## INDEPENDENT AUDITORS' REPORT

### Amended and Restated Crane Co. Savings and Investment Plan:

We have audited the accompanying statements of net assets available for benefits of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan") as of December 30, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 30, 2001 and 2000, and the changes in net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedules of (1) assets held for investment purposes as of December 30, 2001 and (2) reportable transactions for the year ended December 30, 2001 are presented for the purpose of additional analysis and are not a required part of the basic 2001 financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These schedules are the responsibility of the Plan's management. Such schedules have been subjected to the auditing procedures applied in our audit of the basic 2001 financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic 2001 financial statements taken as a whole.

### 1. DESCRIPTION OF THE PLAN

The following is a brief description of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan"). Participants should refer to the Plan

## Edgar Filing: CRANE CO /DE/ - Form 11-K

agreement and amendments for more complete information.

- A. General - The Plan is a defined contribution plan covering certain United States employees of Crane Co. and its subsidiaries (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. Plan Amendments - The Plan was amended effective January 1, 1997 designating the portion of the Plan invested in Company Stock consisting of (a) Contributing Company matching contributions, which are invested in Company Stock through the Company Matching Contribution Stock Fund and (b) Participants' Deferred Savings contributions that participants have elected to invest in the Crane Co. Stock Fund, as an Employee Stock Ownership Plan, as defined in Section 4975 of the Internal Revenue Code. Effective June 1, 1997, employees are eligible to participate in the Plan on the first day of the month coinciding with or following their date of hire.
- C. Administration of the Plan - The authority to manage, control and interpret the Plan is vested in the Administrative Committee of the Company. The Committee, which is appointed by the Board of Directors of the Company, appoints the Plan Administrator and is the "named Fiduciary" within the meaning of the Employee Retirement Income Security Act of 1974.
- D. Participation - Subject to certain conditions, United States employees of Crane Co. and eight of its subsidiaries: Dyrotech Industries; Kemlite Company Inc.; Cochrane Inc.; Crane Capital Corp.; Unidynamics St. Louis Inc.; Xomox Corporation (effective June 2001); and Mark Controls Corporation (collectively, the "Employer") are eligible to participate in the Plan following completion of one year of service, as defined in the Plan document. Employees are eligible to participate in the Plan on the first day of the month coinciding with or following their date of hire.

- E. Contributions and Funding Policy - Participants may elect to contribute to the Plan from two to sixteen percent of their annual compensation. In addition, the contribution limit for highly compensated employees, those whose 2001 earnings equal or exceed \$80,000, is seven percent. Contributions are invested in funds

## Edgar Filing: CRANE CO /DE/ - Form 11-K

selected by the participant. The Company contributes on a matching basis an amount equal to 50 percent, of up to the first six percent of each participant's deferred savings, which is invested in the Company Stock Fund. In accordance with the Internal Revenue Code, participant pretax contributions could not exceed \$10,500 in 2001 and 2000.

- F. Expenses - Administrative expenses of the Plan (except those associated with the Crane Co. Stock Fund and the Huttig Stock Fund) are paid by the Employer. In addition personnel and facilities of the Employer used by the Plan for its accounting and other activities are provided at no charge to the Plan. Commission fees and administrative expenses incurred by the Crane Co. Stock Fund and the Huttig Stock Fund are paid by the respective funds through automatic unit deductions. Participant loan fees are paid by the participant through automatic deductions.
- G. Vesting - Employee contributions are 100 percent vested. Vesting for employer contributions are as follows:

Years of Service	Vested Interest
Less than 1 year	None
1 year but fewer than 2	20%
2 years but fewer than 3	40%
3 years but fewer than 4	60%
4 years but fewer than 5	80%
5 years or more	100%

Participants whose employment terminates by reason of death, permanent disability or retirement are fully vested. Participants are fully vested upon the attainment of age sixty-five (65).

- H. Distributions - A participant whose employment with the Company terminates can elect to receive all vested amounts, subject to applicable tax law. A participant may apply to the Administrative Committee for a distribution in cases of hardship. The Committee has the sole discretion to approve or disapprove hardship withdrawal requests, in accordance with the Internal Revenue Code. Any part of a participant's Company contribution portion which is not vested at the time of termination of employment is forfeited and used to reduce future Company contributions.
- I. Plan Termination - The Company expects to continue the Plan indefinitely, but reserves the right to modify, suspend or terminate the Plan at any time, which includes the right to vary the amount of, or to terminate, the Company's contributions to the Plan. In the event of the Plan's termination or discontinuance of contributions thereunder, the interest of each participant in benefits earned to such date, to the extent then funded, is fully vested and non-forfeitable. Subject to the requirements of the Internal Revenue Code, the Board of Directors shall thereupon direct either (i) that the Trustee continues to hold the accounts of participants in accordance with the provisions of the Plan without regard to such termination until all funds in such accounts have been distributed in accordance with such provisions, or (ii) that the Trustee immediately distribute to each participant all amounts then credited to their account as a lump sum.

- J. Tax Status - The Plan received a determination letter dated March 3, 1995, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (the "Code"). The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
- K. Rollovers and Transfers from Other Plans - Rollovers and transfers from other qualified plans are accepted by the Plan. Rollovers and transfers represent contributions of assets from other qualified plans of companies acquired by Crane Co. and participant account balances of new employees from other non-company qualified plans.
- L. Participant Loan Fund - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfers between the investment fund and the Loan Fund. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prevailing prime lending rate on the first day of the Plan year plus 2 percent. Principal and interest are paid ratably through regular payroll deductions.

## 2. SUMMARY OF ACCOUNTING POLICIES
