QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

Pursuant to the rules of the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the Internet. We believe that by electing to provide access to our proxy materials over the Internet, we will reduce the amount of natural resources used in connection with the distribution of our proxy materials and our Annual Meeting. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our shareholders of record and beneficial owners. All shareholders will have the ability to access the proxy materials on a website referred to in the Notice or request to receive by mail a printed set of the proxy materials, at no charge. Shareholders who have already requested to receive paper copies of our proxy materials will receive a full set of our proxy materials, including our proxy card, in the mail and will not receive the Notice.

You may request that a copy of the proxy materials be sent to you at no charge by sending a written request to Adir Katzav, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022, telephone (212) 785-2500. You may also indicate a preference for receiving an electronic or paper copy of proxy materials for future shareholder meetings by notification to the same address or by following the instructions on the website referred to in the Notice.

Why didn't I receive a Notice in the mail?

We are providing shareholders who have previously requested to receive paper copies of the proxy materials with paper copies instead of a Notice.

We are providing a Notice e-mail to those shareholders who have previously elected delivery of the proxy materials electronically. Those shareholders should have received an e-mail containing a link to the website where our proxy materials are available and a link to the proxy voting website.

Why am I receiving these proxy materials?

Our Board of Directors has made these proxy materials available to you on the Internet, or, upon your request, has delivered printed versions to you by mail, in connection with the Board of Directors' solicitation of proxies for use at the Annual Meeting. You are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement.

What is included in these proxy materials?

These materials include:

Our proxy statement for the Annual Meeting; and

Our 2014 Annual Report to Shareholders, which includes our audited consolidated financial statements for the fiscal year ended December 31, 2014.

If you request printed versions of these proxy materials by mail, these materials will also include the proxy card for the Annual Meeting.

How can I get electronic access to the proxy materials?

Your Notice of Internet Availability of Proxy Materials or proxy card will contain instructions on how to:

View our proxy materials for the Annual Meeting on the Internet; and

Instruct us to send our future proxy materials to you electronically by e-mail.

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will be asked to consider and vote upon the following matters:

the election of seven Directors to hold office until the 2016 Annual Meeting of Shareholders;

the ratification of the appointment of Deloitte & Touche s LLP as the Company's independent registered public accounting firm for the Company's fiscal year 2015; and

approval, on an advisory basis, of the Company's executive compensation.

Shareholders will also be asked to consider and vote at the Annual Meeting on any other matter that may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting. At this time, the Company's Board of Directors is unaware of any matters, other than those set forth above, that may properly come before the Annual Meeting.

Who is entitled to vote at the Annual Meeting?

The Board of Directors has fixed the close of business on October 21, 2015 as the record date (the "Record Date") for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. Only shareholders of record at the close of business on that date will be entitled to vote at the Annual Meeting or any adjournments or postponements thereof. As of the Record Date, Eagle Bulk Shipping had 38,232,054 shares of common stock outstanding and entitled to vote.

How many votes do I have?

Each share of common stock outstanding on the Record Date will be entitled to one vote on each matter submitted to a vote of the shareholders, including the election of Directors. Cumulative voting by shareholders is not permitted.

What are the Board of Directors' voting recommendations?

The Board of Directors recommends that you vote:

(1) “**FOR**” the nominees of the Board of Directors in the election of Directors;

(2) “**FOR**” the ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the Company’s fiscal year 2015; and

(3) “**FOR**” the proposal regarding an advisory vote on executive compensation.

How can I vote my shares?

You can vote either in person at the Annual Meeting or by proxy whether or not you attend the Annual Meeting. You can vote by proxy as follows:

by mail – If you are a shareholder of record and you requested to receive paper copies of our proxy materials by mail, you may submit your proxy by dating and signing the proxy card that is included in the paper proxy materials that will be mailed to you on or around November 6, 2015 and mailing it in the enclosed, postage paid envelope or, if you are a beneficial owner of shares held in street name, you may submit your proxy by filling out the voting instruction form provided by your broker, trustee or other nominee, and mailing it in the enclosed, postage paid envelope. Votes submitted by written proxy must be received by 5:00 p.m. local time on the day before the Annual Meeting.

by telephone or by Internet – If you have telephone or Internet access, you may submit your proxy via our electronic voting platform at <http://www.proxyvote.com> or submit a proxy by telephone at 1-800 690-6903 until 11:59 p.m. local time on the day before the Annual Meeting by following the instructions provided in the Notice, or if you received a printed version of our proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction form.

If your shares are held in the name of a bank, broker or other nominee, you will receive instructions from the holder of record that you must follow for your shares to be voted. Please follow their instructions carefully.

If you attend the Annual Meeting, you may vote in person, even if you have previously submitted a proxy. If you require directions to attend the meeting, please send a written request to Adir Katzav, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022, telephone (212) 785-2500.

