Although Skinvisible and Quoin believe that their plans, intentions and expectations reflected in or suggested by these forward-looking statements are reasonable, neither Skinvisible nor Quoin can assure you that either will achieve or realize these plans, intentions or expectations. Forward-looking statements are inherently subject to risks, uncertainties and assumptions including, without limitation, the factors described under "Risk Factors" from time to time in Skinvisible's filings with the SEC. All statements other than statements of historical fact are statements that could be deemed forward-looking statements. Many of the forward-looking statements contained in this presentation may be identified by the use of forward-looking words such as "believe", "expect", "anticipate", "should", "planned", "will", "may", "intend", "estimated", "a", "target", "opportunity", "tentative", "positioning", "designed", "create", "predict", "project", "seek", "would", "could", "contin", "upside", "increases" and "potential", among others. Important factors that could cause actual results to differ materially from the forward-looking statements we make in this presentation are set forth in other reports or documents that we file from time to time with the SEC, and include, but are not limited to:

- the number and percentage of Skinvisible's public stockholders voting against the proposals set forth in this proxy statement;

- the result of future financing efforts; and
- and the other factors summarized under the section entitled "Risk Factors".

You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this proxy statement/prospectus. All forward-looking statements included herein attributable to any of Skinvisible, Quoin or any person acting on either party's behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section.

For a discussion of the factors that may cause Skinvisible's or Quoin's actual results, performance or achievements to differ materially from any future results, performance or achievements expressed or implied in such forward-looking statements, see "Risk Factors" beginning on page 17.

If any of these risks or uncertainties materializes or any of these assumptions proves incorrect, the actual results of Skinvisible or Quoin could differ materially from the forward-looking statements. All forward-looking statements in this proxy statement are current only as of the date on which the statements were made. Skinvisible and Quoin do not undertake any obligation to publicly update any forward-looking statement to reflect events or circumstances after the date on which any statement is made or to reflect the occurrence of unanticipated events.

Before a stockholder grants its proxy or instructs how its vote should be cast or vote on the merger proposal, or the adjournment proposal, it should be aware that the occurrence of the events described in the "Risk Factors" section and elsewhere in this proxy statement/prospectus may adversely affect Skinvisible and Quoin.

VOTING AND RELATED MATTERS

Voting Procedures

As a stockholder of Skinvisible, you have a right to vote on certain business matters affecting us. The proposals that will be presented at the Special Meeting and upon which you are being asked to vote are discussed below. Each share of Skinvisible's common stock you owned as of the record date entitles you to one vote on each proposal presented at the Special Meeting.

Methods of Voting

You may vote over the Internet, by telephone, by mail or in person at the Special Meeting.

Voting over the Internet. You can vote via the Internet. The website address for Internet voting and the instructions for voting are provided on your proxy card. You will need to use the control number appearing on your proxy card to vote via the Internet. If you vote via the Internet, you do not need to vote by telephone or return a proxy card.

Voting by Telephone. You can vote by telephone by calling the toll-free telephone number provided on your proxy card. You will need to use the control number appearing on your proxy card to vote by telephone. If you vote by telephone, you do not need to vote over the Internet or return a proxy card.

Voting by Mail. You can vote by marking, dating and signing your proxy card, and returning it in the postage-paid envelope provided. Please promptly mail your proxy card to ensure that it is received prior to the closing of the polls at the Special Meeting.

Voting in Person at the Meeting. If you attend the Special Meeting and plan to vote in person, we will provide you with a ballot at the Special Meeting. If your shares are registered directly in your name, you are considered the stockholder of record, and you have the right to vote in person at the Special Meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in street name. As a beneficial owner, if you wish to vote at the Special Meeting, you will need to bring to the Special Meeting a legal proxy from your broker or other nominee authorizing you to vote those shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Special Meeting. To do this, you must:

- enter a new vote over the Internet or by telephone, or by signing and returning a replacement proxy card;
- provide written notice by November 23, 2018 of the revocation to Skinvisible's Corporate Secretary at Skinvisible's principal executive offices, which are located at 6320 South Sandhill Road, Suite 10, Las Vegas, NV 89120; or
- attend the Special Meeting and vote in person.

Quorum and Voting Requirements

Stockholders of record at the close of business on October 19, 2018 are entitled to receive notice and vote at the meeting. On the record date, there were 144,830,920 issued and outstanding shares of Skinvisible's common stock. Each holder of Skinvisible's common stock voting at the meeting, either in person or by proxy, may cast one vote per share of common stock held on each of the matters to be voted on at the meeting.

Edgar Filing: SKINVISIBLE INC - Form DEF 14A

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote constitutes a quorum for the transaction of business at the meeting. Assuming that a quorum is present, the following table summarizes the voting requirements to approve each proposal:

Table of Contents

Proposal	Vote Required	Broker Discretionary Voting Allowed
Proposal No. 1 — To approve the Merger Agreement.	The affirmative vote of a majority of the votes cast at the Special Meeting.	No
Proposal No. 2 — To amend Skinvisible’s Articles of Incorporation to effect a Reverse Split (the “Reverse Split”) of Skinvisible’s issued and outstanding common stock by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range, as determined by Skinvisible’s board of directors in its sole discretion.	The affirmative vote of a majority of the outstanding shares of common stock.	No
Proposal No. 3 — To approve an amendment to the Articles of Incorporation of Skinvisible which changes its name to Quoin Pharmaceuticals, Inc. at the effective time of the Merger.	The affirmative vote of a majority of the outstanding shares of common stock.	No
Proposal No. 4 — To approve a proposal to adjourn the Special Meeting to a later date or dates, if necessary, to permit further solicitation and vote of proxies if, based upon the tabulated vote at the time of the Special Meeting, Skinvisible is not authorized to consummate the transactions contemplated by the aforementioned proposals.	The affirmative vote of a majority of the votes cast at the Special Meeting.	Yes

Votes cast by proxy or in person at the meeting will be tabulated by the election inspectors appointed for the meeting. Such inspectors will also determine whether a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of

determining the approval of any matter submitted to the stockholders for a vote. Accordingly, abstentions will have no effect on whether Proposal No. 1 and Proposal No. 4, are approved at the Special Meeting. Abstentions will have the same effect as a vote “AGAINST” Proposal No. 2 and Proposal No. 3.

If your shares are held in street name and you do not instruct your broker on how to vote your shares, your brokerage firm, in its discretion, is permitted to either leave your shares unvoted or vote your shares on matters that are considered routine.

Proposal No. 4 is considered a routine matter while Proposal No. 1, Proposal No. 2 and Proposal No. 3 are considered non-routine matters. Consequently, without your voting instructions, your brokerage firm will not be able to vote your shares on Proposal No. 1, Proposal No. 2 and Proposal No. 3. These unvoted shares, called “broker non-votes,” refer to shares held by brokers who have not received voting instructions from their clients and who do not have discretionary authority to vote on non-routine matters. Broker non-votes will not be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Assuming that a quorum is present, broker non-votes (i) will have no effect on whether Proposal No. 1 and Proposal No. 4 are approved at the Special Meeting and (ii) will have the same effect as a vote “AGAINST” each of Proposal No. 2 and Proposal No. 3.

Householding of Proxy Materials

In a further effort to reduce printing costs and postage fees, we have adopted a practice approved by the SEC called “householding.” Under this practice, stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of Skinvisible’s proxy materials, unless one or more of these stockholders notifies us that he or she wishes to continue receiving individual copies.

We will promptly deliver a separate copy of these proxy materials to any stockholder upon written or oral request to Skinvisible’s Corporate Secretary by mail at 6320 South Sandhill Road, Suite 10, Las Vegas, NV 89120 or by phone at (702) 433-7154.

If: (1) you share an address with another stockholder and received only one set of proxy materials, and would like to request a separate paper copy of these materials; or (2) you share an address with another stockholder and in the future together you would like to receive only a single paper copy of these materials, please notify Skinvisible’s Corporate Secretary by mail at 6320 South Sandhill Road, Suite 10, Las Vegas, NV 89120 or by phone at (702) 433-7154.

If you have previously elected to receive Skinvisible’s proxy materials electronically, you will continue to receive these materials via e-mail unless you elect otherwise.

Proxy Solicitation

We will bear the cost of this solicitation. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for reasonable expenses incurred in forwarding solicitation materials to such beneficial owners. Proxies also may be solicited by Skinvisible’s directors, officers or employees, personally, or by mail, facsimile, telephone, messenger or via the Internet, without additional compensation.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial ownership is determined in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage of ownership of that person, shares of common stock subject to options and warrants held by that person that are currently exercisable or become exercisable within 60 days of October 18, 2018 are deemed outstanding even if they have not actually been exercised. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

The following table sets forth, as of October 18, 2018 the beneficial ownership of Skinvisible's common stock by each executive officer and director, by each person known by us to beneficially own more than 5% of Skinvisible's common stock and by the executive officers and directors as a group.

Penny Stock

The SEC has adopted rules that regulate broker-dealer practices in connection with transactions in penny stocks. Penny stocks are generally equity securities with a market price of less than \$5.00, other than securities registered on certain national securities exchanges or quoted on the NASDAQ system, provided that current price and volume information with respect to transactions in such securities is provided by the exchange or system. The penny stock rules require a broker-dealer, prior to a transaction in a penny stock, to deliver a standardized risk disclosure document prepared by the SEC, that: (a) contains a description of the nature and level of risk in the market for penny stocks in both public offerings and secondary trading; (b) contains a description of the broker's or dealer's duties to the customer and of the rights and remedies available to the customer with respect to a violation of such duties or other requirements of the securities laws; (c) contains a brief, clear, narrative description of a dealer market, including bid and ask prices for penny stocks and the significance of the spread between the bid and ask price; (d) contains a

toll-free telephone number for inquiries on disciplinary actions; (e) defines significant terms in the disclosure document or in the conduct of trading in penny stocks; and (f) contains such other information and is in such form, including language, type size and format, as the SEC shall require by rule or regulation.

The broker-dealer also must provide, prior to effecting any transaction in a penny stock, the customer with (a) bid and offer quotations for the penny stock; (b) the compensation of the broker-dealer and its salesperson in the transaction; (c) the number of shares to which such bid and ask prices apply, or other comparable information relating to the depth and liquidity of the market for such stock; and (d) a monthly account statement showing the market value of each penny stock held in the customer's account.

In addition, the penny stock rules require that prior to a transaction in a penny stock not otherwise exempt from those rules, the broker-dealer must make a special written determination that the penny stock is a suitable investment for the purchaser and receive the purchaser's written acknowledgment of the receipt of a risk disclosure statement, a written agreement as to transactions involving penny stocks, and a signed and dated copy of a written suitability statement.

Table of Contents

These disclosure requirements may have the effect of reducing the trading activity for Skinvisible's common stock. Therefore, stockholders may have difficulty selling Skinvisible's securities.

Holders of Skinvisible Common Stock

As of June 30, 2018, we had 144,830,920 shares of Skinvisible's common stock issued and outstanding, held by 190 shareholders of record, other than those held in street name.

Dividends

There are no restrictions in Skinvisible's articles of incorporation or bylaws that prevent us from declaring dividends. The Nevada Revised Statutes, however, do prohibit us from declaring dividends where after giving effect to the distribution of the dividend:

1. Skinvisible would not be able to pay its debts as they become due in the usual course of business, or;
2. Skinvisible's total assets would be less than the sum of its total liabilities plus the amount that would be needed to satisfy the rights of shareholders who have preferential rights superior to those receiving the distribution.

Skinvisible has not declared any dividends and Skinvisible does not plan to declare any dividends in the foreseeable future.

Interests of Skinvisible's Directors and Officers in the Merger

In considering the recommendation Skinvisible's Board to vote for the proposals presented at the special meeting, you should be aware that our executive officers and members of our Board have interests in the merger proposal that are different from, or in addition to, the interests of our shareholders generally. The members of our Board were aware of these differing interests and considered them, among other matters, in evaluating and negotiating the transaction agreements and in recommending to our shareholders that they vote in favor of the proposals presented at the special meeting. These interests include, among other things:

Terry Howlett and Doreen McMorrان have entered into new 1 year employment agreements with the Combined Company, which employment agreements will become effect upon the closing of the Merger; and Terry Howlett and Doreen McMorrان and certain other related parties have agreed to cancel \$500,000 of Related Party Indebtedness, in exchange for 100% of the shares (5,750,000) in Ovation Science Inc. QUESTIONS AND ANSWERS ABOUT THE PROPOSALS

The following are answers to some questions that you, as a stockholder of Skinvisible, may have regarding the matters being considered at Skinvisible's Special Meeting, which is referred to herein as the "Special Meeting." We urge you to read carefully the remainder of this proxy statement because the information in this section does not provide all the information that might be important to you with respect to the matters being considered at the Special Meeting. Additional important information is also contained in the annexes to and the documents incorporated by reference into this proxy statement.

General

Skinvisible will hold the Special Meeting to consider and vote upon these proposals. This proxy statement/prospectus contains important information about matters to be acted upon at the Special Meeting. Stockholders should read it carefully. The vote of stockholders is important.

In order to complete the Merger, Skinvisible stockholders must vote to approve the merger proposal and all other conditions to the Merger must be satisfied or waived.

Stockholders are encouraged to vote as soon as possible after carefully reviewing this proxy statement/prospectus. If Skinvisible stockholders fail to adopt the merger proposal, the Merger cannot be completed.

Q: Why am I receiving this proxy statement?

The board of directors of Skinvisible is soliciting your proxy to vote at the Special Meeting because you owned shares of Skinvisible common stock at the close of business on October 19, 2018, the "Record Date" for the Special Meeting, and are therefore entitled to vote at the Special Meeting. This proxy statement, along with a proxy card or a voting instruction card, is being mailed to stockholders on or about October 24, 2018. Skinvisible has made these materials available to you on the Internet, and Skinvisible has delivered printed proxy materials to you or sent them to you by e-mail. This proxy statement summarizes the information that you need to know in order to cast your vote at the Special Meeting. You do not need to attend the Special Meeting in person to vote your shares of Skinvisible common stock.

Q: On what matters will I be voting?

The Merger — Skinvisible stockholders are being asked to consider and vote upon a proposal to adopt and approve an Agreement and Plan of Merger and Reorganization (the "Merger Agreement") dated March 26, 2018 by and among Quoin Pharmaceuticals, Inc. ("Quoin"), Skinvisible and Skinvisible's wholly owned subsidiary, Quoin Merger Sub, Inc. ("Merger Sub"). A copy of the Merger Agreement, as amended, is attached to this proxy statement as Annex A, and Skinvisible encourages its stockholders to read it in its entirety.

The Reverse Split — Skinvisible's stockholders are also being asked to consider and vote upon a proposal to approve a reverse split of Skinvisible's issued outstanding stock by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range as determined by Skinvisible's board of directors in its sole discretion.

Name Change. Skinvisible's stockholders are also being asked to consider and vote upon a proposal to approve an amendment to Skinvisible's Articles of Incorporation to change the name of Skinvisible, Inc. after the effective date of the Merger to "Quoin Pharmaceuticals, Inc."

The Adjournment Proposal — Skinvisible's stockholders may also be asked to consider and vote upon a proposal to adjourn the meeting to a later date or dates to permit further solicitation and vote of proxies if, based upon the

tabulated vote at the time of the Special Meeting, Skinvisible would not have been authorized to consummate the Merger.

Proposal No. 1 — The Merger

Q: Why is Skinvisible proposing the Merger?

In evaluating the Merger Agreement and the transactions contemplated thereby and recommending that Skinvisible's stockholders vote in favor of approval of the Merger Agreement and the transactions contemplated thereby, Skinvisible's board of directors, in consultation with Skinvisible's senior management and outside legal counsel, concluded that the other strategic alternatives available to Skinvisible, such as continuing to operate as an independent company and pursuing its strategic plan and the possibility of growing its business through acquisitions and internal growth, was less attractive than Quoin's proposal to Skinvisible's stockholders. Skinvisible believes that a business combination with Quoin as contemplated by the Merger Agreement described below will provide Skinvisible stockholders with an opportunity to participate in a company with significant growth potential.

Q: What will Skinvisible stockholders retain if the Merger is completed?

Subject to the terms of the Merger Agreement, at the effective time of the Merger, Quoin stockholders will receive a number of newly issued shares of Skinvisible common stock determined using the exchange ratio described below in exchange for their shares of Quoin stock.

Following the Merger, stockholders of Quoin will become the majority owners of Skinvisible.

At the Effective Time, all outstanding shares of Quoin common stock will be converted solely into the right to receive a number of shares of Skinvisible common stock such that the holders of outstanding equity of Quoin immediately prior to the Effective Time will own approximately 72.5% of the outstanding equity of Skinvisible immediately following the Effective Time and holders of outstanding equity of Skinvisible immediately prior to the Effective Time will own approximately 27.5% of the outstanding equity of Skinvisible immediately following the Effective Time, which ratio we refer to herein as the "Exchange Ratio."

Skinvisible is required, within 30 business days after the execution of the Merger Agreement to use its commercially reasonable efforts to enter into one or more agreements to cause certain of its indebtedness to be converted into Skinvisible common stock immediately prior to the Effective Time.

If such agreements are not executed, the Exchange Ratio will be revised to cause the percentage of the outstanding equity of Skinvisible immediately following the Effective Time to be held by holders of the outstanding equity of Skinvisible immediately prior to the Effective Time to be reduced from approximately 27.5% to a percentage equal to (i) 27.5% minus (ii) the product of (x) 0.000004 and (y) the amount of the such remaining indebtedness. If none of Skinvisible's indebtedness is converted, holders of the outstanding equity of Skinvisible will be diluted from 27.5% to 10.64%.

Q: What will the business of the combined company be if the Merger is consummated?

Following the Merger, the combined company intends to pursue commercialization of Quoin's two lead products. In addition, the combined company will continue to pursue commercial opportunities for products developed by Skinvisible prior to the merger. The combined company also intends to leverage Skinvisible's Invisicare technology as a potential delivery system for the Quoin products intended to be developments by the combined company. Quoin is a pre-clinical, specialty pharmaceutical company dedicated to developing products that help address major societal issues including the opioid epidemic and the military veteran suicide rate. Quoin's two lead products are expected to be different applications of a single NMDA receptor antagonist delivered transdermally. QRX001 is a single use transdermal patch designed to provide up to 72 hours of effective post-operative analgesia whilst significantly reducing opioid consumption. Quoin intends to apply for Breakthrough Therapy designation for QRX001. Quoin's second product, QRX002 is a once-daily transdermal for the treatment of military related PTSD with suicidal ideation. Quoin believes QRX002 could be the first product approved to treat this major unmet medical need and could be a candidate for both Orphan Drug and Breakthrough Therapy Status. Quoin has been engaged in

discussions with the US Department of Veteran Affairs (VA) for the clinical development of QRX002. Two of the VA's leading researchers into military veteran suicides have been appointed as Principal Investigators (PI's) for QRX002 for this indication. The clinical program will be conducted at various VA facilities across the country under the supervision of the Principal Investigators. Quoin believes this arrangement will greatly increase the efficiency and cost effectiveness of the clinical program for QRX002. In addition, Quoin has two additional products that it plans to begin the development of for opioid addiction and chronic pain. Clinical testing for these products may also be conducted at VA facilities. Quoin expects to generate clinical data for QRX001 and QRX002 within 12-18 months of the Effective date of the merger.

It is important to note that no formal written agreement has been entered into with the VA and neither the VA nor are the PI's are obligated to participate in the clinical studies. All costs for clinical studies will be borne by Quoin with no financial assistance from the VA.

Table of Contents

Q: What will the management of the combined company be if the Merger is consummated?

Following the consummation of the Merger, the combined company's board of directors is expected to consist of six members from Quoin, which is expected to include Dr. Michael Myers and Denise Carter, who are currently directors and officers of Quoin. Two independent directors, Dr. Dennis Langer and Mr. Peter Lankau, will be

A: appointed immediately following the merger. Both Dr. Langer and Mr. Lankau are experienced pharmaceutical executives who currently sit on the boards of other private and publicly traded companies. Quoin plans to appoint two additional directors to its board of directors within a few months of the merger closing. The combined company, led by Quoin's management team, is expected to be named "Quoin Pharmaceuticals, Inc."

Q: Are there risks associated with the Merger that I should consider in deciding how to vote?

Yes. There are a number of risks related to the Merger that are discussed in this proxy statement/prospectus. Please A: read with particular care the detailed description of the risks described in "Risk Factors" beginning on page 17 of this proxy statement.

Q: What happens if the Merger Proposal is approved but some if not all of the other proposals are not approved?

A: The Merger Proposal would be approved; approval of no one proposal is conditioned on the approval of all or any of the other proposals.

Q: When do you expect the Merger to be completed?

We are working to complete the Merger as quickly as possible, and we expect to complete the Merger in October A: of 2018. However, Skinvisible cannot assure you when or if the Merger will occur. The Merger is subject to stockholder approvals and other conditions, and it is possible that factors outside the control of both Skinvisible and Quoin could result in the Merger being completed at a later time, or not at all.

Q: What happens if not all of the Proposals are approved?

A: Approval of no one proposal is conditional on the approval of all or any of the other proposals.

Q: Are Skinvisible stockholders entitled to appraisal rights?

A: No. Skinvisible stockholders do not have appraisal rights in connection with the Merger or any of the other proposals included in this proxy statement under the Nevada Revised Statutes (the "NRS").

Proposal No. 2 — The Reverse Split

Q: Why is Skinvisible proposing the Reverse Split?

Skinvisible's board of directors has adopted resolutions (i) declaring that filing an amendment to Skinvisible's A: Articles of Incorporation to effect the Reverse Split of Skinvisible's issued and outstanding common stock was advisable, and (ii) directing that a proposal to approve the Reverse Split be submitted to the holders of Skinvisible's common stock for their approval. The Reverse Split of Skinvisible's issued and outstanding common stock will be effected by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range as determined by Skinvisible's board of directors in its sole discretion.

Table of Contents

Skinvisible's board of directors believes that the Reverse Split is in the best interest of Skinvisible. A Reverse Split typically will initially result in an increase in the price per share of Skinvisible's common stock. The Board believes that an increased stock price may encourage investor interest and improve the marketability and liquidity of Skinvisible's common stock. In addition, Skinvisible may in the future seek a listing on a national exchange, for which a higher stock price than the current price will be required. Because of the trading volatility often associated with low-priced stocks, many brokerage firms and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers and investors. Skinvisible's board of directors believes that the anticipated higher market price resulting from a Reverse Split may reduce, to some extent, the negative effects on the liquidity and marketability of the common stock inherent in some of the policies and practices of institutional investors and brokerage firms described above. Additionally, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of Skinvisible's common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher.

Proposal No. 3 — Change the Name of Skinvisible after the Effective Date of the Merger to “Quoin Pharmaceuticals, Inc.”

Q: Why is Skinvisible proposing to change the name of Skinvisible after the effective date of the Merger to “Quoin Pharmaceuticals, Inc.”?

Further to the Merger Agreement, the name of Skinvisible after the effective date of the Merger will become “Quoin Pharmaceuticals, Inc. An amendment to Skinvisible's Articles of Incorporation is required to effect the name change.

A:

The board of directors believes that changing the name of the combined company to Quoin Pharmaceuticals better reflects the future direction and focus of the combined company, which will not be focused solely on dermatological products as the name Skinvisible suggests.

Proposal No. 4 — The Adjournment Proposal

Q: Why is Skinvisible proposing the Adjournment proposal?

The adjournment proposal allows Skinvisible's board of directors to submit a proposal to adjourn the Special Meeting to a later date or dates, if necessary, to permit further solicitation of proxies in the event, based on the tabulated votes, there are not sufficient votes at the time of the special meeting to approve the consummation of the

A: Merger. In no event will Skinvisible solicit proxies to adjourn the Special Meeting or consummate the Merger beyond the date by which it may properly do so under Nevada law. The purpose of the adjournment proposal is to provide more time for the Skinvisible stockholders to make purchases of public shares or other arrangements that would increase the likelihood of obtaining a favorable vote on the Merger Proposal.

In addition to an adjournment of the Special Meeting upon approval of an adjournment proposal, the board of directors of Skinvisible is empowered under Nevada law to postpone the meeting at any time prior to the meeting being called to order. In such event, Skinvisible will issue a press release and take such other steps as it believes are necessary and practical in the circumstances to inform its stockholders of the postponement.

Q: What are the Consequences if the Adjournment Proposal is not approved?

A: If an adjournment proposal is presented at the Special Meeting and such proposal is not approved by its stockholders, Skinvisible's board of directors may not be able to adjourn the Special Meeting to a later date in the event, based on the tabulated votes, there are not sufficient votes at the time of the Special Meeting to approve the consummation of the Merger. In such event, the Merger would not be completed.

REQUIRED PRIVATE PLACEMENT

In conjunction with the Merger, Quoin intends to pursue a capital raise of \$15 million and has engaged Northland Securities as its investment bank for the raise.

The Merger is condition upon Quoin executing a definitive agreement to effect a private placement of shares of the Combined Company's common stock for an aggregate of at least \$10 million of gross proceeds, to be received by the Combined Company within five (5) days of the Effective Time of the Merger, which we refer to as the "Private Placement."

The price per share to be paid in the Private Placement will be determined by Quoin, its investment bank and the investors who participate in the private placement. Accordingly, there is no minimum or maximum price per share.

The primary purpose of the capital raise is to generate sufficient funds to progress Quoin's lead products, QRX001 for post-surgical pain and QRX002 for military related PTSD with suicidal ideation, through Phase 2 testing as well as for general corporate purposes.

Quoin's two lead products address major societal issues such as including the opioid epidemic and the military veteran suicide crisis. Combined these two issues result in the death of over 100 people in the US each and every day. Quoin believes that the combination of its proprietary platform technology with the active ingredient in QRX001 and QRX002 provides a meaningful opportunity to help alleviate these problems. Quoin believes that the highly differentiated nature of QRX001 over competing opioid sparing products could enable it, once approved, to generate higher sales in many surgical models over those competing products. Quoin intends to apply for Breakthrough Therapy designation status to the FDA for QRX001.

Quoin's management team, while working in prior positions at different companies, has extensive experience in the development of pharmaceutical products to effectively treat post-surgical pain and reduce the use of opioids in that setting. Quoin believes it can effectively leverage this experience to the benefit of QRX001. We believe that the team's in-depth knowledge of clinical and regulatory development, its previous experience in meeting with the FDA and addressing the agencies questions and concerns as well as its broad network of contacts with KOL and clinicians, could resonate positively with investors. Furthermore, this expertise could help to substantially reduce the development time for QRX001, which may also be a net positive from an investor perspective.

Quoin has also been in discussions with the US Department of Veteran Affairs (VA) which Quoin believes provides it with a significant advantage for the running of the clinical program for QRX002. The VA has appointed as Principal Investigators (PI's) for Quoin's proposed clinical program, Dr. Perry Renshaw and Dr. Deborah Yurgelun-Todd, who are based at the VA's MIREC center in Salt Lake City. Both Dr. Renshaw and Dr. Todd are very experienced clinical researchers into military veteran suicides and they will play a leading role in the design and execution of Quoin's clinical program. It is anticipated that Quoin's Phase 2 clinical program will be run at 5-6 VA facilities across the country under the supervision of Dr. Renshaw and Dr. Yurgelun-Todd and with the active participation of their colleagues at these sites. Quoin believes that the logistical challenges associated with conducting a study on suicidal ideation in the general population will be substantially mitigated by focusing on a military veteran patient population that are actively engaged with the VA on a very regular basis. Quoin believes that QRX002 could qualify for both Orphan Drug and Breakthrough Therapy status and intends to apply to the FDA for both designations. If granted, it is possible that a single Phase 3 clinical may all that is needed instead of the typical two studies required by the FDA, although Quoin has not yet engaged in discussions with the FDA to verify this supposition.

In addition, to the above product indications, Quoin also intends to pursue the development of a product as a potential treatment for opioid addiction. This product, which also be delivered transdermally, contains the same active ingredient as QRX001 and QRX002. It is believed that its mechanism of action that affects suicidal ideation could also play a role in reducing dependency on opioids. Quoin anticipates plans to conducting the clinical trials for this potential indication. Furthermore, Quoin is also contemplating assessing QRX002 as a potential treatment for post-partum depression as well as for a broader PTSD indication. If clinical development in these target indications is successful, Quoin will have assembled a highly differentiated and robust CNS product portfolio, addressing important unmet medical needs for which there is a significant commercial opportunity.

It is important to note that no formal written agreement has been entered into with the VA and neither the VA nor the PI's are obligated to participate in the clinical studies. All costs for clinical studies will be borne by Quoin with no financial assistance from the VA.

The shares of the Combined Company issued in the Private Placement will not change the Exchange Ratio as the shares issued in the Private Placement will dilute both the existing Skinvisible shareholders as well as the shareholders of Quoin who receive shares in the Merger. Accordingly, the shares to be issued in the Private Placement will reduce significantly the relative voting power of each share of the Combined Company's common stock held by all of the Combined Company's stockholders after the Merger. Consequently, the Combined Company's stockholders as a group will have significantly less influence over the management and policies of the Combined Company after the Private Placement than prior to the Private Placement.

Quoin has been funded privately by its' founders. Estimated outstanding payables and expenses accrued and owed include \$1,004,225 to Dr. Myers and \$1,082,604 to Ms. Carter. Quoin also has outstanding legal fees payable to counsel of \$375,000.

RISK FACTORS

You should carefully consider the following risk factors, together with the other information contained in this proxy statement. If any of the following risks and uncertainties develops into actual events, these events could have a material adverse effect on both Skinvisible's and Quoin's businesses, financial conditions or results of operations. In addition, past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results or trends in future periods.

Risks Related to the Merger

The Merger with Quoin has not been completed and therefore there is a risk the Merger will not be completed and shareholders of Skinvisible will need to rely solely on Skinvisible to succeed.

There can be no assurance that Skinvisible will complete the Merger with Quoin. Should the Merger not occur, Skinvisible would have to continue with its current business plan or find a new opportunity internally or with another company.

Failure to complete the Merger could impact negatively Skinvisible's business, financial condition or results of operations or Skinvisible's stock price.

The completion of the Merger is subject to a number of conditions and there can be no assurance that the conditions to the completion of the Merger will be satisfied. If the Merger is not completed, Skinvisible will be subject to several risks, including:

- the current trading price of Skinvisible Common Stock may reflect a market assumption that the Merger will occur, meaning that a failure to complete the Merger could result in a decline in the price of Skinvisible's common stock;
- certain of Skinvisible's executive officers and/or directors may seek other employment opportunities, and the departure of any of Skinvisible's executive officers and the possibility that Skinvisible would be unable to recruit and hire a replacement executive could impact negatively Skinvisible's business and operating results;
- Skinvisible's Board would need to reevaluate Skinvisible's strategic alternatives, which alternatives may include a sale of Skinvisible, liquidation of Skinvisible, or a return to pre-merger strategies of growing commercial sales, or other strategic transactions;
- Skinvisible has incurred and will continue to incur substantial transaction costs in connection with the Merger whether or not the Merger is completed;
- Skinvisible would not realize any of the anticipated benefits of having completed the Merger; and
- Under the Merger agreement, Skinvisible is subject to certain restrictions on the conduct of its business prior to the completion of the Merger, which restrictions could adversely affect Skinvisible's ability to realize its business strategies or take advantage of certain business opportunities in the event the Merger is not completed.

If the Merger is not completed, these risks may materialize and materially and adversely affect Skinvisible's business, financial condition, and results of operations or stock price.

Although Quoin and Skinvisible expect that the Merger will result in benefits to the combined company, the Combined Company may not realize those benefits because of various challenges.

Quoin and Skinvisible believe that the Merger will result in greater returns for the stockholders than if Skinvisible remained as a standalone entity. However, the integration of a new company is a complex, costly and time-consuming process. This process may disrupt the business of both of the companies and may not result in the full benefits

expected by Quoin and Skinvisible. There can be no assurance that the combination of Quoin and Skinvisible will result in the realization of the anticipated benefits from the Merger.

Table of Contents

The pendency of the Merger could have an adverse effect on Skinvisible's stock price and/or business, financial condition, results of operations or business prospects.

The pendency of the Merger could have an adverse effect on Skinvisible's stock price and increase the price volatility and risk of trading in Skinvisible's stock. Skinvisible's business, financial condition, results of operations or business prospects could also be adversely affected. In addition, the attention of Skinvisible's management may be directed toward the completion of the Merger and related matters and may be diverted from the day-to-day business operations, including from other opportunities that otherwise might be beneficial to us. Moreover, Skinvisible has agreed to be bound by a non-solicitation covenant in the Merger Agreement and if Skinvisible breaches this covenant, it may be subject to fees of up to \$300,000.

The issuance of shares of Skinvisible common stock to Quoin stockholders in connection with the Merger will dilute substantially the voting power of Skinvisible's current stockholders.

Pursuant to the Merger Agreement, at the effective time of the Merger, and prior to the Private Placement, Skinvisible will issue shares of its common stock to Quoin's shareholders which will represent approximately 72.5% of the shares of Skinvisible after the Merger, subject to adjustment pursuant to the Merger Agreement. If none of Skinvisible's Third Party Indebtedness is converted into common equity, Quoin's shareholders stake in the combined company will increase to approximately 91%. Accordingly, the issuance of shares of Skinvisible Common Stock to Quoin stockholders in connection with the Merger will reduce significantly the relative voting power of each share of Skinvisible common stock held by its current stockholders. Consequently, Skinvisible's stockholders as a group will have significantly less influence over the management and policies of the Combined Company after the Merger than prior to the Merger.

The Merger will subject Skinvisible to significant additional liabilities and other risks and will cause it to incur significant expenses.

Following the Merger, Skinvisible will be subject to substantially all the liabilities of Quoin. The Merger and subsequent integration process may be complex, costly, time-consuming and divert management's time and attention, which could have a material adverse effect on Skinvisible's business, financial condition, results of operations and cash flows. Skinvisible expects to incur a significant amount of expenses in connection with the Merger, including legal, accounting, financial advisory and other expenses. Many of these expenses are payable by Skinvisible whether or not the Merger is completed.

The issuance and sale of the securities could cause Skinvisible's stock price to decline.

The sale of substantial amounts of Skinvisible's common stock in the public market could adversely affect the stock price and could cause Skinvisible's stock price to decline. The undersigned will bear the risk of any declines in the price of the shares. The share price may also go down during the period after you agree to purchase the securities. Accordingly, you will bear the risk that this fluctuation in the price of the shares purchase may cause shareholders to lose the amount invested. Skinvisible's common stock is currently traded on the OTC Markets. The OTC Markets trades over 10,000 different company stocks in three classifications. Skinvisible trades in the middle class noted as the OTCQB. OTCQB stocks must file quarterly financial statements as well as annual company audited financial statements.

Risks Related to Quoin

The issuance of shares of the Combined Company's common stock in connection with the Private Placement will dilute substantially the voting power of Combined Company's stockholders.

The shares issued in the Private Placement will not change the Exchange Ratio, as the shares issued in the Private Placement will dilute both the existing Skinvisible shareholders as well as the shareholders of Quoin who receive shares in the Merger. Accordingly, the shares to be issued in the Private Placement will reduce significantly the relative voting power of each share of the Combined Company's common stock held by all of the Combined Company's stockholders. Consequently, the Combined Company's stockholders as a group will have significantly less influence over the management and policies of the Combined Company after the Private Placement than prior to the private placement.

Since there is no minimum or maximum price per share to be paid in the Private Placement, the total amount of dilution is not yet known.

After the Merger Quoin will need to raise additional capital to meet its future business requirements which may be costly and could dilute current Skinvisible stockholders.

Quoin will need to raise additional capital in the near future to complete its clinical development of its two target products QRX001 for post-surgical pain and QRX002 for military personnel with PTSD and suicidal thoughts. Quoin does not have any firm commitments for sources of additional capital from third parties. Such additional financing will involve dilution to the Combined Company's existing shareholders and the new shareholders after the Merger. If Quoin does not obtain additional capital on terms satisfactory to them, or at all, it may cause Quoin to delay, curtail, scale back or forgo some or all of Quoin's business operations, which could have a material adverse effect on Skinvisible and its financial results and investors would be at risk to lose all or a part of any investment in Skinvisible.

Table of Contents

Quoin does not have any products that are approved for commercial sale.

Quoin currently does not have any therapeutic products approved for commercial sale. Quoin has not received, and may not receive within the next several years, if at all, any revenues from the commercialization of its product candidates if approved.

There are no assurances Quoin's future operations will be successful and result in profitable revenues.

We cannot be sure that Quoin will be successful in generating revenues in the future and in the event they are unable to generate sufficient revenues or raise additional funds they will seek alternative business opportunities. If adequate and acceptable financing is not available, Quoin may have to delay development or commercialization of certain products or eliminate some or all of development activities. Any of these options could reduce sales growth and result in continued net losses.

Clinical drug development involves a lengthy and expensive process, with an uncertain outcome. Quoin may incur additional costs or experience delays in completing, or ultimately be unable to complete, the development and commercialization of its drug candidates.

Clinical studies are expensive, difficult to design and implement, may take many years to complete, and outcomes are inherently uncertain. A drug product may fail to demonstrate positive results at any stage of testing despite having progressed satisfactorily through nonclinical testing and initial clinical studies. There is significant risk in clinical development where later stage clinical studies are designed and powered based on the analysis of data from earlier studies, with these earlier studies involving a smaller number of patients, and the results of the earlier studies being driven primarily by a subset of responsive patients. In addition, interim results of a clinical study do not necessarily predict final results. Further, clinical study data frequently are susceptible to varying interpretations. Medical professionals and/or regulatory authorities may analyze or weigh study data differently than the sponsor company, resulting in delay or failure to obtain marketing approval for a product candidate. Additionally, the possible lack of standardization across multiple investigative sites may induce variability in the results, which can interfere with the evaluation of treatment effects.

Quoin may fail to successfully develop, get approval and introduce new products, and therefore Quoin's future growth may suffer.

Quoin's strategy includes developing initially two products to treat (1) post-surgical pain and (2) PTSD with suicidal thoughts for military veterans. These products require research and development, and FDA approval. There is no guarantee that the FDA will approve these products or that they will be accepted by the market, and therefore its business and the future growth of Quoin's business may suffer.

Quoin expects competition in the marketplace for its product candidates, should any of them receive regulatory approval.

With the opioid crisis being declared a Public Emergency, there are a growing number of competitors looking for solutions. There are potentially a number of companies that may be further in the development cycle and could bring a similar product to market prior to ours. This could negatively impact Quoin's ability to launch and generate revenue from the products.

If successfully developed and approved, Quoin expects its product candidates will face competition. Quoin may not be able to compete successfully against organizations with competitive products, particularly large pharmaceutical companies. Many of its potential competitors have significantly greater financial, technical and human resources than

Quoin, and may be better equipped to develop, manufacture, market and distribute products. Many of these companies operate large, well-funded research, development and commercialization programs, have extensive experience in nonclinical and clinical studies, obtaining FDA and other regulatory approvals and manufacturing and marketing products, and have multiple products that have been approved or are in late-stage development. These advantages may enable them to receive approval from the FDA or any foreign regulatory agency before Quoin.

PROPOSAL NO. 1: APPROVAL OF THE MERGER AGREEMENT

Skinvisible is asking you to approve the merger proposal. A copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus.

IF PROPOSAL NO. 1 IS APPROVED, AT THE EFFECTIVE TIME OF THE MERGER, SKINVISIBLE WILL CHANGE ITS NAME TO “QUOIN PHARMACEUTICALS, INC.” ACCORDINGLY, ALL REFERENCES BELOW TO THE “COMBINED COMPANY” MEANS QUOIN PHARMACEUTICALS, INC., FORMERLY SKINVISIBLE, INC.

THE MERGER

Parties Involved in the Merger

Skinvisible, Inc.

Skinvisible, through its wholly-owned subsidiary Skinvisible Pharmaceuticals, Inc., is a pharmaceutical research and development (“R&D”) company that has developed and patented an innovative polymer delivery system, Invisicare® and formulated over forty topical skin products, which we out-license globally. We were incorporated in 1998 and target an estimated \$80 billion global skincare and dermatology market and a \$30 billion global over-the-counter market as well as other healthcare / medical and consumer goods markets.

Quoin Pharmaceuticals, Inc.

Quoin Pharmaceuticals is a pre-clinical, specialty pharmaceutical company dedicated to developing products that help address major societal issues including the opioid epidemic and the military veteran suicide rate. It is important to note that no formal written agreement has been entered into with the VA and neither the VA nor the PI’s are obligated to participate in the clinical studies. All costs for clinical studies will be borne by Quoin with no financial assistance from the VA.

In addition, Quoin has two additional products that it plans to begin the development of for opioid addiction and chronic pain. It is anticipated that clinical testing for these products may also be conducted at VA facilities. Quoin expects to generate clinical data for QRX001 and QRX0002 within 12-18 months following the Effective Date.

Quoin has been funded privately by its’ founders. Estimated outstanding payables and expenses accrued and owed include \$1,004,225 to Dr. Myers and \$1,082,604 to Ms. Carter. Quoin also has outstanding legal fees payable to counsel of \$375,000.

Quoin Merger Sub, Inc.

Merger Sub is a wholly-owned subsidiary of Skinvisible formed solely for the purpose of effecting the Merger described herein. Merger Sub was incorporated under the laws of Delaware in March, 2018.

Effect of the Merger

Under the terms of the Merger Agreement, upon completion of the Merger, Merger Sub will merge with and into Quoin. Quoin will be the surviving corporation in the Merger and will become a wholly owned subsidiary of the Combined Company. Subject to the terms of the Merger Agreement, at the effective time of the Merger, Quoin stockholders will receive a number of newly issued shares of the Combined Company's common stock determined using the Exchange Ratio described below in exchange for their shares of Quoin stock. Following the Merger, but prior to the Private Placement, stockholders of Quoin will become the majority owners of the Combined Company, and will own approximately 72.5% of the outstanding equity of the Combined Company immediately following the Effective Time and holders of outstanding equity of Skinvisible immediately prior to the Effective Time will own approximately 27.5% of the outstanding equity of the Combined Company immediately following the Effective Time, which ratio we refer to herein as the "Exchange Ratio." Further to the Merger Agreement, the Exchange Ratio will be modified if certain Skinvisible Third Party Indebtedness is not converted into Skinvisible common stock. Further dilution to all of the Combined Company's shareholders will also occur as a result of the Private Placement. If none of Skinvisible's Third Party Indebtedness is converted into common equity, Quoin's shareholders stake in the combined company will increase to approximately 89%.

As a condition of the merger, Quoin is required to raise a minimum of \$10 million from external investors and has engaged Northland Securities as its investment bank for that purpose. The pre-money valuation for the combined company is subject to negotiation with potential investors and could be influenced by a number of factors including comparable deals, discounted cash flow models and market conditions. Key drivers of the valuation will be the potential value of Quoin's lead development products which are addressing significant market opportunities. For QRX001, the size of the potential market for the product is estimated at \$6 billion with currently approved competitive products having achieved less than a 10% market share. Furthermore, one of Quoin's potential competitors has a product in development for which it has recently reported positive Phase 3 data and currently has a market capitalization of over \$2.5 billion, based primarily on the perceived potential for this competing product to QRX001. In addition, QRX002 has the potential to be the first product specifically approved as a treatment for suicidal ideation in military veterans who suffer from PTSD. Quoin believes that this product qualifies for Orphan Drug designation and thus would enjoy extended data protection potentially providing a greater sales opportunity. Furthermore, Quoin believes that QRX002 has potential as possible treatment for opioid addiction, post-partum depression and chronic pain, thus presenting several potentially valuable line extension opportunities. The scale of the potential opportunity is counterbalanced and therefore discounted by the fact that both QRX001 and QRX002 are pre-clinical products and Quoin has not yet held discussions with the FDA regarding the likely clinical studies required to obtain approval for each product.

It is important to note that the actual valuation will be determined by the investors in the Private Placement. It is possible that Quoin may agree to a higher or lower valuation in order to complete the raise. To illustrate the impact of a lower valuation and the impact of the additional dilution to Skinvisible shareholders, the example calculations below show the dilution impact to existing Skinvisible shareholders if the Private Placement is completed at a pre-money valuation of \$30 million and at a pre-money valuation of \$20 million.

Post-money % Equity Share of Existing Skinvisible Shareholders	18.33%	15.53%	12.71%	9.91%	7.09%

Further dilution to all of the Combined Company's shareholders will also occur as a result of the Private Placement.

As a result of the Merger, and subject to the terms and conditions of the Merger Agreement, Quoin stockholders will control the Combined Company and the Combined Company will change the symbol for the shares of its common stock listed on the OTCQB to the symbol "QNRX".

Expense Reimbursement

If the Merger Agreement is terminated by Skinvisible under certain circumstances, prior to such termination, Skinvisible has breached any of the non-solicitation covenants of Skinvisible, and Skinvisible enters into an agreement to consummate a "Acquisition Proposal" within six (6) months of the date of termination, then Skinvisible is required to reimburse Quoin for its total documented expenses incurred by in connection with the negotiation and execution of the Merger Agreement and the transactions contemplated thereby, up to a maximum of \$300,000.

Effective Time.

The time at which the Merger will become effective, which we refer to as the "Effective Time" of the Merger, will occur upon the filing of a certificate of merger with the Secretary of State of Delaware.

Merger Consideration

At the Effective Time, all outstanding shares of Quoin common stock will be converted solely into the right to receive a number of shares of the Combined Company's common stock such that the holders of outstanding equity of Quoin immediately prior to the Effective Time will own approximately 72.5% of the outstanding equity of the Combined Company immediately following the Effective Time and holders of outstanding equity of Skinvisible immediately prior to the Effective Time will own approximately 27.5% of the outstanding equity of the Combined Company immediately following the Effective Time, prior to any dilution for Third Party Indebtedness and the Private Placement. If all or some of Skinvisible's Third Party Indebtedness is converted into the Combined Company's common stock prior to the Effective Time, this will result in a reduction of the approximately 27.5% of the outstanding equity of the Combined Company that Skinvisible shareholders will own. If none of the Third Party Indebtedness is converted, the amount owned by Skinvisible shareholders will be reduced to approximately 10.64%.

The Merger is conditioned upon Quoin executing a definitive agreement to effect the Private Placement, which is defined as a private placement of shares of the Combined Company's common stock for an aggregate of at least \$10 million of gross proceeds, to be received by Combined Company within five (5) days of the Effective Time of the Merger. The price per share for the Private Placement has not been determined as of yet, however, the net effect of the private placement will be a further reduction in the percent ownership of Skinvisible current shareholders in the Combined Company. It is possible that this reduction could be substantial.

Treatment of Skinvisible Indebtedness

As of the date hereof, Skinvisible has an aggregate of \$4,606,137 of indebtedness to third parties (which we refer to as the "Third Party Indebtedness").

The Merger Agreement requires Skinvisible to use commercially reasonable efforts to enter into one or more agreements with certain creditors of Skinvisible to cause the Third Party Indebtedness to be converted into the Combined Company's common stock immediately prior to the Effective Time (the "Debt Conversion Agreements"). If Skinvisible fails to execute Debt Conversion Agreements with respect to all such specified Skinvisible indebtedness prior to the date that is five days before the Closing Date, the Exchange Ratio will be revised to cause the percentage of the outstanding equity of the Combined Company immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Skinvisible immediately prior to the Effective Time to be reduced from approximately 27.5% to a percentage equal to (i) 27.5% minus (ii) the product of (x) 0.000004 and (y) the amount of the remaining Third Party Indebtedness.

For illustrative purposes, if the remaining Third Party Indebtedness equals \$1,000,000, the percentage of the outstanding equity of Parent immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Skinvisible immediately prior to the Effective Time will be reduced from approximately 27.5% to approximately 23.5%.

If none of the Third Party Indebtedness is converted into the Combined Company's common stock immediately prior to the Effective Time, the amount owned by Skinvisible shareholders will be reduced from approximately 27.5% to approximately 10.64%.

Skinvisible has entered into one or more agreements (the "Related Party Agreements") with certain officers of Skinvisible with respect to the indebtedness of Skinvisible (the "Related Party Indebtedness"). These Related Party Agreements provide that:

• In exchange for the immediate cancellation of \$500,000 of the Related Party Indebtedness, Skinvisible transferred 100% of the shares in Ovation Science Inc. ("Ovation") held by Skinvisible to these related parties;

• Within 180 days after the closing date all remaining Related Party Indebtedness is to be converted, at the sole election of the Combined Company, into cash or shares of the Combined Company's common stock which are not subject to any contractual restrictions or vesting requirements (or a combination cash and shares of the Combined

Company's common stock). If the Combined Company elects to convert all or a portion of the remaining related indebtedness into shares of the Combined Company's common stock, such shares shall be valued using the 30 day average closing price of such shares on the OTCQB for the 30 day period prior to the date of conversion. If the conversion of any remaining Related Party Indebtedness into shares of the Combined Company's common stock causes the related parties to have an obligation to pay taxes, the Combined Company is required to pay such taxes to the applicable governmental authority on behalf of the related parties.

Private Placement.

The Merger is conditioned upon Quoin executing a definitive agreement to effect the Private Placement, which is defined as a private placement of shares of the Combined Company's common stock for an aggregate of at least \$10 million of gross proceeds, to be received by Combined Company within five (5) days of the Effective Time of the Merger.

The price per share to be paid in the Private Placement will be determined by Quoin, its investment bank and the investors who participate in the private placement. Accordingly, there is no minimum or maximum price per share.

The shares issued in the Private Placement will not change the Exchange Ratio, as the shares issued in the private placement will dilute both the existing Skinvisible shareholders as well as the shareholders of Quoin who receive shares in the Merger. Accordingly, the shares to be issued in the private placement will reduce significantly the relative voting power of each share of the Combined Company's common stock held by all of the Combined Company's stockholders. Consequently, the Combined Company's stockholders as a group will have significantly less influence over the management and policies of the Combined Company after the private placement than prior to the private placement.

Effect on Skinvisible if the Merger is Not Completed

If the Merger Agreement is not approved by Skinvisible stockholders or if the Merger is not completed for any other reason, Skinvisible will remain an independent public company, its common stock will continue to be listed and traded on OTCQB and registered under the Exchange Act and Skinvisible will continue to file periodic reports with the SEC.

If the Merger is not completed, there can be no assurance as to the effect of these risks and opportunities on the future value of your shares of Skinvisible's common stock. If the Merger is not completed, Skinvisible's board of directors will continue to evaluate and review Skinvisible's business operations, properties, dividend policy and capitalization, among other things, make such changes as are deemed appropriate and continue to seek to identify strategic alternatives to enhance stockholder value. If the Merger Agreement is not approved by Skinvisible's stockholders or if the Merger is not completed for any other reason, there can be no assurance that any other transaction acceptable to Skinvisible will be offered or that Skinvisible's business, prospects or results of operation will not be adversely impacted.

Background of the Merger

The Board of Skinvisible undertook a strategic review of alternatives to improve revenues and to enhance shareholder value which contemplated a number of alternatives.

The Board determined that one alternative was to merge with a pharmaceutical company with the potential to expand the product offerings and shareholder value.

In connection with these activities, in December 2015, Skinvisible signed an engagement agreement with a 6 month term with an investment banking group based in Florida that introduced the Company to three pharmaceutical companies based in Florida and a company with anti-aging products. The pharmaceutical companies did not proceed to the non-disclosure agreement stage of discussions and discussions with the anti-aging company ended in September 2016 after it was determined that there was not enough value in combining the companies.

In April 2016 the Company began preliminary discussions with a second investment banking group in Florida that represented a topical product manufacturer that was interested in combining with Skinvisible. Unfortunately, their business team ultimately decided to remain a private company and transaction discussions terminated around May 2016. Also in April 2016 Skinvisible entered into discussions for a merger with a large pharmaceutical manufacturer that had previously manufactured Skinvisible products. A preliminary meeting was held April 1, 2016 in Las Vegas followed by an exchange of relevant information. Unfortunately, the main contact left his position and the Company had difficulty getting this party's board of directors to make a positive decision due to other areas of investment they were exploring. In August 2016 the discussions ended.

In September 2016 Skinvisible entered into a licensing agreement for Kintari products in Greater China. In early 2017, this led to the introduction to a Chinese-based multi-level marketing company which had interest in Skinvisible's products and technology. Skinvisible met with the owner of the company in Las Vegas in March 2017 however the transaction did not proceed due to logistical and financing issues raised by the potential counterparty.

While continuing to pursue strategic alternatives, Skinvisible became aware of an opportunity to supply its skin delivery technology to the cannabis market in the summer of 2016, and Skinvisible began developing products for the ancillary cannabis market. Skinvisible investigated potential producers of its products and after undertaking its preliminary research, Skinvisible entered into a licensing agreement with a Nevada-based company for the worldwide rights on August 15, 2016. Almost one year later on June 28, 2017, this agreement was terminated and Skinvisible purchased the rights back from the licensee.

In order to address potential banking and public company exchange issues resulting from pursuing cannabis operations, the Company separated its ancillary cannabis business into a wholly-owned Canadian subsidiary named Ovation Science Inc. (referred to as “Ovation”). Ovation was registered in BC, Canada on August 29, 2017. Skinvisible formed Ovation separately as a wholly-owned Canadian subsidiary as the cannabis market is not approved federally in the United States but is approved federally in Canada. Skinvisible believed that separating the companies would facilitate legal compliance and also allowed for the subsidiary to be sold as its own entity or to go public on its own in the future, if the Company desired.

After forming Ovation, Skinvisible continued to pursue opportunities and in September 2016, Skinvisible hired an investment banking company out of Atlanta to assist in seeking merger and/or financing opportunity for the Company. Although several companies were introduced to Skinvisible, none of them had sufficient funding opportunities or offered product synergies and no transaction was effected.

Skinvisible also considered purchasing assets to provide additional products, but pursuit of such opportunities was a challenge as a result of Skinvisible’s debt.

Skinvisible also pursued an additional strategy to create shareholder value in 2016 through 2017, which was to offer to license out all of the rights to its prescription formulations to one company in order for that company to take Skinvisible products through the FDA for approval. This strategy was named the “Rx Bundle.” Between September 2016 and August 2017, over thirty companies were approached and three companies voiced an interest in this potential transaction.

In February 2017, a company from India showed great interest, however this company failed to proceed with an offer. The second company, a clinical research company, had greater potential and therefore Skinvisible pursued conversations with this company for a number of months from January 2017 to August 2017. This included a face-to-face meeting in June 2017 and the provision of a preliminary draft acquisition agreement. The clinical research company unfortunately went through a major personnel change, including the departure of their lead scientist, and the clinical research company decided to terminate the negotiations in August 2017.

Michael Myers and Doreen McMorran first connected on LinkedIn on April 9, 2012.

On August 30, 2017 Michael Myers contacted Doreen McMorran via phone to introduce himself formally and his plans to incorporate Quoin. This preliminary discussion included high-level potential synergies and future strategies.

At that time, Michael Myers and Denise Carter intended to find a merger partner to develop technology that they had a right to acquire from a company named Polytherapeutics, Inc. (“Polytherapeutics”). The founders of Quoin had already obtained an option to purchase Polytherapeutics. This option was eventually exercised by Quoin on March 24, 2018.

As discussed above, Quoin’s founders had already executed a term sheet for the acquisition of Polytherapeutics when it first approached Skinvisible in August 2017. Quoin’s founders had also at that point defined its lead development products as: QRX001 for the treatment of post-surgical pain and QRX002 for the treatment of military related PTSD with suicidal ideation.

Given Quoin’s founders extensive background in the development and commercialization of drug delivery products, Skinvisible’s management believed that the target profiles it had defined for both of these products might be better achieved through a combination of the properties of Polytherapeutics Pharmadur technology and Skinvisible’s Invisicare technology. This unique insight and perspective, accumulated through 30 years of direct industry experience, coupled with the significant commercial potential of Polytherapeutics product portfolio, appealed to Skinvisible management and Board who came to believe that a merger of the two companies might provide for the

best outcome for their shareholders.

The Board viewed the Skinvisible technology as synergistic to the Polytherapeutics technology, especially with respect to the ability to leverage Skinvisible's Invisicare technology as a potential delivery system for the Polytherapeutics products.

Skinvisible had never pursued products outside of dermatology and this potential merger with Quoin presented that opportunity in highly lucrative pain markets. Quoin management also has extensive experience in the pain areas, and the ability to raise development funds through a private placement, which Skinvisible does not possess.

Although there were several discussions regarding the Rx Bundle strategy were underway when Quoin contacted Skinvisible, the Skinvisible Board ultimately determined that the Rx Bundle strategy required a much longer-term outlook and included significant execution risk, which would have resulted in limited to no upfront money to keep Skinvisible viable.

Accordingly, the Skinvisible Board determined to pursue discussions with the founders of Quoin, Michael Myers and Denise Carter.

Both parties agreed that a further discussion should take place once a confidentiality agreement was signed. On September 5, 2017 Skinvisible and the founders of Quoin entered into a confidentiality agreement.

With the confidentiality agreement in place, on September 6, 2017 Michael Myers and Denise Carter from Quoin along with Terry Howlett and Doreen McMorran from Skinvisible, had their first official conference call where the parties discussed their technologies and the possibility of a merger, the potential for a significant private placement should the new company be public, the separation of the ancillary cannabis business from the transaction and the opportunity for the new company to go on NASDAQ along with other items.

During September Skinvisible and the founders of Quoin had frequent conference calls to discuss the possibility of pursuing a strategic transaction whereby the two companies would merge. After a review of scientific data and discussion of the potential benefits of a transaction, Skinvisible determined that it would be open to pursuing such a transaction. Subsequently on September 27, 2017, the first meeting was held between Quoin's founders and Skinvisible at Skinvisible's headquarters in Las Vegas.

Following the initial meeting, the founders of Quoin presented Skinvisible with a preliminary term sheet for a proposed transaction. Over the month of October, Skinvisible and Quoin engaged in numerous discussions regarding the structure and terms of a potential transaction. Several conditions of the transaction were discussed including the carve-out of Skinvisible's subsidiary Ovation Science Inc. from Skinvisible and the forgiveness of \$1.4 million of related party debt as well as Skinvisible's ability to convert its third party debt into stock in connection with a proposed transaction.

On October 20, 2017 an updated term sheet reflecting the updated transaction terms was received by Skinvisible from the founders of Quoin. After further discussion regarding the terms, on October 30, 2017 the founders of Quoin provided a Letter of Intent and an Exclusivity Agreement to Skinvisible.

On October 31, 2017 Skinvisible and the founders of Quoin had a second meeting at Skinvisible's headquarters in Las Vegas to discuss the Letter of Intent and an Exclusivity Agreement as well as to continue the review of each company's technology and capabilities.

During October and November of 2017, representatives of Skinvisible and the founders of Quoin discussed several deal terms, including the Exchange Ratio, the treatment of third party indebtedness and the desire to convert it to equity in the combined company and the treatment of Ovation.

During these discussions, representatives also agreed on the need for the Private Placement and agreed that it would be a condition to closing the merger, with the dilution from the private placement to effected after the exchange ratio was implemented.

The primary negotiations between the parties centered around the Exchange Ratio. Several different ratios were proposed by each party at the outset of the discussions based on the relative potential value of each company's technology, product portfolio and experience. While the founders of Quoin acknowledged in those discussions that it had not yet completed the acquisition of Polytherapeutics and that it had not initiated clinical testing of its development products, the company emphasized the experience of its management team and the previous success they had achieved in the development and commercialization of drug delivery products as well as their experience in partnering with pharmaceutical companies and their successful capital raising experience. In addition, it was obvious that the founders of Quoin had identified product candidates that, if approved, could potentially address significant societal issues such as the opioid epidemic and the military veteran suicide crisis and as such achieve substantial commercial success. The ability of the Quoin management to successfully develop their product portfolio was taken

into consideration during the negotiations. Several potential Exchange Ratios ranging from 85:15 to 60:40 in favor of the founders of Quoin were discussed and evaluated. Ultimately, these negotiations resulted in agreement of an exchange ratio which would provide the founders of Quoin's shareholders with 72.5% of the outstanding shares of Skinvisible common stock following the Merger. This number also took into consideration certain assumptions regarding the conversion of third party debt and the cancellation of certain Related Party debt in exchange for the transfer of the equity interests in Ovation. After further negotiation regarding the terms of the Letter of Intent and the Exclusivity Agreement and meetings with the Board and legal counsel, on November 22, 2017 Mr. Terry Howlett, President and CEO of Skinvisible delivered a signed Letter of Intent and an Exclusivity Agreement, indicating Skinvisible's interest in the proposed transaction. This was followed by the counter-signature of Michael Myers the President and CEO of Quoin. A press release approved by both parties announcing the proposed merger of the companies was issued on November 27, 2017. Multiple exchanges of scientific, business and financial documents ensued between the two companies over the next several weeks. Skinvisible did not seek, nor obtain any valuations from third parties in conjunction with its evaluation of the Merger or the determination of the Exchange Ratio.

During October and November of 2017, Skinvisible and Quoin discussed how Skinvisible's Ovation Canadian subsidiary would be treated in the transaction. It became apparent that Quoin was not interested in retaining a Canadian cannabis applications subsidiary since it created potential issues with United States stock exchanges. Accordingly, it was decided to sell the shares Skinvisible owned in Ovation by off-setting US\$500,000 of the Related Party debt.

On December 17, 2017 legal counsel to the founders of Quoin presented a draft Merger Agreement to Skinvisible. Over the next several weeks, Skinvisible, the Board, legal counsel and Skinvisible's accountants engaged in various discussions regarding the structure and proposed terms of the draft Merger Agreement between Skinvisible and the founders of Quoin. Legal counsel to the founders of Quoin provided four revised versions of the draft Merger Agreement and several conference calls ensued over the month of January between the companies and their respective legal counsel.

On February 5, 2018, Skinvisible agreed to extend the Exclusivity Agreement to April 30, 2018 in order to facilitate the continued negotiation of the terms of the draft Merger Agreement.

On February 27, 2018 Quoin provided the three employees of Skinvisible with draft employment agreements for Terry Howlett and Doreen McMorran and a consulting agreement to Dr. James Roszell. These employment agreements and consulting agreement were executed in the first week of March, each with a stated effective date of the closing of the Merger.

These employment agreements include terms and conditions that were negotiated by the founders of Quoin and Terry Howlett and Doreen McMorran.

On March 2, 2018 the Board met to discuss the acceptance of the Merger Agreement and the purchase of Ovation shares by certain related parties.

On March 5, 2018 Quoin Pharmaceuticals, Inc. was incorporated.

On March 13, 2018, Dr. Michael Myers and Denise Carter, the stockholders and directors of Quoin, and Terry Howlett and Doreen McMorran entered into lock-up agreements to satisfy the terms of the Merger Agreement. Terry Howlett and Doreen McMorran also executed voting agreements.

On March 16, 2018, the Board reviewed the final version of the proposed Merger Agreement including the material terms, conditions and provisions of the draft Merger Agreement and the structure of the proposed transaction. Following the discussion, the Board approved the Merger Agreement and adopted the resolution to approve the Merger as it was in the best interest of Skinvisible and its shareholders.

On March 26, 2018 Skinvisible entered into the Merger Agreement with Quoin and Merger Sub. A Form 8-K was filed by Skinvisible with the Securities and Exchange Commission to announce that the Merger Agreement had been executed.

On March 28, 2018, as specified in the Merger Agreement, all shares of Ovation Science Inc. owned by Skinvisible Pharmaceuticals, Inc. were purchased by Skinvisible employees, Terry Howlett, Doreen McMorran and James Roszell in lieu of partial debt in the amount of US\$500,000 owed by Skinvisible to these employees.

After careful consideration and consulting, Skinvisible's board of directors has determined that the merger proposal is in the best interests of Skinvisible and its stockholders and unanimously recommends that you vote or give instruction to vote FOR the merger proposal.

Reasons for the Merger; Recommendation of Skinvisible's Board of Directors

In its review the Board consulted with its management, scientific personnel, legal and financial advisors, and reviewed a significant amount of information and considered a number of factors, including, among others, the following factors: (i) the technical information Quoin provided regarding its technology, management experience and potential competitive position; (ii) the financial, operational, businesses and strategic objectives of Quoin; (iii) the current product markets proposed by Quoin; (iv) the consideration to be received by Skinvisible's shareholders and debt holders in the Merger; (v) the terms, conditions and obligations of the Merger Agreement; (vi) possible alternative strategies and prospects for Skinvisible as an independent company and (viii) the financial condition and future prospects for Skinvisible.

Specifically, the Skinvisible Board considered that Skinvisible had never pursued products outside of dermatology and this potential merger with Quoin presented that opportunity in highly lucrative pain markets. The Skinvisible Board also considered that Quoin's management also has extensive experience in the pain areas, and the ability to raise development funds through a private placement, which Skinvisible does not possess.

The Skinvisible Board also considered that Quoin's management has extensive experience in the successful development and commercialization of drug delivery products. When working for a different company, the team had been particularly successful in the development of a surgical implant to treat post-surgical pain and reduce opioid consumption in that setting. This experience is an extremely valuable asset from a clinical and regulatory perspective. The team has established relationships with leading key opinion leaders and contract research organizations in the space, had developed successful clinical protocols, knew what primary and secondary endpoints to target and had guided their product for their previous company through successful negotiations with the FDA from pre-IND through to end of Phase 2.

In addition, Quoin's founders had established relationships with leading pharmaceutical companies who have commercialized products in the space which it felt could be leveraged from a partnering perspective.

The Board considered that Opioids achieve roughly \$6 billion of sales in the United States each year and result in the death of, by some estimates, over 100 people each day as a result of addiction. It is believed that one in fifteen people who become addicted to opioids are first exposed to them in a surgical setting. While there are several opioid sparing products commercialized and in development, the Skinvisible Board believes that the highly differentiated nature of Quoin's QRX001 product, and its potential to achieve broader use in a wider range of surgical procedures than those other products, coupled with the direct experience of Quoin's management team in the space, represented such a significant opportunity to Skinvisible and its shareholders.

The Board has unanimously (i) determined that the Merger Agreement, the Merger and the transactions contemplated by the Merger Agreement are acceptable and in the best interest of Skinvisible's shareholders, (ii) approved the Merger Agreement, the Merger and the transactions contemplated by the Merger Agreement, and (iii) recommended that Skinvisible's shareholders vote to adopt and approve the Merger Agreement and the Merger.

Table of Contents

In addition, the Board considered the following challenges faced by Skinvisible as an independent company:

Skinvisible has not been successful in generating revenues from its current operations both in its attempt to license its pharmaceutical products and with its launch three years ago of its wholly-owned subsidiary Kintari for which it accumulated significant debt;

The lack of revenues and debt has impacted Skinvisible and caused Skinvisible to seek additional financing options which resulted in further dilution of Skinvisible and greatly impacted its ability to continue operations;

Skinvisible made investments in its new subsidiary Kintari with the objective of increasing revenues by selling its own products, but this investment has not generated revenues sufficient to operate Skinvisible effectively;

Skinvisible also attempted to license out all of its prescription products to a pharmaceutical company however the length of the sales cycle greatly impacted Skinvisible's ability to complete such a transaction in a timely fashion; and

The lack of funds necessary for further Skinvisible research and development has impacted Skinvisible. Skinvisible also has difficulties in raising capital in the public markets due to its financial position.

Factors Relating to the Specific Terms of Skinvisible's Merger Agreement with Quoin:

The Merger will result in Skinvisible shareholders being diluted based on the Exchange Ratio, immediately prior to the Effective Time, to approximately 27.5% of the outstanding equity of Skinvisible immediately following the Effective Time and will be further modified when certain Skinvisible Third Party Indebtedness is converted into Skinvisible common stock plus the closing of the anticipated Private Placement. In the event that none of Skinvisible Third Party Indebtedness is converted it will result in a reduction in ownership from approximately 27.5% to approximately 10.64%. A further reduction in ownership will occur following the closing of the Private Placement. The extent of this reduction is not known as of yet as it depends on a valuation that will be determined by negotiation with potential investors. The Board agreed that based on the current financial status of Skinvisible and the potential for future increased value in the shares based on Quoin's projected performance, that the Merger was a viable solution at the agreed upon Exchange Ratio.

The Merger does not provide for any cash payment to Skinvisible. Consideration consists solely of a minimum private placement funding of \$10 million, which provides certainty of value to Skinvisible shareholders. Skinvisible engaged in extensive negotiation regarding the Exchange Ratio with Quoin and the conversion of Skinvisible's indebtedness. The Merger and the Merger Agreement must be adopted and approved by a vote of a majority of Skinvisible's outstanding shares of common stock.

In the course of reaching the determinations and decisions and making the recommendation described above, Skinvisible's board of directors, in consultation with Skinvisible's senior management and outside legal counsel considered the risks and potentially negative factors relating to the Merger Agreement, the Merger and the other transactions contemplated thereby, including the following material factors:

the fact that the Merger and the Private Placement would result in a change in control of Skinvisible with Quoin shareholders holding a minimum of 72.5% (or approximately 89% if none of the outstanding Third Party Indebtedness is converted into common equity) of the outstanding shares of Skinvisible common stock following the Merger and the right to appoint the new Board of Directors;

the risk that the potential benefits of the Merger and Quoin's proposed clinical developments will not be realized or will not be realized within the expected time period;

the risk that the Merger may result in Skinvisible assuming unknown liabilities;

the risks associated with Quoin's proposed clinical developments not being realized or not within the expected time period and therefore not having the ability to successfully implementing its business plan;

the risks and contingencies relating to the announcement and pendency of the Merger and the risks and costs to Skinvisible if the closing of the Merger is not timely or if it does not close at all, may have an effect on the trading

price of Skinvisible common shares;

the risk that the requirement as a provision of the Merger Agreement that Skinvisible conducts its business only in the ordinary course prior to the completion of the Merger, may delay or prevent Skinvisible from undertaking certain business opportunities that might arise pending completion of the Merger;

THE BOARD BELIEVES THAT, OVERALL, THE POTENTIAL BENEFITS TO SKINVISIBLE SHAREHOLDERS OF THE MERGER AGREEMENT AND THE TRANSACTIONS CONTEMPLATED THEREBY OUTWEIGH THE RISKS AND UNCERTAINTIES. SKINVISIBLE'S BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND UNANIMOUSLY RECOMMENDS THAT SKINVISIBLE'S STOCKHOLDERS VOTE IN FAVOR OF ADOPTION AND APPROVAL OF THE MERGER AGREEMENT AND APPROVAL OF THE MERGER.

THE MERGER AGREEMENT

The following is a brief summary of the material provisions of the Merger Agreement, a copy of which is attached as Annex A to this proxy statement/prospectus and is incorporated by reference into this summary. This summary may not contain all of the information about the Merger Agreement that is important to Skinvisible stockholders, and Skinvisible stockholders are encouraged to read the Merger Agreement carefully in its entirety. The legal rights and obligations of the parties are governed by the specific language of the Merger Agreement and not this summary.

The Merger

The Merger Agreement provides for the Merger of Merger Sub with and into Quoin. As a result of the Merger, Merger Sub will cease to exist, and Quoin will continue as the surviving corporation in the Merger. After the Merger, the surviving corporation will be a direct wholly owned subsidiary of Skinvisible, and the former Quoin stockholders will have a direct equity ownership and controlling interest in Skinvisible.

When the Merger Becomes Effective

Pursuant to the terms of the Merger Agreement and a subsequent amendment, the Merger must be consummated by the outside date of October 31, 2018, which may be further extended by the parties, and the Merger will become effective at such time as a certificate of merger is duly filed with the Secretary of State of Delaware, unless a later date is specified therein.

Consideration to be Received Pursuant to the Merger

Each share of Quoin Common Stock shall be converted solely into the right to receive a number of shares of Skinvisible Common Stock equal to the exchange ratio (the “Merger Consideration”).

At the Effective Time, all outstanding shares of Quoin common stock will be converted solely into the right to receive a number of shares of Skinvisible common stock such that the holders of outstanding equity of Quoin immediately prior to the Effective Time, and prior to the Private Placement, will own approximately 72.5% of the outstanding equity of Skinvisible immediately following the Effective Time and holders of outstanding equity of Skinvisible immediately prior to the Effective Time, and prior to the Private Placement, will own approximately 27.5% of the outstanding equity of Skinvisible immediately following the Effective Time.

Further to the Merger Agreement, the “Exchange Ratio” will be modified if certain Skinvisible Third Party Indebtedness is not converted into Skinvisible common stock, as described above.

If none of the Third Party Indebtedness is converted into the Combined Company’s common stock immediately prior to the Effective Time, the percent ownership will be reduced from approximately 27.5% to approximately 10.64%.

Private Placement.

The Merger is condition upon Quoin executing a definitive agreement to effect the Private Placement, which is defined as a private placement of shares of the Combined Company’s common stock for an aggregate of at least \$10 million of gross proceeds, to be received by Combined Company within five (5) days of the Effective Time of the Merger.

The price per share to be paid in the Private Placement will be determined by Quoin, its investment bank and the investors who participate in the private placement. Accordingly, there is no minimum or maximum price per share. The net effect of the Private Placement will be to further reduce the percent ownership in the Combined Company of current Skinvisible shareholders.

The shares issued in the Private Placement will not change the Exchange Ratio, as the shares issued in the private placement will dilute both the existing Skinvisible shareholders as well as the shareholders of Quoin who receive shares in the Merger. Accordingly, the shares to be issued in the private placement will reduce significantly the relative voting power of each share of the Combined Company's common stock held by all of the Combined Company's stockholders. Consequently, the Combined Company's stockholders as a group will have significantly less influence over the management and policies of the Combined Company after the private placement than prior to the private placement.

Fractional Shares

No fractional shares of Quoin common stock will be issued by virtue of the Merger and any Skinvisible stockholder entitled under the Merger Agreement to receive a fractional share of Quoin common stock will be rounded up to the next whole share.

Representations and Warranties

The Merger Agreement contains customary representations and warranties of the parties. These include representations and warranties of Skinvisible and Merger Sub, subject to certain limitations, with respect to:

- Organization
- Capitalization
- Authority

Additional Agreements

The Merger Agreement contains certain other agreements of the parties including, among other things, that:

• Skinvisible and Quoin shall cooperate in preparing and promptly cause to be filed with the SEC this proxy statement; Skinvisible and Quoin will consult with one another before issuing any public release or otherwise making any public statements about the Merger, and will not release any such public release (including public filings with the SEC) without prior consent of the other party (which consent shall not be unreasonably conditioned, withheld or delayed) subject to certain exceptions;

Debt Conversion Agreements

The Merger Agreement requires Skinvisible to use commercially reasonable efforts to enter into one or more agreements with certain creditors of Skinvisible to cause Skinvisible's indebtedness to such parties to be converted into the Combined Company's common stock immediately prior to the Effective Time (the "Debt Conversion Agreements"). If Skinvisible fails to execute Debt Conversion Agreements with respect to all such specified Skinvisible indebtedness prior to the date that is five days before the Closing Date, the Exchange Ratio will be revised to cause the percentage of the outstanding equity of the Combined Company immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Skinvisible immediately prior to the Effective Time to be reduced from approximately 27.5% to a percentage equal to (i) 27.5% minus (ii) the product of (x) 0.000004 and (y) the amount of the remaining third party indebtedness.

For illustrative purposes, if the remaining Third Party Indebtedness equals \$1,000,000, the percentage of the outstanding equity of Skinvisible immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Skinvisible immediately prior to the Effective Time will be reduced from approximately 27.5% to approximately 23.5%.

If none of the Third Party Indebtedness is converted into the Combined Company's common stock immediately prior to the Effective Time, the Effective Time will be reduced from approximately 27.5% to approximately 10.64%.

Related Party Agreements

Skinvisible has entered into one or more agreements (the "Related Party Agreements") with certain officers of Skinvisible with respect to the indebtedness of Skinvisible (the "Related Party Indebtedness"). These Related Party Agreements provide that:

In exchange for the immediate cancellation of \$500,000 of the Related Party Indebtedness, Skinvisible transferred 100% of the shares in Ovation Science Inc. held by Skinvisible to these related parties;

Within 180 days after the closing date all remaining Related Party Indebtedness is to be converted, at the sole election of the Combined Company, into cash or shares of the Combined Company's common stock which are not subject to any contractual restrictions or vesting requirements (or a combination cash and shares of the Combined Company's common stock). If the Combined Company elects to convert all or a portion of the remaining related indebtedness into shares of the Combined Company's common stock, such shares shall be valued using the 30 day average closing price of such shares on the OTCQB for the 30 day period prior to the date of conversion. If the conversion of any remaining related party indebtedness into shares of the Combined Company's common stock causes the related parties to have an obligation to pay taxes, the Combined Company is required to pay such taxes to the to the applicable governmental authority on behalf of the related parties.

Skinvisible has also negotiated and executed new employment agreements with Terry Howlett and Doreen McMorran and a consulting agreement to Dr. James Roszell.

Closing Conditions of the Merger

The obligations of the parties to consummate the transactions contemplated by the Merger Agreement are subject to the following conditions:

- the total amount of Related Party Indebtedness (as defined above) immediately prior to the Effective Time, shall not exceed \$2,800,000.

Termination

The Merger Agreement may be terminated at any time, but not later than the closing, as follows:

- by mutual written consent of Skinvisible and Quoin;
- by either Skinvisible and Quoin if the transactions contemplated by the Merger Agreement are not consummated on or before October 31, 2018, provided that the right to terminate will not be available to any party whose failure to fulfill any material obligation was the cause of or resulted in the failure of the transactions contemplated by the Merger Agreement to be consummated by such date;
- by either Skinvisible and Quoin if any governmental authority shall have enacted, issued, promulgated, enforced or entered any order, law, rule regulation, judgment, injunction, decree or ruling which has become final and nonappealable, and which permanently restrains, enjoins or otherwise prohibits the Merger;
- by either Skinvisible and Quoin if the other party has breached any of its covenants, agreements or representations and warranties (and has not cured its breach within 30 days of the giving of notice of such breach); or
- by either Skinvisible and Quoin if the Merger has not been approved at the Special Meeting (or any adjournment or postponement thereof): provided, however, that the right to terminate the Merger Agreement shall not be available to Skinvisible where the failure to obtain the required Skinvisible stockholder vote has been caused by the action or failure to act of Skinvisible and such action or failure to act constitutes a material breach by Skinvisible of the Merger Agreement.

Expense Reimbursement

If the Merger Agreement is terminated by Skinvisible under certain circumstances, prior to such termination, Skinvisible has breached any of the non-solicitation covenants of Skinvisible, and Skinvisible enters into an agreement to consummate a “Acquisition Proposal” within six (6) months of the date of termination, then Skinvisible is required to reimburse Quoin for its total documented expenses incurred by in connection with the negotiation and execution of the Merger Agreement and the transactions contemplated thereby, up to a maximum of \$300,000.

Effect of Termination

In the event of termination of the Merger Agreement prior to the Effective Time in accordance with the terms of the Merger Agreement, the Merger Agreement will become void, and there shall be no liability or further obligation on the part of Skinvisible and Quoin other than:

- the reimbursement of fees as described above under “Merger Agreement — Expense Reimbursement”;
- the parties’ mutual obligations with respect to confidentiality and public announcements, which survive termination, under the terms of the Merger Agreement; and
- liability arising out of fraud or material and intentional breach of any provision of the Merger Agreement.

No Solicitation of Other Offers by Skinvisible or Quoin

Under the terms of the Merger Agreement, Skinvisible and Quoin have each agreed that it and its officers and directors will not (and that it will use commercially reasonable efforts to ensure that its representatives will not) directly or indirectly initiate, solicit or knowingly encourage or facilitate any inquiries or the making of any acquisition proposal, or engage in any negotiations concerning, or provide access to its properties, books and records or any confidential information or data to, any person relating to, an acquisition proposal. Quoin is, however, permitted to pursue the Private Placement.

Required Vote

Adoption of the Merger requires the affirmative vote of a majority of the issued and outstanding shares of Skinvisible’s common stock represented in person or by proxy at the meeting and entitled to vote thereon. Adoption of this proposal is not conditioned upon the adoption of any of the other proposals.

Recommendation of The Board of Directors

SKINVISIBLE’S BOARD RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE MERGER AGREEMENT.

Interests of Skinvisible’s Directors and Officers in the Merger

In considering the recommendation of Skinvisible’s Board to vote for the proposals presented at the special meeting, you should be aware that our executive officers and members of our Board have interests in the merger proposal that are different from, or in addition to, the interests of our shareholders generally. The members of our Board were aware of these differing interests and considered them, among other matters, in evaluating and negotiating the transaction agreements and in recommending to our shareholders that they vote in favor of the proposals presented at the special meeting. These interests include, among other things:

-

Terry Howlett and Doreen McMorran have entered into new 1 year employment agreements with the Combined Company, which employment agreements will become effect upon the closing of the Merger; and Terry Howlett and Doreen McMorran and certain other related parties have agreed to cancel \$500,000 of Related Party Indebtedness, in exchange for 100% of the shares owned by Skinvisible in Ovation Science Inc. (“Ovation”).

THE LOCK-UP AGREEMENTS AND VOTING AGREEMENTS

In connection with their entry into the Merger Agreement, Dr. Michael Myers and Denise Carter, the stockholders and directors of Quoin, and Terry Howlett and Doreen McMorrان, of Skinvisible, entered into lock-up agreements to satisfy the terms of the Merger Agreement. The form of lock-up agreement is attached as Annex B to this Proxy Statement. The lock-up agreements prohibit sales and certain other dispositions of shares of the Combined Company's common stock and certain other securities for a period of 180 days after the closing of the Merger. Terry Howlett and Doreen McMorrان also executed voting agreements. The form of voting agreement is included as Annex C to this Proxy Statement. The voting agreements generally require Terry Howlett and Doreen McMorrان to vote all of their respective shares of Skinvisible common stock in favor of the Merger proposal. As of the record date, Terry Howlett and Doreen McMorrان collectively beneficially held shares of Skinvisible common stock, representing approximately 7% of the outstanding shares of Skinvisible's common stock, all of which shares are either held of record by the said person as of the record date or over which he possesses voting rights and are therefore in either case subject to the voting agreements.

INFORMATION WITH RESPECT TO QUOIN

Overview

Following the Merger, the combined company intends to pursue commercialization of Quoin's two lead products. In addition, the combined company will continue to pursue commercial opportunities for products developed by Skinvisible prior to the merger. The combined company also intends to leverage Skinvisible's Invisicare technology as a potential delivery system for the Quoin products intended to be developments by the combined company.

Quoin Pharmaceuticals is a pre-clinical, specialty pharmaceutical company dedicated to developing products that help address major societal issues including the opioid epidemic and the military veteran suicide rate. Quoin's two lead products are different applications of a single NMDA receptor antagonist delivered transdermally. QRX001 is a single use transdermal patch designed to provide up to 72 hours of effective post-operative analgesia whilst significantly reducing opioid consumption. Quoin intends to apply for Breakthrough Therapy designation for QRX001. Quoin's second lead product, QRX002 is a once-daily transdermal for the treatment of military related PTSD with suicidal ideation. Quoin believes QRX002 could be the first product approved to treat this major unmet medical need and could be a candidate for both Orphan Drug and Breakthrough Therapy Status. Quoin's products are at a pre-clinical stage of development. Quoin has not initiated any formal clinical testing of its products nor has it held any discussions with the FDA or any other regulatory agency about these products.

Quoin initially approached the US Department of Veteran Affairs (VA) to discuss options for the clinical development of QRX002 as a potential treatment for military veteran suicides. Following a number of meetings and discussions, the VA expressed a keen interest in assisting with the clinical development of QRX002. Two of the VA's researchers into military veteran suicides have been appointed as Principal Investigators (PI's) for QRX002 for this indication. The proposed clinical program will be conducted at various VA facilities across the country under the supervision of the Principal Investigators. Quoin believes this arrangement will greatly increase the efficiency and cost effectiveness of the clinical program for QRX002. It is important to note that no formal agreement has been entered into between Quoin and the VA and while the PI's have expressed their interest and willingness to conduct clinical studies for QRX002, they are under no obligation to do so. In addition, the cost of these studies will be exclusively borne by Quoin with no financial assistance from the VA.

In addition, Quoin has two additional products that it plans to begin the development of for opioid addiction and chronic pain. Clinical testing for these products is also expected to be conducted at VA facilities, though the VA has

no obligation to do so. Quoin expects to generate clinical data for QRX001 and QRX0002 within 12-18 months of the Effective date of the merger.

Quoin was co-founded by Dr. Michael Myers and Denise Carter both of whom have extensive experience in the pharmaceutical industry, particularly in the field of drug delivery. Dr. Myers and Ms. Carter, along with other members of the Quoin executive team have previously successfully developed and commercialized pharmaceutical products based on platform drug delivery technologies at previous companies they worked at. Furthermore, Dr. Myers and Ms. Carter have successfully raised over \$150 million from private and public company investors for other companies and have established broad relationships within the pharmaceutical industry

Quoin's proprietary platform polymer technology, PharmaDur, which it obtained through Quoin's acquisition, is ideal for the development for transdermal and topically delivered products. The PharmaDur technology provides for a controlled and extended duration of delivery of active drug molecules across the skin barrier in topical and transdermal formats. When used topically, the polymer technology dries quickly on the skin and remains in place for an extended period of time and will not rub off on contact with clothing or any other material and will withstand repeat washing. In transdermal preparations, the PharmaDur technology has the ability to control the rate at which the active drug ingredient penetrates the skin barrier to deliver therapeutically effective system blood levels thereby facilitating the development of products with an extended duration of action. While the original patents for the PharmaDur technology have expired, Quoin believes that the technology is protected by Trade Secrets and Know How particularly around the manufacturing and extraction process for the polymer itself. Quoin intends to explore new IP opportunities for the PharmaDur technology. Quoin does not own or license any other technologies or intellectual property nor does it have any material agreements with any other company.

Table of Contents

On March 24, 2018, the Company entered into a securities purchase agreement (the “Acquisition Agreement”) in which they agreed to acquire all of the equity interests in Polytherapeutics, Inc. (the “Seller or “Polytherapeutics”) for \$40,833 and future royalties. Under the agreement, the Company agreed to pay royalties to the Seller provided the Company commercializes products using the product candidates developed by the Seller. The terms of any royalty payments to the Seller are as follows: 4.0% of the net revenue of royalty products received by Quoin during the ten (10) year period commencing from the date of first sale of a royalty product. For the avoidance of doubt, royalty payments will only be due on royalty products that entered clinical development before March 31, 2021. If a generic product is introduced by a third party to the market, during the royalty period, the royalty fees shall be reduced from 4% to 2%. If, during the royalty period, two or more generic products are introduced, the royalty fees shall be reduced from 2% to 0%. Generic product means any product approved by the FDA or another applicable domestic or foreign regulatory authority to be deemed generically equivalent to the royalty product irrespective of its formulation. The Company further agreed to enter into a research and consulting agreement (the “Research Agreement”) under which the Company agreed to pay the former owner of the Seller (the “Consultant”) for continued research and development of the intellectual property owned by the Seller at the date of acquisition. The agreement requires monthly consulting payments of \$20,833 beginning on July 31, 2018 and ending February 28, 2021 (the “Post-Closing Period”) for a total commitment of \$666,667 over the consulting period. Under the agreement, the consultant agreed to provide research consulting services beginning on March 24, 2018 and ending on the last day of the post-Post-Closing Period to develop the Company’s lead product candidates for clinical testing. The Company will not be required to make the monthly payments under the consulting agreement if the Seller has stopped providing consulting services as described in the research consulting agreement.

