Item 8.01. Other Events.

As discussed in our Quarterly Report on Form 10-Q for the period ended March 31, 2014 ("2014 First Quarter Form 10-Q"), Marriott International, Inc. ("we," "our," or "us") modified the information that our President and Chief Executive Officer reviews to be consistent with our continent structure. This structure, which is designed to let us operate more efficiently and accelerate our worldwide growth, aligns our business around geographic regions. As a result of modifying our reporting information, we revised our operating segments to eliminate our former Luxury segment. We allocated that former segment between our existing North American Full-Service operating segment, and the following four new operating segments: Asia Pacific, Caribbean and Latin America, Europe, and Middle East and Africa. Although our North American Full-Service and North American Limited-Service segments meet the applicable accounting criteria to be reportable business segments, our four new operating segments do not meet the criteria for separate disclosure as reportable business segments. Accordingly, we combined our four new operating segments into an "all other" category which we refer to as "International."

We are filing Exhibit 99 to this Current Report on Form 8-K to facilitate comparisons of our current reportable business segments with prior periods. Exhibit 99 recasts the historical reportable business segment information from our Annual Report on Form 10-K for the year ended December 31, 2013 ("2013 Form 10-K") to be consistent with the presentation of reportable business segments in our 2014 First Quarter Form 10-Q. Exhibit 99 revises Items 7 and 8 of Part II of our 2013 Form 10-K, "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Financial Statements and Supplementary Data" solely to reflect the segment change we describe above. It does not include other parts of our 2013 Form 10-K or reflect activities and events occurring after February 20, 2014, the date we filed our 2013 Form 10-K. Therefore, you should read this Form 8-K in conjunction with our 2013 Form 10-K and our 2014 First Quarter Form 10-Q.
