PROXY STATEMENT

2014 ANNUAL MEETING OF SHAREHOLDERS

To be held on June 27, 2014 at 10:00 A.M. (PDT)

This Proxy Statement is being furnished to all shareholders of record as of Wednesday, June 4, 2014 by the Board of Directors (the "Board") of Qualstar Corporation, a California corporation ("Qualstar," the "Company," or "we"), in connection with the solicitation of proxies for the 2014 Annual Meeting of Shareholders (including any adjournment, postponement, continuation or rescheduling thereof, the "2014 Annual Meeting") to be held on Friday, June 27, 2014 at the corporate offices of Qualstar, located at 3990-B Heritage Oak Court, Simi Valley, California 93063, at 10:00 a.m. Pacific Time. This Proxy Statement contains important information about the business matters that will be voted on at the 2014 Annual Meeting.

GENERAL INFORMATION

Why am I receiving these materials?

We sent you this Proxy Statement because your Board is soliciting your proxy to vote at the 2014 Annual Meeting. This Proxy Statement summarizes the information you need to vote at the 2014 Annual Meeting. You do not need to attend the 2014 Annual Meeting to vote your shares of Qualstar's common stock, no par value (the "Common Shares"). This Proxy Statement, the accompanying **WHITE** proxy card and our annual report on Form 10-K for the fiscal year ended June 30, 2013 are being made available to shareholders beginning on or about June 6, 2014. Please read this Proxy Statement, as it contains important information you need to know to vote at the 2014 Annual Meeting.

What proposals will be voted on at the 2014 Annual Meeting?

At the 2014 Annual Meeting, you will be asked to consider and vote upon the following matters:

Election of five directors to each serve until the 2015 Annual Meeting of Shareholders and until their respective successors shall have been duly elected and qualified (Proposal 1);

Approval of the appointment of SingerLewak LLP as the independent registered public accounting firm for the fiscal year ending June 30, 2014 (Proposal 2); and

Any other matters, if any, as may properly be brought before the 2014 Annual Meeting and any postponement or adjournment of the 2014 Annual Meeting.

When and where will the 2014 Annual Meeting be held?

The 2014 Annual Meeting will be held on Friday, June 27, 2014, at 10:00 a.m. Pacific Time, at the corporate offices of Qualstar, located at 3990-B Heritage Oak Court, Simi Valley, California 93063.

Who is entitled to vote at the 2014 Annual Meeting?

Your Board of Directors has fixed the close of business on Wednesday, June 4, 2014 as the record date for determining those shareholders entitled to notice of, and to vote on, all matters that may properly come before the 2014 Annual Meeting. As of the record date, Qualstar had 12,253,117 outstanding shares of common stock entitled to notice of, and to vote at, the 2014 Annual Meeting. No other securities are entitled to vote at the 2014 Annual Meeting. Only shareholders of record on the record date are entitled to notice of and to vote at the 2014 Annual Meeting and at any adjournment thereof.

What are the voting rights of shareholders?

Each shareholder of record is entitled to one vote for each share held as of the record date on all matters to come before the 2014 Annual Meeting and at any adjournment thereof. Under our Articles of Incorporation, shareholders do not have cumulative voting rights in the election of directors.

How many votes must be present to hold the 2014 Annual Meeting?

To conduct business at the 2014 Annual Meeting, a quorum must be present. The presence in person or by proxy of shareholders entitled to cast at least a majority of all votes entitled to be cast at the meeting shall constitute a quorum. We count proxies marked “withhold authority” as to any director nominee or “abstain” as to a particular proposal for purposes of determining the presence or absence of a quorum at the 2014 Annual Meeting for the transaction of business.

How do I vote my shares?

In addition to voting in person at the 2014 Annual Meeting or any postponement or adjournment thereof, you may vote by mail, Internet or telephone.

Voting by Internet or Telephone. If you are a registered shareholder (that is, if your stock is registered in your name), you may also vote by Internet or telephone by following the instructions included with your **WHITE** proxy card. You are encouraged to vote electronically by Internet or telephone. The procedures for each of these voting methods is set forth below.

Vote by Internet. Use the Internet to vote your proxy 24 hours a day, 7 days a week. Have your **WHITE** proxy card in hand when you log on. You will be prompted to enter your Control Number(s) which is located on your proxy card and then follow the directions given to obtain your records and create a voting instructions form.

Vote by Telephone. Use any touch-tone telephone to vote your proxy 24 hours a day, 7 days a week. Have your **WHITE** proxy card in hand when you call. You will be prompted to enter your Control Number(s) which is located on your **WHITE** proxy card and then follow the directions given.

If you vote by Internet or telephone, you do not need to return your **WHITE** proxy card.

If your shares are held in “street name” (that is, if your stock is registered in the name of your broker, bank or other nominee), please check your proxy card or contact your broker, bank or other nominee to determine whether you will be able to vote by Internet or telephone.

If you need assistance in revoking your proxy or changing your vote, please call Qualstar’s proxy solicitor AST Phoenix Advisors, 6201 15th Avenue, 3rd Floor, Brooklyn, New York 11219, (877) 283-0320.

Voting by Mail. To vote by mail, please sign, date and return to Qualstar as soon as possible the enclosed **WHITE** proxy card. An envelope with postage paid, if mailed in the United States, is provided for this purpose. Properly executed proxies that are received in time and not subsequently revoked will be voted as instructed on the proxies. If you vote by Internet or by telephone as described above, you need not also mail a proxy to Qualstar.

Voting at the 2014 Annual Meeting. You may vote by ballot in person at the 2014 Annual Meeting. If you want to vote by ballot, and you hold your shares in street name (that is, through a bank or broker), you must obtain a power of attorney or other proxy authority from that organization and bring it to the 2014 Annual Meeting. Follow the instructions from your bank, broker or other agent or nominee included with these proxy materials, or contact your bank, broker or other agent or nominee to request a power of attorney or other proxy authority. Even if you plan to attend the 2014 Annual Meeting, you are encouraged to submit a **WHITE** proxy card or vote by Internet or telephone to ensure that your vote is received and counted. If you vote in person at the 2014 Annual Meeting, you will revoke any prior proxy you may have submitted.