If the Company fails to make monthly payments under the Consulting Agreement or royalty payments, the Seller has the option to buy back all the rights to product covered by the Acquisition Agreement for \$1.00 and the Buyer is no longer required to make the remaining payments during the Post-Closing Period. Further, if the Company fails to enter a product covered by the Acquisition Agreement into clinical development by the end of the Post-Close Period, the Seller has the option to buy the rights to commercialize said products for \$100,000.

Quoin’s initial focus is on the development of products using its proprietary technology that could help address major societal challenges such as the opioid epidemic and the military veteran suicide crisis. It is estimated that there are greater than 110 opioid related deaths in the US every day and that over 1,000 people are treated every day for misuse of an opioid. Almost 7% of people who become addicted are first exposed to opioids in a surgical setting where they are prescribed these medicines to treat post-operative pain. Quoin believes that a product which can substantially reduce the use of opioids in a surgical setting could play a significant role in reducing the overall dependency on opioids in the US. QRX001, Quoin’s first lead product, is a single use, transdermal NMDA receptor antagonist designed to provide up to 72 hours of effective post-operative analgesia whilst significantly reducing the consumption of opioids by patients. The NMDA receptor antagonist in QRX001 has been shown in multiple clinical studies to both significantly reduce post-operative and to reduce the amount of opioids consumed by patients. Quoin believes that QRX001, either by itself or as part of a multi-modal therapy, could provide a better option for surgeons to effectively treat post-surgical pain than competing products currently available or under development. Quoin also believes that the single use sub-anesthetic dose of the NMDA receptor antagonist in QRX001 substantially reduces the potential for abuse and so could be viewed favorably by the FDA and other regulatory agencies. Quoin is anticipating seeking approval for QRX001 in 2020 or 2021 following the successful conclusion of its clinical development program. Quoin intends to file for Breakthrough Therapy designation for QRX001 from the FDA, although Quoin has not engaged in any discussions with the FDA in connection therewith.

Quoin’s second lead product, QRX002, also contains an NMDA receptor antagonist delivered transdermally. QRX002, is designed to be dosed once a day, every day over a defined period as a potential treatment for military related PTSD

with suicidal ideation. There is a growing crisis in the country's military veteran population with over 20 suicides every day, primarily as a result of Post-Traumatic Stress Disorder or PTSD. As of now, there are no products approved to treat either PTSD or the PTSD sufferers who are suicidal. The NMDA receptor antagonist in QRX002 has been shown clinically to reduce suicidal ideation, even after a single dose. Unlike, standard anti-depressants, currently the only available treatment option, the molecule acts very quickly to positively impact suicidal ideation. However, the molecule is not orally bioavailable and is typically dosed either by infusion or nasally in a clinical setting. Quoin believes that a once-daily transdermal that delivers the dose in a controlled and regulated manner could be a more effective and user-friendly product option. Quoin has engaged in discussion with the US Department of Veteran Affairs (VA) for the clinical development of QRX002. The VA has appointed two of its top researchers into military veteran suicides as Principal Investigators (PI's) for the clinical development of QRX002, which will be performed at various VA facilities throughout the US. Quoin believes that this partnership with the VA will greatly improve the efficiency and cost-effectiveness of the planned clinical program for QRX002. The cost of the clinical program will be borne exclusively by Quoin with no financial assistance from the VA. Furthermore, Quoin has not entered into any formal agreement with the VA and the VA is not obligated to participate in the clinical studies for QRX002 or any other Quoin product.

Quoin believes that QRX002 is a candidate for both Orphan Drug and Breakthrough Therapy designation from the FDA. If Breakthrough Therapy status is granted, Quoin believes that a single Phase 3 clinical study may be all that is required to obtain US regulatory approval, although Quoin has not engaged in any discussions with the FDA therewith. Quoin anticipates seeking approval for QRX002 for the first indication of military related suicide in 2020 or 2021 upon successful completion of the clinical development program and Quoin believes that QRX002 could be the first product approved to treat this indication. In addition to suicidal ideation, Quoin is also planning to explore the clinical development of QRX002 for other indications such as PTSD, post-partum depression, opioid addiction and chronic pain. Each of these new potential new indications represent large and commercially attractive market opportunities for Quoin.

Table of Contents

The target indications and profiles for QRX001 and QRX002 were developed by Quoin's management team through extensive literature research and following in depth discussions with leading key opinion leaders, clinicians and regulatory experts. It became clear to Quoin's management following this research and those discussions that the NMDA receptor antagonist selected for both QRX001 and QRX002 was indeed the optimal candidate to achieve the target product indications of reduction of post-surgical pain for up to 72 hours and the significant reduction of suicidal ideation in military veterans who suffer from PTSD. It is Quoin management's belief that the ideal route of delivery for this particular molecule that would facilitate achieving those clinical targets is via transdermal delivery. The molecule is currently dosed by infusion or delivered nasally, neither of which Quoin believe are ideal for the defined target indications.

The decision to pursue the development of QRX001 and QRX002 as transdermal patches led Quoin to approach Polytherapeutics with an acquisition offer, which was ultimately executed. Polytherapeutics Pharmadur technology is a fully scaled up and commercialized proprietary platform polymer technology that is ideal for transdermal and topical delivery. The fact that the technology had been scaled up and commercialized was of particular importance to Quoin, as its management team knew from decades of experience that many promising early stage technologies fail at later stages due to scale up challenges such as highly complex manufacturing processes, very poor yields of usable product which can lead to uncompetitive COGS and other issues. With those issues out of the way, Quoin believed that it was in a unique position to combine a proven technology with a proven molecule using decades of direct experience to create highly differentiated products such as QRX001 and QRX002. It is Quoin's belief that the skill, knowledge and experience of its team will facilitate a lower risker and faster development timeline for its products than might be the case otherwise.

As of now, Quoin has not initiated any formal clinical testing for QRX001 and QRX002 nor has it filed any IND's or held discussions with the FDA. The company is planning to initiate Phase 1 testing in health volunteers in Australia this year once funds from the private placement have been secured. Australia is a well-established venue for Phase 1 testing due to its favorable regulatory climate and attractive tax rebates. Quoin plans to file IND's for both QRX001 and QRX002 once Phase 1 data is available. These IND's will contain details of the proposed Phase 2 clinical programs for both products. Given Quoin's background in post-surgical pain and its established relationships with leading KOLs, its management team will play a leading role in the drafting of the clinical protocols and the definition of the primary and secondary endpoints for QRX001. For QRX002, however, Quoin felt that the most efficient and low risk approach for the clinical development of the product would be through the participation of the US Department of Veterans Affairs (VA). Following a series of meetings and discussions, Dr. Perry Renshaw and Dr. Deborah Yurgelun-Todd, from the VA MIREC center in Salt Lake City, were identified as the best clinical researchers into veteran suicides and they agreed to become Principal Investigators (PIs) for the clinical program. They in turn will recruit other VA researchers to become investigators at different VA clinical facilities across the country. To help speed up the process, Quoin is working closely with representatives from NAVREV who are providing resources to navigate Confidentiality Agreements, Independent Review Board approvals and other necessary requirements that need to be formalized for companies who wish to engage with the VA. This broad support is a reflection, Quoin believes, of the potential value that QRX002 could bring to military veterans, a value which has been recognized by the VA. Quoin has not entered into any formal agreement with the VA nor is the VA obligated to participate in any studies.

It is intended that Phase 2 and Phase 3 testing for QRX002 will be conducted by VA researchers at VA facilities across the country under the direct supervision of Dr. Renshaw and Dr. Yurgelun-Todd. Quoin plans to fund the Phase 2 testing out of the proceeds of the private placement that it is pursuing in conjunction with the Skinvisible merger. Working closely with the VA in this manner will provide for a far more efficient and cost-effective clinical development program than if Quoin were to attempt to do so outside the auspices of an arrangement with the VA

Principal Stockholders of Quoin

The principal stockholders of Quoin are its co-founders, Dr. Michael Myers and Ms. Denise Carter, each of whom hold a 50% share of Quoin.

Assets and Liabilities of Quoin

As indicated below in Quoin's financial statements, Quoin currently has limited assets beyond the equity in the Polytherapeutics subsidiary and access to the Polytherapeutics technology. Quoin intends to utilize the existing assets of Skinvisible, the Polytherapeutics technology and the proceeds from the Private Placement to rapidly pursue the strategy outlined above.

Quoin has entered into employment agreements with Dr. Michael Myers and Ms. Denise Carter. Pursuant to these employment agreements, Quoin has agreed to cover the costs incurred by Dr. Michael Myers and Ms. Denise Carter while founding Quoin including salary and other benefits that would have otherwise been paid and developing Quoin, acquiring the Polytherapeutics technology and pursuing the Merger with Skinvisible.

NOTES TO FINANCIAL STATEMENTS

(UNAUDITED)

1. ORGANIZATION AND LINE OF BUSINESS

Organization

Quoin Pharmaceuticals, Inc. (“Quoin”, “we”, “our”, the "Company") was incorporated in Delaware on March 5, 2018 (“Inception”), and began operations. The Company was established as an early stage preclinical, specialty pharmaceutical company dedicated at such time to developing products that help address major societal issues including the opioid epidemic and the military veteran suicide rate. Quoin’s products are at a preclinical stage of development. Quoin has not initiated any formal clinical testing of its products nor has it held any discussions with the FDA or any other regulatory agency about these products.

On March 24, 2018, the Company entered into an acquisition agreement with Polytherapeutics pursuant to which the Company acquired all the outstanding equity interest in Polytherapeutics and all the intellectual property related to Seller.

Line of Business

To date, the Company has not commercialized any products and has not generated any revenue. The majority of the Company’s operating expenses thus far have been associated with establishing the corporation, completing due diligence on various technologies, a business acquisition, negotiating and finalizing the merger agreement with Skinvisible, Inc., and building its pipeline of preclinical product candidates.

2. BASIS OF PRESENTATION AND GOING CONCERN

The accompanying unaudited interim consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of financial position and the results of operations for the interim period

presented have been reflected herein. The results of operations for the interim period are not necessarily indicative of the results to be expected for the full year.

Going concern – The accompanying consolidated financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company has incurred cumulative net losses of \$2,286,765 since its inception and requires capital for its contemplated operational and marketing activities to take place. Although an investment banker has been engaged for the pursuit for additional capital funding and the Company will continue to seek funds through debt or equity financings, marketing and distribution arrangements and other collaborations, strategic alliances and licensing arrangements, or other sources of financing the Company's ability to raise additional capital is unknown. Obtaining additional financing, the successful development of the Company's contemplated plan of operations, and its transition, ultimately, to the attainment of profitable operations are necessary for the Company to continue operations. If the Company is unable to raise additional funds, development of its product candidates may be impaired and be forced to delay, reduce, or terminate some or all of its development programs. The ability to successfully resolve these factors raises substantial doubt about the Company's ability to continue as a going concern. The consolidated financial statements of the Company do not include any adjustments that may result from the outcome of these aforementioned uncertainties.

Table of Contents

3. SUMMARY OF SIGNIFICANT POLICIES

This summary of significant accounting policies of Quoin Pharmaceuticals Inc. is presented to assist in understanding the Company's consolidated financial statements. The consolidated financial statements and notes are representations of the Company's management, who are responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

Principles of Consolidation – The accompanying consolidated financial statements include the accounts of Quoin Pharmaceuticals Inc., and its wholly owned subsidiary Polytherapeutics, Inc. All material intercompany transactions have been eliminated upon consolidation of these entities.

Use of estimates – The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the consolidated financial statements and accompanying notes. Actual results could materially differ from those estimates. Management considers many factors in selecting appropriate financial accounting policies and controls, and in developing the estimates and assumptions that are used in the preparation of these consolidated financial statements. Management must apply significant judgment in this process. In addition, other factors may affect estimates, including: expected business and operational changes, sensitivity and volatility associated with the assumptions used in developing estimates, and whether historical trends are expected to be representative of future trends. The estimation process often may yield a range of potentially reasonable estimates of the ultimate future outcomes and management must select an amount that falls within that range of reasonable estimates. This process may result in actual results differing materially from those estimated amounts used in the preparation of the consolidated financial statements. Estimates are used in the following areas, among others: research and development expenses, general and administrative expenses and accrued expenses and liabilities.

Cash and cash equivalents – For purposes of the statement of cash flows, the Company considers all highly liquid investments and short-term debt instruments with original maturities of three months or less to be cash equivalents. Cash and cash equivalents are held in depository and money market accounts and are reported at fair value. As of June 30, 2018, the Company had \$100 in cash held at a bank.

Concentration Risk – At times throughout the year, the Company may maintain cash balances in certain bank accounts in excess of FDIC limits. As of June 30, 2018, the cash balance in excess of the FDIC limits was \$0. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk in these accounts.

Fair Value of Financial Instruments – The carrying amounts reflected in the balance sheets for cash, accounts payable and accrued expenses approximate the respective fair values due to the short maturities of these items. The Company does not hold any investments that are available-for-sale.

As required by the Fair Value Measurements and Disclosures Topic of the FASB ASC, fair value is measured based on a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows: (Level 1) observable inputs such as quoted prices in active markets; (Level 2) inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and (Level 3) unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not active, or inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability;

Level 3: Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (supported by little or no market activity).

Table of Contents

Earnings (loss) per share – The Company reports earnings (loss) per share in accordance with Financial Accounting Standards Board’s (“FASB”) Accounting Standards Codification (“ASC”) 260-10 “*Earnings Per Share*,” which provides for calculation of “basic” and “diluted” earnings per share. Basic earnings per share includes no dilution and is computed by dividing net income or loss available to common stockholders by the weighted average common shares outstanding for the period. Diluted earnings per share reflect the potential dilution of securities that could share in the earnings of an entity. The calculation of diluted net loss per share gives effect to common stock equivalents; however, potential common shares are excluded if their effect is anti-dilutive.

Indefinite Lived Intangibles and Goodwill Assets – The Company accounts for business combinations under the acquisition method of accounting in accordance with ASC 805, “Business Combinations,” where the total purchase price is allocated to the tangible and identified intangible assets acquired and liabilities assumed based on their estimated fair values. The purchase price is allocated using the information currently available, and may be adjusted, up to one year from acquisition date, after obtaining more information regarding, among other things, asset valuations, liabilities assumed and revisions to preliminary estimates. The purchase price in excess of the fair value of the tangible and identified intangible assets acquired less liabilities assumed is recognized as goodwill.

The Company tests for indefinite lived intangibles and goodwill impairment in the fourth quarter of each year and whenever events or circumstances indicate that the carrying amount of the asset exceeds its fair value and may not be recoverable. As of June 30, 2018, the Company did not have any indefinite lived intangibles or goodwill.

Long-lived Assets – In accordance with the Financial Accounting Standards Board (“FASB”) Accounts Standard Codification (ASC) ASC 360-10, “Property, Plant and Equipment,” the carrying value of intangible assets and other long-lived assets is reviewed on a regular basis for the existence of facts or circumstances that may suggest impairment. The Company recognizes impairment when the sum of the expected undiscounted future cash flows is less than the carrying amount of the asset. Impairment losses, if any, are measured as the excess of the carrying amount of the asset over its estimated fair value. During the nine months ended June 30, 2018 the Company recorded an impairment expense of \$0.

Business Combinations

The Company allocates the fair value of purchase consideration to the tangible assets acquired, liabilities assumed and intangible assets acquired based on their estimated fair values. The excess of the fair value of purchase consideration over the fair values of these identifiable assets and liabilities is recorded as goodwill. Such valuations require management to make significant estimates and assumptions, especially with respect to intangible assets. Significant estimates in valuing certain intangible assets include, but are not limited to, future expected cash flows from acquired customer lists, acquired technology, and trade names from a market participant perspective, useful lives and discount rates. Management’s estimates of fair value are based upon assumptions believed to be reasonable, but which are inherently uncertain and unpredictable and, as a result, actual results may differ from estimates. During the measurement period, which is one year from the acquisition date, the Company may record adjustments to the assets acquired and liabilities assumed, with the corresponding offset to goodwill. Upon the conclusion of the measurement period, any subsequent adjustments are recorded to earnings.

Income taxes – The Company accounts for its income taxes in accordance with FASB Codification Topic ASC 740-10, “*Income Taxes*”, which requires recognition of deferred tax assets and liabilities for future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases and tax credit carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

Recently issued accounting pronouncements – The Company has evaluated all recent accounting pronouncements through ASU 2018-15, and believes that none of them will have a material effect on the Company's financial position, results of operations or cash flows except as discussed below.

Revenue from Contracts with Customers. In May 2014, the FASB issued Accounting Standards Update No. 2014-09 (“ASU 2014-09”), which supersedes nearly all existing revenue recognition guidance under U.S. GAAP. The core principle of ASU 2014-09 is to recognize revenues when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled for those goods or services. ASU 2014-09 defines a five-step process to achieve this core principle and, in doing so, more judgment and estimates may be required within the revenue recognition process than are required under existing U.S. GAAP. Additionally, the new guidance requires enhanced disclosures about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including revenue recognition policies to identify performance obligations, assets recognized from costs incurred to obtain and fulfill a contract, and significant judgments in measurement and recognition.

In July 2015, the FASB made a decision to defer the effective date of the new standard for one year and permit early adoption as of the original effective date. The new standard will be effective for the Company as of January 1, 2019. The Company is currently evaluating the impact of the adoption of this standard on its revenue recognition policy.

The Company allocated the entire purchase price to the trade secrets and associated product formulations as of the date of acquisition. At the acquisition date the allocation of the purchase price consisted of the following:

Critical Accounting Policies

Our discussion and analysis of our financial condition and results of operations are based upon our financial statements. The preparation of these financial statements and related disclosures in conformity with accounting principles generally accepted in the United States of America requires us to (i) make judgments, assumptions and estimates that affect the reported amounts of assets, liabilities, revenue and expenses; and (ii) disclose contingent assets and liabilities. A critical accounting estimate is an assumption that could have a material effect on our consolidated financial statements if another, also reasonable, amount were used or a change in the estimates is reasonably likely from period to period. We base our accounting estimates on historical experience and other factors that we consider reasonable under the circumstances. However, actual results may differ from these estimates. To the extent there are material differences between our estimates and the actual results, our future financial condition and results of operations will be affected.

EXECUTIVE COMPENSATION OF SKINVISIBLE'S NAMED EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Currently, the objective of the cash compensation paid by Skinvisible is to provide fair reimbursement for the time spent by our executive officer and independent directors to the extent feasible within the financial constraints faced by our developing business. The stock options granted to our executive officer and to our independent directors are intended to provide these individuals with incentives to pursue the growth and development of the company's operations and business opportunities. Although the options awarded to our executive and directors are typically exercisable immediately, they also remain valid and exercisable for terms of several years. We believe this provides the proper balance of short-term and long-term incentives to increase the value of the company. Although an immediate increase in share price following the issuance of the options would obviously result in a profit if those options were exercised, the longer exercisable period of the options also provides an incentive to increase value over the long term and gives our executive officer and directors the opportunity to realize gains based on the sustained growth of our operations and revenues.

In addition, our sole executive officer holds substantial ownership in the company and is generally motivated by a strong entrepreneurial interest in expanding our operations and revenue base to the best of his ability.

On March 26, 2018, Quoin Pharmaceuticals, Inc., and Quoin Merger Sub, Inc. entered into an Agreement and Plan of Merger (the “*Merger Agreement*”) with Skinvisible, Inc. and a Delaware corporation and wholly-owned subsidiary of Parent.

The Merger Agreement provides that, subject to the terms and conditions set forth in the Merger Agreement, Merger Sub will merge with and into the Company (the “*Merger*”), with the Company surviving the Merger as a wholly-owned subsidiary of Parent. At the effective time of the Merger, the issued and outstanding common shares of the Company (“*Company Common Shares*”) will automatically be converted into the right to receive approximately 72.5% of the outstanding equity of Parent (the “*Merger Consideration*”). Existing Parent shareholders will have a right to the remaining 27.5% of the outstanding equity of Parent, which is subject to diminution if certain indebtedness of Parent is not converted into Parent Common Stock.

Each Quoin, Parent, and Merger Sub has made various representations and warranties and agreed to certain covenants in the Merger Agreement. Parent also has agreed to other covenants in the Merger Agreement, including, without limitation, to cause a special meeting of Parent’s shareholders to be held as promptly as practicable to consider and approve the Merger Agreement and the Merger, along with the issuance of the shares of Parent Common Stock in connection with the Merger and a Charter Amendment, including a name change and reverse stock split, and to file a proxy statement with the Securities and Exchange Commission (“*SEC*”) relating to such special meeting.

The Merger Agreement contains customary no-solicitation covenants restricting Parent and the Company from soliciting, encouraging, or discussing alternative acquisition proposals from third parties.

Consummation of the Merger is subject to the satisfaction or, if permitted by applicable law, waiver, by Parent, the Company, or both of various conditions, including, without limitation, (i) approval of the Merger Agreement and the Merger by both the Company’s and Parent’s respective shareholders; (ii) a definitive agreement shall have been executed that provides that Parent shall receive an aggregate of at least \$10,000,000 of gross proceeds within five (5) days of the closing of the Merger; (iii) the accuracy of the parties’ respective representations and warranties and the performance of their respective obligations under the Merger Agreement; (iv) the absence of the occurrence of a material adverse effect with respect to the Company between the date of the Merger Agreement and closing; (v) the Parent’s shareholders shall have approved the Charter Amendment ; (vi) the absence of any law, order, or legal injunction which prohibits the consummation of the Merger or any of the transactions contemplated by the Merger Agreement; and (vii) certain other customary conditions.

The Merger Agreement contains certain termination rights in favor of the parties, as set forth therein, including, among other things, the right of either party, subject to specified limitations, to terminate the Merger Agreement if the Merger is not consummated by October 31, 2018. Upon the termination of the Merger Agreement under specified circumstances, including the termination of the Merger Agreement by Parent to enter into an acquisition proposal in accordance with the terms of the Merger Agreement made by a third party, Parent may be required to pay the Company a termination fee of up to \$300,000.

The Merger Agreement, the Merger, and the transactions contemplated thereby were unanimously approved by the board of directors of the Parent, and unanimously approved by the board of directors of the Company. Both the board of directors of the Company and Parent have recommended that their respective shareholders approve the Merger Agreement and the Merger.

The Merger is expected to close as soon as practicable after the satisfaction or waiver of all the conditions to the closing in the Merger Agreement, which is currently expected to be in the third quarter of calendar year 2018.

As a result of the closing of this agreement on, Quoin and Merger Sub will become a wholly-owned subsidiary of the Company and the Company will adopted the business of Quoin.

As the stockholders and management of Quoin will obtained voting and operating control of the Company as a result of the closing of the Transaction, the Transaction has been accounted for as a "reverse merger" recapitalization of the Company, with Quoin was deemed to be the accounting acquirer for accounting purposes. Accordingly, Quoin's assets, liabilities and results of operations will become the historical financial statements of the Company, and the Company's assets, liabilities and results of operations will be consolidated with Quoin's effective as of the date the transactions closes.

The unaudited pro forma combined balance sheet as of June 30, 2018 is presented as if the acquisition of Quoin had occurred on June 30, 2018.

Table of Contents

The unaudited pro forma condensed combined statements of operations for the three and six months ended June 30, 2018 are presented as if the acquisition of Quoin had occurred on March 5, 2018 and were carried forward through each of the aforementioned periods presented.

The unaudited pro forma condensed combined financial statements include certain adjustments that are directly attributable to the Transaction, which are expected to have a continuing impact on Quoin, and are factually supportable, as summarized in the accompanying notes.

1. BASIS OF PRO FORMA PRESENTATION

The Company plans to complete the acquisition of Quoin pursuant to the terms of the share exchange agreement dated March 26, 2018 among the Company, Quoin, Merger Sub and all of the stockholders of Quoin. In connection with the closing, the Company will acquire all 100 issued and outstanding shares of common stock in the capital of Quoin from Quoin's stockholders in consideration for the issuance of an aggregate of: 72.5% of the outstanding equity of the Company's common stock, on an undiluted basis, which is estimated to be 381,999,000 shares.

Following the closing of the Transaction, as described above, the Company estimates that there will be approximately 526,829,992 shares of the Company's common stock outstanding. The merger agreement also requires a reverse split. For purposes of these pro-forma combined financial statements, the impact has not been considered as the resulting effect is currently indeterminable. The proposed amendment to Skinvisible's Articles of Incorporation would allow the board of directors to effect a Reverse Split of Skinvisible's issued and outstanding common stock by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range, as determined by Skinvisible's board of directors in its sole discretion. If the Company were to conduct a 1 for 10 reverse split concurrent with the close of the transaction, it would result in approximately 52,682,992 shares outstanding following the close of the transaction. If the Company were to conduct a 1 for 100 reverse split concurrent with the close of the transaction, it would result in approximately 5,268,299 shares outstanding following the close of the transaction. The board could choose to effect a stock split at any level between these values and as a result the final effect is currently indeterminable.

The Company has determined to treat the acquisition of Quoin as a reverse merger and recapitalization, with Quoin as the acquirer for accounting purposes. Consequently, for future financial periods, the assets and liabilities and the historical operations that will be reflected in the Company's financial statements for periods ended prior to the closing of the Transaction will be those of Quoin.

As Quoin was deemed to be the acquirer in the Transaction for accounting purposes under recapitalization accounting, these pro forma condensed combined financial statements are presented as a continuation of Quoin. The equity of

Quoin is presented as the equity of the combined company and the capital stock account of Quoin is adjusted to reflect the par value of the issued and outstanding common stock of the Company, being the legal acquirer, after giving effect to the number of shares issued in connection with the Transaction. Shares retained by the Company's shareholders are reflected as an issuance as of the acquisition date for the historical amount of the net assets of the acquired entity.

The unaudited pro forma condensed combined balance sheet as of June 30, 2018, and the unaudited pro forma condensed combined statements of operations for the three and six months ended June 30, 2018, are based on the historical financial statements of the Company and Quoin after giving effect to the closing of the Transaction and the assumptions, reclassifications and adjustments described herein.

The unaudited pro forma condensed combined statements of operations of the Company and Quoin for the three and six months ended June 30, 2018 are presented as if the Quoin acquisition had taken place on March 5, 2018.

2. PRO FORMA ASSUMPTIONS AND ADJUSTMENTS

The unaudited pro forma condensed combined financial statements incorporate the following pro forma assumptions and adjustments:

- For purposes of these pro-forma combined financial statements, it is assumed that all shareholders of Quoin
- (a) exchanged their shares of Quoin common stock for 381,999,000 pre-reverse split shares of the Company's common stock.
 - For purposes of these pro-forma combined financial statements, it is assumed that the book value is equal to fair
 - (b) value of all assets and liabilities of the Company, with the exception of the carrying value of Company's fixed and intangible assets.
 - (c) For purposes of these pro-forma combined financial statements, it is assumed that the fair value of the fixed asset of the Company are \$7,100.
 - For purposes of these pro-forma combined financial statements, it is assumed that the fair value of the intangible
 - (d) assets of the Company are \$320,000
 - (e) Elimination of the outstanding deficit of the Company.
 - (f) Elimination of the Operating activity of the Company prior to March 5, 2018
 - Remove debt discount, to report convertible notes to their fair value, which is deemed to be the face value as of
 - (g) June 30, 2018.
 - (h) Goodwill recognized as a result of the transaction (See Note 3 for additional details.)
 - (i) Record increased amortization associated with the mark-up of assets to fair value

Table of Contents**3. PROFORMA GOODWILL**

ASC 805-40-30-2 states, in part “fair value consideration is based on, “what the legal subsidiary (accounting acquirer) would have had to issue to give the owners of the legal parent the same percentage equity interest in the combined entity that results from the reverse acquisition.” Per FASB ASC 805-40-55-10, the fair value effectively transferred should be based on the most reliable measure. The quoted market price of SKVI's shares provides a more reliable basis for measuring the fair value consideration than the estimated fair value of the shares in Quoin, as Quoin's shares are privately-held.

Prior to the transaction, the accounting acquiree had 144,830,920 shares outstanding. Using the closing price on October 9, 2018 of \$0.025 per share, the total Market Capitalization of SKVI was \$3,620,773. The market capitalization equals the fair value of the consideration that Quoin would hypothetically have had to pay to acquire a 100% interest in Skinvisible Inc. As such, the fair value of the consideration is deemed to be 3,620,773.

An outline of the fair value of the assets acquired is outlined below.

Goodwill of \$13,829,401 million has been calculated by subtracting the accounting acquiree's assets and liabilities from the fair value of the consideration of \$3,620,773.

Potential impact of proposed stock split

The proposed amendment to Skinvisible's Articles of Incorporation would allow the board of directors to effect a Reverse Split of Skinvisible's issued and outstanding common stock by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range, as determined by Skinvisible's board of directors in its sole discretion.

If the Company were to conduct a 1 for 10 reverse split concurrent with the close of the transaction, it would will result in approximately 52,682,992 shares outstanding following the close of the transaction, causing a reduction in the stated par value of the Company's common stock of 474,149 and a corresponding increase to additional aid in capital for the same amount.

If the Company were to conduct a 1 for 100 reverse split concurrent with the close of the transaction, it would will result in approximately 5,268,299 shares outstanding following the close of the transaction, causing a reduction in the

stated par value of the Company's common stock of 521,564 and a corresponding increase to additional paid in capital for the same amount.

The board could choose to effect a stock split at any level between these values and as a result the final effect is currently indeterminable and not reflected in the above chart.

PROPOSAL NO. 2: APPROVAL OF THE REVERSE SPLIT

Skinvisible is asking you to approve the reverse split proposal.

The Reverse Split

Prior to the execution of the Effective Time, Skinvisible will effect the Reverse Split.

Skinvisible's board of directors has adopted resolutions (i) declaring that submitting an amendment to Skinvisible's Articles of Incorporation to effect the Reverse Split of Skinvisible's issued and outstanding common stock was advisable, and (ii) directing that a proposal to approve the Reverse Split be submitted to the holders of Skinvisible's common stock for their approval. The Reverse Split of Skinvisible's issued and outstanding common stock will be effected by a ratio of not less than one-for-ten and not more than one-for-one hundred, with the exact ratio to be set at a whole number within this range as determined by Skinvisible's board of directors in its sole discretion.

Skinvisible's board of directors believes that the Reverse Split is in the best interest of Skinvisible. A Reverse Split typically will initially result in an increase in the price per share of Skinvisible's common stock. Skinvisible's board of directors believes that an increased stock price may encourage investor interest and improve the marketability and liquidity of Skinvisible's common stock. In addition, the Combined Company may in the future seek a listing on a national exchange, for which a higher stock price than the current price will be required. Because of the trading volatility often associated with low-priced stocks, many brokerage firms and institutional investors have internal policies and practices that either prohibit them from investing in low-priced stocks or tend to discourage individual brokers from recommending low-priced stocks to their customers. Some of those policies and practices may function to make the processing of trades in low-priced stocks economically unattractive to brokers and investors. The Board of Directors believes that the anticipated higher market price resulting from a Reverse Split may reduce, to some extent, the negative effects on the liquidity and marketability of the Common Stock inherent in some of the policies and practices of institutional investors and brokerage firms described above. Additionally, because brokers' commissions on low-priced stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current average price per share of Skinvisible's common stock can result in individual stockholders paying transaction costs representing a higher percentage of their total share value than would be the case if the share price were substantially higher.

Potential Risks of the Reverse Split

There can be no assurance that the bid price of Skinvisible's common stock will continue at a level in proportion to the reduction in the number of outstanding shares resulting from the Reverse Split. Further, we cannot give any assurances that the Reverse Split will encourage investor interest and improve the marketability and liquidity of Skinvisible's common stock.

Additionally, the liquidity of Skinvisible's common stock could be adversely affected by the reduced number of shares outstanding after the Reverse Split. Although the Board of Directors believes that a higher stock price may help generate investor interest, there can be no assurance that the Reverse Split will result in a per-share price that will attract institutional investors or investment funds or that such share price will satisfy the investing guidelines of institutional investors or investment funds. As a result, any decreased liquidity that may result from having fewer shares outstanding may not be offset by increased investor interest in Skinvisible's common stock.

Effects of the Reverse Split on Common Stock

After the effective date of the Reverse Split, each stockholder will own fewer shares of Skinvisible's common stock. However, the Reverse Split will affect all of Skinvisible's Common Stock stockholders uniformly and will not affect any stockholder's percentage ownership interest in us, except to the extent that the Reverse Split results in any of Skinvisible's stockholders receiving additional shares as a result of or owning a fractional share that is rounded up, each as described below. The number of stockholders of record will not be affected by the Reverse Split. Proportionate voting rights and other rights and preferences of the holders of Skinvisible's common stock will not be affected by the Reverse Split other than as a result of and rounding up of fractional shares. All shares underlying outstanding options and warrants will also be automatically adjusted on the effective date of the Reverse Split.

Table of Contents

Fractional Shares

No fractional shares of Skinvisible's common stock will be issued as a result of the proposed Reverse Split. In lieu of issuing fractional shares, we will round fractions up to the nearest whole share.

Implementation and Exchange of Stock Certificates

As of the effective date of the Reverse Split, if implemented by Skinvisible's Board of Directors, each certificate representing shares of Skinvisible common stock before the Reverse Split would be deemed, for all corporate purposes, to evidence ownership of the reduced number of shares of Skinvisible's common stock resulting from the Reverse Split.

Skinvisible's transfer agent will be available to effect the exchange of stock certificates. After the effective date, stockholders and holders of securities exercisable for Skinvisible's common stock will be notified of the effectiveness of the Reverse Split. Stockholders of record will receive a letter suggesting to them that they surrender their old stock certificates for new stock certificates reflecting the adjusted number of shares as a result of the Reverse Split. Persons who hold their shares in brokerage accounts or "street name" will not be required to take any further actions to effect the exchange of their shares. No new certificates will be issued to a stockholder until such stockholder has surrendered any outstanding certificates to the transfer agent. Until surrendered, each certificate representing shares before the Reverse Split will continue to be valid and will represent the adjusted number of shares based on the ratio of the Reverse Split. Stockholders should not destroy any stock certificate and should not submit any certificates until after the Reverse Split has become effective.

Material U.S. Federal Income Tax Considerations

TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE U.S. INTERNAL REVENUE SERVICE, WE INFORM YOU THAT ANY FEDERAL TAX ADVICE CONTAINED IN THIS INFORMATION STATEMENT IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, FOR PURPOSES OF (I) AVOIDING PENALTIES UNDER THE INTERNAL REVENUE CODE OF 1986, AS AMENDED, OR (II) PROMOTING, MARKETING OR RECOMMENDING TO ANOTHER PARTY ANY TRANSACTION OR TAX-RELATED MATTER ADDRESSED HEREIN. YOU ARE ENCOURAGED TO CONSULT YOUR TAX ADVISOR TO DETERMINE FOR YOURSELF THE TAX EFFECTS OF THE REVERSE SPLIT, IF ANY, INCLUDING SUCH TAX EFFECTS UNDER STATE, LOCAL AND FOREIGN TAX LAWS.

The following discussion sets forth the anticipated material U.S. federal income tax consequences that management believes will apply to Skinvisible and Skinvisible's stockholders who are U.S. holders at the effective time of the Reverse Split, if any. This discussion does not address the tax consequences of transactions effectuated prior to or after the Reverse Split, including, without limitation, the tax consequences of the exercise of options, warrants or similar rights to purchase stock. Furthermore, no foreign, state or local tax considerations are addressed herein. For this purpose, a U.S. holder is a stockholder that is: (a) a citizen or resident of the United States, (b) a domestic corporation, (c) an estate whose income is subject to U.S. federal income tax regardless of its source, or (d) a trust if a U.S. court can exercise primary supervision over the trust's administration and one or more U.S. persons are authorized to control all substantial decisions of the trust.

The following discussion is not binding on the Internal Revenue Service. The following discussion is based upon the Internal Revenue Code, laws, regulations, rulings and decisions in effect as of the date of this information statement, all of which are subject to change, possibly with retroactive effect. Holders of shares of the Common Stock are strongly urged to consult their tax advisors as to the specific tax consequences to them of the Reverse Split, including the applicability and effect of federal, state, local and foreign income and other tax laws in their particular

circumstances.

No gain or loss should be recognized by a stockholder upon his or her exchange of pre-Reverse Split shares for post-Reverse Split shares. The aggregate tax basis of the post-Reverse Split shares received (including any fraction of a new share deemed to have been received) will be the same as the stockholder's aggregate tax basis in the pre-Reverse Split shares exchanged therefor. The stockholder's holding period for the post-Reverse Split shares will include the period during which the stockholder held the pre-Reverse Split shares surrendered in the Reverse Split.

Skinvisible should not recognize any gain or loss as a result of the Reverse Split.

The Reverse Split will require the approval of the holders of a majority of the outstanding shares of Skinvisible's common stock. Abstentions and Broker non-votes will have the same effect as voting against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE REVERSE SPLIT.

PROPOSAL 3 NAME CHANGE

The Board of Directors is soliciting your consent to an amendment to the Current Charter to change the name of Skinvisible, Inc. to "Quoin Pharmaceuticals, Inc." (the "Name Change"). If approved by the stockholders of Skinvisible, after the effective date of the Merger, Skinvisible, Inc. will become "Quoin Pharmaceuticals, Inc. An amendment to Skinvisible's Articles of Incorporation is required to effect the name change.

The board of directors believes that changing the name of the combined company to Quoin Pharmaceuticals better reflects the future direction and focus of the combined company, which will not be focused solely on dermatological products as the name Skinvisible suggests.

SKINVISIBLE'S BOARD RECOMMENDS A VOTE "FOR" THE PROPOSAL TO CHANGE THE NAME OF SKINVISIBLE, INC. AFTER THE EFFECTIVE DATE OF THE MERGER TO "QUOIN PHARMACEUTICALS, INC."

PROPOSAL NO. 4: THE ADJOURNMENT PROPOSAL

The adjournment proposal allows Skinvisible's board of directors to submit a proposal to adjourn the Special Meeting to a later date or dates, if necessary, to permit further solicitation of proxies in the event, based on the tabulated votes, there are not sufficient votes at the time of the special meeting to approve the consummation of the Merger. In no event will Skinvisible solicit proxies to adjourn the Special Meeting or consummate the Merger beyond the date by which it may properly do so under Nevada law. The purpose of the adjournment proposal is to provide more time for the Skinvisible's stockholders to make purchases of public shares or other arrangements that would increase the likelihood of obtaining a favorable vote on the Merger Proposal.

In addition to an adjournment of the Special Meeting upon approval of an adjournment proposal, the board of directors of Skinvisible is empowered under Nevada law to postpone the meeting at any time prior to the meeting being called to order. In such event, Skinvisible will issue a press release and take such other steps as it believes are necessary and practical in the circumstances to inform its stockholders of the postponement.

Consequences if the Adjournment Proposal is not Approved

If an adjournment proposal is presented at the Special Meeting and such proposal is not approved by its stockholders, Skinvisible's board of directors may not be able to adjourn the Special Meeting to a later date in the event, based on the tabulated votes, there are not sufficient votes at the time of the Special Meeting to approve the consummation of the Merger. In such event, the Merger would not be completed.

Required Vote

Approval of the proposal to adjourn the Special Meeting, whether or not a quorum is present, requires the affirmative vote of a majority of the votes cast by the holders of shares of Skinvisible's common stock entitled to vote. Adoption of the adjournment proposal is not conditioned upon the adoption of any of the other proposals.

Recommendation of the Board of Directors

SKINVISIBLE'S BOARD RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE ADJOURNMENT PROPOSAL.

OTHER MATTERS

As of the date of this proxy statement/prospectus, the board of directors of Skinvisible knows of no matters that will be presented for consideration at the Special Meeting other than as described in this proxy statement/prospectus. If any other matters properly come before the Special Meeting or any adjournments or postponements of the meeting and are voted upon, the enclosed proxy will confer discretionary authority on the individuals named as proxy to vote the shares represented by the proxy as to any other matters. The individuals named as proxies intend to vote in accordance with their best judgment as to any other matters.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements set forth herein, the parties agree as follows:

Article 1

THE MERGER AND CERTAIN GOVERNANCE MATTERS

Section 1.1 Structure of the Merger. Upon the terms and subject to the conditions set forth in this Agreement, at the Effective Time, Merger Sub shall be merged with and into the Company, and the separate existence of Merger Sub shall cease, and the Company will continue as the surviving corporation following the Merger (the “*Surviving Corporation*”).

Section 1.2 Effects of the Merger. The Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL.

Section 1.3 Closing; Effective Time. Unless this Agreement is earlier terminated pursuant to the provisions of Section 7.1 of this Agreement, and subject to the satisfaction or waiver of the conditions set forth in Article 6 of this Agreement, the consummation of the Merger (the “*Closing*”) shall take place at the offices of Dentons US LLP, 1221 Avenue of the Americas, New York, NY 10020, no later than three (3) Business Days following the satisfaction (or waiver by the party entitled to the benefit thereof) of the conditions to the Closing set forth in Article 6 (other than the conditions that by their nature are to be satisfied at Closing, but subject to the satisfaction or waiver of each of such conditions), or at such other time, date and place as Parent and the Company may mutually agree in writing. The date on which the Closing actually takes place is referred to as the “*Closing Date*.” At the Closing, the Parties shall cause the Merger to be consummated by executing and filing with the Secretary of State of the State of Delaware a Certificate of Merger (the “*Certificate of Merger*”) with respect to the Merger, satisfying the applicable requirements of the DGCL and in a form reasonably acceptable to Parent and the Company. The Merger shall become effective at the time of the filing of the Certificate of Merger with the Secretary of State of the State of Delaware, or at such later time as may be

specified in the Certificate of Merger with the consent of Parent and the Company (the time as of which the Merger becomes effective being referred to as the “*Effective Time*”).

A-4

Section 1.4 Conversion of Shares.

(a) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Merger Sub, the Company or any stockholder of any of the foregoing:

(i) any shares of Company Common Stock owned as treasury stock of the Company or owned by Parent or by any direct or indirect wholly owned Subsidiary of Parent immediately prior to the Effective Time shall be automatically canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor; and

(ii) each share of Company Common Stock outstanding immediately prior to the Effective Time (excluding shares to be canceled pursuant to Section 1.4(a)(i) and Dissenting Shares) shall be automatically converted solely into the right to receive a number of shares of Parent Common Stock equal to the Exchange Ratio (the “**Merger Shares**”). No fractional shares of Parent Common Stock shall be issued in connection with the Merger as a result of the conversion provided for in this Section 1.4(a)(ii), and no certificates or scrip for any such fractional shares shall be issued. Any fractional shares of Parent Common Stock that that would be issuable as a result of the conversion provided for in Section 1.4(a)(ii) shall be rounded up to the next whole share. For the avoidance of any doubt, no Shares of Parent Preferred Stock will be issued in connection with the Merger to former holders of Company Common Stock (or any other class of capital stock of the Company).

(b) Each share of common stock, \$0.001 par value per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be automatically converted into and exchanged for one validly issued, fully paid and nonassessable share of common stock, \$0.001 par value per share, of the Company as the surviving corporation of the Merger. Each stock certificate of Merger Sub evidencing ownership of any such shares shall, as of the Effective Time, evidence ownership of such shares of common stock of the Company as the surviving corporation of the Merger.