What do I need to bring to be admitted to the Annual Meeting?

If you plan to attend the Annual Meeting in person, please arrive at least 30 minutes before the meeting begins in order to check in with security, where you will be asked to present valid picture identification such as a driver's license or passport. In addition, if your shares are held in the name of your broker, trustee or other nominee and you wish to attend the Annual Meeting, you must bring an account statement or letter from the broker, trustee or other nominee indicating that you were the owner of the shares as of the Record Date.

How may I vote my shares in person at the Annual Meeting?

If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered, with respect to those shares, the shareholder of record. As the shareholder of record, you have the right to vote in person at the Annual Meeting. If your shares are held in a brokerage account or by another nominee or trustee, you are considered the beneficial owner of shares held in street name. As the beneficial owner, you are also invited to attend the Annual Meeting. Since a beneficial owner is not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a "legal proxy" from your broker, trustee or other nominee that holds your shares, giving you the right to vote the shares at the meeting.

If I am the beneficial owner of shares held in "street name" by my broker, will my broker automatically vote my shares for me?

Rules applicable to broker-dealers grant your broker discretionary authority to vote your shares without receiving your instructions on certain "routine" matters, including the ratification of the independent registered public accounting firm. The proposal to elect seven Directors, the advisory vote on executive compensation, and any other business property presented at the Annual Meeting are non-routine matters. As a result, your broker does not have discretionary authority to vote your shares on these matters on your behalf without receiving specific voting instructions from you.

How will my voting instructions be treated?

If you provide specific voting instructions, your shares will be voted as instructed.

If you hold shares as the shareholder of record and sign and return a proxy card or vote by telephone or Internet without giving specific voting instructions, then your shares will be voted as recommended by our Board of Directors.

If you are the beneficial owner of shares held through a broker, trustee or other nominee, and you do not give instructions to that nominee on how you want your shares voted, then generally your nominee can vote your shares on certain “routine” matters. At our Annual Meeting, only Proposal No. 2 is considered routine, which means that your broker, trustee or other nominee can vote your shares on Proposal No. 2 if you do not timely provide instructions to vote your shares.

If you are the beneficial owner of shares held through a broker, trustee or other nominee, and that nominee does not have discretion to vote your shares on a particular proposal and you do not give your broker instructions on how to vote your shares, then the votes will be considered broker non-votes. A broker “non-vote” will be treated as unvoted for purposes of determining approval for the proposal and will have the effect of neither a vote for nor a vote against the proposal.

What is a broker “non-vote” and how would it affect the vote?

A broker non-vote occurs when a broker or other nominee who holds shares for another person does not vote on a particular proposal because that holder does not have discretionary voting power for the proposal and has not received voting instructions from the beneficial owner of the shares. Under rules applicable to broker-dealers, Proposal No. 2, concerning the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for the Company’s fiscal year 2015, is an item on which brokerage firms may vote in their discretion on behalf of their clients, even if such clients have not furnished voting instructions. Thus, there will be no broker “non-votes” on Proposal No. 2. Brokerage firms may not vote with respect to Proposals No. 1 or No. 3 without their clients having furnished voting instructions. Thus, there may be broker “non-votes” with respect to Proposals No. 1 and No.3, but they will have no effect on Proposals No. 1 and No. 3.

What is an “abstention” and how would it affect the vote?

An “abstention” occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular matter (other than the election of Directors for which the choice is limited to “for” or “withhold”). Abstentions are counted as present for purposes of determining a quorum. Abstentions will not be counted as having been voted and will have the same impact as a vote that is marked “AGAINST” for purposes of Proposals No. 2 and No. 3.

Who will count the votes?

The Company’s proxy processor and tabulator, Broadridge Financial Solutions, Inc., will serve as proxy tabulator and count the votes. The results will be certified by the inspectors of election.

Could other matters be decided at the Annual Meeting?

At this time, we are unaware of any matters, other than as set forth above, that may properly come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons named in the proxy, or their duly constituted substitutes acting at the Annual Meeting or any adjournment or postponement of the Annual Meeting, will be deemed authorized to vote or otherwise act on such matters in accordance with their judgment.

How can I change my vote?

Any person signing a proxy card in the form to be mailed to you on or about November 6, 2015, has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by any of the following methods:

by writing a letter delivered to Adir Katzav, Secretary of Eagle Bulk Shipping, 477 Madison Avenue, Suite 1405, New York, New York 10022, stating that the proxy is revoked;

by submitting in writing, by telephone or Internet another proxy with a later date; or

by attending the Annual Meeting and (i) voting in person or (ii) hand delivering a written notice of revocation to the Secretary of the Annual Meeting before we begin voting.

What are the quorum and voting requirements to elect Directors and approve the other proposal described in the proxy statement?

In order to take action on the matters scheduled for a vote at the Annual Meeting, a quorum (a majority of the aggregate number of shares of the Company's common stock outstanding and entitled to vote as of the Record Date for the Annual Meeting) must be present in person or by proxy.

A plurality of the votes cast at the annual meeting is required for approval of Proposal No. 1, concerning the election of Directors, and the affirmative vote of a majority of the shares present in person, or represented by proxy at the Annual Meeting, and entitled to vote on such matters is required for approval of Proposal No. 2, concerning the ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for fiscal year 2015, Proposal No. 3, concerning the advisory vote on executive compensation, and the approval of any other business properly presented at the Annual Meeting.

Who will conduct the proxy solicitation and how much will it cost?

We will pay the costs relating to this proxy statement, the proxy solicitation and the Annual Meeting. We may reimburse brokerage firms and other persons representing beneficial owners of shares held in street name for their expenses in forwarding solicitation material to beneficial owners. Directors, officers and employees may also solicit proxies. They will not receive any additional pay for the solicitation.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Under the Second Amended and Restated Articles of Incorporation of the Company, the Board of Directors consists of not less than one and not more than fifteen members, with the exact number of directors comprising the Board of Directors determined from time to time by resolutions adopted by the Board of Directors. Currently, the Board of Directors is comprised of seven Directors. The seven Directors have terms expiring at the Annual Meeting. The Nominating and Governance Committee has recommended and the Board of Directors has nominated the seven current Directors, Randee E. Day, Justin A. Knowles, Paul M. Leand Jr., Stanley H. Ryan, Bart Veldhuizen, Gary Vogel and Gary Weston for re-election as Directors, each to serve for a one-year term until the 2016 Annual Meeting of Shareholders of the Company and until his or her respective successor is elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal. Although management has no reason to believe that the nominees will not be available as candidates, should such a situation arise, proxies may be voted for the election of such other persons as the holders of the proxies may, in their discretion, determine.

Directors are elected by a plurality of the votes cast at the Annual Meeting, either in person or by proxy.

Nomination of Directors

Nominees for our Board of Directors are selected by the Board of Directors based upon the recommendation of the Nominating and Governance Committee in accordance with the policies and principles set forth in the Committee's charter and our corporate governance guidelines. The Nominating and Governance Committee seeks members from diverse professional and personal backgrounds who combine a broad spectrum of experience and expertise with a reputation for integrity. This assessment will include an individual's independence, as well as consideration of diversity (although we have not adopted a formal diversity policy with regard to the selection of Directors), age, skills, necessary experience, soundness of judgment, ability to contribute to a diversity of viewpoints among board members, commitment, time and diligence to effectively discharge board responsibilities, qualifications, intelligence, education and experience to make a meaningful contribution to board deliberations. The Nominating and Governance Committee examines a candidate's specific experiences and skills, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company.

The Nominating and Governance Committee identifies potential candidates by asking current Directors and executive officers to notify the Committee if it becomes aware of persons meeting the criteria described above, who might have an interest in serving as a Director.

Shareholders may recommend qualified persons for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder. Shareholders making a recommendation must submit the same information as that required to be included by the Company in its proxy statement with respect to nominees of the Board of Directors. The shareholder recommendation should be submitted in writing, addressed to: Adir Katzav, Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

How Our Compensation Decisions Are Made

Role of the Board of Directors and Compensation Committee

The Company's executive compensation is determined by the Company's Compensation Committee. Although not required under the Compensation Committee's charter, the Company's executive compensation for 2014 has been ratified by the unanimous consent of the Company's full Board of Directors.

Our Board of Directors is responsible for establishing and administering our executive compensation and equity incentive programs. This duty of the Board of Directors has been delegated to the Compensation Committee in accordance with the Compensation Committee's charter. The Compensation Committee reviews executive performance to establish compensation and approves appropriate modifications to the named executive officers' compensation. The Committee evaluates and recommends, for approval by the Board of Directors, the annual compensation of the non-employee directors and oversees the equity compensation plans in accordance with Marshall Islands law.

Role of Management

The Compensation Committee has sole authority to establish annual compensation for the Company's named executive officers, and none of the named executive officers determines his own pay.

Code of Ethics

The Company's Code of Ethics, which applies to our Directors, executive officers and employees, is available on our website at www.eagleships.com, and copies are available in print upon request to Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022. The Company intends to satisfy any disclosure requirements regarding any amendment to, or waiver from, a provision of this Code of Ethics by posting such information on the Company's website within four business days after such amendment or waiver.

Communications with the Board of Directors

Shareholders and other interested parties may communicate with members of the Board of Directors, including reporting any concerns related to governance, corporate conduct, business ethics, financial practices, legal issues and accounting or audit matters in writing addressed to the Board of Directors, or any such individual Directors or group or committee of Directors by either name or title in care of: Secretary of Eagle Bulk Shipping Inc., 477 Madison Avenue, Suite 1405, New York, New York 10022.

All communications received as set forth above will be opened by the office of our Secretary for the sole purpose of determining whether the contents represent a message to our Directors. Materials that are unrelated to the duties and responsibilities of the Board of Directors, such as solicitations, résumés and other forms of job inquiries, surveys and individual customer complaints, or materials that are unduly hostile, threatening, illegal or similarly unsuitable will not be distributed, but will be made available upon request to the Board of Directors, a committee of the Board of Directors or individual Directors as appropriate, depending on the facts and circumstances outlined in the communication.

Board of Directors Leadership Structure

As noted above, our Board of Directors is currently comprised of six independent and one non-independent director. We recognize that different Board of Directors leadership structures may be appropriate for the Company during different periods of time and under different circumstances. We believe that our current Board of Directors leadership structure is suitable for us because it allows us to consider a broad range of opinions in the course of our Board of Directors deliberations, including those with knowledge of the Company's day-to-day operations and business strategy, as well as those with an experienced independent viewpoint.

Our Board of Directors has determined that the Company should maintain separate roles for our Chairman of the Board of Directors and Chief Executive Officer. We believe this leadership structure is currently in the best interests of the Company and our stockholders, is appropriate given the particular expertise and strengths of our Chairman and Chief Executive Officer, and allows the individuals to focus on their primary roles. We separate the roles of Chairman and Chief Executive Officer in recognition of the differences between the two roles. Our Chief Executive Officer has the general responsibility for implementing the policies of the Company and for the management of the day-to-day business and affairs of the Company. Our Chairman has been closely involved with the Company since its emergence from bankruptcy. Given his unique knowledge, experience and relationship with the Board of Directors, we believe his continued service as Chairman provides significant value to the Company and its shareholders, and that it is beneficial for our Chairman to lead our Board of Directors members as they provide leadership to our management team. In addition, our Chairman contributes significantly to developing and implementing our strategy; facilitating communication among the directors; developing Board of Directors meeting agendas in consultation with management; and presiding at Board of Directors and shareholder meetings. We believe that having a separate Chairman creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board of Directors to monitor whether management's actions are in the best interests of the Company and our stockholders. As a result, we believe that having a separate Chairman can enhance the effectiveness of the Board of Directors as a whole.

Our corporate governance guidelines provide the flexibility for our Board of Directors to modify or continue our leadership structure in the future, as it deems appropriate.

The Role of the Board of Directors in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Company has developed a consistent, systemic and integrated approach to risk management to help determine how best to identify, manage and mitigate significant risks throughout the Company.

The Board of Directors is responsible for overseeing management in the execution of its responsibilities, including assessing the Company's approach to risk management. The Board of Directors exercises these responsibilities periodically as part of its meetings and also through three of its committees, each of which examines various components of enterprise risk as part of its responsibilities. The Audit Committee has primary responsibility for addressing risks relating to financial matters, particularly financial reporting, accounting practices and policies, disclosure controls and procedures and internal control over financial reporting. The Nominating and Governance Committee oversees risks associated with the independence of the Board of Directors and succession planning. The Compensation Committee has primary responsibility for risks and exposures associated with the Company's compensation policies, plans and practices, regarding both executive compensation and the compensation structure generally, including whether it provides appropriate incentives that do not encourage excessive risk taking.

An overall review of risk is inherent in the Board of Directors' evaluation of the Company's long-term strategies and other matters presented to the Board of Directors. The Board of Directors' role in risk oversight of the Company is consistent with the Company's leadership structure; the CEO and other members of senior management are responsible for assessing and managing the Company's risk exposure, and the Board of Directors and its committees provide oversight in connection with those efforts.

Executive Sessions

Consistent with our corporate governance guidelines, the non-employee directors of the Board of Directors regularly hold executive sessions. The Audit Committee, in accordance with its charter, meets separately with our executives at regular intervals or as otherwise deemed appropriate throughout the year to review our financial affairs, and meets separately in sessions with the independent auditors at such times as the Audit Committee deems appropriate to fulfill its responsibilities under its charter. The independent directors met in executive sessions five times during 2014.

EXECUTIVE OFFICERS

The Company's current executive officers are:

Gary Vogel, Director and Chief Executive Officer, for whom information is set forth under the heading "Nominee Information" above. Mr. Vogel was appointed to the position of Chief Executive Officer on July 7, 2015, effective as of September 1, 2015 and consequently was not a named executive officer for the 2014 fiscal year.

