PROXY STATEMENT

SOLICITATION AND VOTING

This Proxy Statement and accompanying Proxy Card are furnished to the shareholders of Waterstone Financial, Inc. (“Waterstone Financial” or the “Company”) in connection with the solicitation of proxies by the Waterstone Financial board of directors for use at the annual meeting of shareholders on Tuesday, May 21, 2019, and at any adjournment of the meeting. The 2018 Annual Report on Form 10 K is enclosed with the Proxy Statement and contains business and financial information concerning us. Our proxy materials are being made available to shareholders on or about April 11, 2019.

Record Date and Meeting Information. The board of directors has fixed March 27, 2019 as the record date for the determination of shareholders entitled to notice of and to vote at the annual meeting and any adjournment thereof. Only holders of record of our common stock, the only class stock outstanding of Waterstone Financial outstanding, as of the close of business on the record date are entitled to notice of and to vote at the annual meeting. Each share of common stock is entitled to one vote. As of the record date, there were 28,004,135 shares of common stock issued and outstanding.

The board of directors of Waterstone Financial knows of no matters to be acted upon at the annual meeting other than as set forth in the notice attached to this Proxy Statement. If any other matters properly come before the annual meeting, or any adjournment thereof, it is the intention of the persons named in the proxy to vote such proxies in accordance with their best judgment on such matters.

Voting Your Shares. Any shareholder entitled to vote at the annual meeting may vote either in person, by a properly executed proxy or online as described in the notice to shareholders and the proxy card. Shares represented by properly executed proxies received by Waterstone Financial will be voted at the annual meeting, or any adjournment thereof, in accordance with the terms of such proxies, unless revoked. Where no instructions are indicated, validly executed proxies will be voted “FOR” the proposals set forth in this Proxy Statement for consideration at the Annual Meeting. A shareholder may revoke a proxy at any time prior to the time when it is voted by filing a written notice of revocation with our corporate secretary at the address set forth above, by delivering a properly executed proxy bearing a later date, using the internet or telephone voting options explained on the Proxy Card, or by voting in person at the annual meeting. Attendance at the annual meeting will not in itself constitute revocation of a proxy. If you are a shareholder whose shares are not registered in your name, you will need appropriate documentation from your record holder in order to vote in person at the annual meeting.

Shares in Employee Plans. Any shareholder who owns shares through an allocation to that person’s account under the WaterStone Bank SSB 2015 Amended and Restated Employee Stock Ownership Plan (the “ESOP”) or who has purchased shares in the Employer Stock Fund in the Waterstone Bank SSB 401(k) Plan (the “401(k) Plan”) will receive separate Vote Authorization Forms to instruct the ESOP Trustee and 401(k) Plan Trustee how to vote those shares. The deadline for returning instructions is May 15, 2019. The Trustee of both the ESOP and 401(k) Plan, Principal Trust Company, will vote shares allocated to a plan participant’s account in accordance with the participant’s instructions. Upon the direction of the plan administrator, the Trustee will vote the unallocated ESOP shares and any allocated ESOP shares for which no voting instructions are received in the same proportion as allocated shares for which it has received voting instructions. In addition, the Trustee will vote unvoted shares allocated to participants’ accounts in the 401(k) Plan in accordance with directions received from the plan administrator.

Quorum and Required Vote. A majority of the votes entitled to be cast by the shares entitled to vote, represented in person or by proxy, will constitute a quorum of shareholders at the annual meeting. Shares for which authority is withheld to vote for director nominees and broker non-votes (i.e., proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the brokers or nominees do not have discretionary power to vote) will be considered present for purposes of establishing a quorum. The inspector of election appointed by the board of directors will

count the votes and ballots at the annual meeting.

As to the election of directors, shareholders may vote “FOR” or “WITHHELD” as to each or all of the nominees. A plurality of the votes cast at the annual meeting by the holders of shares of common stock entitled to vote is required for the election of directors. In other words, the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors in a class to be chosen at the annual meeting. With respect to the election of directors, any shares not voted, whether by withheld authority, broker non-vote or otherwise, will have no effect on the election of directors except to the extent that the failure to vote for an individual results in another individual receiving a comparatively larger number of votes.

As to the advisory, non-binding resolution to approve our executive compensation as described in this Proxy Statement, a shareholder may: (i) vote “FOR” the resolution; (ii) vote “AGAINST” the resolution; or (iii) “ABSTAIN” from voting on the resolution. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the “ABSTAIN” box has been selected on the proxy card, is required for the approval of this non-binding resolution. While this vote is required by law, it will neither be binding on Waterstone Financial, Inc. or the board of directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on the members of the board of directors.

As to the ratification of the independent registered public accounting firm, shareholders may vote “FOR” or “AGAINST,” or may “ABSTAIN” from voting on the matter. The affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes, or shares as to which the “ABSTAIN” box has been selected on the proxy card, is required to ratify RSM US LLP as our independent registered public accounting firm for the year ending December 31, 2019.

Expenses and Solicitation. We will pay all expenses incurred in connection with the solicitation of proxies. Proxies will be solicited principally by mail, but may also be solicited by our directors, officers and other employees in person or by telephone, facsimile or other means of communication. Those directors, officers and employees will receive no compensation therefor in addition to their regular compensation, but may be reimbursed for their related out-of-pocket expenses. Brokers, dealers, banks, or their nominees, who hold common stock on behalf of another will be asked to send proxy materials and related documents to the beneficial owners of such stock, and we will reimburse those persons for their reasonable expenses.

Householding. Some banks, brokers, broker-dealers and other similar organizations acting as nominee record holders may be participating in the practice of “householding” proxy materials. This means that only one copy of the notice of meeting and instructions on how to access the proxy materials and the 2018 Annual Report may have been sent to multiple stockholders in your household. If you would prefer to receive separate copies of these materials for other stockholders in your household, either now or in the future, please contact your bank, broker, broker-dealer or other similar organization serving as your nominee.

Upon written notice to Mark R. Gerke, Chief Financial Officer, Waterstone Financial, Inc., 11200 W. Plank Ct., Wauwatosa, WI 53226, or via telephone at (414) 761-1000, we will promptly provide separate copies of the 2018 Annual Report and/or this Proxy Statement. Stockholders sharing an address who are receiving multiple copies of this Proxy Statement and/or the 2018 Annual Report and who wish to receive a single copy of these materials in the future will need to contact their bank, broker, broker-dealer or other similar organization serving as their nominee to request that only a single copy of each document be mailed to all stockholders at the shared address in the future.

Limitations on Voting. The Company’s Articles of Incorporation provide that, subject to certain exceptions, record owners of the Company’s common stock that is beneficially owned by a person who beneficially owns in excess of 10% of the Company’s outstanding shares are not entitled to any vote any of the shares held in excess of the 10% limit.

Board Meetings and Committees

The board of directors of Waterstone Financial met 12 times during the year ended December 31, 2018 on behalf of Waterstone Financial and an additional 13 times in their capacity as directors of WaterStone Bank. The board of directors consists of a majority of “independent directors” within the meaning of the NASDAQ corporate governance listing standards. The board of directors determines the independence of each director in accordance with NASDAQ Stock Market rules, which include all elements of independence as set forth in the listing requirements for NASDAQ securities. The board of directors has determined that Directors Bartel, Dalum, Hansen, Lawton, Rappé and Schmidt are “independent” directors within the meaning of such standards. In evaluating the independence of our independent directors, we found no transactions between us and our independent directors that are not required to be reported in this Proxy Statement and that had an impact on our determination as to the independence of our directors. Therefore, all members of the Audit, Compensation and Nominating Committees are “independent.” Additionally, the independent directors regularly meet without management or non-independent directors present. No member of the board of directors or any committee thereof attended fewer than 75% of the aggregate of: (i) the total number of meetings of the Board of Directors (held during the period for which each director has been a director); and (ii) the total number of meetings held by all committees of the board of directors on which he or she served (during the periods that he or she served).

The audit committee of Waterstone Financial (the “Audit Committee”) met eight times during the year ended December 31, 2018. The board of directors has determined that each member of the Audit Committee meets not only the independence requirements applicable to the committee as prescribed by the NASDAQ corporate governance listing standards, but also by the Securities and Exchange Commission. On behalf of the Audit Committee, Mr. Hansen, its chair, also regularly consults with Waterstone Financial’s independent registered public accounting firm about

Waterstone Financial's periodic public financial disclosures. The board believes that all of the members of the Audit Committee have sufficient experience, knowledge and other personal qualifications to be "financially literate" and to be active, effective and contributing members of the Audit Committee. Mr. Hansen has been designated an "audit committee financial expert" pursuant to the Sarbanes-Oxley Act of 2002 and the Securities and Exchange Commission regulations. See also "Report of the Audit Committee" for other information pertaining to the Audit Committee.

The compensation committee of Waterstone Financial (the "Compensation Committee") held nine meetings during the year ended December 31, 2018. Each member of the Compensation Committee is considered independent as defined in the NASDAQ corporate governance listing standards. The Compensation Committee has the responsibility for and authority to either establish or recommend to the board: compensation policies and plans; salaries, bonuses and benefits for all officers; salary and benefit levels for employees; determinations with respect to stock options and restricted stock awards; and other personnel policies and procedures. The Compensation Committee has the authority to delegate the development, implementation and execution of benefit plans to management. See also "Compensation Discussion and Analysis" and "Compensation Committee Interlocks and Insider Participation" for other information pertaining to the Compensation Committee.

The nominating and corporate governance committee ("Nominating Committee") of Waterstone Financial held one meeting during the year ended December 31, 2018. Each member of the Nominating Committee is considered "independent" as defined in the NASDAQ corporate governance listing standards.

The functions of the Nominating Committee include the following:

- to lead the search for individuals qualified to become members of the board of directors and to select director nominees to be presented for shareholder approval;
- to review and monitor compliance with the requirements for board independence;
- to review the committee structure and make recommendations to the board of directors regarding committee membership; and
- to develop and recommend to the board of directors for its approval a set of corporate governance guidelines.

The Nominating Committee identifies nominees by first evaluating the current members of the board of directors willing to continue in service. Current members of the board of directors with skills and experience that are relevant to our business and who are willing to continue in service are first considered for re-nomination, balancing the value of continuity of service by existing members of the board of directors with that of obtaining new perspectives. If any member of the board of directors does not wish to continue in service, or if the committee or the board decides not to re-nominate a member for re-election, or if the size of the board of directors is increased, the Nominating Committee would solicit suggestions for director candidates from all directors.

Qualifications of director candidates are described in the Appendix to the Nominating and Corporate Governance Committee Charter, which can be found on our website, at www.wsbonline.com, on the "Investor Relations" link under the "About" tab, then "Corporate Overview" and "Governance Documents.". Factors considered include strength of character, honesty and integrity, an inquiring and independent mind, judgment, skill, diversity, education, experience with businesses and other organizations, the interplay of the candidates' experience with the experience of other board members and the extent to which the candidate would be a desirable addition to the board and its committees. Nominees must have a background which demonstrates an understanding of business and financial affairs and the complexities of a business organization. Although a career in business is not essential, the nominee should have a proven record of competence and accomplishments through leadership in industry, education, the professions or government. Areas of core competency that should be represented on the board as a whole include accounting and finance, business judgment, management, crisis response, industry knowledge, leadership and strategic vision.

The Nominating Committee will also take into account whether a candidate satisfies the criteria for "independence" under the NASDAQ corporate governance listing standards and, if a nominee is sought for service on the Audit Committee, the financial and accounting expertise of a candidate, including whether an individual qualifies as an "audit committee financial expert."

The Nominating Committee will consider proposed nominees whose names are submitted to it by shareholders, and it does not intend to evaluate proposed nominees differently depending upon who has made the proposal. Shareholders can submit the names of qualified candidates for director by writing to our Corporate Secretary at 11200 W. Plank Ct., Wauwatosa, Wisconsin 53226. The Corporate Secretary must receive a submission not earlier than the 90th day nor later than the 80th day prior to date of the annual meeting; provided, however, that in the event that less than 90 days' notice or prior public disclosure of the date of the annual meeting is provided to shareholders, then, to be timely, notice by the stockholder must be so received not later than the tenth day following the day on which public announcement of the date of such meeting is first made. The submission must include the following information:

- a statement that the writer is a shareholder and is proposing a candidate for consideration by the Nominating Committee;
- the name and address of the shareholder as they appear on our books and number of shares of our common stock that are owned beneficially by such shareholder (if the shareholder is not a holder of record, appropriate evidence of the shareholder's ownership will be required);
- the name, address and contact information for the candidate, and the number of shares of common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the shareholder's ownership should be provided);

- a statement of the candidate's business and educational experience;
such other information regarding the candidate as would be required to be included in the Proxy Statement pursuant to Securities and Exchange Commission Regulation 14A;
- a statement detailing any relationship between us and the candidate;
- a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;
detailed information about any relationship or understanding between the proposing shareholder and the candidate;
and
- a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

A nomination submitted by a shareholder for presentation at an annual meeting of shareholders will also need to comply with any additional procedural and informational requirements we may adopt in the future, including those set forth in our Bylaws and in the "Shareholder Proposals and Notices" section of this Proxy Statement.

Waterstone Financial has adopted charters for the audit, compensation and Nominating Committees. We will continue to respond to and comply with Securities and Exchange Commission and NASDAQ Stock Market requirements relating to board committees. Copies of the charters for our audit, compensation and Nominating Committees (including director selection criteria) and other corporate governance documents can be found on our website, at www.wsbonline.com, on the "Corporate Overview" tab under the link "Investors." If any of those documents are changed, or related documents adopted, those changes and new documents will be posted on our corporate website at that address.

Other Board and Corporate Governance Matters

Board Leadership Structure and Risk Oversight Role. The role of chairman of the board of directors and chief executive officer of the Company are not currently held by the same person. The chairman of the board has never been an officer or employee of the Company or WaterStone Bank. The foregoing structure is not mandated by any provision of law or our Articles of Incorporation or Bylaws, but the board of directors currently believes that this structure provides for an appropriate balance of authority between management and the board. The board of directors reserves the right to establish a different structure in the future.

The board of directors of the Company, all of the members of which are also members of the board of directors of WaterStone Bank, is actively involved in the Company's and Bank's risk oversight activities, through the work of numerous committees of the Company and Bank, and the policy approval function of the board of directors of WaterStone Bank.

Communications between Shareholders and the Board. A shareholder who wants to communicate with the board of directors or with any individual director can write to our Corporate Secretary at 11200 W. Plank Ct., Wauwatosa, Wisconsin 53226, Attention: Board Administration. The letter should indicate that the author is a shareholder and if shares are not held of record, should include appropriate evidence of stock ownership. Depending on the subject matter, management will:

- forward the communication to the director or directors to whom it is addressed;
- attempt to handle the inquiry directly, i.e. where it is a request for information about us or it is a stock-related matter;
- or
- not forward the communication if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

At each board meeting, management shall present a summary of all communications received since the last meeting that were not forwarded and make those communications available to the directors.

Director Attendance at Annual Shareholders' Meeting. Although we do not have a formal policy regarding director attendance at the annual meeting, we encourage all of our directors to attend. Last year, four of the seven directors serving at that time were present at the annual meeting.

Code of Business Conduct and Ethics. Waterstone Financial has adopted a code of business conduct and ethics that reflects current circumstances and Securities and Exchange Commission and NASDAQ definitions for such codes. The code of business conduct and ethics covers us, WaterStone Bank and other subsidiaries. Among other things, the code of business conduct and ethics includes provisions regarding honest and ethical conduct, conflicts of interest, full and fair disclosure, compliance with law, and reporting of and sanctions for violations. The code applies to all directors, officers and employees of Waterstone Financial and subsidiaries. We have posted a copy of the code of business conduct and ethics on our website, at www.wsbonline.com, on the "Investor Relations" link under the "About" tab, then "Corporate Overview" and "Governance Documents." As further matters are documented, or if those documents (including the code of business conduct and ethics) are changed, waivers from the code of business conduct and ethics are granted, or new procedures are adopted, those new documents, changes and/or waivers will be posted on the corporate website at that address.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

Executive Summary. The Compensation Committee provides our Named Executive Officers with a total compensation package that is market competitive, promotes the achievement of our strategic objectives and is aligned with operating and other performance metrics to support long-term shareholder value. In addition, we have structured our executive compensation program to include elements that are intended to create appropriate balance between risk and reward.

Compensation Philosophy. The primary objectives of our executive compensation programs are to attract and retain highly-qualified executives and to encourage extraordinary management efforts through well-designed incentive opportunities, with the goal of improving the performance of Waterstone Financial, Inc. and its subsidiaries consistent with the interests of our shareholders. We base our compensation decisions on three basic principles:

Meeting the Demands of the Market – We compensate our employees at competitive levels that position us as the employer of choice among our peers who provide similar financial services in the markets we serve.

Aligning with Shareholders – We use equity compensation as a key component of our compensation mix to promote a culture of ownership among our key personnel and to align their individual financial interests with the long-term interests of our shareholders.

Driving Performance – We base compensation in part on the attainment of company-wide, business unit and individual targets that result in the achievement of both short-term and long-term financial objectives, while ensuring sound risk management.

Elements of our Executive Compensation and Benefits Program. To achieve our objectives, we have structured an executive compensation and program that provides our Named Executive Officers with the following:

- Competitive Base salary;
- Short-Term Cash-Based Incentives;
- Equity Incentive Awards;
- Broad-Based Welfare and Retirement Benefit Plans;
- Perquisites; and
- Executive Agreements.

- 13 -

The programs are intended to reward the accomplishment of strategic plan goals and objectives as evaluated by members of the Compensation Committee. They are further intended to reward enhanced shareholder value as measured by the trading price of our common stock. The elements of a Named Executive Officer's total compensation package will vary depending upon the executive's job position and responsibilities.

Compensation Policies and Highlights

Our compensation programs include, among others, the following best practices:

What We Do

The Compensation Committee has engaged an independent compensation consultant.

The Compensation Committee is composed solely of independent directors.

New for 2019: We maintain stock ownership guidelines for our executive officers.

New for 2019: We maintain stock ownership guidelines for our non-employee directors.

New for 2019: We maintain a clawback policy.

New for 2019: We restrict our directors and officers from (i) holding Company securities in a margin account or otherwise pledging Company securities as collateral for a loan or (ii) engaging in hedging transactions in the Company's securities.

We provide a say-on-pay advisory vote on an annual basis until the next required vote on the frequency of shareholder votes on executive compensation.

What We Do Not Do

^We do not encourage excessive risk-taking behavior through our compensation plans.

^We do not reprice underwater stock options.

^We do not grant options with an exercise price less than fair market value on date of grant.

^We do not provide excessive perquisites to NEOs.

^We do not provide excise tax gross ups in our compensation plans or employment agreements.

^We do not guarantee salary increases.

^We do not provide for uncapped bonuses.

^We do not provide for "single-trigger" benefits upon a change in control.

Effect of 2018 Advisory Vote on Named Executive Officer Compensation

2018 Say-on-Pay Results. At our 2018 Annual Meeting, we provided our shareholders with the opportunity to cast an advisory vote on executive compensation (a “say-on-pay proposal”). At our 2018 annual meeting of shareholders, only 49.2% of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. Previously, we had received stronger levels of support for our executive compensation program from our shareholders (85.8% in 2017, 83.7% in 2016 and 88.6% in 2015).

Shareholder Outreach and Review of Named Executive Officer Compensation. In response to our shareholder vote in 2018, we performed a thorough review of our compensation programs and compensation policies and had conversations with a significant number of our largest investors. To ensure that we were responsive to our shareholder’s concerns, this review included the following elements:

We conducted a proactive shareholder outreach program to listen to our shareholder’s concerns and answer questions about our compensation programs, polices and related disclosures. The outreach objective was to reach the top 40% of our shareholder base.

We reviewed the proxy advisor firms’ recommendations regarding executive compensation to evaluate where our compensation deviated from their expectations.

We reviewed the compensation programs of our peer companies and evaluated their compensation practices to determine where we may benefit from adopting new plans, programs or policies.

We examined our proxy disclosures to assess the effectiveness of communication related to our compensation practices.

We retained Meridian Compensation Partners, LLC (“Meridian”) to assist in developing a size and industry appropriate peer group and comparing our compensation practices to those peer companies.

Response to Shareholder Outreach. We are appreciative of the shareholders who were willing to share their perspectives throughout our outreach process. Our Compensation Committee takes shareholders’ input seriously and is committed to ongoing future shareholder outreach efforts. Based upon the feedback that we received from our shareholder outreach efforts, review of proxy advisory firm recommendations, review of peer practices and review of recommendations from Meridian, we have made the following enhancements to our compensation practices:

What We Heard from Shareholders

Changes We Made

- Adopted executive stock ownership guidelines
- Adopted non-employee director stock ownership guidelines
- Adopted Clawback Policy
- Adopted an anti-hedging and anti-pledging policy
- For 2019, adopted an Annual Incentive Plan for our named executive officers
- The Annual Incentive Plan provides for the payment of an annual cash bonus upon the achievement of financial-based performance metrics
- For 2019, we retained Meridian, who developed a size and industry appropriate peer group
- For 2019, we evaluated our compensation practices compared to our peers when making key 2019 compensation decisions

Absence of certain compensation risk mitigation policies

Absence of performance-based compensation with a direct alignment with financial objectives

Absence of a disclosed peer group

These new changes demonstrate our commitment to strong corporate governance and our responsiveness to our shareholders, and are in addition to the following compensation policies and practices we already had in place to service our shareholder’s long-term interests, which are described under “Compensation Policies and Highlights” above. We will hold annual say-on-pay votes until the next shareholders vote regarding the frequency of say-on-pay votes, which we expect to occur at the 2020 annual meeting of shareholders. The Compensation Committee will continue to consider the outcome of our say-on-pay vote, regulatory changes and emerging best practices when making future compensation decisions for the Named Executive Officers.

