorize compensation that may not be deductible when it deems it to be in the best interest of the Company and its stockholders.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management and, based on such review and discussions, the Compensation Committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in the Annual Report on Form 10-K.