Equity-Based Compensation

In accordance with the Plan, on the Effective Date, the Company adopted the post-emergence Management Incentive Program, which provides for the distribution of New Eagle MIP Primary Equity in the form of shares of New Eagle Common Stock, and New Eagle MIP Options, to the participating senior management and other employees of the reorganized Company with 2% of the New Eagle Common Stock (on a fully diluted basis) on the Effective Date, and two tiers of options to acquire 5.5% of the New Eagle Common Stock (on a fully diluted basis) with different strike prices based on the equity value for the reorganized Company and a premium to the equity value, each of the foregoing to vest generally over a four year schedule through 25% annual installments commencing on the first anniversary of the Effective Date. The New Eagle MIP Primary Equity is subject to vesting, but the holder thereof is entitled to receive all dividends paid with respect to such shares as if such New Eagle MIP Primary Equity had vested on the grant date (subject to forfeiture by the holder in the event that such grant is terminated prior to vesting unless the administrator of the Management Incentive Program determines otherwise). The New Eagle MIP Options will contain adjustment provisions to reflect any transaction involving shares of New Eagle Common Stock, including as a result of any dividend, recapitalization, or stock split, so as to prevent any diminution or enlargement of the holder's rights under the award.

each person, group or entity known to the Company to beneficially own more than 5% of our stock;

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related Person Transaction Approval Policy

It is the Company's policy to enter into or ratify "Related Person Transactions" only when the Board of Directors, acting through the Audit Committee or another independent committee established by the Board of Directors, determines that the Related Person Transaction in question is in, or is not inconsistent with, the best interests of the Company and its shareholders. A "Related Person Transaction" is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company is, was or will be a participant and the amount involved exceeds the lesser of \$120,000 or 1% of the average of our total assets at year end for fiscal years 2014 and 2013, and in which any "Related Person" (as defined in relevant SEC rules) had, has or will have a direct or indirect material interest. A Related Person Transaction includes, but is not limited to, situations where the Company may obtain products or services of a nature, quantity or quality, or on other terms, that are not readily available from alternative sources or when the Company provides products or services to Related Persons on an arm's length basis on terms comparable to those provided to unrelated third parties or on terms comparable to those provided to employees generally. The transactions discussed below were entered into in accordance with the terms of the Company's Related Persons Transactions policy.

Delphin Management Agreement

On August 4, 2009, the Company entered into a management agreement (the "Management Agreement") with Delphin Shipping LLC ("Delphin"), a Marshall Islands limited liability company affiliated with Kelso Investment Associates VII, KEP VI, LLC and the Company's former Chief Executive Officer, Sophocles Zoullas. Pursuant to the Management Agreement, the Company contracted to provide commercial and technical supervisory management services for Delphin vessels for a monthly fee of \$15,834 for the first 10 vessels, \$11,667 for the second 10 vessels and \$8,750 for the third 10 vessels. Construction of the first vessel commenced in December 2010. On the Effective Date, the Management Agreement was amended and restated (as so amended and restated, the "Amended Management Agreement"). Under the Amended Management Agreement, the technical management fee shall be \$700 per vessel per day. The commercial management fee shall be 1.25% of charter hire; *provided, however*, that no commercial management fee shall be payable with respect to charter hire that is earned while a vessel is a member of a pool and with respect to which a fee is paid to the pool manager.

For the predecessor Company for the period from January 1 to October 15, 2014, total management fees amounted to \$1,722,973 and, for the years ended December 31, 2013 and 2012, total management fees amounted to \$2,180,088 and \$2,180,088, respectively. The advanced balance received from Delphin on account for the management of its vessels as of October 15, 2014 amounted to \$2,263,594 and for year ended December 31, 2013 amounted to \$457,440. The total reimbursable expenses for the period from January 1 to October 15, 2014 amounted to \$203,097. The balance due from Delphin as of October 15, 2014 amounted to \$101,224. The balance due mainly consisted of

reimbursable expenses.

For the successor Company for the period from October 16 to December 31, 2014, total management fees amounted to \$402,661. The advanced balance received from Delphin on account for the management of its vessels as of December 31, 2014 amounted to \$1,180,098. The total reimbursable expenses for the period from October 16 to December 31, 2014 amounted to \$27,115. The balance due from Delphin as of December 31, 2014 amounted to \$16,634. The balance due mainly consisted of management fees, administrative service fees and other reimbursable expenses.

The Amended Management Agreement contains an acknowledgement that the Company may have a conflict in pursuing charter opportunities for Delphin's vessels and provides a means for dealing with such conflict. The initial term of the Amended Management Agreement is one year from the Effective Date. The Amended Management Agreement is thereafter renewable for successive one year terms at the option of Delphin. The Amended Management Agreement also contains certain termination events in favor of Delphin and the Company.

Registration Rights Agreement

On the Effective Date, and in accordance with the Plan, the Company and certain of its shareholders, including funds related to or managed by Brigade Capital Management, LP, Davidson Kempner Capital Management LP, Oaktree Capital Management, L.P. and Canyon Capital Advisors LLC, entered into a registration rights agreement. The registration rights agreement provides the shareholders party thereto with demand and piggyback registration rights with respect to certain securities of the Company held by them.

