ADAMS RESOURCES ANNOUNCES A 6% DIVIDEND INCREASE
AND THIRD QUARTER 2008 RESULTS OF OPERATIONS

Houston (November 13, 2008) -- Adams Resources & Energy, Inc., (AMEX-AE), announced today its annual cash dividend in the amount of \$.50 per common share, payable on December 16, 2008 to shareholders of record as of December 2, 2008. The amount of the dividend is increased by 6 percent over last year. Chairman K. S. "Bud" Adams, Jr., said the Company's strong liquidity and future outlook led to the dividend increase. The Company has been in a position to increase its annual dividend in each of the past six years.

The Company also announced a third quarter 2008 unaudited net loss of \$6,276,000 or \$1.49 per common share. Revenues for the quarter totaled \$1,288,322,000. Current results compare to unaudited third quarter 2007 net earnings of \$2,855,000 or \$.68 per common share. For the nine months ended September 30, 2008 net earnings were \$760,000 or \$.18 per share on revenues totaling \$3,534,662,000. Net cash provided by operating activities was \$28,799,000 for the nine-month period ended September 30, 2008.

Chairman K. S. "Bud" Adams, Jr. attributed the third quarter 2008 earnings decline to the falling commodity price for crude oil. During the third quarter of 2008 the Company recognized an \$11.6 million pre-tax inventory liquidation and valuation loss on the market value of crude oil quantities held in inventory. The inventory related loss for the quarter reflected a non-cash charge to earnings and did not impact net cash provided by operating activities. Mr. Adams added that the diversified nature of the Company's lines of business and its avoidance of bank debt provide a degree of stability during uncertain periods.

A summary of operating results is as follows:
