This proxy statement and the enclosed proxy are first being mailed to ChoiceOne shareholders on approximately April 12, 2017, **in connection with the solicitation of proxies by ChoiceOne's Board of Directors for use at the annual meeting.** In this proxy statement, "we," "us," "our," "ChoiceOne" and the "Company" refer to ChoiceOne Financial Services, Inc. and "you" and "your" refer to ChoiceOne shareholders.

Purpose of Meeting

The purpose of the annual meeting is to consider and vote upon the election of directors, advisory approval of the compensation of the Company's named executive officers as disclosed in this proxy statement, and the ratification of the selection of Plante & Moran, PLLC as our registered independent public accounting firm for the current fiscal year. ***Your Board of Directors recommends that you vote FOR each of the nominees discussed in this proxy statement, FOR approval of the compensation of the Company's named executive officers, and FOR ratification of the selection of auditors.***

How to Vote Your Shares

You may vote at the meeting if you were a shareholder of record of ChoiceOne common stock at the close of business on March 27, 2017. You are entitled to one vote per share of ChoiceOne common stock that you own on each matter presented at the annual meeting.

As of March 27, 2017, there were 3,280,896 shares of ChoiceOne common stock issued and outstanding.

Your shares will be voted at the annual meeting if you properly sign and return to us the enclosed proxy. If you specify a choice, your proxy will be voted as specified. **If you do not specify a choice, your shares will be voted "FOR" each nominee named in this proxy statement, "FOR" approval of the compensation of the Company's named executive officers, and "FOR" ratification of the selection of auditors.** If other matters are presented at the annual meeting, the individuals named in the enclosed proxy will vote your shares on those matters in their discretion. As of the date of this proxy statement, we did not know of any other matters to be considered at the annual meeting.

Who Will Solicit Proxies

Directors, officers and employees of ChoiceOne and ChoiceOne Bank (referred to as the “Bank”) will initially solicit proxies by mail. They also may solicit proxies in person, by telephone or by other means, but they will not receive any additional compensation for these efforts. Nominees, trustees and other fiduciaries who hold stock on behalf of beneficial owners of ChoiceOne common stock may communicate with the beneficial owners by mail or otherwise and may forward proxy materials to and solicit proxies from the beneficial owners. ChoiceOne will pay all expenses related to soliciting proxies.

Required Vote and Quorum

Election of Directors. A plurality of the shares voting at the annual meeting is required to elect directors. This means that if there are more nominees than director positions to be filled, the nominees for whom the most votes are cast will be elected. In counting votes on the election of directors, abstentions, broker non-votes and other shares not voted will not be counted as voted, and the number of shares of which a plurality is required will be reduced by the number of shares not voted.

Advisory Approval of Executive Compensation. The advisory vote on executive compensation will be approved on an advisory basis if a majority of the shares that are voted on the proposal at the meeting are voted in favor of approval. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy will not be included in the vote count to determine if a majority of shares voted on this proposal voted in favor of approval.

Ratification of Independent Auditors. The ratification of the selection of Plante & Moran, PLLC as our independent auditors for the current fiscal year will be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of ratification. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy will not be included in the vote count to determine if a majority of shares voted in favor of this proposal.

Required Vote for Other Matters. We do not know of any other matters to be presented at the meeting. Generally, any other proposal to be voted on at the meeting would be approved if a majority of the shares that are voted on the proposal at the meeting are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted on the proposal in person or by proxy will not be included in the vote count to determine if a majority of shares voted on the proposal voted in favor of approval.

Quorum. A majority of the shares entitled to vote at the annual meeting must be present or represented at the meeting to constitute a quorum. To determine whether a quorum is present, we will include shares that are present or represented by proxy, including abstentions and shares represented by a broker non-vote on any matter.

Election of Directors

The Board of Directors presently consists of 12 individuals divided into three classes. Each class of directors is equal in number and serves for a three-year term of office. The term of office of one class of directors expires at the annual meeting each year. An individual may not continue to serve on the Board of Directors after he or she becomes 70 years old.

Following recommendation by the Governance and Nominating Committee, the Board of Directors proposes that the following nominees be elected as directors for terms expiring at the annual meeting of shareholders to be held in 2020:

Keith D. Brophy
K. Timothy Bull
Jack G. Hendon
Dennis C. Nelson

Each proposed nominee currently serves as a director of ChoiceOne. The proposed nominees are willing to be elected and serve as directors. If a nominee is unable to serve or is otherwise unavailable for election – which we do not anticipate – the incumbent Board of Directors may or may not select a substitute nominee. If a substitute nominee is selected, your proxy will be voted for the person so selected. If a substitute nominee is not selected, your proxy will be voted for the election of the remaining nominees. No proxy will be voted for a greater number of persons than the number of nominees named.

Advisory Approval of Executive Compensation

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, shareholders may cast an advisory vote on the approval of the compensation of the Company's named executive officers as disclosed in this proxy statement pursuant to the SEC's compensation disclosure rules. The Company has designed its executive compensation programs to attract, motivate, reward and retain senior management talent, and to encourage senior management to manage the Company to achieve our corporate objectives and increase shareholder value through long-term profitable growth. The Personnel and Benefits Committee, which consists entirely of independent directors, oversees the compensation of the Company's named executive officers. The Personnel and Benefits Committee believes that the Company's compensation programs are appropriate for the Company taking into account such factors as the size of the Company and the Bank, the market for executive talent in which we compete, and the Company's short-term and long-term strategic objectives. The Personnel and Benefits Committee believes that the Company's compensation programs strike an appropriate balance between incentivizing growth while not encouraging excessive risk-taking. For these reasons, we are recommending that our shareholders vote "FOR" the adoption of the following resolution:

RESOLVED, that the shareholders of ChoiceOne Financial Services, Inc. (the "Company") approve the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement for the 2017 Annual Meeting of Shareholders under the heading entitled "Executive Compensation."

This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy and programs described in this proxy statement.

The vote is not binding on the Company, the Board of Directors or the Personnel and Benefits Committee. However, the Board of Directors and Personnel and Benefits Committee value the opinions of our shareholders and will take the results of the vote into consideration when making future decisions regarding executive compensation.

The Company's current policy is to provide shareholders with an opportunity to approve the compensation of the named executive officers each year at the annual meeting of shareholders. The next such vote will occur at the 2018 annual meeting of shareholders.

Your Board of Directors and Personnel and Benefits Committee, which consists entirely of independent directors, recommend that you vote FOR the approval of the compensation of the Company's named executive officers.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors has determined that having an independent director serve as Chairman of the Board is in the best interest of shareholders at this time. The structure ensures a greater role for the independent directors in the oversight of the Company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of the Board. We believe that this leadership structure is preferred by a significant number of the Company's shareholders.

The Board is actively involved in oversight of risks that could affect the Company. This oversight is conducted primarily through the Asset/Liability and Risk Committee and the Audit Committee, but the full Board has retained responsibility for general oversight of risks. The Board satisfies this responsibility through reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company.

Nominations of Directors

The Governance and Nominating Committee will consider director candidates recommended by shareholders, directors, officers, third party search firms and other sources. The Governance and Nominating Committee will ultimately determine whether a recommendation will result in a nomination. In considering potential nominees, the committee will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating the skills and characteristics required of board members, the committee considers various factors and believes that each candidate should:

be chosen without regard to sex, race, religion or national origin;

be an individual of the highest character and integrity and have an inquiring mind, vision and the ability to work well with others;

be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper performance of the responsibilities of a director;

possess substantial and significant experience that would be of particular importance to ChoiceOne in the performance of the duties of a director;

have sufficient time available to devote to the affairs of ChoiceOne in order to carry out the responsibilities of a director; and

have the capacity and desire to represent the balanced, best interests of the shareholders as a whole.

A shareholder may nominate a candidate for director in accordance with ChoiceOne's Restated Articles of Incorporation. A shareholder nominating a director must send a written notice to the Secretary of ChoiceOne that sets forth with respect to each proposed nominee:

the name, age, business address and residence address of the nominee;

the principal occupation or employment of the nominee;

the number of shares of common stock of ChoiceOne that the nominee beneficially owns;

a statement that the nominee is willing to be nominated and to serve; and

such other information concerning the nominee as would be required under the rules of the SEC to be included in a proxy statement soliciting proxies for the election of the nominee.

You must send this notice to the Secretary not less than 120 days prior to the date of notice of an annual meeting and not more than seven days following the date of notice of a special meeting called for election of directors.

Anti-Hedging Policy

Our anti-hedging policy aligns the interests of our directors and executive officers with our shareholders. The policy prohibits our directors and executive officers from purchasing any instrument or entering into any transaction that is designed to hedge or offset any decrease in the market value of ChoiceOne's common stock, including short-selling, equity swaps, collars, exchange funds, put or call options, or prepaid variable forward contracts.

Board Meetings and Attendance

Change in Control Agreement

On May 13, 2016, ChoiceOne entered into a Change in Control Agreement (the "Change in Control Agreement") with Mr. Potes, the President and Chief Executive Officer of ChoiceOne. Pursuant to the Change in Control Agreement, Mr. Potes will receive severance benefits if, during term of the Change in Control Agreement and either following a Change in Control or during an Active Change in Control Proposal Period (each as defined in the Change in Control Agreement), Mr. Potes is terminated by ChoiceOne without cause or terminates his employment for good reason (as "cause" and "good reason" are defined in the Change in Control Agreement). The Personnel and Benefits Committee believes the "double trigger" of requiring both a change in control and termination of employment provides an appropriate balance of protection for both ChoiceOne and Mr. Potes.

Mr. Potes will receive a lump-sum payment equal to three times his annual base salary and compensation for health benefit continuation and an automobile allowance through the end of the term of the Change in Control Agreement. All unvested equity awards granted to Mr. Potes will automatically vest upon a Change in Control. The Change in Control Agreement includes a Section 280G cap that limits payments under the agreement as necessary to avoid tax penalties under Section 280G of the Internal Revenue Code.

Receipt of Mr. Potes' severance benefits is conditioned on obtaining a release and resignation from all of Mr. Potes' positions with ChoiceOne and the Bank. Additionally, the Change in Control Agreement includes non-competition provisions prohibiting Mr. Potes from soliciting ChoiceOne's customers and employees for a period of eighteen months after termination of Mr. Potes' employment.

The foregoing description of the Change in Control Agreement does not purport to be complete and is qualified in its entirety by reference to the Change in Control Agreement, which is filed as Exhibit 10.1 to ChoiceOne's Form 10-Q for the quarter ended March 31, 2016.

401(k) Plan and Employee Stock Ownership Plan

The ChoiceOne Bank 401(k) and Employee Stock Ownership Plan are qualified under Section 401(a) of the Internal Revenue Code of 1986 (the "Code").

The purpose of the 401(k) plan is to permit Bank employees, including the named executive officers, to save for retirement on a pre-tax basis. In addition to an employee's pre-tax contributions, the Bank may contribute discretionary matching or profit-sharing payments to the 401(k) plan. If the Bank contributes any matching contributions, those contributions are immediately vested. If the Bank contributes profit-sharing payments to the 401(k) plan, those contributions will become fully vested after six years of a participant's vesting service. The Bank has generally made a contribution to the 401(k) plan each year. A discretionary match was made for 2016.

The Employee Stock Ownership Plan provisions provide that the 401(k) plan, in part, is designed to invest primarily in stock of ChoiceOne.

For 2016, Messrs. (1) Cutler, Lanning, Nyblad, and Potes each elected to receive 100% of their fees in the form of ChoiceOne stock.

Messrs. Brophy and Hendon each received 50% of their fees in the form of ChoiceOne stock.

During 2016, ChoiceOne compensated its directors with a retainer of \$2,600 for the President, CEO, and Chairperson, and \$2,000 for each other director. ChoiceOne directors did not receive per-meeting compensation for participation in Board of Directors meetings.

From January 2016 to August 2016, the Bank compensated its directors with an annual retainer of \$6,000 for the President and CEO, \$7,000 for the Audit Committee Chairperson, \$7,500 for the Chairperson, and \$6,000 for each other director. The annual retainer paid to directors in 2016 was prorated to reflect the portion of the year for which such retainer was in effect. Bank directors received compensation at the rate of \$900 per meeting when attended in person or \$675 per meeting when attended via phone participation up to a maximum 3 times per year. In addition, Bank directors who were not employees of ChoiceOne or the Bank received compensation for meetings of any committee of the Board of Directors of the Bank on which they served at a rate of \$300 per meeting when attended in person or \$225 per meeting when attended via phone participation, except that interim loan committee meetings were compensated at a rate of \$150 per meeting and training sessions were compensated at the standard committee fee rate of \$300.

Effective September 2016, the Bank modified its annual retainer for directors as follows: \$6,000 for the President and CEO, \$7,500 for the Audit Committee Chairperson, \$13,400 for the Chairperson, \$7,000 for the Personnel Committee Chairperson, and \$6,000 for each other director. The annual retainer paid to directors in 2016 was prorated to reflect the portion of the year for which such modified retainer was in effect. Bank directors received compensation at the rate of \$1,000 per meeting when attended in person or via phone participation. In addition, Bank directors who were not employees of ChoiceOne or the Bank received compensation for meetings of any committee of the Board of Directors of the Bank on which they served, including interim loan committee meetings and training sessions, at a rate of \$375 per meeting when attended in person or via phone participation.

Under ChoiceOne's Directors' Stock Purchase Plan, a director may elect to receive payment of 25%, 50%, 75% or 100% of his or her director fees in the form of ChoiceOne common stock. On each quarterly payment date, a director participating in this plan receives a number of shares of ChoiceOne common stock (rounded to the nearest whole share) determined by dividing the dollar amount of fees payable that the director has elected to receive as ChoiceOne common stock by the market value of ChoiceOne common stock determined by a poll of ChoiceOne's market makers on the last day of the month preceding the quarterly payment date.

Potential Payments Upon Termination or Change in Control

Pursuant to the Change in Control Agreement between ChoiceOne and Mr. Potes, Mr. Potes may be entitled to certain severance benefits following a change in control, as described above under the heading "Change in Control Agreement," which description is here incorporated by reference.

ChoiceOne has granted certain equity awards pursuant to the Stock Incentive Plan of 2012 that are subject to accelerated full vesting upon a change in control of ChoiceOne.

The following table summarizes the potential payments and benefits payable to each of ChoiceOne's named executive officers upon termination of employment in connection with each of the triggering events set forth in the table below, assuming, in each situation, that the termination of employment took place on December 31, 2016.

Triggering Event and Payments/Benefits	James A. Bosserd	Lee A. Braford	Bradley A. Henion	Kelly J. Potes
Change in Control ⁽¹⁾⁽²⁾	\$ 0	\$ 28,166	\$ 14,700	\$ 657,800
Death ⁽³⁾⁽⁴⁾	\$ 0	\$ 138,640	\$ 153,167	\$ 231,640
Disability or Retirement ⁽⁴⁾	\$ 0	\$ 11,640	\$ 3,167	\$ 11,640

Pursuant to Mr. Potes' Change in Control Agreement, Mr. Potes will receive severance benefits if, during term of the Agreement and either following a Change in Control or during an Active Change in Control Proposal Period (each as defined in the Change in Control Agreement), Mr. Potes is terminated by ChoiceOne without cause or (1) terminates his employment for good reason (as "cause" and "good reason" are defined in the Change in Control Agreement). The payments to Mr. Potes under his Change in Control Agreement after a change in control are limited by Section 280G of the Code. The amount shown in the table for Mr. Potes reflects this limitation.

In accordance with the Stock Incentive Plan of 2012, all outstanding unvested equity awards and stock options (2) shall become immediately fully vested upon a change in control. The amount shown includes the value of accelerated vesting of restricted stock units and stock options.

The Bank obtained bank-owned life insurance on key executives and, if the executive dies while still working for (3) the Bank, the estate will receive one full year of compensation.

In accordance with the Stock Incentive Plan of 2012, restrictions on all outstanding unvested restricted stock units (4) will be removed on a pro rata basis equal to the total number of such awards multiplied by the number of full months elapsed since grant date divided by the total number of full months in the respective restricted period upon death, disability, or retirement.

Audit Committee Report

The Audit and Compliance/CRA Committee ("Audit Committee") reviews and supervises ChoiceOne's procedures for recording and reporting the financial results of its operations on behalf of the Board of Directors. ChoiceOne's management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its supervisory duties, the Audit Committee has reviewed ChoiceOne's audited financial statements for the year ended December 31, 2016 included in the 2016 Annual Report to Shareholders and has discussed those financial statements with ChoiceOne's management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

The Audit Committee has also reviewed with ChoiceOne's independent auditors – who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles – the judgments of the independent auditors concerning the quality, not just the acceptability, of the accounting principles and such other matters that are required under generally accepted auditing standards to be discussed with the independent auditors. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 16. In addition, the Audit Committee has received from the independent auditors the written disclosures required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, has discussed with them their independence from ChoiceOne's management and ChoiceOne, and has considered the compatibility of nonaudit services with their independence.

After and in reliance on the reviews and discussions described above, the Audit Committee recommended to ChoiceOne's Board of Directors that the audited financial statements for the year ended December 31, 2016 be included in ChoiceOne's Annual Report on Form 10-K for the year then ended to be filed with the SEC.

Respectfully submitted,

Section 16(a) of the Securities Exchange Act of 1934 requires directors and officers of ChoiceOne and persons who beneficially own more than 10% of the outstanding shares of its common stock to file reports of beneficial ownership and changes in beneficial ownership of shares of common stock with the SEC. SEC regulations require such persons to furnish ChoiceOne with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports received by us or written representations from certain reporting persons that no Forms 5 were required for those persons, we believe that all applicable Section 16(a) reporting and filing requirements were satisfied by such persons from January 1, 2016 through December 31, 2016, except that one report on Form 4 reporting two untimely-reported transactions was filed for Mr. Berris, and one report on Form 4 reporting one untimely-reported transaction was filed for each of Mr. Brophy, Mr. Cutler, Mr. Hendon, Mr. Lanning, Mr. Nyblad, and Mr. Potes.

Transactions with Related Persons

Directors, nominees for director and executive officers of ChoiceOne and members of their immediate families were customers of and had transactions with the Bank in the ordinary course of business between January 1, 2016 and December 31, 2016. We anticipate that such transactions will take place in the future in the ordinary course of business. All loans and commitments included in such transactions were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectability or present other unfavorable features. None of these loan relationships presently in effect were in default as of the date of this proxy statement.

Frank G. Berris, a director of ChoiceOne and the Bank, owns all of the equity interest of JFB Real Estate, LLC (“JFB”). In 2004, the Bank entered into a lease with JFB for the portion of a building housing the Bank’s Appletree Branch for a period of three years, with options to extend the lease for five additional three-year terms. The Bank exercised its option to extend the lease in 2007, 2010, 2013, and 2016. The current term of the lease will expire on September 30, 2019 unless the Bank exercises its option to extend. The Bank is obligated to make lease payments of \$156,240 in the aggregate for the period beginning on October 1, 2016 and ending on September 30, 2019.

The Audit Committee is responsible for the review and approval of any transaction between the Company and any related person (as defined in Item 404 of Regulation S-K).

Independent Registered Public Accounting Firm

Plante & Moran, PLLC (“Plante Moran”), has been selected to serve as ChoiceOne’s independent auditors for 2017. Plante Moran also served as ChoiceOne’s independent auditors for 2016.

Representatives of Plante Moran are not expected to attend the annual meeting. If a representative of Plante Moran attends the meeting, the representative will have an opportunity to make a statement if he or she desires to do so and will be expected to be available to respond to appropriate questions. In accordance with SEC rules, ChoiceOne’s Audit Committee has adopted a Pre-Approval Policy. Under the Pre-Approval Policy, all audit and non-audit services need to be pre-approved by the Audit Committee.

The Pre-Approval Policy permits the Audit Committee to delegate to one or more of its members pre-approval decisions. The member or members to whom such authority is delegated shall report, for informational purposes, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

The Audit Committee has identified certain services that do not impair the independence of the independent auditors and granted general pre-approval for those services. All services that do not have general pre-approval must be specifically pre-approved by the Audit Committee. The Audit Committee will periodically set pre-approval fee levels for all services to be provided by the independent auditors. Any proposed services exceeding these levels require specific pre-approval by the Audit Committee.

The Pre-Approval Policy requires the independent auditors to provide detailed back-up documentation, which will be provided to the Audit Committee, regarding specific services to be provided.

Requests or applications to provide services that require separate pre-approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditors and the Chief Executive Officer or Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC’s rules on auditor independence. All fees paid to Plante Moran for services performed in 2016 and 2015 were pre-approved pursuant to this policy.

Audit Fees. ChoiceOne paid to Plante Moran \$105,400 during 2016 (including \$6,000 paid in 2016 for services provided in 2015) and \$99,400 during 2015 for the audit of ChoiceOne's annual financial statements and review of financial statements included in ChoiceOne's quarterly reports on Form 10-Q, or services that are normally provided by the auditors in connection with statutory and regulatory filings.

Audit-Related Fees. ChoiceOne paid to Plante Moran \$5,000 during 2016 and \$5,000 during 2015 for assurance and related services that were reasonably related to the performance of the audit or review of ChoiceOne's financial statements and are not reported under "Audit Fees" above. Services included a HUD FHA audit.

Tax Fees. ChoiceOne paid to Plante Moran \$12,950 during 2016 and \$12,750 during 2015 for tax compliance, tax advice and tax planning. Tax services included preparing ChoiceOne's federal and state tax returns and in 2014 fees for services performed related to the dissolution of West Shore Computer Services, a data processing center in which ChoiceOne Bank is a 25% owner.

All Other Fees. ChoiceOne paid to Plante Moran \$870 in 2016 for consultation regarding depreciation and equity awards. ChoiceOne did not pay Plante Moran any other fees in 2015.