New Eagle Equity Warrant Agreement

On the Effective Date, and in accordance with the Plan, warrants (the “New Eagle Equity Warrants”) were issued pursuant to the terms of a warrant agreement (the “Warrant Agreement”). Each New Eagle Equity Warrant has a 7-year term (commencing on the Effective Date) and is exercisable for one share of New Eagle Common Stock (subject to adjustment as set forth in the Warrant Agreement). The New Eagle Equity Warrants are exercisable at an exercise price of \$27.82 per share (subject to adjustment as set forth in the Warrant Agreement). The Warrant Agreement contains customary anti-dilution adjustments in the event of any stock split, reverse stock split, stock dividend, reclassification, dividend or other distributions (including, but not limited to, cash dividends), or business combination transaction.

The New Eagle Equity Warrants were distributed to holders of the old equity interests of the predecessor Company (other than the consenting lenders on account of amended lender warrants or shares received upon conversion of the amended lender warrants), which were cancelled as of the Effective Date. Equity interests of the Company issued to directors, officers and employees of the Company under compensatory plans that were unvested as of the Effective Date were deemed vested automatically on the Effective Date, so that all New Eagle Equity Warrants received in exchange therefor were deemed vested.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviewed the Company's audited financial statements as of and for the year ended December 31, 2014, and discussed them with the Company's management, addressing, among other things, the quality and the acceptability of the accounting principles, the reasonableness of significant judgments and estimates, and the clarity and completeness of disclosures. The Company's independent registered public accounting firm for the year ended December 31, 2014, PricewaterhouseCoopers LLP, was responsible for performing an independent audit of the Company's financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report on its audit of the financial statements. The Audit Committee monitors and reviews the audit. The Audit Committee also reviewed and discussed with PricewaterhouseCoopers LLP the audited financial statements and the matters required by Auditing Standard No. 16, "Communications with Audit Committees," issued by the Public Company Accounting Oversight Board and other matters the Committee deemed appropriate.

The Audit Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, as modified or supplemented, and has discussed with PricewaterhouseCoopers LLP its independence. The Audit Committee also considered whether the independent auditors' provision of other, non-audit related services to the Company is compatible with maintaining such auditors' independence.

Based on its discussions with management and PricewaterhouseCoopers LLP, and its review of the representations and information provided by management and PricewaterhouseCoopers LLP, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the SEC.

The audit committee recommended the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2015.

Respectfully submitted,

The Audit Committee

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTING FIRM

Change in Independent Registered Public Accounting Firm

On June 25, 2015, the Company, with the approval of the audit committee of its Board of Directors, dismissed PricewaterhouseCoopers LLP (“PwC”) as the Company’s independent registered public accounting firm and engaged Deloitte & Touche LLP as the new independent registered public accounting firm of the Company.

The reports of PwC on the Company’s financial statements for the years ended December 31, 2014 and December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle, except as follows:

PwC’s report on the financial statements of the Company for the fiscal year ended December 31, 2013 stated: “The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the financial statements, the Company has not met their Leverage Ratio covenant at December 31, 2013 and does not anticipate meeting their leverage coverage ratio and interest coverage ratio at various measurement dates in 2014. The Company has obtained a waiver for the December 31, 2013 breach and for forecasted breaches at March 31, 2014, but that waiver does not extend to further measurement dates in 2014. The Company is negotiating to obtain additional waivers or modifications of the Fourth Amended and Restated Credit Facility, however there can be no assurance of success, which raises substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 1. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.”

PwC’s report on the financial statements of the Company for the period from January 1, 2014 to October 15, 2014 stated: “As discussed in Note 1 to the consolidated financial statements, the Company filed a petition on August 6, 2014 with the United States Bankruptcy Court for the Southern District of New York for reorganization under the provisions of Chapter 11 of the Bankruptcy Code. The Company’s Restructuring Support Agreement (“RSA”) was substantially consummated on October 15, 2014 and the Company emerged from bankruptcy. In connection with its emergence from bankruptcy, the Company adopted fresh start accounting.”

PwC’s report on the financial statements of the Company as of December 31, 2014 and for the period from October 16, 2014 to December 31, 2014 stated: “As discussed in Note 1 to the consolidated financial statements, the United States Bankruptcy Court for the Southern District of New York confirmed the Company's Restructuring Support Agreement (“RSA”) on September 22, 2014. Confirmation of the plan resulted in the discharge of all claims against the Company that arose before October 15, 2014 and substantially alters rights and interests of equity security holders as provided for in the plan. The plan was substantially consummated on October 15, 2014 and the Company emerged from bankruptcy. In connection with its emergence from bankruptcy, the Company adopted fresh start accounting as of October 16, 2014.”

During the fiscal years ended December 31, 2014 and December 31, 2013, and the subsequent period through June 25, 2015, there have been no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to PwC's satisfaction, would have caused them to make reference thereto in their report on the Company's financial statements for such fiscal years.