How does the Board of Directors recommend that I vote?

Your Board of Directors recommends that you vote as follows:

“FOR” each of the following five (5) nominees to the Board: Steven N. Bronson, David J. Wolenski, Sean M. Leder, Dale E. Wallis, and Nick Yarymovych (Proposal 1);

“FOR” approval of the appointment of SingerLewak LLP as the independent registered public accounting firm for the fiscal year ending June 30, 2014 (Proposal 2).

What vote is required?

Directors are elected by a plurality of the votes cast for election of directors and only five directors may be elected at the 2014 Annual Meeting. The directors elected will be the five (5) nominees who receive the highest number of “**FOR**” votes cast at the 2014 Annual Meeting by shareholders present, in person, or by proxy, and entitled to vote. If a shareholder does not vote for the election of directors because the authority to vote is withheld, because a proxy is not returned, because the broker holding the shares does not vote, or because of some other reason, the shares will not count in determining the total number of votes for each nominee. **WHITE** Proxies signed and returned unmarked will be voted **FOR** the Board’s five (5) nominees (Steven N. Bronson, David J. Wolenski, Sean M. Leder, Dale E. Wallis, and Nick Yarymovych). **Please note that brokers may not vote on the election of directors in the absence of specific client instruction. Those who hold shares in a brokerage account are encouraged to provide voting instructions to their broker.** Votes that are not returned, withheld or broker non-votes will have no effect on the outcome of the election. If any nominee is unable to act as director because of an unexpected occurrence, the proxy holders may vote the proxies for another person or the Board of Directors may reduce the number of directors to be elected.

For Proposal 2 (appointment of SingerLewak LLP), approval will require both: (i) the affirmative vote of a majority of the shares present in person or represented by proxy and voting on the proposal, and (ii) the affirmative vote of a majority of the quorum. For purposes of Proposals 2, abstentions and broker non-votes will not affect the outcome under clause (i), which recognizes only actual votes for or against the proposal. Abstentions and broker non-votes may affect the outcome under clause (ii) because abstentions and broker non-votes are counted for purposes of determining the quorum and have the effect of a vote against the proposal.

If I give a proxy, how will my shares be voted?

WHITE proxy cards received by us before the 2014 Annual Meeting that are properly executed and dated will be voted at the 2014 Annual Meeting in accordance with the instructions indicated on the proxy.

If you properly execute and date your **WHITE** proxy card but do not include voting instructions, your **WHITE** proxy card will be voted **FOR** the election of each of the following five (5) director nominees: Steven N. Bronson, David J. Wolenski, Sean M. Leder, Dale E. Wallis, and Nick Yarymovych, and **FOR** Proposal 2, and in accordance with the best judgment of the named proxies on any other matters that may come before the meeting. Unsigned proxies will not be voted.

If you vote using the website or the telephone number noted on the **WHITE** proxy card, you do not need to return ANY proxy card.

If the 2014 Annual Meeting is postponed or adjourned, a shareholder's proxy will remain valid and may be voted at the postponed or adjourned meeting. A shareholder still will be able to revoke the shareholder's proxy until it is voted.

What if other matters are voted on at the 2014 Annual Meeting?

With respect to any other matter that properly comes before the 2014 Annual Meeting, the proxy holders will vote the proxies in their discretion in accordance with their best judgment and in the manner they believe to be in the best interest of Qualstar. For example, if you do not give instructions on your **WHITE** proxy card or by Internet or telephone, and a nominee for Director listed on the **WHITE** proxy card withdraws before the election (which is not now anticipated), your shares will be voted by the proxy holders for any substitute nominee as may be nominated by the Board of Directors. The holders of the proxy shall be Steven N. Bronson and James A. Prestiano.

On the date we filed this Proxy Statement with the Securities and Exchange Commission, the Board did not know of any other matter to be brought before the 2014 Annual Meeting.

How will my shares be voted if I mark “Abstain” on my proxy card?

We will count a properly executed **WHITE** proxy card marked “Abstain” as present for purposes of determining whether a quorum is present, but the shares represented by that **WHITE** proxy card will not be voted at the 2013 Annual Meeting for the proposals so marked.

Will my shares be voted if I do not provide instructions to my broker or nominee?

When a matter to be voted on at a shareholders meeting is the subject of a contested solicitation, under NASDAQ rules, brokers no longer have discretion to vote shares that they hold in their name on behalf of a third party. Therefore, if you hold your shares in the name of your broker (sometimes called “street name” or “nominee name”) and you do not provide your broker with specific instructions regarding how to vote on any proposal to be voted on at the 2014 Annual Meeting, your broker will not be permitted to vote your shares on that proposal. This is called a “broker non-vote.” For example, if you provide your broker instructions on Proposal No. 1 but not on Proposal No. 2, the broker will vote on Proposal No. 1 as you direct but will not vote your shares on Proposal No. 2.

Please remember to give your broker specific instructions when returning your **WHITE** proxy card. If you previously returned a proxy card without specific instructions regarding how your shares are to be voted, please complete and return the enclosed **WHITE** proxy card to your broker with specific voting instructions.

Can I revoke my proxy or change my vote?

An executed proxy may be revoked at any time before its exercise by delivering to the Corporate Secretary of Qualstar a written notice of revocation or a duly executed proxy bearing a later date. Prior to the date of the 2014 Annual Meeting, any notice of revocation or subsequent proxy must be delivered to our Corporate Secretary at 3990-B Heritage Oak Court, Simi Valley, California 93063, the principal executive office of Qualstar. On the date of the 2014 Annual Meeting, such notice or subsequent proxy should be delivered in person at the 2014 Annual Meeting prior to the time of the vote. Accordingly, the execution of the enclosed proxy will not affect a shareholder’s right to vote in person should such shareholder find it convenient to attend the 2014 Annual Meeting and desire to vote in person, so long as the shareholder has revoked his or her proxy prior to its exercise in accordance with these instructions. If you have instructed a broker to vote your shares, you must follow your broker’s directions in order to change those instructions.

What does it mean if I receive more than one WHITE proxy card?

If you hold your shares in more than one account, you will receive a **WHITE** proxy card for each account. To ensure that all of your shares are voted, please vote using each **WHITE** proxy card you receive or, if you vote by Internet or telephone, you will need to enter each of your Control Numbers. Remember, you may vote by telephone or Internet or by signing, dating and returning the **WHITE** proxy card in the postage-paid envelope provided.

Who will solicit proxies on behalf of the Board?

Proxies may be solicited on behalf of the Board, without additional compensation, by Qualstar's directors, officers and regular employees. Such persons are listed in Appendix I to this Proxy Statement. Additionally, the Board has retained AST Phoenix Advisors, 6201 15th Avenue, 3rd Floor, Brooklyn, New York 11219, (877) 283-0320, a proxy solicitation firm, who may solicit proxies on the Board's behalf.

The original solicitation of proxies by mail may be supplemented by telephone, telegram, facsimile, electronic mail, and personal solicitation by our directors, officers or other regular employees (who will receive no additional compensation for such solicitation activities). You may also be solicited by advertisements in periodicals, press releases issued by us and postings on our corporate website. Unless expressly indicated otherwise, information contained on our corporate website is not part of this Proxy Statement.

Who will bear the cost of the solicitation of proxies?

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy card and any additional soliciting materials furnished to shareholders, will be borne by Qualstar. Copies of solicitation material will be furnished to banks, brokerage houses, dealers, banks, voting trustees, their respective nominees and other agents holding shares in their names, which are beneficially owned by others, so that they may forward this solicitation material, together with our Annual Report on Form 10-K for the fiscal year ended June 30, 2013, to beneficial owners. ELECTION OF DIRECTORS

(Proposal 1)

In accordance with Qualstar's bylaws, the number of directors constituting the Board is fixed as of the commencement of voting at the 2014 Annual Meeting at five. All five directors are to be elected at the 2014 Annual Meeting and will hold office until the next Annual Meeting of Shareholders and until their respective successors are elected and have been qualified.

The following five individuals - Steven N. Bronson, David J. Wolenski, Sean M. Leder, Dale E. Wallis, and Nick Yarymovych - have been designated by the Board as the nominees for election as directors. Messrs. Bronson, Wolenski, Leder and Wallis currently serve as directors of Qualstar and were all elected to the Board at the 2013 Annual Meeting of Shareholders. Each of these nominees was recommended to the Board by the Nominating and Governance Committee and was approved by the Board. The recommendation of the Board is based on its carefully considered judgment that the experience, record and qualifications of each of its nominees make them the best candidates to serve on the Board. We believe that these five nominees, with their breadth of relevant and diverse experience, represent the best interests of our shareholders and that the five nominees recommended by the Board should be elected.

The nominees of the Board have consented to serving as nominees for election to the Board, to being named in this Proxy Statement and to serving as members of the Board if elected by Qualstar's shareholders. As of the date of this Proxy Statement, Qualstar has no reason to believe that any nominee will be unable or unwilling to serve if elected as a director. However, if for any reason a nominee becomes unable to serve or for good cause will not serve if elected, the Board upon the recommendation of its Nominating and Governance Committee may designate substitute nominees, in which event the shares represented by proxies returned to us will be voted for such substitute nominees. If any substitute nominees are so designated, we will file an amended proxy statement that, as applicable, identifies the substitute nominees, discloses that such nominees have consented to being named in the amended proxy statement and to serve as directors if elected, and includes certain biographical and other information about such nominees required by the applicable rules promulgated by the SEC.

The accompanying **WHITE** proxy card will not be voted for more than five candidates or for anyone other than the Board's nominees or designated substitutes. Unless otherwise instructed, the persons named in the accompanying proxy will vote to elect Steven N. Bronson, David J. Wolenski, Sean M. Leder, Dale E. Wallis and Nick Yarymovych to the Board, unless, by marking the appropriate space on the **WHITE** proxy card, the shareholder instructs that he, she or it withholds authority from the proxy holder to vote.

The following table provides information regarding Qualstar's nominees, their ages, the year in which each first became a director of Qualstar, their principal occupations or employment during the past five years, directorships held with other public companies at any time during the past five years, and other biographical data. Included in the biography of each nominee is a description of the particular experience, qualifications, attributes or skills that led the Board to conclude that the nominee should serve as a director of Qualstar.

CORPORATE GOVERNANCE

Director Independence

Our Board has determined that all of our directors satisfy the current “independent director” standards established by rules of The NASDAQ Stock Market, Inc. (“NASDAQ”). Each director serving on the Audit Committee of our Board also meets the more stringent independence requirements established by Securities and Exchange Commission rules applicable to audit committees. Our Board has determined that no director has a relationship that would interfere with the exercise of independent judgment in carrying out his responsibilities as a director. There are no family relationships among any of the directors or executive officers of the Company.

Board of Directors and Committee Meetings

During the fiscal year ended June 30, 2013, our Board of Directors met 19 times and the committees of our Board held a total of 17 meetings. Each incumbent director attended at least 100% of the aggregate of all meetings of the Board of Directors and the committees of the Board, if any, on which he served during fiscal 2013.

The independent directors meet in executive session on a regular basis without any management directors or employees present.

In accordance with our Corporate Governance Guidelines, which our previous Board adopted on April 26, 2013, directors are expected to attend annual meetings of shareholders. A copy of our Corporate Governance Guidelines is available in the investors section of the Company’s website at www.Qualstar.com.

Committees of the Board

Our Board has three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee.

The Audit Committee

The Audit Committee is comprised solely of non-employee directors who satisfy current NASDAQ standards with respect to independence, financial expertise and experience. During the fiscal year ended June 30, 2013, the members of the Audit Committee were: Carl W. Gromada, Stanley W. Corker and Robert A. Meyer, with Mr. Gromada serving as the Chairman. On February 11, 2013, Allen H. Alley replaced Mr. Corker on the Audit Committee. At that time the Board of Directors determined that Mr. Gromada and Mr. Meyer met the Securities and Exchange Commission definition of “audit committee financial expert.”

The Audit Committee has a written charter that specifies its responsibilities, which include oversight of the financial reporting process and system of internal accounting controls of Qualstar, and appointment and oversight of the independent public accountants engaged to audit Qualstar’s financial statements. A copy of our Audit Committee Charter is available in the investors section of Qualstar’s website at www.Qualstar.com.

The Audit Committee held 9 meetings during fiscal 2013. To ensure independence, the Audit Committee also meets separately with our independent public accountants apart from meeting with members of management.

The Company held its 2013 Annual Meeting of Shareholders on June 28, 2013, the last business day of fiscal year 2013. At the Annual Meeting the shareholders of the Company elected a new Board of Directors that took office on the afternoon of June 28, 2013. At its initial meeting, on June 28, 2013, the new Board of Directors appointed the current members of the Audit Committee, which are Dale E. Wallis, David J. Wolenski and Alan B. Howe, with Mr. Wallis serving as Chairman. Our Board of Directors has determined that Mr. Wallis and Mr. Wolenski meet the Securities and Exchange Commission’s definition of “audit committee financial expert.”

The Compensation Committee

The Compensation Committee is comprised solely of non-employee directors who satisfy current NASDAQ standards with respect to independence. During the fiscal year ended June 30, 2013, the members of the Compensation Committee were: Stanley W. Corker, Carl W. Gromada and Robert A. Meyer, with Mr. Corker serving as the Chairman. On February 11, 2013, Daniel C. Molhoek replaced Mr. Gromada on the Compensation Committee.

The Compensation Committee reviews and recommends the salaries and bonuses of our executive officers, establishes compensation and incentive plans for our executive officers, and determines other fringe benefits. The Compensation Committee also evaluates the Company’s compensation plans and practices in order to determine that they do not create excessive or unnecessary risks for the Company. The Compensation Committee held 7 meetings during fiscal 2013.

The Compensation Committee meets with Qualstar's Chief Executive Officer and other senior executives in order to obtain recommendations with respect to Qualstar's compensation programs and practices for executives and other employees. Management discusses with the Compensation Committee the practices that have been put in place to identify and mitigate, as necessary, potential risks. The Compensation Committee takes management's recommendations into consideration, but is not bound by management's recommendations with respect to executive compensation. The Compensation Committee annually reviews and recommends for approval to the full Board all elements of compensation of Qualstar's Chief Executive Officer, and reviews, counsels, and makes recommendations regarding the compensation elements of other senior executives. The Compensation Committee also approves equity awards to all employees of Qualstar. A copy of our Compensation Committee Charter is available in the investors section of the Company's website at www.Qualstar.com.

The Company held its Annual Meeting of Shareholders on June 28, 2013, the last business day of fiscal year 2013. At the Annual Meeting the shareholders of the Company elected a new Board of Directors that took office on the afternoon of June 28, 2013. At its initial meeting, the new Board of Directors appointed the current members of the Compensation Committee, which are David J. Wolenski and Sean M. Leder, with Mr. Wolenski serving as Chairman. Accordingly, the current Compensation Committee had no input or oversight of the Company's compensation of executive officers during fiscal year 2013.

The Nominating and Governance Committee

The Nominating and Governance Committee is comprised solely of independent directors and during fiscal 2013 was comprised of Messrs. Corker, Gromada, Meyer and Rich, with Mr. Meyer serving as Chairman. The Nominating Committee held 6 meetings during fiscal 2013.

The role of the Nominating and Governance Committee, as set forth in its charter, is to develop and recommend to the Board corporate governance guidelines applicable to Qualstar, assist the Board by identifying, evaluating and recommending candidates for election to the Board, and recommending Board members to serve on each committee of the Board. A copy of our Nominating and Governance Committee Charter is available in the investors section of Qualstar's website at www.Qualstar.com.

The guidelines and procedures for identifying and evaluating nominees for election to the Board are set forth in the charter of the Nominating and Governance Committee. In general, persons considered for nomination to the Board must have demonstrated outstanding achievement, integrity and judgment and such other skills and experience as will enhance the Board's ability to serve the long-term interests of Qualstar and our shareholders, and must be willing and able to devote the necessary time for Board service. To comply with regulatory requirements, a majority of Board members must qualify as independent directors under NASDAQ rules, and at least one Board member must qualify as an "audit committee financial expert" under rules promulgated by the SEC. In order to qualify for nomination or renomination for election to the Board, a candidate must also comply with all applicable provisions of Qualstar's

bylaws as amended and restated.

The Nominating and Governance Committee considers potential candidates recommended by current directors, company officers, employees and others, and will consider candidates recommended by shareholders for consideration as director nominees. Our charter makes no distinction between whether a director nominee is recommended by a shareholder or by management. Although we have not received any recommendations for director nominees from shareholders, we expect that the Committee would apply the same process and criteria in evaluating a shareholder recommendation as it would for a management recommendation. A shareholder wishing to recommend a candidate for nomination to the Board should send a letter to our Corporate Secretary at 3990-B Heritage Oak Court, Simi Valley, California 93063. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications. At a minimum, candidates recommended for election to the Board must meet the independence standards established by NASDAQ and the criteria set forth above.

The Company held its Annual Meeting of Shareholders on June 28, 2013, the last business day of fiscal year 2013. At the Annual Meeting the shareholders of the Company elected a new Board of Directors that took office on the afternoon of June 28, 2013. At its initial meeting, the new Board of Directors dissolved the Nominating and Governance Committee. On February 18, 2014, the new Board of Directors authorized and approved the formation of the Nominating and Governance committee and the new Board of Directors appointed the current members of the Nominating and Governance Committee, which are Messrs. Wolenski and Leder.

Board Leadership Structure and the Role of the Board in the Oversight of Risk Management

Our Board is involved in overseeing the management of risks that face our company. Historically, potential risks have been considered by the full Board as they became apparent, such as in connection with potential acquisitions, as new business opportunities are evaluated, or with day-to-day operational issues. Our Audit Committee focuses on risks related to financial information systems and financial reporting, regularly reports to the full Board regarding its activities and any specific risks that merit attention by the full Board. Our Compensation Committee has oversight responsibility regarding risks related to the Company's compensation policies and practices.

Shareholder Communications with the Board

Shareholders wishing to communicate with the Board of Directors or with an individual Board member concerning Qualstar may do so by writing to the Board or to the particular Board member, and mailing the correspondence to: Attention: Corporate Secretary, Qualstar Corporation, 3990-B Heritage Oak Court, Simi Valley, California 93063. The envelope should indicate that it contains a shareholder communication.

All correspondence received is opened and screened for security purposes and is then entered into a log for tracking purposes. Qualstar's Corporate Secretary reviews such correspondence and provides the Board at each of its meetings with a summary of all such correspondence and a copy of any correspondence that, in the opinion of the Corporate Secretary, deals with the functions of the Board or the standing committees of the Board or that otherwise requires their attention. The Corporate Secretary will not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic. Correspondence relating to accounting, internal controls or auditing matters will be handled in accordance with procedures established by the Audit Committee with respect to such matters.

Code of Business Conduct and Ethics

The Board has adopted a Code of Business Conduct and Ethics that applies to our chief executive officer, chief financial officer, controller and persons performing similar functions. A copy of the Code of Business Conduct and Ethics is available in the investors section of Qualstar's website at www.Qualstar.com, and a copy also may be obtained at no charge by written request to the attention of the Corporate Secretary at 3990-B Heritage Oak Court, Simi Valley, California 93063.

Section 16(a) Beneficial Ownership Reporting Compliance

Officers, directors and greater than ten percent shareholders are required by SEC regulations to furnish Qualstar with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of Section 16(a) reports furnished to us and written representations that no other reports were required during the fiscal year ended June 30, 2013, our officers, directors and greater than ten percent beneficial owners complied with all Section 16(a) filing requirements.

COMPENSATION DISCUSSION AND ANALYSIS

This section contains a discussion of the material elements of compensation awarded to, earned by, or paid to our principal executive officer, our principal financial officer, and our other executive officers who were serving as executive officers of Qualstar at June 30, 2013. These individuals are identified in the Summary Compensation Table and other compensation tables that follow this section, and are referred to throughout this report as our “named executive officers.”

Our Board of Directors has a standing Compensation Committee, which is comprised solely of nonemployee directors who satisfy current NASDAQ standards with respect to independence.

During the fiscal year ended June 30, 2013, the members of the Compensation Committee were: Stanley W. Corker, Carl W. Gromada and Robert A. Meyer, with Mr. Corker serving as the Chairman. On February 11, 2013, Daniel C. Molhoek replaced Mr. Gromada on the Compensation Committee.

The Company held its Annual Meeting of Shareholders on June 28, 2013, the last business day of fiscal year 2013. At the Annual Meeting the shareholders of the Company elected a new Board of Directors that took office on the afternoon of June 28, 2013. At its initial meeting, the new Board of Directors appointed the current members of the Compensation Committee, which are David J. Wolenski and Sean M. Leder, with Mr. Wolenski serving as Chairman. Accordingly, the current Compensation Committee had no input or oversight of the Company’s compensation of executive officers during fiscal year 2013.

The Compensation Discussion and Analysis below is a discussion of the material elements of compensation awarded to, earned by, or paid to our principal executive officer, our principal financial officer, and our other executive officers who were serving as executive officers of Qualstar at June 30, 2013, by the prior Compensation Committee and prior Board of Directors.

Executive Summary and Overview of Fiscal 2013 Compensation

Our Company’s long-term success depends on our ability to fulfill the expectations of our customers in a competitive environment and deliver value to shareholders. To achieve these goals, it is critical that we are able to attract, motivate, and retain highly talented individuals at all levels of the organization that are committed to Qualstar’s values

and objectives.

Qualstar strives to provide compensation that is (a) linked to shareholder value creation, (b) reflective of the overall performance of Qualstar and each individual executive, and (c) considerate of the competitive market levels of compensation needed to recruit, retain and motivate top executive talent, while remaining consistent with the other objectives.

Compensation Philosophy and Objectives

Qualstar's executive compensation program is based on the same objectives that guide Qualstar in establishing all of its compensation programs:

Compensation fosters the long-term focus required for Qualstar's success. In general, the compensation of Company executives includes longer-term incentives because they are in a greater position to influence longer-term results.

Compensation reflects the level of job responsibility, individual performance, and Company performance. As employees progress to higher levels in the organization, an increasing proportion of their pay should be linked to Company performance and shareholder returns because those employees are more able to affect Qualstar's results.

Compensation reflects the value of the job in the marketplace. To attract and retain a highly skilled work force, we must remain competitive with the pay of other premier employers who compete with us for talent.

While compensation programs and individual pay levels will always reflect differences in job responsibilities, geographies and marketplace considerations, the overall structure of the compensation and benefit programs should be broadly similar and equitable across the organization.

Overview of Executive Compensation Program

The Compensation Committee

The Compensation Committee has responsibility for establishing, implementing and monitoring adherence to Qualstar's compensation philosophy. Accordingly, the Compensation Committee strives to develop and maintain competitive, progressive programs that attract, retain and motivate high-caliber employees, foster teamwork, and maximize the long-term success of Qualstar by appropriately rewarding our employees for their achievements. The Compensation Committee evaluates risks and rewards associated with Qualstar's overall compensation philosophy and structure.

Role of Executive Officers in Compensation Decisions

The Compensation Committee meets with Qualstar's Chief Executive Officer and other senior executives in order to obtain recommendations with respect to Qualstar's compensation programs and practices for executives and other employees. Management discusses with the Compensation Committee the practices that have been put in place to identify and mitigate, as necessary, potential risks. The Chief Executive Officer annually reviews the performance of each executive officer, other than himself. The Chief Executive Officer's performance is reviewed annually by the Compensation Committee.

With support from market compensation data, performance reviews and other information, management makes recommendations to the Compensation Committee on the base salaries, bonus targets and equity compensation for the executive officers and other employees. The Compensation Committee takes management's recommendations into consideration, but is not bound by management's recommendations with respect to executive compensation.

While management attends certain meetings of the Compensation Committee, the Compensation Committee also holds executive sessions not attended by any members of management or by non-independent directors. The Compensation Committee makes all compensation decisions in respect of the executive officers and approves recommendations regarding equity awards to all employees of the Company.

Executive Officer Compensation Elements

For fiscal year 2013, the principal components of compensation for named executive officers were: (1) Base Salary, (2) Performance-Based Incentive Compensation, (3) Long-Term Equity Incentive Compensation, (4) Personal Benefits, and (5) Other Compensation. In determining the amount and relative allocation among each component of compensation for each named executive officer, the Compensation Committee considered, among other factors, the Company's and each executive officer's experience level and historical performance, compensation paid by companies comparable in size to Qualstar, data obtained from management's recruitment activities, historical rates of executive compensation, Company revenues and profitability, and alignment with the Company's overall compensation philosophy.

Base Salary

Base salaries are set at levels that the Compensation Committee deems to be sufficient to attract and retain highly talented executive officers capable of fulfilling the Company's key objectives. Base salaries are also set with the goal of rewarding executive officers on a day-to-day basis for their time and services while encouraging them to strive for performance-based and long-term incentives.

The table below shows the base salary established by the Compensation Committee for each of our named executive officers for fiscal years 2013 and 2014, and the percentage change compared to the prior fiscal year. Salary adjustments typically do not coincide with the beginning of the fiscal year, so the amounts shown below may differ from those shown in the Fiscal 2013 Summary Compensation Table.

Performance-Based Incentive Compensation

In accordance with the terms of his employment agreement, Mr. Firestone was awarded a bonus of \$154,500 for the fiscal year ended June 30, 2013. This was reduced by the amount of his previously paid bonus of \$75,000, and his commuting expenses of \$34,500.

The payment of the above performance-based incentive compensation was authorized by the prior Compensation Committee and the prior Board of Directors. The current Compensation Committee and the current Board of Directors did not authorize or approve the granting or payment of any of the above performance-based incentive compensation.

In connection with the appointment of Steven N. Bronson as our Chief Executive Officer and President on July 3, 2013, the current Compensation Committee determined that Mr. Bronson would be eligible for an incentive bonus during fiscal year 2014 based on the achievement of certain goals and objectives established by the Board of Directors. Goals and objectives initially established for Mr. Bronson relate to revitalization of the Company's operations and achievement of financial performance targets, with a potential target incentive bonus of 50% of his base salary.

Long-Term Equity Incentive Compensation

Our 2008 Stock Incentive Plan authorizes the Company to grant stock options to purchase, in the aggregate, up to 500,000 shares of our common stock. This plan was adopted by our Board of Directors in November 2008 and approved by our shareholders in March 2009. Under the plan, the exercise price of stock options must be no less than the closing price of our common stock on the date of grant. It is our policy to grant stock options only at duly held meetings of our Board of Directors, with an exercise price equal to the closing price of our common stock on the date

of the Board meeting.

Stock options are granted to executive officers as long-term incentives in order to align executives' performance with the interests of the Company's stockholders and also to encourage retention. In 2013, the Compensation Committee determined an equity incentive compensation target for each executive officer after consideration of individual performance and accomplishments, future Company performance, performance goals, and other elements of the executives' compensation. Stock options awarded to executive officers during fiscal year 2013 are set forth in the table below entitled "Grants of Plan-Based Awards in Fiscal Year 2013."

Personal Benefits

As employees, the executives were eligible to participate in health and welfare benefits, as offered to our general workforce, designed to attract and retain a skilled workforce in a competitive marketplace. These benefits help ensure that the Company has a healthy and focused workforce through reliable and competitive health and other personal benefits. These benefits were considered in relation to the total compensation package, but did not materially impact decisions regarding other elements of executive officer compensation.

Other Compensation

The Company was party to an employment agreement with Mr. Firestone that provided that Mr. Firestone would be employed by the Company for an initial term beginning on June 1, 2012 (the "Start Date") through June 30, 2013, which term would be automatically renewed for one year unless the Company provided written notice of non-renewal by March 31, 2013. Mr. Firestone's employment agreement specified his base salary at the rate of \$300,000 per year during the initial term, which would be increased to \$350,000 per year beginning July 1, 2013 unless the Company provided written notice of non-renewal of Mr. Firestone's employment agreement by March 31, 2013, as well as a potential target incentive bonus of 100% of his base salary as described above under the caption entitled "Performance-Based Incentive Compensation." In accordance with other terms of Mr. Firestone's employment agreement, the Company paid to him during fiscal year 2013 a signing bonus of \$75,000 and reimbursed \$34,500 in commuting and temporary housing expenses.

Mr. Firestone's employment agreement further provided that if he was terminated by the Company without cause or if he resigned for good reason, he would receive his accrued compensation and, subject to certain conditions, a lump sum payment of an amount equal to his then current base salary for 18 months. The employment agreement also provided that if Mr. Firestone was terminated by the Company without cause or if he resigned for good reason within 12 months of a change in control, he would receive his accrued compensation and severance benefits which include, subject to certain conditions, (1) a lump sum payment of an amount equal to his then current base salary for 18 months; (2) payment of COBRA premiums for 18 months; (3) a lump sum payment equal to 100% of his target incentive bonus for his then current term, prorated as of his termination date, plus an additional 12 months target incentive bonus; and (4) accelerated vesting of all his then unvested stock options. "Cause" includes, among other acts, any act of fraud, embezzlement or dishonesty which materially adversely affects the business of the Company or any successor entity, any unauthorized use or disclosure of confidential information or trade secrets of the Company, any material act or omission involving malfeasance or gross negligence in the performance of the executive's duties and any material deviation from any of the Company's or a successor entity's policies. "Good reason" includes, among other acts, a demotion or material reduction in responsibility level, a decrease in level of his compensation by more than ten percent (10%), and a relocation of more than 30 miles from the executive's current work place.

A "change of control" is defined in Mr. Firestone's employment agreement as an acquisition by any person of beneficial ownership of 50% or more of the Company's voting stock, certain mergers or other business combinations involving the Company, the sale of all or substantially all of the Company's assets, the approval by the Company's stockholders of a liquidation or dissolution of the Company, or if, during any period of 12 consecutive months, a majority of the Board of Directors is replaced by individuals who were not approved by a vote of at least a majority of the directors then still in office who were directors at the beginning of the period. A copy of the employment agreement with Mr. Firestone is filed as an exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2012.

On July 3, 2013, the Board of Directors authorized the termination of Mr. Firestone's employment agreement for cause. On July 9, 2013, Mr. Firestone was informed that he was terminated for cause. On July 11, 2013, the Company filed a lawsuit in the Superior Court of the State of California, County of Los Angeles, and assigned case number BC514889, against Mr. Firestone alleging, among other things, that Mr. Firestone breached his duties owed to the Company. On September 18, 2013, Qualstar filed an amended complaint against former CEO Lawrence D. Firestone and others for breach of fiduciary duty, breach of duty of loyalty, breach of duty of care, and the commission of corporate waste that is currently pending in the Superior Court of the State of California, County of Los Angeles. The lawsuit is entitled: *Qualstar Corporation v. Lawrence D. Firestone, Stanley Corker, Carl W. Gromada, Robert A. Meyer, Robert Rich, Daniel Molhoek, Allen Alley, Gerald Laber, Steven Wagner and Does 1 through 10, inclusive*, and assigned Case No. BC 514889. Qualstar is seeking to enjoin the payment of Lawrence D. Firestone's severance package and the recovery of monetary damages to be proven at trial. On April 17, 2014, Defendant Lawrence D. Firestone filed a cross-complaint against Qualstar for wrongful termination of employment in breach of contract, employer's breach of the implied covenant of good faith and fair dealing, breach of contract, and conversion. Also on April 17, 2014, Qualstar voluntarily withdrew its claims against Defendant Gerald Laber, without prejudice. On April 18, 2014, the Court denied motions filed by the remaining Defendants that had been seeking the dismissal of all causes of action against all Defendants.

Under Section 162(m) of the Internal Revenue Code, we generally receive a federal income tax deduction for compensation paid to any of our named executive officers only to the extent total compensation does not exceed \$1.0 million during any fiscal year or if it is “performance-based” under Section 162(m). During fiscal year 2013, none of the executive officers of the Company had non-performance-based compensation in excess of \$1,000,000.

Based on the review and discussions, the Compensation Committee has recommended to the Board that the Compensation Discussion and Analysis be included in this report.

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

We believe that our compensation programs have been appropriately designed to attract and retain talent and properly incentivize our employees. To the extent our compensation programs provide for incentive-based compensation, these programs are designed to pay for performance and, thus, encourage only appropriate risk-taking. These programs are also subject to funding caps and oversight of the Compensation Committee and various functional departments of the Company to ensure that our employees, including our executive officers, are not encouraged to take excessive or unnecessary risks in managing our business. As a result, we believe that our compensation programs are not likely to create excessive risks that would have a materially adverse effect on the Company.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Board of Directors has a standing Compensation Committee. During the fiscal year ended June 30, 2013, the members of the Compensation Committee were: Stanley W. Corker, Carl W. Gromada and Robert A. Meyer, with Mr. Corker serving as the Chairman. On February 11, 2013, Daniel C. Molhoek replaced Mr. Gromada on the Compensation Committee. The Company held its Annual Meeting of Shareholders on June 28, 2013, the last business day of fiscal year 2013. At the Annual Meeting the shareholders of the Company elected a new Board of Directors that took office on the afternoon of June 28, 2013. At its initial meeting the new Board of Directors appointed new members to the Compensation Committee. The current members of the Compensation Committee are David J. Wolenski and Sean M. Leder, with Mr. Wolenski serving as Chairman. Accordingly, the current Compensation Committee had no input or oversight of the Company's compensation of executive officers during fiscal year 2013. No member of the Compensation Committee is, or was during fiscal year 2013, an employee or officer of Qualstar.

During the fiscal year ended June 30, 2013, none of our executive officers:

served as a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire the board of directors) of another entity, one of whose executive officers served as a member of our board of directors;

served as a director of another entity, one of whose executive officers served as a member of our board of directors;
or

served as a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire the board of directors) of another entity, one of whose executive

officers served as a member of our board of directors.

(2) The amounts shown in this column represent the amount of cash compensation earned in fiscal year 2013 for service on the Board of Directors and any committees of the Board, which the director was a member in fiscal 2013.

(3) Stock options granted to our directors typically vest over four years at the rate of 25% of the shares as of each anniversary of the date of grant.

(5) Mr. Rich resigned from the Board effective September 24, 2012.

(6) Mr. Firestone was CEO of the Company and consequently received no additional compensation for his services as a Board Member.

During the fiscal year ended on June 30, 2013, each of our non-employee directors received \$1,000 for each Board meeting attended in person as compensation for his service on the Board, and is reimbursed for expenses incurred in connection with attendance at meetings of the Board and any committees on which he serves. Directors who serve on the Audit Committee of our Board receive an additional fee of \$500 per meeting if the Audit Committee meeting is held in conjunction with a meeting of the full Board, and \$1,000 per meeting if held on a day when the full Board does not meet. Directors who serve on the Compensation Committee of our Board receive an additional fee of \$500 for attending meetings of that committee that are held on a day when the full Board does not meet. An attendance fee of \$250 per meeting is paid for telephonic meetings of the full Board or of a committee on which a director is a member. No fees were paid for service on the Board to directors who are employees of Qualstar.

