Item 5.07 Submission of Matters to a Vote of Security Holders

On December 28, 2017, Barington/Hilco Acquisition Corp. (the “Company” or “BHAC”) held a special meeting of stockholders (the “Meeting”). At the Meeting, the stockholders approved an amendment (the “Charter Amendment”) to the Company’s amended and restated certificate of incorporation to extend the date by which the Company has to consummate a business combination (the “Extension”) for an additional twenty six (26) weeks, from December 31, 2017 to June 30, 2018 (the “Extended Termination Date”). The affirmative vote of a majority of the outstanding shares of the Company’s common stock was required to approve the Charter Amendment.

The number of shares of common stock presented for redemption in connection with the Charter Amendment was 537,804. In the proxy statement for the Meeting, it was announced that \$0.04 would be deposited into the Company’s trust account for each public share that is not converted in connection with the stockholder vote to approve the Extension, for each 30-day period, or portion thereof, that is needed by the Company to complete its initial business combination from December 31, 2017 until the Extended Termination Date (the “Contribution”). Furthermore, the Company has agreed to prepay the Contributions for the three-month period from December 31, 2017 (the date by which BHAC is currently required to complete its initial business combination) until March 31, 2018. For the first three-month period, the Contribution has been deposited in the trust account established in connection with BHAC’s initial public offering, and for each monthly period thereafter, the Contribution will be made at the beginning of each such 30-day period (or portion thereof). Accordingly, if BHAC takes the full time through the Extended Termination Date to complete the initial business combination, the conversion amount per share at the meeting for such business combination or BHAC’s subsequent liquidation will be approximately \$10.71 per share, in comparison to the current conversion amount of \$10.48 per share.

Set forth below are the final voting results for the Charter Amendment proposal:
