Crown Equity continues to review its expense structure reviewing costs and their reduction to move towards profitability. The Company's expenses are planned to decrease as a percent of revenue resulting in profitability and increased shareholders' equity.

This condition raises substantial doubt as to Crown Equity's ability to continue as a going concern. **ITEM 3: QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK**

As a "smaller reporting company" as defined by Item 12b-2 of the securities exchange act of 1934 (the "exchange act") and are not requires to provide information required under this Item.

**ITEM 4: CONTROLS AND PROCEDURES**

(a) Evaluation of Disclosure Controls and Procedures

Based on their evaluation of our disclosure controls and procedures(as defined in Rule 13a-15e under the Securities Exchange Act of 1934 the "Exchange Act"), our principal executive officer and principal financial officer have concluded that as of the end of the period covered by this quarterly report on Form 10-Q such disclosure controls and procedures were not effective to ensure that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission rules and forms because of the identification of material weaknesses in our internal control over financial reporting which we view as an integral part of our disclosure controls and procedures. The material weaknesses relate to the lack of segregation of duties in financial reporting, as our financial reporting and all accounting functions are performed by an external consultant with no oversight by a professional with accounting expertise. Our CEO and CFO also do not possess accounting expertise and our company does not have an audit committee. These material weaknesses are due to the company's lack of working capital to hire additional staff. To remedy this material weakness, we intend to engage another accountant to assist with financial reporting as soon as our finances will allow.

Changes in Internal Control over Financial Reporting

There have been no changes in our internal control over financial reporting identified in connection with the evaluation required by paragraph (d) of Exchange Act Rules 13a-15 or 15d-15 that occurred during our third quarter that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.
