**Item 1.01. Entry into a Material Definitive Agreement.**

*Underwritten Offering*

On November 17, 2017, Heat Biologics, Inc. (the Company) entered into an Underwriting Agreement (the Underwriting Agreement) with Aegis Capital Corp. (Aegis), providing for the offer and sale in a firm commitment underwritten public offering (the Offering) of 5,813,950 shares of the Company's common stock, par value \$0.0002 per share (the Common Stock), at an offering price of \$0.43 per share. Pursuant to the Underwriting Agreement, the Company granted to Aegis an option for a period of 45 days to purchase up to 872,093 additional shares of Common Stock. The net proceeds to the Company from the Offering are expected to be approximately \$2.2 million, after deducting underwriting discounts and commissions and estimated Offering expenses payable by the Company, assuming no exercise by Aegis of its option to purchase additional shares of Common Stock. The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and Aegis, including for liabilities under the Securities Act of 1933, as amended (the Securities Act), other obligations of the parties and termination provisions.

The shares of Common Stock will be issued in the Offering pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-221201), which was declared effective on November 13, 2017, and the base prospectus included therein, as supplemented by the preliminary prospectus supplement, dated November 17, 2017, which was filed with the Securities and Exchange Commission (the Commission) on November 17, 2017, and a prospectus supplement, dated November 17, 2017, which was filed with the Commission on November 17, 2017. The Offering is expected to close on November 21, 2017, contingent upon the satisfaction of customary closing conditions.

The foregoing description of the terms of the Underwriting Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. The provisions of the Underwriting Agreement, including the representations and warranties contained therein, are not for the benefit of any party other than the parties to such agreement and are not intended as a document for investors and the public to obtain factual information about the current state of affairs of the parties to that document. Rather, investors and the public should look to other disclosures contained in the Company's filings with the Commission.

*Use of Proceeds*

The Company currently intends to use the net proceeds from the sale of shares of Common Stock in the Offering to continue to fund its and its subsidiaries' preclinical and clinical programs and for working capital and general corporate purposes, as well as to acquire, license or invest in complementary businesses, technologies, product candidates or other intellectual property; however, the Company has no current commitments or obligations to do so.

A copy of the opinion of Gracin & Marlow, LLP, New York, New York, relating to the legality of the issuance and sale of the Company's shares of Common Stock in the Offering is filed as Exhibit 5.1 to this Current Report on Form 8-K.