There were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) during the fiscal years ended December 31, 2014 and December 31, 2013, and the subsequent period through June 25, 2015, except that in connection with its audit of the year ended December 31, 2014, PwC informed the Company that as of December 31, 2014, the Company's internal controls did not operate effectively to ensure that the fresh-start adjustment to reorganization items was recorded accurately and classified appropriately. The Company provided PwC with a copy of the foregoing disclosures made in a current report on Form 8-K (the "Report") prior to the time the Report was filed with the SEC and requested that PwC furnish a letter addressed to the SEC stating whether it agrees with the statements made in the Report. A copy of PwC's letter, dated June 29, 2015, was filed as Exhibit 16.1 to the Report filed on June 30, 2015.

Fees to Independent Registered Public Accounting Firm

As outlined in the table below, we incurred the following fees for the fiscal years ended December 31, 2014 and 2013, for professional services rendered by PwC for the audit of the Company's annual financial statements and for audit-related services, tax services and all other services, as applicable.

Type of Fees	2014	2013
Audit Fees	\$ 1,322,500	\$ 755,600
Tax Fees	\$ 33,000	\$ 29,500
Total	\$ 1,355,500	\$ 785,100

Audit fees for fiscal years 2014 and 2013 include professional services rendered by PwC for the integrated audit of the company's consolidated financial statements and the company's internal control over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002, for review of the company's interim consolidated quarterly financial statements included in the company's quarterly reports on Form 10-Q, services that are normally provided by PwC in connection with regulatory filings in 2014 and 2013 and services that related with fresh start accounting in 2014.

Tax fees for fiscal years 2014 and 2013 related to tax planning and tax compliance services.

Pre-Approval Policy for Services Performed by Independent Auditor

The Audit Committee has responsibility for the appointment, compensation and oversight of the work of the Company's independent auditor. As part of this responsibility, the Audit Committee must pre-approve all permissible services to be performed by the independent auditor.

The Audit Committee has adopted an auditor pre-approval policy which sets forth the procedures and conditions pursuant to which pre-approval may be given for services performed by the independent auditor. Under the policy, the Audit Committee must give prior approval for any amount or type of service within four categories: audit, audit-related, tax services or, to the extent permitted by law, other services that the independent auditor provides. Prior to the annual engagement, the Audit Committee may grant general pre-approval for independent auditor services within these four categories at maximum pre-approved fee levels. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval and, in those instances, such service will require separate pre-approval by the Audit Committee if it is to be provided by the independent auditor. For any pre-approval, the Audit Committee will consider whether such

services are consistent with the SEC's rules on auditor independence, whether the auditor is best positioned to provide the most cost effective and efficient service and whether the service might enhance the Company's ability to manage or control risk or improve audit quality. The Audit Committee may delegate to one or more of its members authority to approve a request for pre-approval provided the member reports any approval so given to the Audit Committee at its next scheduled meeting.

PROPOSAL NO. 2

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed the firm of Deloitte & Touche LLP as the Company's independent registered public accounting firm to audit the financial statements of Eagle Bulk Shipping for the fiscal year ending December 31, 2015 and recommends that shareholders vote to ratify this appointment. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions. The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and voting at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP.

If the shareholders fail to ratify the selection, the Audit Committee will reconsider its selection of auditors. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change would be in the best interests of the Company and its shareholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 2, THE RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS EAGLE BULK SHIPPING'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR 2015.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) requires that we provide our shareholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement on page 14 in accordance with the SEC’s rules.

In considering their vote, shareholders may wish to review with care the information on the compensation provided to our named executive officers presented under “Executive Officers” on pages 14-16 and the information under “How Our Compensation Decisions Are Made” on page 11.

Our primary compensation goals for our named executive officers are to attract, motivate and retain the most talented and dedicated executives and to closely align the interests of our named executive officers with the interests of our shareholders. Our compensation programs are designed to reward our named executive officers for the achievement of annual and long-term strategic and operational goals.

We believe that the Company’s executive compensation programs have been effective at promoting the achievement of positive results, appropriately aligning pay and performance, and enabling the Company to attract and retain very talented executives.

We are asking our shareholders to indicate their support for our named executive officers’ compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives you as a shareholder the opportunity to express your views on our fiscal year 2014 executive compensation policies and procedures for named executive officers. This vote is not intended to address any specific item of compensation; rather, the vote relates to the overall compensation of our named executive officers and the policies and procedures described in this proxy statement in accordance with the compensation disclosure rules of the SEC. Accordingly, we ask our shareholders to vote “FOR” the following resolution at the annual meeting:

RESOLVED, that the shareholders of Eagle Bulk Shipping Inc. approve, on an advisory basis, the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K in the Company’s proxy statement for the 2015 Annual Meeting of Shareholders, including the compensation tables and accompanying narrative discussion.

Although this is an advisory vote which will not be binding on the Compensation Committee or the Board of Directors, we will carefully review the results of the vote. The Compensation Committee will consider our shareholders' concerns and take them into account when designing future executive compensation programs.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" PROPOSAL NO. 3, THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

SHAREHOLDER PROPOSALS FOR THE 2016 ANNUAL MEETING OF SHAREHOLDERS

Any shareholder desiring to present a proposal for inclusion in the proxy statement for the Company's 2016 Annual Meeting of Shareholders must deliver the proposal to the Secretary of the Company not later than July 9, 2016. However, if the date of the 2016 Annual Meeting of Shareholders is more than 30 days from December 16, 2016, the anniversary date of the Annual Meeting, a proposal will be considered timely if we receive it in a reasonable time before we begin to print and send our proxy materials for such meeting. Only those proposals that comply with the Company's Second Amended and Restated By-Laws (the "By-Laws") and the requirements of Rule 14a-8 of the Exchange Act will be included in the Company's proxy statement for the 2016 Annual Meeting of Shareholders.

Shareholders may present proposals that are proper subjects for consideration at an annual meeting, even if the proposal is not submitted by the deadline for inclusion in the proxy statement. To do so, the shareholder must comply with the procedures specified in the By-laws which have been filed as Exhibit 3.2 to our Current Report filed on Form 8-K, filed with the SEC on October 16, 2014, and are available in print upon request to the Secretary of the Company. Our By-laws require all shareholders who intend to make proposals at an annual meeting of shareholders to submit their proposals to the Secretary of the Company not fewer than 60 and not more than 90 days before the anniversary date of the previous year's annual meeting of shareholders. The By-laws also provide that nominations for Director may only be made by the Board of Directors (or an authorized committee of the Board of Directors) or by a shareholder of record entitled to vote who sends notice to the Secretary of the Company not fewer than 60 nor more than 90 days before the anniversary date of the previous year's annual meeting of shareholders. Any nomination by a shareholder must comply with the procedures specified in the By-laws. To be eligible for consideration at the 2016 Annual Meeting of Shareholders, proposals that have not been submitted by the deadline for inclusion in the proxy statement and any nominations for Director must be received by the Company's Secretary between September 28, 2016 and October 18, 2016. This advance notice period is intended to allow all shareholders an opportunity to consider all business and nominees expected to be considered at the meeting. However, if the 2016 Annual Meeting of Shareholders is held on a date that is not within 30 days before or after December 16, 2016, the anniversary of the Annual Meeting, shareholder proposals that have not been submitted by the deadline for inclusion in the proxy statement and any nominations for Director must be received by the close of business on the tenth day following the earlier of the date on which notice of the 2016 Annual Meeting of Shareholders is mailed or the date on which public disclosure of the date of the 2016 Annual Meeting of Shareholders is made.

All submissions to, or requests from, the Secretary of the Company should be made to: Adir Katzav, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to Section 16(a) of the Exchange Act and the rules thereunder, the Company's executive officers and Directors and persons who own more than 10% of a registered class of the Company's equity securities are required to file with the SEC reports of their ownership of, and transactions in, the Company's common stock. Based solely on a review of copies of such reports furnished to the Company, and written representations that no reports were required, the Company believes that during the fiscal year ended December 31, 2014, its executive officers, Directors and 10% holders complied with the Section 16(a) requirements.

IMPORTANT NOTICE REGARDING DELIVERY

OF SHAREHOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy proxy material delivery requirements with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is referred to as "householding," potentially provides extra convenience for shareholders and reduces printing and postage costs for companies.

The Company and some brokers utilize the householding process for proxy materials. In accordance with a notice sent to certain shareholders who share a single address, only one copy of this proxy statement and the Company's 2014 Annual Report is being sent to that address, unless we received contrary instructions from any shareholder at that address. Shareholders who participate in householding will continue to receive separate proxy cards. Householding will continue until you are notified otherwise or until one or more shareholders at your address revokes consent. If you revoke consent, you will be removed from the householding program within 30 days of receipt of the revocation. If you hold your Company stock in "street name," additional information regarding householding of proxy materials should be forwarded to you by your broker.

If you wish to receive a separate copy of this proxy statement or the Company's 2016 Annual Report, or would like to receive separate proxy statements and annual reports in the future, or if you are receiving multiple copies of annual reports and proxy statements at an address shared with another shareholder and would like to participate in householding, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Adir Katzav, Secretary of Eagle Bulk Shipping Inc., at 477 Madison Avenue, Suite 1405, New York, New York 10022 or making a request via telephone at (212) 785-2500.

OTHER MATTERS

As of the date of this proxy statement, management was not aware that any matters not referred to in this proxy statement would be presented for action at the Annual Meeting. If any other matters should come before the Annual Meeting, the persons named in the accompanying proxy will have discretionary authority to vote all proxies in accordance with their best judgment, unless otherwise restricted by law.
