## **Item 1.01 Entry into a Material Definitive Agreement**

### Underwriting Agreement

On May 10, 2016, Turning Point Brands, Inc. (the “Company” or “we” or “us”) entered into an underwriting agreement (the “Underwriting Agreement”) with Cowen and Company, LLC and FBR Capital Markets & Co. relating to the Company’s initial public offering (the “Offering”) of its common stock, par value \$0.01 per share (the “Common Stock”). Pursuant to the Underwriting Agreement, the Company agreed to sell 5,400,000 shares of its Common Stock and provide for an overallotment option of 810,000 shares (the “Overallotment Option”) of Common Stock to the Underwriters. The initial public offering price was \$10.00 per share. The Underwriting Agreement includes customary representations, warranties and covenants by the Company and the Underwriters. It also provides that the Company will indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or contribute to payments the Underwriters may be required to make because of any of those liabilities. The Offering, closed on May 13, 2016 (the “Closing Date”). As of the date hereof, the underwriters have not exercised their overallotment option. The Company used the proceeds from the Offering to pay fees and expenses related to the offering, repurchase warrants and options issued by its subsidiary, Intrepid Brands LLC (“Intrepid”), repay approximately \$34 million of its floating rate PIK Toggle Notes due 2021 (the “PIK Toggle Notes”) not exchanged for Common Stock as more fully-described below and used the remaining proceeds to repay a portion of the borrowings outstanding under its second lien credit facility.

In connection with the Offering, the Company entered into a number of agreements, which were disclosed in its Registrant Statement on Form S-1 (File No. 333-207816) (the “Registration Statement”) and are also described below:

### Registration Rights Agreement

In connection with the Offering, the Company entered into a registration rights agreement (the “Registration Rights Agreement”) with certain existing stockholders. Under the Registration Rights Agreement, at any time following the 180-day lock-up period following the Offering, subject to certain exceptions, including underwriter cutbacks, limitations on offering size and the Company’s right to defer a demand registration under certain circumstances, certain parties to the Registration Rights Agreement can require that the Company register for resale their shares of Common Stock.

The Registration Rights Agreement also includes customary piggyback rights for parties thereto in connection with registrations by the Company, including registrations filed in connection with a demand registration. Piggyback registration rights are subject to customary underwriter cutback provisions.

The Registration Rights Agreement includes customary covenants by the Company. It also provides that the Company will indemnify certain “Designated Stockholders” against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or contribute to payments that the Designated Stockholders may be required to make because of any of those liabilities.

#### Exchange and Sale Agreement for PIK Notes

In connection with the Offering, the Company entered into an exchange agreement with Standard General L.P. (together with the funds it manages, “Standard General”) pursuant to which the Company agreed to exchange for Common Stock the PIK Toggle Notes that were not repaid with a portion of the proceeds from the Offering attributable to Standard General’s anchor order (the “Exchange Agreement for PIK Notes”). Under the Exchange Agreement for PIK Notes, Standard General exchanged approximately \$29.4 million in accreted value of PIK Toggle Notes (including PIK Toggle Notes subject to Fort George Investments, LLC’s (“Fort George”) participation interest, for approximately 3,168,438 shares of Common Stock (equivalent to a conversion price equal to the price paid by the underwriters for the shares in the Offering) of which 440,176 shares were issued to Fort George, in respect of its participation interest.

#### Exchange Agreements for 7% Senior Notes

In connection with the Offering, the Company entered into an exchange agreement (the “7% Senior Note Exchange Agreement”) with certain holders (the “7% Exchanging Holders”) of its 7% Senior PIK Toggle Notes due 2023 (the “7% Senior Notes”) as well into an exchange agreement (the “7% Standard General Exchange Agreement” and, together with the 7% Senior Note Exchange Agreement, the “7% Senior Noteholder Agreements”) with Standard General, pursuant to which the Company agreed to exchange the 7% Senior Notes subject to the agreements for Common Stock at a price equal to the price to the public in the Offering. Concurrently with the Closing of the Offering, the Company exchanged approximately \$11.2 million in aggregate accreted value of the 7% Senior Notes for approximately 1.2 million shares of its Common Stock. The 7% Senior Noteholder Agreements each include certain representations, warranties and covenants by the Company, the 7% Senior Noteholders and Standard General, as applicable.

#### Warrant Purchase Agreement

On May 10, 2016, the Company entered into an agreement (the “Warrant Purchase Agreement”) with holders of warrants to purchase common units of Intrepid (the “Intrepid Warranholders”) to repurchase the warrants held by such holders with proceeds from the Offering. On May 13, 2016, the Company purchased approximately 9.4 million Intrepid Warrants from the Intrepid Warranholders party to the Warrant Purchase Agreement for \$0.50 per Warrant. The Warrant Purchase Agreement includes certain representations and warranties by the Company and the Intrepid Warranholders, and covenants by the Intrepid Warranholders.

Amendment to the Stockholders' Agreement

On April 28, 2016, the Company amended its Stockholders Agreement dated June 25, 1997, as amended by the Amended and Restated Stockholders' Agreement dated February 9, 2004 (the "Amendment to the Stockholders' Agreement"). The Company, North Atlantic Trading Company, Inc., a wholly owned subsidiary of the Company, and certain stockholders of the Company amended the Stockholders' Agreement to provide for restrictions similar to those in the lock up agreements the Company's executive officers and directors entered into with the Underwriters in connection with the Offering with respect to any shares of Common Stock held by the parties to the Stockholders' Agreement. Pursuant to the Amendment to the Stockholders' Agreement, all other substantive provisions of the Stockholders' Agreement terminated upon the consummation of the Offering and the Stockholders' Agreement will terminate in its entirety upon the expiration of the 180-day lock-up period.

Indemnification Agreements

On May 10, 2016, the Company entered into indemnification agreements (the "Indemnification Agreements") with each of its executive officers and directors and with Standard General. These agreements provide that the Company will indemnify the applicable executive officer, director or Standard General to the fullest extent permitted by law in connection with their service to the Company or on the Company's behalf.

Pursuant to the Amendment, which went into effect immediately prior to consummation of the Offering, Mr. Helms’ employment and the 2008 Agreement have been terminated. Neither the Company nor Mr. Helms have any further rights, obligations or duties under the 2008 Agreement, except that any rights Mr. Helms has to indemnification by the Company survive the termination of the 2008 Agreement.