Section 1.5 Closing of the Company’s Transfer Books. At the Effective Time, the stock transfer books of the Company shall be closed with respect to all shares of Company Common Stock outstanding immediately prior to the Effective Time. No further transfer of any such shares of Company Common Stock shall be made on such stock transfer books after the Effective Time. If, after the Effective Time, a valid certificate previously representing any shares of Company Common Stock outstanding immediately prior to the Effective Time (a “**Company Stock Certificate**”) is presented to Parent, the Surviving Corporation or the Exchange Agent, such Company Stock Certificate shall be canceled and shall be exchanged as provided in Section 1.4 and Section 1.6.

Section 1.6 Surrender of Certificates.

(a) Exchange Agent. At the Effective Time, Parent shall deposit with the Exchange Agent, for the benefit of the holders of certificates formerly representing the Company Common Stock (“**Certificates**”), certificates or book-entry shares representing shares of Parent Common Stock in the aggregate amount equal to the Merger Shares. In addition, Parent shall deposit with the Exchange Agent, as necessary from time to time after the Effective Time, any dividends or other distributions payable pursuant to Section 1.6(c). All shares of Parent Common Stock, cash, dividends and distributions deposited with the Exchange Agent pursuant to this Section 1.6(a) shall hereinafter be referred to as the “**Exchange Fund**.” The Exchange Fund shall not be used for any other purpose.

(b) Exchange Procedures. As soon as reasonably practicable after the Effective Time (and in any event within five Business Days), Parent shall cause the Exchange Agent to mail to each holder of record of a Certificate (i) a form of letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent and which shall be in customary form and contain customary provisions), and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Shares, any dividends or other distributions payable pursuant to Section 1.6(c). Each holder of record of one or more Certificates shall, upon surrender to the Exchange Agent of such Certificates, together with such letter of transmittal, duly executed, and such other documents as may reasonably be required by the Exchange Agent, be entitled to receive promptly in exchange therefor (i) a certificate or certificates or book-entry shares representing that number of whole shares of Parent Common Stock (after taking into account all Certificates surrendered by such holder) to which such holder is entitled pursuant to Section 1.6(a), and (ii) any dividends or distributions payable pursuant to Section 1.6(c), and the Certificates so surrendered shall forthwith be canceled. In the event of a transfer of ownership of the Company Common Stock that is not registered in the transfer records of the Company, payment of the Merger Shares in accordance with Section 1.6(a) may be made to a person other than the person in whose name the Certificate so surrendered is registered if such Certificate shall be properly endorsed or otherwise be in proper form for transfer and the person requesting such payment shall pay any transfer or other Taxes required by reason of the transfer or establish to the reasonable satisfaction of Parent that such Taxes have been paid or are not applicable. Until surrendered as contemplated by this Section 1.6(b), each Certificate shall be deemed at any time after the Effective Time to represent only the right to receive upon such surrender the Merger Shares and any dividends or other distributions payable pursuant to Section 1.6(c). No interest shall be paid or will accrue on any payment to holders of Certificates pursuant to the provisions of this Article 1.

(c) Distributions with Respect to Unexchanged Shares. No dividends or other distributions with respect to Parent Common Stock with a record date on or after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Parent Common Stock that the holder thereof has the right to receive upon the surrender thereof, until the holder of such Certificate shall have surrendered such Certificate in accordance with this Article 1. Following the surrender of any Certificate, there shall be paid to the record holder of the certificate representing whole shares of Parent Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender, the amount of dividends or other distributions with a record date on or after the Effective Time theretofore paid with respect to such whole shares of Parent Common Stock, and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date on or after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such whole shares of Parent Common Stock.

(d) No Further Ownership Rights in the Company Common Stock. The Merger Shares and any dividends or other distributions as are payable pursuant to Section 1.6(c) upon the surrender of Certificates in accordance with the terms of this Article 1 shall be deemed to have been in full satisfaction of all rights pertaining to the Company Common Stock formerly represented by such Certificates, subject, however, to the Surviving Corporation's obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which may have been declared or made by the Company on the Company Common Stock in accordance with the terms of this Agreement prior to the Effective Time.

- (e) Termination of the Exchange Fund. Any portion of the Exchange Fund that remains undistributed to the holders of the Certificates for one year after the Effective Time shall be delivered to Parent, upon demand, and any holders of the Certificates who have not theretofore complied with this Article 1 shall thereafter look only to Parent for, and Parent shall remain liable for, payment of their claim for the Merger Shares and any dividends or other distributions payable pursuant to Section 1.6(c) in accordance with this Article 1.
- (f) No Liability. None of Parent, Merger Sub, the Company, the Surviving Corporation or the Exchange Agent shall be liable to any person in respect of any shares of Parent Common Stock, cash, dividends or other distributions from the Exchange Fund properly delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.
- (g) Investment of Exchange Fund. The Exchange Agent shall invest the cash included in the Exchange Fund as directed by Parent; provided, however, that such investments shall be in obligations of or guaranteed by the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Service, Inc. or Standard & Poor's Corporation, respectively, or in certificates of deposit, bank repurchase agreements or banker's acceptances of commercial banks with capital exceeding \$10 billion (based on the most recent financial statements of such bank which are then publicly available). Any interest and other income resulting from such investments shall be paid to and be income of Parent.
- (h) Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed (and without the requirement to post or deliver any bond), the Exchange Agent shall deliver in exchange for such lost, stolen or destroyed Certificate the Merger Shares, any dividends or other distributions payable pursuant to Section 1.6(c) pursuant to this Article 1.
- (i) Withholding Rights. Parent, the Surviving Corporation or the Exchange Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement such amounts as Parent, the Surviving Corporation or the Exchange Agent are required to deduct and withhold with respect to the making of such payment under the Code or any provision of state, local or non-U.S. Tax Law and shall be entitled to request any reasonably appropriate Tax forms, including an IRS Form W-9 (or the appropriate IRS Form W-8, as applicable), from any recipient of payments hereunder; provided that the Parties shall undertake commercially reasonable efforts to minimize withholding, and shall provide notice (to the applicable Party) of any intention to withhold (or determination that the Exchange Agent may withhold) as soon as is practicable after forming the intention to withhold or determining that the Exchange Agent may withhold. To the extent that amounts are so withheld by Parent, the Surviving Corporation or the Exchange Agent, such withheld amounts (i) shall be treated for all purposes of this Agreement as having been paid to the holder of Certificates in respect of which such deduction and withholding was made by Parent, the Surviving Corporation or the Exchange Agent, and (ii) shall be remitted by Parent, the Surviving Corporation or the Exchange Agent, as the case may be, to the applicable Governmental Authority.

Section 1.7 Appraisal Rights.

(a) Notwithstanding any provision of this Agreement to the contrary, shares of Company Capital Stock that are issued and outstanding immediately prior to the Effective Time and which are owned by stockholders who have validly exercised appraisal rights or dissenters' rights for such shares of Company Capital Stock in accordance with the DGCL (collectively, the "*Dissenting Shares*") shall not be converted into or represent the right to receive the per share amount of the Merger Shares described in Section 1.4 attributable to such Dissenting Shares. Such stockholders shall be entitled to receive payment of the appraised value of such shares of Company Capital Stock owned by them in accordance with the DGCL, unless and until such stockholders fail to perfect or effectively withdraw or otherwise lose their appraisal rights under the DGCL. All Dissenting Shares owned by stockholders who shall have failed to perfect or who effectively shall have withdrawn or lost their right to appraisal of such shares of Company Capital Stock under the DGCL shall thereupon be deemed to be converted into and to have become exchangeable for, as of the Effective Time, the right to receive the per share amount of the Merger Shares attributable to such Dissenting Shares, upon their surrender in the manner provided in Section 1.6.

(b) The Company shall give Parent prompt written notice of any demands by dissenting stockholders received by the Company, withdrawals of such demands and any other instruments served on the Company and any material correspondence received by the Company in connection with such demands and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. Except with the prior written consent of Parent, or to the extent required by applicable law, the Company shall not make any payment with respect to, or offer to settle or settle, any such demands.

Section 1.8 Further Action. If, at any time after the Effective Time, any further action is determined by the Surviving Corporation to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full right, title and possession of and to all rights and property of the Company, then the officers and directors of the Surviving Corporation shall be fully authorized, and shall use their commercially reasonable efforts (in the name of the Company, in the name of Merger Sub and otherwise) to take such action.

Article 2

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company represents and warrants to Parent and Merger Sub as follows, except as set forth in the written disclosure schedule delivered by the Company to Parent (the "*Company Disclosure Schedule*"). Parent and the Company agree to correct any information provided by it for use in the Proxy Statement, which shall have become false or misleading in any material respect. The Company will promptly notify Parent if at any time prior to the Parent Stockholder Meeting any event should occur which is required by applicable Law to be set forth in an amendment of, or a supplement to, the Proxy Statement. In such case, the Parties will cooperate to promptly prepare and file such amendment or supplement with the SEC to the extent required by applicable Law and will mail such amendment or supplement to Parent’s stockholders to the extent required by applicable Law; provided, however, that prior to such filing, each Party shall consult with each other Party with respect to such amendment or supplement and shall afford each such Party reasonable opportunity to review and comment thereon (including the proposed final versions thereof), which Parent shall consider in good faith.

Section 5.2 Company Stockholder Consent(a). Promptly after, the execution and delivery of this Agreement (and in any event within one (1) Business Day after the date hereof), the Company shall use its reasonable best efforts to solicit and obtain the Company Stockholder Approval by written consent of the Company Stockholders.

Section 5.3 Parent Stockholder Approval. Parent shall take all action necessary in accordance with applicable Laws and the Parent Charter and Parent Bylaws to call, give notice of, convene and hold a meeting of the Parent Stockholders (the “*Parent Stockholder Meeting*”) to consider and vote on proposals to adopt and approve this Agreement, the Merger, the issuance of the shares of Parent Common Stock in connection with the Merger and the Charter Amendment, including the Reverse Stock Split (collectively, the “*Parent Stockholder Proposals*”). Parent shall mail the Proxy Statement as soon as reasonably practicable after the Clearance Date and shall hold the Parent Stockholder Meeting no later than forty-five (45) days after mailing the Proxy Statement, unless a later date is mutually agreed to by the Company and Parent. Parent shall take all actions as are reasonably necessary or appropriate to solicit from the Parent Stockholders proxies in favor of the Parent Stockholder Proposals. If on the scheduled date of the Parent Stockholder Meeting, Parent has not obtained the Parent Stockholder Approvals, Parent shall have the right to adjourn or postpone the Parent Stockholder Meeting to a later date or dates, such later date or dates not to exceed thirty (30) days from the original date that the Parent Stockholder Meeting was scheduled for the approval of the Parent Stockholder Proposals. The Board of Directors of Parent recommends that the Parent Stockholders approve the Parent Stockholder Proposals (the “*Parent Recommendation*”) and Parent shall include such Parent Recommendation in the Proxy Statement. Without limiting the generality of the foregoing, Parent agrees that unless this agreement has been terminated in accordance with Section 7.1, its obligations under this Section 5.3 shall not be affected by the commencement, public proposal, public disclosure or communication to Parent of any Parent Acquisition Proposal.

Section 5.4 Regulatory Approvals. Each Party shall use commercially reasonable efforts to file or otherwise submit, as soon as practicable after the date of this Agreement, all applications, notices, reports and other documents reasonably required to be filed by such Party with or otherwise submitted by such Party to any Governmental Authority with respect to the Merger and the other Contemplated Transactions, and to submit promptly any additional information requested by any such Governmental Authority.

Section 5.5 Quotation of Merger Shares. Parent shall take whatever steps are necessary to cause the Merger Shares to be eligible for quotation on the OTCQB.

Section 5.6 Indemnification of Officers and Directors.

(a) From and after the Effective Time, Parent and the Surviving Corporation will fulfill and honor in all respects all rights to indemnification, exculpation or advancement of expenses now existing in favor of, and all limitations on the personal liability of each present and former director, officer, employee, fiduciary, or agent of Parent or the Company provided for in the respective organizational documents of Parent and the Company in effect as of the date hereof, and shall continue to be honored and in full force and effect for a period of six (6) years after the Effective Time; provided, however, that all rights to indemnification in respect of any claims asserted or made within such period shall continue until the disposition of such claim. The certificate of incorporation of the Surviving Corporation will contain provisions with respect to indemnification, exculpation from liability and advancement of expenses that are at least as favorable as those currently in the Company Charter and Company Bylaws and during such six (6) year period following the Effective Time, Parent shall not and shall cause the Surviving Corporation not to amend, repeal or otherwise modify such provisions in any manner that would materially and adversely affect the rights thereunder of individuals who at any time prior to the Effective Time was a director, officer, employee, fiduciary, or agent of the Company in respect of actions or omissions occurring at or prior to the Effective Time, unless such modification is required by applicable Laws. From and after the Effective Time, Parent and the Surviving Corporation also agree, jointly and severally, to indemnify and hold harmless the present and former officers, directors, employees, fiduciaries and agents of the Company in respect of acts or omissions occurring prior to the Effective Time to the extent (i) provided in any existing indemnification agreements between the Company and such individuals, or (ii) required by the Company Charter or the Company Bylaws, in each case as in effect immediately

prior to the Effective Time.

A-35

(b) The provisions of this Section 5.6 are intended to be for the benefit of, and shall be enforceable by, each of the Persons indemnified hereby, and his or her heirs and Representatives, and may not be amended, altered or repealed without the written consent of any such Person affected by such amendment, alteration or repeal. The provisions in this Section 5.6 are intended to be in addition to the rights otherwise available to the current directors, officers, employees, fiduciaries and/or agents of the Company by Laws, charters, bylaws or agreements.

(c) If Parent or the Surviving Corporation or any of the successors or assigns of Parent or the Surviving Corporation (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, to the extent necessary, proper provision shall be made so that the successors and assigns of Parent or the Surviving Corporation, as the case may be, shall assume the obligations set forth in this Section 5.6.

Section 5.7 Additional Agreements.

(a) Subject to Section 5.7(b), the Parties shall use commercially reasonable efforts to cause to be taken all actions necessary to consummate the Merger and make effective the other Contemplated Transactions. Without limiting the generality of the foregoing, but subject to Section 5.7(b), each Party to this Agreement: (i) shall make all filings and other submissions (if any) and give all notices (if any) required to be made and given by such Party in connection with the Merger and the other Contemplated Transactions, (ii) shall use commercially reasonable efforts to obtain each consent (if any) reasonably required to be obtained (pursuant to any applicable Law or Contract, or otherwise) by such Party in connection with the Merger or any of the other Contemplated Transactions or for such Contract to remain in full force and effect, (iii) shall use commercially reasonable efforts to lift any injunction prohibiting, or any other legal bar to, the Merger or any of the other Contemplated Transactions, and (iv) shall use commercially reasonable efforts to satisfy the conditions precedent to the consummation of this Agreement.

(b) Except as expressly set forth in this Agreement, no Party shall have any obligation under this Agreement: (i) to dispose of or transfer or cause any of its Subsidiaries to dispose of or transfer any assets, (ii) to discontinue or cause any of its Subsidiaries to discontinue offering any product or service, (iii) to license or otherwise make available, or cause any of its Subsidiaries to license or otherwise make available to any Person any Intellectual Property, (iv) to hold separate or cause any of its Subsidiaries to hold separate any assets or operations (either before or after the Closing Date), (v) to make or cause any of its Subsidiaries to make any commitment (to any Governmental Authority or otherwise) regarding its future operations, or (vi) to contest any Legal Proceeding or any order, writ, injunction or decree relating to the Merger or any of the other Contemplated Transactions if such Party determines in good faith that contesting such Legal Proceeding or order, writ, injunction or decree might not be advisable.

Section 5.8 Disclosure. Without limiting any of either Party's obligations under the Confidentiality Agreement, each Party shall not, and shall not permit any of its Subsidiaries or any Representative of such Party to, issue any press release or make any public disclosure regarding the Merger or any of the other Contemplated Transactions unless: (a) the other Party shall have approved such press release or disclosure in writing, or (b) such Party shall have determined in good faith, upon the advice of outside legal counsel, that such disclosure is required by applicable Laws, in which case such Party shall use reasonable best efforts before such press release or disclosure is issued or made, to advise the other Party of, and consult with the other Party regarding, the text of such press release or other disclosure and allow such other Party a reasonable opportunity to comment on such release or other disclosure in advance of such issuance and consider all such comments in good faith; provided, that the foregoing clause (b) shall not apply to the press release and the Current Report on Form 8-K to be filed by Parent in connection with the initial announcement of the Merger Agreement and the Contemplated Transactions; provided, further, that each of the Company and Parent may make any public statement in response to specific questions by the press, analysts, investors or those attending

industry conferences or financial analyst conference calls, so long as any such statements are consistent with previous press releases, public disclosures or public statements made by the Company or Parent in compliance with this Section 5.8.

A-36

Section 5.9 Section 16 Matters. Subject to the following sentence, prior to the Effective Time, Parent and Company will take all such steps as may be required (to the extent permitted under applicable Laws and no-action letters issued by the SEC) to cause any acquisition of Parent Common Stock (including derivative securities with respect to Parent Common Stock) by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent, to be exempt under Rule 16b-3 under the Exchange Act. At least thirty (30) days prior to the Closing Date, Company will furnish the following information to Parent for each individual who, immediately after the Effective Time, will become subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to Parent: (a) the number of shares of Company Capital Stock owned by such individual and expected to be exchanged for shares of Parent Common Stock pursuant to the Merger, and (b) the number of other derivative securities (if any) with respect to Company Capital Stock owned by such individual and expected to be converted into shares of Parent Common Stock or derivative securities with respect to Parent Common Stock in connection with the Merger.

Section 5.10 Tax Matters.

(a) Other than in connection with taking any action contemplated by this Agreement, Parent, Merger Sub and the Company (i) shall use their respective reasonable best efforts to cause the Merger, together with the issuance of shares of Parent Common Stock to the Company Stockholders, to qualify as a “reorganization” under Section 368(a) of the Code, and (ii) agree not to, and not to permit or cause any affiliate or any subsidiary to, take any actions or cause any action to be taken that would or could reasonably be expected to prevent or impede the Merger, together with the issuance of shares of Parent Common Stock to the Company Stockholders, from qualifying as a “reorganization” under Section 368(a) of the Code.

(b) This Agreement is intended to constitute, and the parties hereto hereby adopt this Agreement as, a “plan of reorganization” within the meaning Treasury Regulation Sections 1.368-1(c), 1.368-2(g) and 1.368-3(a). Parent, Merger Sub and the Company shall treat, and shall not take any tax reporting position inconsistent with the treatment of, the Merger, together with the issuance of shares of Parent Common Stock to the Company Stockholders, as a “reorganization” within the meaning of Section 368(a) of the Code for U.S. federal, state and other relevant Tax purposes, unless otherwise required pursuant to a “determination” within the meaning of Section 1313(a) of the Code.

Section 5.11 Cooperation. Each Party shall cooperate reasonably with the other Party and shall provide the other Party with such assistance as may be reasonably requested for the purpose of facilitating the performance by each Party of their obligations under this Agreement and to enable the combined entity to continue to meet its obligations following the Closing.

Section 5.12 Directors and Officers of Parent.

(a) At and immediately after the Effective Time, the initial size of the Board of Directors of Parent shall consist of two members; provided that Parent shall use its commercially reasonable efforts to increase the size of the Board of Directors of Parent to six and to elect qualified members to fill the new seats.

(b) Each of the directors to serve on the Board of Directors of Parent at the Effective Time shall be selected by the Company, and shall serve until their respective successors are duly elected or appointed and qualified or their earlier death, resignation or removal. Parent shall take all actions necessary to cause such Company designees to be elected or appointed to the Board or Directors of Parent.

(c) At and immediately after the Effective Time, the officers of Parent shall be those Persons specified in Schedule 5.12.

A-37

Section 5.13 Stockholder Litigation. Until the earlier of the termination of this Agreement in accordance with its terms or the Effective Time, Parent, on the one hand, and the Company, on the other hand, shall give the other Party the opportunity to participate in the defense or settlement of any stockholder litigation relating to this Agreement or any of the Contemplated Transactions, and shall not settle any such litigation without the other Party's written consent, which will not be unreasonably withheld, conditioned or delayed.

Section 5.14 Reverse Stock Split. Parent shall submit to the Parent Stockholders at the Parent Stockholder Meeting a proposal to approve and adopt an amendment to the Parent Charter to (a) authorize the Board of Directors of Parent to effect a reverse stock split prior to the Effective Time of all outstanding shares of Parent Common Stock at a reverse stock split ratio in the range mutually agreed to by the Company and the Board of Directors of Parent (the "**Reverse Stock Split**"), and (b) change the name of Parent to "Quoin Pharmaceuticals, Inc." prior to the Effective Time (the "**Charter Amendment**"), and shall take such other actions as shall be reasonably necessary to effectuate the Charter Amendment prior to the Effective Time.

Section 5.15 Parent Indebtedness Covenants.

(a) Promptly after the execution and delivery of this Agreement (and in any event within thirty (30) Business Days after the date hereof, which can be extended by mutual consent of the Parties), Parent shall use commercially reasonable efforts to enter into one or more agreements to cause the Indebtedness of Parent set forth in Schedule 5.15(a) (the "**Parent Third Party Indebtedness**") to be converted into Parent Common Stock immediately prior to the Effective Time (the "**Parent Debt Conversion Agreements**"). If Parent fails to execute Parent Debt Conversion Agreements with respect to all Parent Third Party Indebtedness prior to the date that is five days before the Closing Date (the "**Remaining Parent Third Party Indebtedness**") the Exchange Ratio will be revised to cause the percentage of the outstanding equity of Parent immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Parent immediately prior to the Effective Time to be reduced from approximately 27.5% to a percentage equal to (i) 27.5% minus (ii) the product of (x) 0.00000004 and (y) the amount of the Remaining Parent Third Party Indebtedness. For illustrative purposes, if the Remaining Parent Third Party Indebtedness equals \$1,000,000, the percentage of the outstanding equity of Parent immediately following the Effective Time (and prior to the equity to be issued in the Private Placement) to be held by holders of the outstanding equity of Parent immediately prior to the Effective Time will be reduced from approximately 27.5% to approximately 23.5%.

(b) Parent will enter into one or more agreements (the "**Parent Related Party Agreements**") with the Persons set forth in Schedule 5.15(b) (the "**Parent Related Parties**") with respect to the Indebtedness of Parent as of the date of this Agreement, which does not exceed \$2,800,000 (the "**Parent Related Indebtedness**"). The Parent Related Party Agreements will provide that (i) in exchange for the immediate cancellation of \$500,000 of the Parent Related Indebtedness, simultaneously with entry into this Agreement, Parent will transfer 100% of the shares in Ovation Science Inc. ("**Ovation**") and (ii) within 180 days after the Closing Date the remaining Parent Related Indebtedness shall be converted, at the sole election of Parent, into cash or shares of Parent Common Stock which are not subject to any contractual restrictions or vesting requirements (or a combination cash and shares of Parent Common Stock). If Parent elects to convert all or a portion of the remaining Parent Related Indebtedness into shares of Parent Common Stock, such shares shall be valued using the 30 day average closing price of such shares on the OTCQB for the 30 day period prior to the date of conversion. If the conversion of any remaining Parent Related Indebtedness into shares of Parent Common Stock causes the Parent Related Parties to have an obligation to pay Taxes, Parent shall pay such Taxes to the to the applicable Governmental Authority on behalf of the Parent Related Parties.

(c) Notwithstanding anything herein to the contrary, and for the avoidance of any doubt, if any required license payments are made by Ovation to Parent between the date of this Agreement and the Closing Date, such funds shall be used at the Parent's sole discretion and the balance due, if any, after the Closing Date will be applied towards payment of the Liabilities of Parent identified in Section 3.11 of the Parent Disclosure Schedule as "Parent Priority Liabilities"; provided that no such funds shall be used to pay any Specified Expenses.

(d) For the avoidance of any doubt, (i) the Specified Expenses are not Parent Third Party Indebtedness or Parent Related Indebtedness and will not result in any modification to the Exchange Ratio and (ii) if any of the Specified Expenses are actually paid prior to the Closing and the Parent provides the Company with all documentation reasonably requested by the Company prior to confirm such payments, such paid amount shall be used to reduce the Remaining Parent Third Party Indebtedness prior to the final calculation of the Exchange Ratio.

(a) by mutual written consent of Parent and the Company duly authorized by the Boards of Directors of Parent and the Company;

(b) by either Parent or the Company if the Merger shall not have been consummated by June 30, 2018 (the “*Outside Date*”); provided, however, that the right to terminate this Agreement under this Section 7.1(b) shall not be available to any Party whose action or failure to act has been a principal cause of the failure of the Merger to occur on or before such date and such action or failure to act constitutes a breach of this Agreement; and provided further that the Parent and the Company agreed to extend the Outside Date as shall be reasonably requested by either party as a result of delays resulting from SEC review of the Proxy Statement;

A-40

(c) by either Parent or the Company if a court of competent jurisdiction or other Governmental Authority shall have issued a final and nonappealable order, decree or ruling, or shall have taken any other action, having the effect of permanently restraining, enjoining or otherwise prohibiting the Merger; provided, however, that a Party shall not be permitted to terminate this Agreement pursuant to this Section 7.1(c) if the issuance of any such order, decree, ruling or other action shall have been caused by the action or failure to act of such Party and such action or failure to act constitutes a material breach by such Party of this Agreement;

(d) by Parent if a court of competent jurisdiction shall have issued an order, decree or ruling having the effect of restraining, enjoining or otherwise prohibiting the Merger on the grounds that it violates the terms of the DGCL in response to any action initiated by any stockholder of the Company and such order, decree or ruling, or other action shall not have been reversed prior to the Outside Date;

A-41

Section 7.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 7.1, written notice thereof shall be given to the other party or parties, specifying the provisions hereof pursuant to which such termination is made and describing the basis therefor in reasonable detail, and this Agreement shall be of no further force or effect; provided, however, that (a) this Section 7.2, Section 5.8, Section 7.3 and Article 8 and the definitions of the defined terms contained in such Sections and the Confidentiality Agreement shall survive the termination of this Agreement and shall remain in full force and effect, and (b) the termination of this Agreement shall not relieve any Party from any liability or damages resulting from or arising out of any fraud or willful or intentional breach of any representation, warranty, covenant, obligation or other provision contained in this Agreement.

For purposes of this Section 7.3(b): (A) the term "Parent Acquisition Proposal" shall have the meaning assigned to such term in Section 4.5, (B) a merger effected by Parent for the sole purpose of reincorporating Parent into another jurisdiction shall not be a Parent Acquisition Proposal and (C) any offering of securities by Parent solely for cash in a capital raising transaction shall not be a Parent Acquisition Proposal.

Article 8

The representations and warranties of the Company and Parent contained in this Agreement or any certificate or instrument delivered pursuant to this Agreement shall terminate at the Effective Time, and only the covenants that by their terms survive the Effective Time and this Article 8 shall survive the Effective Time.

Section 8.2 Amendment. This Agreement may be amended with the approval of the respective Boards of Directors of the Company and Parent at any time (whether before or after the Company Stockholder Approval or before or after the Parent Stockholder Approval); provided, however, that after any such adoption and approval of this Agreement by a Party's stockholders, no amendment shall be made which by Law requires further approval of the stockholders of such Party without the further approval of such stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Company and Parent.

Section 8.3 Waiver.

(a) No failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy, and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right,

privilege or remedy.

(b) No Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such Party, and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

A-42

Section 8.4 Entire Agreement. This Agreement and the other agreements referred to in this Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the Parties with respect to the subject matter hereof and thereof; provided, however, that the Confidentiality Agreement shall not be superseded and shall remain in full force and effect in accordance with its terms.

Section 8.5 Counterparts; Exchanges Electronic Transmission. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument. The exchange of a fully executed Agreement (in counterparts or otherwise) by all Parties by electronic transmission via “.pdf” shall be sufficient to bind the Parties to the terms and conditions of this Agreement.

Section 8.6 Applicable Law; Jurisdiction. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of Laws. In any action or proceeding between any of the parties arising out of or relating to this Agreement or any of the Contemplated Transactions, each of the parties: (i) irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware or to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware or the United States District Court for the District of Delaware, (ii) agrees that all claims in respect of such action or proceeding shall be heard and determined exclusively in accordance with clause (i) of this Section 8.6, (iii) waives any objection to laying venue in any such action or proceeding in such courts, (iv) waives any objection that such courts are an inconvenient forum or do not have jurisdiction over any party, and (v) agrees that service of process upon such party in any such action or proceeding shall be effective if notice is given in accordance with Section 8.9 of this Agreement.

Section 8.7 Attorneys’ Fees. In any action at Law or suit in equity to enforce this Agreement or the rights of any of the parties under this Agreement, the prevailing Party in such action or suit shall be entitled to receive a reasonable sum for its attorneys’ fees and all other reasonable costs and expenses incurred in such action or suit.

Section 8.8 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the parties hereto and their respective successors and assigns; provided, however, that neither this Agreement nor any of a Party’s rights or obligations hereunder may be assigned or delegated by such Party without the prior written consent of the other Party, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by such Party without the other Party’s prior written consent shall be void and of no effect. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than: (a) the parties hereto, and (b) the directors and officers of the Company referred to in Section 5.6(a) to the extent of their respective rights pursuant to Section 5.6) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 8.9 Notices. - A. Stockholder is a director or officer of Skinvisible, Inc., a Nevada corporation (“*Parent*”).
- B. Parent, Quoin, Quoin Merger Sub, Inc., a Delaware corporation and a direct wholly owned subsidiary of Parent (“*Merger Sub*”), are entering into that certain Agreement and Plan of Merger, dated as of March 18, 2018 (as amended from time to time, the “*Merger Agreement*”), pursuant to which Quoin will merge with and into Merger Sub with Quoin surviving as a wholly owned subsidiary of Parent.

Stockholder, intending to be legally bound, agrees as follows:

1. Defined Terms. Each capitalized term used in this Agreement but not otherwise defined herein shall have the meaning ascribed thereto in the Merger Agreement.
2. Representations and Warranties of Stockholder. Stockholder represents and warrants to Quoin as of the date hereof as follows:
- (a) Stockholder is the holder and “beneficial owner” (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended) of the number of outstanding shares of common stock of Parent set forth beneath Stockholder’s signature on the signature page hereof (the “*Parent Shares*”), and Stockholder has good and valid title to Parent Shares, free and clear of any liens, pledges, security interests, adverse claims, equities, options, proxies, charges, encumbrances or restrictions of any nature, other than as otherwise restricted under the Securities Act of 1933, as amended (the “*Securities Act*”).
- (b) Stockholder has the sole right to vote and to dispose of Parent Shares.
- (c) Stockholder has read this Agreement and, to the extent Stockholder felt necessary, has discussed with counsel the limitations imposed on Stockholder’s ability to sell, transfer or otherwise dispose of the Parent Shares. Stockholder fully understands the limitations this Agreement places upon Stockholder’s ability to sell, transfer or otherwise dispose of the Parent Shares.
3. Lock-Up.
- (a) Stockholder will not, during the period commencing on the date of the Effective Time of the Merger and, subject to the terms set forth herein, ending 180 days after the Effective Time of the Merger (the “*Lock-up Period*”), (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant

any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Parent

Shares, or (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of the Parent Shares, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of the Parent Shares, in cash or otherwise.

(b) Notwithstanding the foregoing, Stockholder may transfer Parent Shares (i) to Affiliates (including, for the avoidance of doubt, if Stockholder is a corporation, partnership, limited liability company, investment fund, trust or other business entity, such investment funds or other business entities controlled or managed by, or that controls or manages, or under common management with, the Stockholder) or charitable organizations; (ii) if Stockholder is an individual, to any member of Stockholder's immediate family, or to a trust for the benefit of Stockholder or any member of Stockholder's immediate family for estate planning purposes or for the purposes of personal tax planning, or upon the death of Stockholder, by will or intestacy; (iii) if Stockholder is a corporation, partnership, limited liability company, investment fund or other business entity, as part of a disposition, transfer or distribution by the Stockholder to its equity holders; (iv) if the Stockholder is a trust, to a trustor or beneficiary of the trust; or (v) to a nominee or custodian of a Person or entity to whom a disposition or transfer would be permissible under this clause (b); provided, however, that any such transfer shall be permitted under this clause (b) only if, as a precondition to such transfer, such donee, transferee or distributee agrees in writing to be bound by all of the terms of this Agreement.

(c) For the avoidance of doubt, the restrictions in this Agreement shall apply only to the Parent Shares owned by the Stockholder as of the Effective Time of the Merger and Parent Shares issued upon the exercise of options outstanding as of the Effective Time of the Merger and no other security of Parent or any Affiliate thereof.

4. Stop Transfer Instructions. Stockholder acknowledges and agrees that stop transfer instructions will be given to Parent's transfer agent with respect to the Parent Shares until the expiration of the Lock-Up Period.

5. Independence of Obligations. The covenants and obligations of Stockholder set forth in this Agreement shall be construed as independent of any other agreement or arrangement between Stockholder, on the one hand, and Parent or Quoin, on the other hand. The existence of any claim or cause of action by Stockholder against Parent or Quoin shall not constitute a defense to the enforcement of any of such covenants or obligations against Stockholder.

6. Specific Performance. Stockholder acknowledges that Quoin could be damaged irreparably if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by Stockholder could not be adequately compensated by monetary damages. Accordingly, Stockholder agrees that (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at law, and (b) in addition to any other right or remedy to which Quoin may be entitled, at law or in equity, Quoin will be entitled to seek to enforce any provision of this Agreement by a decree of specific performance and to seek temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only so broad as is enforceable.

9. Governing Law. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and

B-3

10. enforced in accordance with the laws of the State of Delaware, without giving effect to principles of conflict or choice of laws which would result in the application of the laws of any other jurisdiction.

11. Consent to Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby or thereby will be brought exclusively in the United States District Court for the District of Nevada or in the state courts in the State of Nevada, and each of the parties hereto hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by applicable Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 7 will be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

12. Waiver. The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable Law, (a) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.

13. Effectiveness; Termination. This Agreement shall only be effective upon the Effective Time of Merger 1 and shall automatically terminate in the event of the termination of the Merger Agreement for any reason.

14. Further Assurances. Stockholder shall execute and/or cause to be delivered to Quoin such instruments and other documents and shall take such other actions as Quoin may reasonably request for the purpose of carrying out the transactions contemplated by this Agreement.

15. Entire Agreement and Modification. This Agreement, the Merger Agreement and any other documents delivered by the parties in connection herewith constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the parties with respect to its subject matter and constitute (along with the documents delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented or otherwise modified except by a written document executed by the party against whose interest the modification will operate. The parties will not enter into any other agreement inconsistent with the terms and conditions of this Agreement and the Merger Agreement, or that addresses any of the subject matters addressed in this Agreement and the Merger Agreement.
16. Non-Exclusivity. The rights and remedies of Quoin hereunder are not exclusive of or limited by any other rights or remedies which Quoin may have, whether at law, in equity, by contract or otherwise, all of which shall be cumulative (and not alternative).
17. Expenses. Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such expenses.
18. Assignment. This Agreement and all obligations of Stockholder hereunder are personal to Stockholder and may not be transferred or delegated by Stockholder at any time, except in accordance with Section 2(b) of this Agreement. Quoin may freely assign any or all of its rights under this Agreement, in whole or in part, to any successor entity without obtaining the consent or approval of Stockholder.
19. Binding Nature. Subject to Section 17, this Agreement will inure to the benefit of Quoin and its successors and assigns and will be binding upon Stockholder and Stockholder's representatives, executors, administrators, estate, heirs, successors and assigns.
20. Survival. Each of the representations, warranties, covenants and obligations contained in this Agreement shall survive the consummation of the Mergers.
21. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same instrument. An electronic copy of a party's signature (including signatures in Adobe PDF or similar format) shall be deemed an original signature for purposes hereof.
22. Headings; Construction. The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. In this Agreement (a) words denoting the singular include the plural and vice versa, (b) "it" or "its" or words denoting any gender include all genders and (c) the word "including" means "including without limitation," whether or not expressed.

or such other physical address or email address as a party may hereafter specify for the purpose by notice to the other parties hereto. Each notice, consent, waiver or other communication under this Agreement will be effective only (i) if given by email, when the email is transmitted to the email address specified in this Section 7 or (ii) if given by overnight courier or personal delivery when delivered at the physical address specified in this Section 7.

8. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without affecting the validity or enforceability of the remaining provisions hereof. Any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision will be interpreted to be only so broad as is enforceable.

9. Governing Law. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto will be governed by, construed under and enforced in accordance with the laws of the State of Delaware, without giving effect to principles of conflict or choice of laws which would result in the application of the laws of any other jurisdiction.

10. Consent to Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby or thereby will be brought exclusively in the United States District Court for the District of Delaware or in the Court of Chancery of the State of Delaware, and each of the parties hereto hereby consents to the exclusive jurisdiction of those courts (and of the appropriate appellate courts therefrom) in any suit, action or proceeding and irrevocably waives, to the fullest extent permitted by applicable Law, any objection which it may now or hereafter have to the laying of the venue of any suit, action or proceeding in any of those courts or that any suit, action or proceeding which is brought in any of those courts has been brought in an inconvenient forum. Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any of the named courts. Without limiting the foregoing, each party agrees that service of process on it by notice as provided in Section 7 will be deemed effective service of process. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

11. Waiver. The rights and remedies of the parties to this Agreement are cumulative and not alternative. Neither any failure nor any delay by a party in exercising any right, power or privilege under this Agreement or any of the documents referred to in this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by applicable Law, (a) no claim or right arising out of this Agreement or any of the documents referred to in this Agreement can be discharged by one party, in whole or in part, by a waiver or renunciation of the claim or right unless in a written document signed by the other party, (b) no waiver that may be given by a party will be applicable except in the specific instance for which it is given, and (c) no notice to or demand on one party will be deemed to be a waiver of any obligation of that party or of the right of the party giving such notice or demand to take further action without notice or demand as provided in this Agreement or the documents referred to in this Agreement.

12. Effectiveness; Termination. This Agreement shall only be effective upon the Effective Time of Merger 1 and shall automatically terminate in the event of the termination of the Merger Agreement for any reason.

13. Further Assurances. Stockholder shall execute and/or cause to be delivered to Parent such instruments and other documents and shall take such other actions as Parent may reasonably request for the purpose of carrying out the transactions contemplated by this Agreement.

B-14

14. Entire Agreement and Modification. This Agreement, the Merger Agreement and any other documents delivered by the parties in connection herewith constitute the entire agreement among the parties with respect to the subject matter hereof and supersede all prior agreements and understandings, both written and oral, between the parties with respect to its subject matter and constitute (along with the documents delivered pursuant to this Agreement) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended, supplemented or otherwise modified except by a written document executed by the party against whose interest the modification will operate. The parties will not enter into any other agreement inconsistent with the terms and conditions of this Agreement and the Merger Agreement, or that addresses any of the subject matters addressed in this Agreement and the Merger Agreement.
15. Non-Exclusivity. The rights and remedies of Parent hereunder are not exclusive of or limited by any other rights or remedies which Parent may have, whether at law, in equity, by contract or otherwise, all of which shall be cumulative (and not alternative).
16. Expenses. Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby will be paid by the party incurring such expenses.
17. Assignment. This Agreement and all obligations of Stockholder hereunder are personal to Stockholder and may not be transferred or delegated by Stockholder at any time, except in accordance with Section 2(b) of this Agreement. Parent may freely assign any or all of its rights under this Agreement, in whole or in part, to any successor entity without obtaining the consent or approval of Stockholder.
18. Binding Nature. Subject to Section 17, this Agreement will inure to the benefit of Parent and its successors and assigns and will be binding upon Stockholder and Stockholder's representatives, executors, administrators, estate, heirs, successors and assigns.
19. Survival. Each of the representations, warranties, covenants and obligations contained in this Agreement shall survive the consummation of the Mergers.
20. Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which, taken together, will constitute one and the same instrument. An electronic copy of a party's signature (including signatures in Adobe PDF or similar format) shall be deemed an original signature for purposes hereof.
21. Headings: Construction. The headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. In this Agreement (a) words denoting the singular include the plural and vice versa, (b) "it" or "its" or words denoting any gender include all genders and (c) the word "including" means "including without limitation," whether or not expressed.

- C. The Merger Agreement contemplates that, upon consummation of the Stockholder will receive shares of Parent Common Stock in the Mergers (the “*Parent Shares*”) and that the Stockholder will be subject to certain restrictions on transfer of such shares as provided herein.

Stockholder, intending to be legally bound, agrees as follows:

1. Defined Terms. Each capitalized term used in this Agreement but not otherwise defined herein shall have the meaning ascribed thereto in the Merger Agreement.
2. Representations and Warranties of Stockholder. Stockholder represents and warrants to Parent as of the date hereof as follows:
 - (a) Stockholder is the holder and “beneficial owner” (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended) of the number of outstanding shares of common stock of Quoin set forth beneath Stockholder’s signature on the signature page hereof (the “*Quoin Shares*”), and Stockholder has good and valid title to Quoin Shares, free and clear of any liens, pledges, security interests, adverse claims, equities, options, proxies, charges, encumbrances or restrictions of any nature, other than as otherwise restricted under the Securities Act of 1933, as amended (the “*Securities Act*”).

 - (c) Stockholder has read this Agreement and, to the extent Stockholder felt necessary, has discussed with counsel the limitations imposed on Stockholder’s ability to sell, transfer or otherwise dispose of the Parent Shares. 3. Lock-Up.
 - (a) Stockholder will not, during the period commencing on the date of the Effective Time of the Merger and, subject to the terms set forth herein, ending 180 days after the Effective Time of the Merger (the “*Lock-up Period*”), (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Parent Shares, or (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the

managed by, or that controls or manages, or under common management with, the Stockholder) or charitable organizations; (ii) if Stockholder is an individual, to any member of Stockholder's immediate family, or to a trust for the benefit of Stockholder or any member of Stockholder's immediate family for estate planning purposes or for the purposes of personal tax planning, or upon the death of Stockholder, by will or intestacy; (iii) if Stockholder is a corporation, partnership, limited liability company, investment fund or other business entity, as part of a disposition, transfer or distribution by the Stockholder to its equity holders; (iv) if the Stockholder is a trust, to a trustor or beneficiary of the trust; or (v) to a nominee or custodian of a Person or entity to whom a disposition or transfer would be permissible under this clause (b); provided, however, that any such transfer shall be permitted under this clause (b) only if, as a precondition to such transfer, such donee, transferee or distributee agrees in writing to be bound by all of the terms of this Agreement.

(c) For the avoidance of doubt, the restrictions in this Agreement shall apply only to the Parent Shares received in the Merger.

4. Stop Transfer Instructions. Stockholder acknowledges and agrees that stop transfer instructions will be given to Parent's transfer agent with respect to the Parent Shares until the expiration of the Lock-Up Period.

5. Independence of Obligations. The covenants and obligations of Stockholder set forth in this Agreement shall be construed as independent of any other agreement or arrangement between Stockholder, on the one hand, and Parent or Parent, on the other hand. The existence of any claim or cause of action by Stockholder against Parent or Parent shall not constitute a defense to the enforcement of any of such covenants or obligations against Stockholder.

6. Specific Performance. Stockholder acknowledges that Parent could be damaged irreparably if any of the provisions of this Agreement are not performed in accordance with their specific terms and that any breach of this Agreement by Stockholder could not be adequately compensated by monetary damages. Accordingly, Stockholder agrees that (a) it will waive, in any action for specific performance, the defense of adequacy of a remedy at law, and (b) in addition to any other right or remedy to which Parent may be entitled, at law or in equity, Parent will be entitled to seek to enforce any provision of this Agreement by a decree of specific performance and to seek temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.