Adoption of 2019 Annual Incentive Plan. As noted above, in March 2019, we implemented a new Annual Incentive Plan which provides named executive officers of WaterStone Bank with annual cash incentive opportunities for 2019 performance. The ability to earn any award is contingent on the Company achieving consolidated financial-based metrics. These metrics will be measured against actual results or actual results compared to our annual budget. The objective of our Annual Incentive Plan is to motivate and reward executives for achieving or exceeding annual financial, strategic and operational goals that we believe will help us maintain long-term profitable growth, maintain asset quality and support value creation for shareholders. The Chief Executive of Waterstone Mortgage Corporation will not participate in the Annual Incentive Plan, but will instead, continue to participate in a cash-based annual incentive plan as set forth in his employment agreement.

Incentive awards will be calculated based upon the Company’s performance in one of three weighted financial-based measures along with a potential discretionary portion contingent upon achievement of strategic or operational non-financial objectives. With respect to the financial-based measures, performance will be measured against the Board-approved 2019 budget or against actual results. To receive any award under the Annual Incentive Plan, the named executive officer must be actively employed on the day the award is made.

Performance Payout

In designing the Annual Incentive Program, the Compensation Committee emphasized the Company’s goals of maintaining profitability, maintaining a strong credit culture and enhancing our franchise value through core deposit growth. The Compensation Committee determined that to encourage these goals, the Annual Incentive Plan would include the following performance measures:

Performance Measure	Weight	Evaluated Against	Rationale
Return on Average Assets	40	% Budget	Focuses management on achieving budgeted net income.
Non-Performing Assets	30	% Actual	Focuses management on adhering to appropriate risk management practices.
Core Deposit Growth	15	% Actual	Focuses management on less costly deposits and growth of business and retail checking and savings accounts, which will help to improve net interest margin.
Discretionary	15	%	Contingent on individual achievement of strategic or operational non-financial objectives.
Total Weighting	100	%	

Adoption of Clawback Policy. In March 2019, we implemented a Clawback Policy, which provides that in the event that the Company is required to prepare an accounting restatement due to its material noncompliance with financial reporting requirements under U.S. securities laws, the Company shall, to the extent permitted by governing law, pursue reimbursement of any performance-based compensation paid to the named executive officer, to the extent such payments and grants were made during the three-year period preceding the date on which the Company is required to prepare an accounting restatement based on the erroneous data, provided that the Compensation Committee or determine that the amount of any such performance-based compensation actually paid or awarded to the named executive officer would have been a lower amount had it been calculated based on such restated financial statements.

Determining Named Executive Officer Compensation

Role of the Compensation Committee. The Compensation Committee is responsible for reviewing all compensation components for the Named Executive Officers annually, including base salary, annual incentive, long-term incentives/equity, benefits and other perquisites. The Compensation Committee examines the total compensation mix, pay-for-performance relationship, and how all these elements in the aggregate comprise each executive's total compensation package to ensure that our compensation is competitive in the market place and that the mix of benefits accurately reflects our compensation philosophy. The Compensation Committee operates under a written charter that establishes its responsibilities. The Compensation Committee and the Board of Directors review the charter annually to ensure that the scope of the charter is consistent with the role of the Compensation Committee. A copy of the charter can be found on our website on the "Investor Relations" link under the "About" tab, then "Corporate Overview" and "Governance Documents."

Role of Management. The executive officers who serve as a resource to the Compensation Committee are the President and Chief Executive Officer, with respect to compensation for the other Named Executive Officers, and the Chief Operating Officer and General Counsel and the Assistant Vice President and Director of Human Resources, with respect to compensation of other officers and employees of WaterStone Bank. The executives provide the Compensation Committee with data, analyses, input and recommendation. The Compensation Committee considers our Chief Executive Officer's evaluation of each Named Executive Officer's performance and recommendation of appropriate compensation. However, our Chief Executive Officer does not participate in any decisions relating to his own compensation.

Use of Consultants. The Compensation Committee has the authority to engage compensation consultants from time to time to assist it in the compensation governance process for determining the compensation of our Named Executive Officers. Although the Compensation Committee did not engage a compensation consultant for purposes of making decisions regarding named executive officer compensation in 2018, based upon the results of our shareholder outreach, for 2019, the Compensation Committee engaged Meridian to perform an analysis of compensation for our Directors, Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and Senior Vice President/Director of Retail Banking. In conducting this analysis, Meridian developed competitive data for base salaries, short-term incentive, long-term incentives and total compensation from proxies and SEC filings of select peer banks ranging in asset size from \$1.1 billion to \$3.7 billion. In addition to asset size, peer group selection was also focused on banks with significant mortgage banking operations and/or banks that were recent mutual-to-stock conversions.

Components of Executive Compensation and 2018 Decisions

Overview. Our compensation program consists of five main components: base salary, annual incentives, long-term incentive/equity, board-based welfare and retirement benefit plans and perquisites. The following section summarizes the role of each component, how decisions are made and the resulting 2018 decision process as it relates to the named executive officers.

Base Salary. In determining the base salary of executive officers for 2018, the Compensation Committee reviewed, among other things, third party surveys of peer institutions, the historical compensation of those officers under review and performance measures of Waterstone Financial, Inc. and its subsidiaries. Base salaries for named executive officers other than the Chief Executive Officer are determined based upon recommendations made by the Chief Executive Officer.

Name and Principal Position	2018 (\$)	2017 (\$)	Change (\$)	Change (%)
Douglas S. Gordon Chief Executive Officer of Waterstone Financial and WaterStone Bank	850,000	850,000	—	—
William F. Bruss Chief Operating Officer and General Counsel of Waterstone Financial and WaterStone Bank	309,000	300,000	9,000	3 %
Mark R. Gerke Chief Financial Officer of Waterstone Financial and WaterStone Bank	200,000	170,000	30,000	17.7 %
Julie A. Glynn Senior Vice President and Director of Retail of WaterStone Bank (1)	185,000	—	—	—
A.W. Pickel, III Former President of Waterstone Mortgage Corporation (2)(3)	300,000	—	—	—

(1)Ms. Glynn was appointed Senior Vice President/Director of Retail Banking on March 26, 2018.

(2)Mr. Pickel was appointed Chief Executive Officer of Waterstone Mortgage Corporation on September 25, 2018.

(3)Mr. Pickel's employment with the Company was terminated on March 25, 2019.

Bonus – WaterStone Bank. Following shareholder approval of the Waterstone Financial, Inc. 2015 Equity Incentive Plan on March 3, 2015, the Compensation Committee of WaterStone Bank has typically not paid cash bonuses to Named Executive Officers who are also officers of WaterStone Bank, but instead awarded equity incentives, which have been deemed to better align the long-term interests of Named Executive Officers with those of shareholders. Additional details regarding equity incentives are provided below. Ms. Glynn, who was appointed Senior Vice President and Director of Retail on March 26, 2018, was awarded an annual cash bonus of \$40,000. In future years, Ms. Glynn will be eligible to receive awards under the Annual Incentive Plan. No cash bonuses were awarded to WaterStone Bank Named Executive Officers during 2017.

Bonus – Waterstone Mortgage Corporation. During 2018, A.W. Pickel, III, Chief Executive Officer of Waterstone Mortgage Corporation, was awarded an annual cash bonus of \$75,000 in accordance with the terms of his employment agreement dated June 19, 2018. The Chief Executive Officer of Waterstone Mortgage Corporation has historically been eligible to earn an annual cash-based bonus based upon pre-tax income earned by Waterstone Mortgage Corporation. During 2018, neither Eric Egenhoefer, who resigned as Chief Executive Officer, effective September 15, 2018, nor A.W. Pickel, III, who was appointed Chief Executive Officer on September 25, 2018, participated in an annual incentive plan.

Equity Incentives. The Compensation Committee believes that equity-based compensation can provide an important incentive to executive officers while also aligning their interests with those of shareholders, since the value of the compensation will depend upon stock price performance. The equity incentive elements of total compensation are intended to further the Compensation Committee's objectives of executive retention through longer vesting schedules and enhanced shareholder value due to the value of grants being tied to the trading price of our common stock. All

equity awards given to the Named Executive Officers of WaterStone Bank are at the discretion of the Compensation Committee. The Compensation Committee considers the position of the Named Executive Officer, the officer's level of influence and the corresponding ability to contribute toward the success of Waterstone Financial, Inc., and individual and corporate performance as well as the level of equity awards granted to individuals with similar positions at similar companies.

In March 2015, both restricted stock awards and option awards were granted to directors and WaterStone Bank executive officers, except for the Chief Financial Officer, under our 2015 Equity Incentive Plan. In June 2016, both restricted stock awards and option awards were granted to the Chief Financial Officer. In April 2018, 20,000 incentive stock option awards were granted to the Senior Vice President/Director of Retail Banking. No new awards of restricted stock were granted to any of the named executives during 2018. The Compensation Committee believes that the grants made in 2015 and 2016 still serve the intended purpose of executive and shareholder alignment. See "Executive Compensation-Plan-Based Awards" for additional information about grants made to WaterStone Bank executive officers. The restricted stock awards granted to employees under this plan vest in five installments over four years with the first installment vesting two days after date of grant. The restricted stock awards granted to directors under this plan vest in eight installments over seven years with the first installment vesting two days after date of grant.

In the event of an involuntary termination of employment following a change in control, the unvested equity incentive awards held by each recipient will vest automatically.

Broad-Based Welfare and Retirement Benefit Plans. The purpose of welfare and retirement benefit plans are to ensure our compensation packages are competitive and to provide an opportunity for retirement savings. We maintain a number of broad-based welfare benefit plans that are available to our employees, including Named Executive Officers. We provide group medical, dental and vision insurance coverage plans to employees, with employees being responsible for a portion of the premiums.

We also offer our employees, including named executive officers, participation in tax-qualified defined benefit contribution plans.

WaterStone Bank Employee Stock Ownership Plan (ESOP). The ESOP is a tax-qualified retirement plan that benefits all eligible WaterStone Bank employees proportionately. The ESOP is not separately considered in the review and evaluation of annual executive compensation. ESOP allocations are made annually as of December 31 to all eligible WaterStone Bank employees. An employee must complete a full year of service and be employed by us on December 31 in order to receive an annual allocation each year. A trustee holds the shares purchased by the ESOP in an unallocated suspense account. Shares are released from the suspense account on a pro-rata basis as the ESOP repays the loan. The trustee allocates the shares released among participants on the basis of the participant's proportional share of compensation relative to all participants. In the event of plan termination, all allocated benefits become fully vested immediately, any outstanding loan will be repaid from shares in the unallocated suspense account and the amounts remaining in the suspense account will be allocated to participant accounts proportionally. Dividends paid with respect to shares of Waterstone Financial, Inc. stock in the unallocated suspense account may be used to repay any ESOP loan. To the extent the dividends exceeded the annual loan payment, the remaining dividend amount would cause additional shares to be allocated to participants or may be credited proportionately to participant accounts.

WaterStone Bank 401(k) Plan. WaterStone Bank maintains the WaterStone Bank 401(k) Plan, a tax-qualified defined contribution retirement plan, for all WaterStone Bank, including Named Executive Officers, who have satisfied the 401(k) Plan's eligibility requirements. All eligible employees can begin participation in the 401(k) Plan on the first day of the month that coincides with or follows the date the employee attains age 18. A participant may contribute up to 90% of his or her compensation to the 401(k) Plan on a pre-tax basis, subject to the limitations imposed by the Internal Revenue Code. A participant is 100% vested in his or her salary deferral contributions. In addition to salary deferral contributions, the 401(k) Plan provides that WaterStone Bank will make matching contributions on 20% of the first 5% of the participant's salary that is contributed to the 401(k) Plan.

Waterstone Mortgage 401(k) Plan. Waterstone Mortgage maintains the Waterstone Mortgage 401(k) Plan, a tax-qualified defined contribution retirement plan, for all Waterstone Mortgage employees, including Named Executive Officers, who have satisfied the 401(k) Plan's eligibility requirements. All eligible employees can begin participation in the 401(k) Plan on the first day of the month that coincides with or follows the date the employee attains age 21 and completes 60 days of service. A participant may contribute up to 100% of his or her eligible compensation to the 401(k) Plan on a pre-tax basis, subject to the limitations imposed by the Internal Revenue Code. A participant is 100% vested in his or her salary deferral contributions. In addition to salary deferral contributions, the 401(k) Plan provides that Waterstone Mortgage will make matching contributions on 50% of the first 6% of the participant's salary that is contributed to the 401(k) Plan.

Perquisites. Perquisites comprise a small portion of our total compensation package. The main perquisites we provide are use of a company-owned vehicle or an automobile allowance for selected officers. Although these perquisites may involve personal use, we believe that they are reasonable and consistent with the overall compensation program to assist with attracting and retaining executive officers.

Stock Ownership Guidelines

To align the interests of the Company's named executive officers and non-employee directors with the interests of the Company's shareholders, in March 2019, the Company implemented stock ownership guidelines, where named executive officers of WaterStone Bank are required to own shares of common stock equal to a specified multiple of their annual base salary and non-employee directors are required to own shares of common stock equal to a multiple of such director's annual board cash retainer. The applicable levels are as follows:

Chief Executive Officer 3x base salary

Chief Financial Officer 2x base salary
Other NEO's 1x base salary
Directors 3x annual board cash retainer

NEO's and non-employee directors have five years from the date that the individual first become subject to the guidelines to meet these ownership requirements. As of December 31, 2018, all directors would have been in compliance with the Company's stock ownership guidelines. As of December 31, 2018, all NEO's that have been employed with the Company for at least five years would have been in compliance with the Company's stock ownership guidelines.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the section of this Proxy Statement entitled "Compensation Discussion and Analysis" with management. Based on this review and discussion, the Compensation Committee recommended to the board of directors that the "Compensation Discussion and Analysis" be included in this Proxy Statement.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The compensation of our principal executive officer, principal financial officer and the four other most highly compensated executive officers of the Company (“Named Executive Officers”) is described above in general and is shown in detail in the Executive Compensation and Compensation Discussion and Analysis sections. Shareholders are urged to read the Executive Compensation and Compensation Discussion and Analysis sections of this Proxy Statement, which discusses our compensation policies and procedures with respect to our Named Executive Officers.

In accordance with Section 14A of the Exchange Act, shareholders will be asked at the Annual Meeting to provide their support with respect to the compensation of our Named Executive Officers by voting on the following advisory, non-binding resolution:

RESOLVED, that the compensation paid to the “named executive officers,” as disclosed in the Company’s Proxy Statement for the 2019 Annual Meeting of Shareholders pursuant to Item 402 Securities and Exchange Commission Regulation S-K, including the Compensation Discussion and Analysis, the 2018 compensation tables and narrative discussion is hereby approved.

We will hold annual say-on-pay votes until the next shareholders vote regarding the frequency of say-on-pay votes, which we expect to occur at the 2020 annual meeting of shareholders.

This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is non-binding on the board of directors. Although non-binding, the board of directors and the Compensation Committee value constructive dialogue on executive compensation and other important governance topics with our shareholders and encourage all shareholders to vote their shares on this matter. The board of directors and the Compensation Committee will review the voting results and take them into consideration when making future decisions regarding our executive compensation.

Unless otherwise instructed, validly executed proxies will be voted “FOR” this resolution.

The board of directors unanimously recommends that you vote “FOR” the resolution set forth in Proposal 2.

Employment Agreements

Employment Agreement with Douglas S. Gordon. Effective as of October 21, 2014, WaterStone Bank entered into an employment agreement with Douglas S. Gordon, President and Chief Executive Officer of WaterStone Bank. Commencing on each January 1st (the "Anniversary Date") thereafter, the term of this Agreement shall renew on each January 1st anniversary date thereafter for an additional year such that the remaining term of this Agreement is always three years, unless written notice of non-renewal is provided to Mr. Gordon at least 30 days prior to such Anniversary Date, in which case the term of this Agreement shall become fixed and shall end two years following such Anniversary Date. Under the agreement, Mr. Gordon's annual base salary for 2019 is \$850,000. In addition, Mr. Gordon is entitled to participate in the employee benefit plans, arrangements and perquisites offered by WaterStone Bank and is entitled to participate in any incentive compensation or bonus plan or arrangement of WaterStone Bank or Waterstone Financial in which he is eligible to participate. The Bank will also pay or reimburse him for business expenses incurred, pay or reimburse him for annual country club dues and furnish him an automobile or reimburse him for the expense of leasing an automobile and for reasonable expenses associated with the use of such automobile.

In the event of Mr. Gordon's involuntary termination of employment for reasons other than cause, disability, death or retirement, or in the event Mr. Gordon resigns during the term of the agreement for "good reason" (as defined in the agreement), subject to his execution and non-revocation of a mutual release of claims, Mr. Gordon will receive a lump-sum severance payment equal to the sum of (i) his earned but unpaid salary as of the date of his termination of employment, (ii) the benefits he is entitled to as a former employee under the employee benefit plans maintained by WaterStone Bank or Waterstone Financial, (iii) the remaining base salary and bonuses Mr. Gordon would have earned if he had continued his employment for the remaining term of the Agreement and had earned a bonus and/or incentive award in each year in an amount equal to the average bonus and/or incentive award earned by him over the three calendar years preceding the year in which the termination occurs, (iv) the annual contributions or payments that would have been made on Mr. Gordon's behalf to any employee benefit plans of WaterStone Bank or Waterstone Financial as if Mr. Gordon had continued his employment with WaterStone Bank for the remaining term of the Agreement, and (v) the annual payments that would have been made related to membership in a country club and the use of an automobile for the remaining term of the Agreement. In addition, all awards under the Waterstone Financial, Inc. 2015 Equity Incentive Plan that would have vested had Mr. Gordon continued his employment with WaterStone Bank for the remaining term of the Agreement will vest as of the date of termination, provided that if the

terms of the Incentive Plan do not allow for such vesting, WaterStone Bank will make a lump sum payment to Mr. Gordon in an amount equal to the value to Mr. Gordon if such awards had become vested and, with respect to stock options, been exercised. Upon the occurrence of an event of termination described above, Mr. Gordon will be entitled to continued life insurance coverage and non-taxable medical and dental insurance coverage for the remaining term of the agreement.

Upon termination of Mr. Gordon's employment by Waterstone Financial or WaterStone Bank for reasons other than cause following a change in control of Waterstone Financial or WaterStone Bank, or Mr. Gordon's resignation due to good reason following a change in control, Mr. Gordon will receive a lump sum payment within 30 days after the date of termination substantially similar to the payment that he would receive on such a termination without regard to a change in control, except that such payments will be for a period of 36 months from date of termination. Mr. Gordon's payment described in clause (iii) above will be based on the highest annual bonus and/or incentive award earned by him in any of the three calendar years preceding the year in which the termination occurs. Also, the annual contributions or payments that would have been made on Mr. Gordon's behalf to any employee benefit plans of the Bank or the Company as if Executive had continued his employment with the Bank for a period of 36 months following the Date of Termination, based on contributions or payments made (on an annualized basis) at the Date of Termination and the annual payments that would have been made on Mr. Gordon's behalf if he had continued his employment with the Bank for a period of 36 months following the Date of Termination. In addition, all awards granted under the Waterstone Financial, Inc. 2015 Equity Incentive Plan will vest as of the date of termination. Upon the occurrence of an event of termination described above, Mr. Gordon will be entitled to continued life insurance coverage and non-taxable medical and dental insurance coverage for a period of 36 months from the date of termination.

In the event of Mr. Gordon's disability and subsequent termination of employment, Mr. Gordon will receive the benefits provided under any disability program sponsored by Waterstone Financial or WaterStone Bank. To the extent such benefits are less than Mr. Gordon's base salary at the date of termination, and less than 66 2/3% of Mr. Gordon's base salary after the first year following termination, Mr. Gordon will be entitled to the difference between the disability benefits provided under any disability program sponsored by Waterstone Financial or WaterStone Bank and his base salary for a period of one year. After the first year following termination, Mr. Gordon will be entitled to the difference between the disability benefits provided under any disability program sponsored by Waterstone Financial or WaterStone Bank and 66 2/3% of Mr. Gordon's base salary, through the earliest to occur of the date of Mr. Gordon's death, recovery from disability or the date Mr. Gordon attains age 65.

In the event of Mr. Gordon's death during the term of the agreement, Mr. Gordon's beneficiary, legal representatives or estate will be paid Mr. Gordon's base salary for one year and WaterStone Bank will continue to provide Mr. Gordon's family the same medical, dental, and other health benefits that were provided by WaterStone Bank to Mr. Gordon's family immediately prior the Mr. Gordon's death, on the same terms, including cost, for one year.

In the event of termination due to Mr. Gordon's retirement, no amount or benefit will be due Mr. Gordon under the Agreement.

The employment agreement restricts Mr. Gordon from revealing confidential information of Waterstone Financial and WaterStone Bank. In addition, for one year following termination of employment (other than upon termination following a change in control), Mr. Gordon may not compete with Waterstone Financial and WaterStone Bank or solicit or hire WaterStone Bank's employees.

