**Item 8.01. Other Events.**

During the first quarter ended February 27, 2016, H.B. Fuller Company (the “Company”) implemented certain changes to its organizational structure that resulted in changes to the Company’s operating segments for financial reporting purposes. Throughout the fiscal year ended November 28, 2015, the Company's business was reported in four operating segments: Americas Adhesives; Europe, India, Middle East and Africa (EIMEA); Asia Pacific; and Construction Products. Changes in the Company's management reporting structure during the first quarter of 2016 required the Company to conduct an operating segment assessment in accordance with ASC Topic 280, *Segment Reporting*, to determine its operating segments. As a result of this assessment, the Company now has the following operating segments: Americas Adhesives; EIMEA; Asia Pacific; Construction Products; and Engineering Adhesives. The Company created a new global operating segment called Engineering Adhesives, which includes the Company's electronics, automotive and Tonsan businesses throughout the world. The Company also began reporting its Construction Products business on a global basis by combining its EIMEA and Asia Pacific construction businesses with the Company's Construction Products operating segment.

The Company is furnishing this Current Report on Form 8-K to revise certain historical segment information in accordance with the Company’s new operating segment structure. Exhibit 99.1 hereto updates the segment financial information for the first quarter ended February 28, 2015, the second quarter ended May 30, 2015, the third quarter ended August 29, 2015 and the fourth quarter ended November 28, 2015, as presented in Exhibit 99.1 to the Company's Current Reports on Form 8-K filed on March 26, 2015, June 25, 2015, September 24, 2015 and January 14, 2016, respectively. The changes in the segment structure affect only the manner in which the results for the operating segments were previously reported. The Company’s new segment structure has no impact on the Company’s previously reported consolidated statements of income, consolidated statements of comprehensive income (loss), consolidated balance sheets, consolidated statements of total equity and consolidated statements of cash flows.