Directors are eligible to receive stock options under our 2008 Stock Incentive Plan. During the fiscal year ended June 30, 2013, Allen Alley, Daniel Molhoek and Gerald Laber were each granted options to purchase 24,000 shares of Qualstar common stock.

Potential Benefits Upon Termination or a Change in Control

Stock options granted under our 2008 Stock Incentive Plan and our 1998 Stock Incentive Plan provide that upon certain circumstances in the event of or following a change in control of Qualstar, the unvested portion of such stock options will accelerate and become immediately vested in full. In general, a change in control is deemed to occur if we were to sell substantially all of our assets or if Qualstar were to merge into, consolidate with or enter into reorganization with another entity in a transaction in which Qualstar is not the surviving corporation.

If a change in control occurs and the acquiring entity does not assume and continue the employee's rights under the unvested stock options, then all unvested stock options will accelerate and vest in full upon the occurrence of the change in control. If the acquiring entity does assume the employee's rights under the unvested stock options, but the employee's employment subsequently is terminated without cause, or if the employee resigns for good reason after the change in control, then all unvested stock options held by the employee would accelerate and vest in full as of the date of termination.

The reasons for which an employee may voluntarily resign and trigger acceleration of vesting include a change in the employee's position which materially reduces his or her duties and responsibilities or the level of management to which the employee reports, a reduction in the employee's level of compensation and benefits by more than 15 percent, or a relocation of employee's principal place of employment by more than 30 miles without his or her consent.

The following table sets forth information regarding the estimated amounts that each named executive officer would have realized in the event that a change in control of Qualstar had occurred, all unvested stock options had accelerated and become immediately vested in full and, in the case of Mr. Firestone, his employment was terminated without cause or he resigned for good reason, as of June 30, 2013:

Estimated Benefits at 2013 Fiscal Year End in the Event of a Change in Control (2)

Name	Option Awards (1)	Severance	Target Bonus	COBRA
Lawrence D. Firestone	0	\$450,000	\$600,000	\$31,170

(1) The amounts in this column represent the aggregate gain each named executive officer would have realized if all unvested stock options that were held by him or her on June 30, 2013 accelerated and became immediately vested in full on that date. The amount of gain was calculated based on the difference between the exercise price of each unvested option and the closing price of our common stock on that date, which was \$1.40 per share.

(2) In the case of Mr. Firestone, the amounts below reflect the benefits he would have been owed in the event that his employment was terminated without cause or he resigned for good reason, as of June 30, 2013. Under the terms of the employment agreement between the Company and Mr. Firestone, "cause" includes, among other acts, any act of fraud, embezzlement or dishonesty which materially adversely affects the business of the Company or any successor entity, any unauthorized use or disclosure of confidential information or trade secrets of the Company, any material act or omission involving malfeasance or gross negligence in the performance of the executive's duties and any material deviation from any of the Company's or a successor entity's policies. "Good reason" includes, among

other acts, a demotion or material reduction in responsibility level, a decrease in level of his compensation by more than ten percent (10%), and a relocation of more than 30 miles from the executive's current work place.

Transactions with Related Persons

Mr. Robert E. Rich, who served as a member of our Board of Directors from January 2000 until September 24, 2012, is a shareholder in the law firm of Stradling Yocca Carlson & Rauth, which has provided legal services to Qualstar since 1984. During the fiscal year ended June 30, 2013 Qualstar paid \$338,000 to this law firm for general business purposes and \$316,000 for legal services provided in connection with the proxy contest related to the special meeting of shareholders held on June 27, 2012.

In accordance with the charter of the Audit Committee of our Board of Directors, the Audit Committee is responsible for reviewing any proposed transaction with any related person which involves a potential conflict of interest or for which approval is required under applicable Securities and Exchange Commission and NASDAQ rules. Currently, this review and approval requirement applies to any transaction to which Qualstar will be a party, in which the amount involved exceeds \$120,000, and in which any of the following persons will have a direct or indirect material interest: (a) any of our directors or executive officers, (b) any nominee for election as a director, (c) any security holder who is known to us to own of record or beneficially more than five percent of our common stock, or (d) any member of the immediate family of any of the persons described in the foregoing clauses (a) through (c).

In the event that management becomes aware of any related person transaction, management will present information regarding the proposed transaction to the Audit Committee for review. Approval of a transaction with a related person requires the affirmative vote of a majority of the members of the Audit Committee or of a majority of the members of the full Board of Directors. If the related person transaction involves a member or members of the Board, approval requires a majority vote of the directors who do not have a financial interest in the transaction.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

This report is submitted by the Audit Committee members who served on the committee during the fiscal year ended June 30, 2013.

The Audit Committee of the Board of Directors is composed solely of non-employee directors who satisfy the current NASDAQ requirements with respect to independence, financial expertise and experience. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, a copy of which is available in the investors section of Qualstar's website at www.Qualstar.com.

The Board of Directors has the ultimate authority for effective corporate governance, including oversight of the management of Qualstar. The Audit Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities by overseeing the accounting and financial reporting processes of Qualstar, the audit of Qualstar's consolidated financial statements, the qualifications and performance of the independent registered public accounting firm engaged as Qualstar's independent auditor, and Qualstar's internal control over financial reporting.

The Committee relies on the expertise and knowledge of management and the independent auditor in carrying out its oversight responsibilities. Management is responsible for the preparation, presentation, and integrity of our consolidated financial statements, accounting and financial reporting principles, internal control over financial reporting, and disclosure controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Management is responsible for objectively reviewing and evaluating the adequacy, effectiveness and quality of our system of internal control. Qualstar's independent auditor is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

The Audit Committee fulfilled its duties and responsibilities during fiscal 2013 and with respect to the financial statements for the fiscal year ended June 30, 2013, as outlined in the Committee's charter. Among other actions, the Committee:

• reviewed and discussed our quarterly consolidated financial statements and related periodic reports filed with the SEC, with management and the independent auditor,

- reviewed with management and the independent auditor the audit scope and plans,

- inquired about the adequacy of Qualstar's internal controls,