Employment Agreement with A.W. Pickel, III. Effective as of June 19, 2018, Waterstone Mortgage Corporation entered into an employment agreement with its President, A.W. Pickel, III. The agreement had an initial term commencing on December 31, 2021 and renewing on each December 31 thereafter, such that the remaining term of the agreement would always be two years unless written notice of non-renewal was provided to Mr. Pickel at least thirty (30) days prior to such Anniversary Date, in which case the term of the agreement would have become fixed and would have ended one year following such Anniversary Date. Under the agreement, Mr. Pickel was entitled to a base salary in 2019 of \$350,000 and participation in company-wide employee benefits, including Waterstone Mortgage Corporation's 401(k) Plan and other qualified and non-qualified plans that may be maintained by the company. Beginning on January 1, 2019, Mr. Pickel was also entitled to annual bonus compensation pursuant to the bonus formula set forth in the agreement.

Under the agreement, Mr. Pickel had the right to terminate his employment for "good reason," which includes any material breach of the agreement by Waterstone Mortgage Corporation, including the failure, without "good cause" (as defined in the agreement), to pay the amounts due under the agreement on a timely basis. In the event the agreement was terminated for good reason or in the event Waterstone Mortgage Corporation terminated Mr. Pickel's employment for any reason other than "good cause," subject to his execution and non-revocation of a release of claims, Mr. Pickel would have been entitled to receive his base salary through the remaining term of the agreement. In the event of termination due to disability, Mr. Pickel would have received any unpaid base salary earned prior to the effective date of termination and reimbursement of expenses to which Mr. Pickel was entitled. In the event of Mr. Pickel's death during the term of the agreement, the agreement would have terminated with no payment of severance compensation to Mr. Pickel's estate. Similarly, in the event of his termination for good cause, Mr. Pickel would not have been entitled to any severance compensation.

In the event of Mr. Pickel's termination of employment, the agreement contains provisions which prevent him from soliciting business from customers of Waterstone Mortgage Corporation, withdrawing any customers' business, hiring any employees, consultants or personnel of Waterstone Mortgage Corporation, disclosing confidential information or competing with Waterstone Mortgage Corporation for one year following termination of employment.

Effective March 25, 2019, Mr. Pickel's employment was terminated with good cause. As such, Mr. Pickel is not entitled to compensation under the terms of the employment agreement.

Employment Agreement with Julie Glynn. The agreement has a 36 month term from the effective date. The term of this Agreement shall automatically renew for 90 days in the event of a change in control.

Under the agreement, Ms. Glynn may terminate her employment for "good reason," which includes any material breach of the agreement by WaterStone Bank, without "good cause" (as defined in the agreement). In the event that Ms. Glynn resigns for good reason or in the event WaterStone Bank terminates Ms. Glynn's employment for any reason other than "good cause," Ms. Glynn will be entitled to receive a cash lump sum equal to one times the highest base salary during the term of the agreement. In the event of Ms. Glynn's death during the term of the agreement, Ms. Glynn's beneficiary or estate will receive a cash lump sum equal to one times the highest base salary during the term of the agreement. In the event of her termination for good cause, Ms. Glynn will not be entitled to any severance compensation under the agreement.

In the event of Ms. Glynn's termination of employment, the agreement contains provisions which prevent her from being a specified employee of a public company bank for six months after termination.

Potential Payments Upon Termination or Change in Control

The following table sets forth estimates of the amounts that would become payable to our Named Executive Officers, under employment agreements and/or equity award agreements in the event of their termination of employment on December 31, 2018, under designated circumstances. The table does not include vested or accrued benefits under any tax-qualified benefit plans that do not discriminate in scope, terms or operation in favor of Executive Officers or equity awards or other benefits in which the executive is vested without regard to the change in control. The estimates shown are highly dependent on a variety of factors, including but not limited to the date of termination, interest rates, federal, state, and local tax rates, and compensation history. Actual payments due could vary substantially from the estimates shown. We consider each termination scenario listed below to be exclusive of all other scenarios and do not expect that any of our Executive Officers would be eligible to collect the benefits shown under more than one termination scenario. If a Named Executive Officer is terminated for “cause” as defined in the applicable agreement or award, we have no contractual payment or other obligations under the agreement.

(1) The cash severance payment under Mr. Gordon's employment agreement equals (i) the remaining base salary and employee benefits to which he is entitled under his employment agreement over the remaining term of the agreement, assuming he had earned a bonus equal to the average bonus or incentive award earned over the three calendar years preceding the year of termination, as determined under the agreement; (ii) the annual contributions that would have been made on Mr. Gordon's behalf under any employee benefit plans in which he participated; and (iii) the annual payments towards automobile lease and expenses that he would be entitled to for the remaining term of the agreement. The severance payment under Mr. Pickel's employment agreement is equal to the remaining base salary to which he is entitled under his employment agreement over the remaining term of the agreement.

(2) Mr. Gordon will be entitled to non-taxable medical and dental coverage and life insurance coverage for the remaining term of the agreement, in the event of a termination without cause or for good reason not related to a change in control. In the event of an involuntary termination without cause or for good reason following a change in control, Mr. Gordon will be entitled to the continuation of the same benefits for a period of 36 months from the date of termination.

(3) For Mr. Gordon, the cash severance benefit payable on an involuntary termination of employment or termination for good reason in connection with a change in control is the same as the payment in such a termination that occurs without regard to a change in control, except that such payments would be calculated utilizing the highest bonus or

incentive award earned over the three calendar years preceding the year of termination and would be based on a 36-month term. For Mr. Pickel, the severance payment under his employment agreement is equal to the remaining base salary to which he is entitled under his employment agreement over the remaining term of the agreement. For Ms. Glynn, the severance payment under her employment agreement is equal to one times the highest base salary paid to Ms. Glynn during the term of the agreement.

(4) Value is based on the closing price of \$16.76 on December 31, 2018 of Waterstone Financial, Inc. common stock less the exercise price of the stock option. As of December 31, 2018, the closing price exceeds the exercise price of Ms. Glynn's options.

(5) Based on the closing price of \$16.76 on December 31, 2018 of Waterstone Financial, Inc. common stock. This includes the value of unvested restricted stock and any accrued dividends on those shares.

(6) In the event of Mr. Gordon's disability, to the extent that any disability benefits payable under a disability program sponsored by the Bank is less than his base salary during the first year after termination or less than 66-2/3% of his base salary after the first year of his termination, Mr. Gordon will receive a supplement to such disability benefit under the employment agreement to ensure that his aggregate disability benefit is equal to his base salary during the first year and equal to 66-2/3% of his base salary after the first year of his disability. (This benefit can be provided under a supplemental disability policy providing such benefit, in lieu of providing it under the employment agreement.)

(7) In the event of Mr. Gordon's death, Mr. Gordon's estate, legal representatives or named beneficiary or beneficiaries a base salary for the remaining year along with the same medical, dental, and other health benefits that that would have been made available to Mr. Gordon's family. In the event of Ms. Glynn's death, her beneficiary or estate, will receive a cash lump sum payment equal to one times Officer's highest rate of Base Salary during the term of this Agreement.

(8) Effective March 25, 2019, Mr. Pickel's employment was terminated with good cause. As such, Mr. Pickel is not entitled to compensation under the terms of the employment agreement.

CEO Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Securities and Exchange Commission Regulation S-K, we are providing the following information:

For 2018:

The median of the annual total compensation of all employees of our company (other than our Chief Executive Officer), was \$57,573; and

The annual total compensation of Mr. Gordon, our President and Chief Executive Officer was \$987,899.

Based on information, the ratio for 2018 of the annual total compensation of our President and Chief Executive Officer to the median of the annual total compensation of all employees is 17.2 to 1.

We completed the following steps to identify the median employee:

As of December 31 2018, our employee population consisted of approximately 895 employees, including any full-time, part-time, temporary, or seasonal employees employed on that date.

To find the median of the annual total compensation of our employees (other than our CEO), we used wages from our payroll records as reported to the Internal Revenue Service on Form W-2 for fiscal 2018. In making this determination, we annualized compensation for full-time and part-time permanent employees who were employed on December 31, 2018, but did not work for us the entire year. No full-time equivalent adjustments were made for part-time employees.

We identified our median employee using this compensation measure and methodology, which was consistently applied to all our employees included in the calculation.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

WaterStone Bank has had, and expects to continue to have, regular business dealings with its officers and directors, as well as their associates and the firms which they serve. Our historical policy has been that transactions with our directors and executive officers be on terms that are no more beneficial to the director or executive officer than we would provide to unaffiliated third parties. Under our policies and procedures, all of our transactions with officers and directors require review, approval or ratification by the board of directors. Directors and executive officers, and their associates, regularly deposit funds with WaterStone Bank. The deposits are made on the same terms and conditions which are offered to other depositors.

In the ordinary course of business, WaterStone Bank makes loans available to its directors, officers and employees. After six months of continuous employment, full-time employees of WaterStone Bank were entitled to receive a mortgage loan at a reduced interest rate, consistent with applicable laws and regulations. In December 2005, the board discontinued the employee loan program for employee loans originated after March 31, 2006. Employee loans at reduced interest rates originated on or before March 31, 2006 continue on their same terms.

The table below lists the executive officers who participated in the employee mortgage loan program during the years ended December 31, 2017 and 2016 and certain information with respect to their loans. There were no directors or executive officers who had an employee mortgage loan program loan outstanding at December 31, 2018 or 2017. At the time of termination of employment with WaterStone Bank, the interest rate would have been adjusted to the non-employee interest rate as set forth in the mortgage note.

These loans neither involve more than the normal risk of collection nor present other unfavorable features. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the board of directors. The interest rate on loans to directors and officers is the same as that offered to other employees.

Other than described above, and except for loans to directors made in the ordinary course of business that were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to WaterStone Bank and for which management believes neither involve more than the normal risk of collection nor present other unfavorable features, since January 1, 2018, the beginning of our last fiscal year, we and our subsidiaries have not had any transaction or series of transactions, or business relationships, nor are any such transactions or relationships proposed, in which the amount involved exceeds \$120,000 and in which our directors, executive officers or 5% or more shareholders have a direct or indirect material interest.

The information contained in the above report will not be deemed to be "soliciting material" or "filed" with the SEC, nor will this information be incorporated into any future filing under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act except to the extent the Company specifically incorporates such report by reference.

Based on the foregoing, the Audit Committee recommended to the board that those audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2018. In addition, the Audit Committee also considered the fees paid to RSM US LLP for services provided by RSM US LLP during the year ended December 31, 2018.

PROPOSAL 3 – RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected RSM US LLP as our independent registered public accountants for the fiscal year ended December 31, 2019. We are submitting the selection of independent registered public accountants for shareholder ratification at the annual meeting. Although not required by the Company's Articles of Incorporation or Bylaws, the Company has determined to ask shareholders to ratify this selection as a matter of good corporate practice. If the appointment of RSM US LLP is not ratified, the Audit Committee will consider the shareholders' vote when determining whether to continue the firm's engagement, but may ultimately determine to continue the engagement of the firm or another audit firm without re-submitting the matter to shareholders. Even if the appointment of RSM US LLP is ratified, the Audit Committee may in its sole discretion terminate the engagement of the firm and direct the appointment of another independent registered public accounting firm at any time during the year if it determines that such an appointment would be in the best interests of our

These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one year and any pre-approval is detailed as to particular service or category of services and is generally subject to a specific budget. The Audit Committee has delegated pre-approval authority to its Chairman when expedition of services is necessary. The independent registered public accounting firm and management are required to periodically report to the full Audit Committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date. SHAREHOLDER PROPOSALS AND NOTICES

Shareholder proposals must be received by the Secretary of Waterstone Financial, William F. Bruss, no later than December 4, 2019 in order to be considered for inclusion in next year's annual meeting proxy materials pursuant to Securities and Exchange Commission Rule 14a-8.

Under Securities and Exchange Commission rules relating to the discretionary voting of proxies at shareholder meetings, if a proponent of a matter for shareholder consideration (other than a shareholder proposal) fails to notify Waterstone Financial at least 45 days prior to the month and day of mailing the prior year's Proxy Statement, then management proxies are allowed to use their discretionary voting authority if a proposal is raised at the annual meeting, without any discussion of the matter in the Proxy Statement. Therefore, any such matters must be received by February 18, 2020 in the case of the 2020 annual meeting of shareholders. Waterstone Financial is not aware of any such proposals for the 2019 annual meeting.

Our Bylaws provide an advance notice procedure for certain business, or nominations to the board of directors, to be brought before an annual meeting of shareholders. In order for a stockholder to properly bring business before an annual meeting, or to propose a nominee to the board of directors, our Secretary must receive written notice not earlier than the 90th day nor later than the 80th day prior to date of the annual meeting; provided, however, that in the event that less than 90 days' notice or prior public disclosure of the date of the annual meeting is provided to shareholders, then, to be timely, notice by the stockholder must be so received not later than the tenth day following the day on which public announcement of the date of such meeting is first made.

The notice with respect to stockholder proposals that are not nominations for director must set forth as to each matter such stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address of such stockholder as they appear on our books and of the beneficial owner, if any, on whose behalf the proposal is made; (iii) the class or series and number of shares of our capital stock which are owned beneficially or of record by such stockholder and such beneficial owner; (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business; and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

The notice with respect to director nominations must include (i) as to each individual whom the stockholder proposes to nominate for election as a director, (A) all information relating to such person that would indicate such person's qualification under Article 2, Section 12 of our Bylaws, including an affidavit that such person would not be disqualified under the provisions of Article 2, Section 12 of the Bylaws and (B) all other information relating to such individual that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor rule or regulation; and (ii) as to the stockholder giving the notice, (A) the name and address of such stockholder as they appear on our books and of the beneficial owner, if any, on whose behalf the nomination is made; (B) the class or series and number of shares of our capital stock which are owned beneficially or of record by such stockholder and such beneficial owner; (C) a description of all arrangements or understandings between such

stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder; (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and (E) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934 or any successor rule or regulation. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director if elected.

The date on which the next Annual Meeting of Shareholders is expected to be held is May 19, 2020. Assuming the next Annual Meeting of Shareholders is held on May 19, 2020, advance written notice for certain business, or nominations to the Board of Directors, to be brought before the next annual meeting must be given to us no earlier than February 19, 2020 and no later than April 29, 2020. If notice is received before February 19, 2020 or after April 29, 2020, it will be considered untimely, and we will not be required to present the matter at the shareholders meeting.
