1: Election of Trustees Proposal 1 relates to the election of Trustees of each Fund. Management proposes the election of five Trustees: James A. Bowen, Richard E. Erickson, Thomas R. Kadlec, Robert F. Keith and Niel B. Nielson. Each Trustee has indicated his willingness to continue to serve if elected. If elected, each nominee will hold office for the term specified below or until his successor is elected and qualified, or until he resigns, retires or is otherwise removed. Each nominee's term is in accordance with the structure of the staggered Board, pursuant to an amendment to the Funds' By-Laws, which was approved by the Board of each Fund on December 10, 2006. As a result of the amendment to the Funds' By-Laws, three classes of Trustees were established: Class I Trustees serve for a term of one year, Class II Trustees serve for a term of two years and Class III Trustees serve for a term of three years. Each of the nominees was elected to each Fund's Board by the Fund's initial shareholder on the Fund's respective organizational date, except for Trustee Keith, who was appointed to the Board of the Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund on June 12, 2006 by the Trustees. In addition, each of the nominees, except for Trustee Keith, was elected to the Board of the Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust Strategic High Income Fund to serve a one-year term by the Shareholders at the last Joint Annual Meetings of Shareholders of these Funds held on April 17, 2006. For the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, each of the nominees was elected to this Fund's Board to serve a one-year term by the Shareholders at its last Joint Annual Meeting of Shareholders held on September 11, 2006. The fiscal year end for the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund has been changed from May 31 to November 30. This is the first Annual Meeting of Shareholders for First Trust/Aberdeen Emerging Opportunity Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund. a. For Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, Energy Income and Growth Fund, First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund, First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust/Aberdeen Emerging Opportunity Fund: Five (5) Trustees are to be elected by holders of Common Shares of each Fund, voting as a single class. Trustee Keith is a nominee for election as a Class I Trustee by all Shareholders of each Fund for a one-year term; Trustees Erickson and Kadlec are nominees for election as Class II Trustees by all Shareholders of each Fund for a two-year term; and Trustees Bowen and Nielson are nominees for election as Class III Trustees by all Shareholders of each Fund for a three-year term. b. For First Trust Tax-Advantaged Preferred Income Fund: i. Three (3) Trustees are to be elected by holders of Common and Preferred Shares of the Fund, voting together as a single class. Trustee Erickson is a nominee for election as a Class II Trustee by holders of Common and Preferred Shares of the Fund for a two-year term; Trustees Bowen and Nielson are nominees for election as Class III Trustees by holders of Common and Preferred Shares of the Fund for a three-year term; and -6- ii. Two (2) Trustees are to be elected by holders of Preferred Shares of the Fund, voting as a single class. Trustee Keith is a nominee for election as a Class I Trustee by holders of Preferred Shares of the Fund for a one-year term; and Trustee Kadlec is a nominee for election as a Class II Trustee by holders of Preferred Shares of the Fund for a two-year term. Required Vote: The Trustees, including those who are not "interested persons" of the Funds ("Independent Trustees") as that term is defined in the 1940 Act, shall be elected by the affirmative vote of the holders of a plurality of the Shares of each Fund cast in person or by proxy and entitled to vote thereon, provided a quorum is present. Abstentions and broker "non-votes" will have no effect on the approval of the proposal. Proxies cannot be voted for a greater number of persons than the number of nominees named. Unless you give contrary instructions on the enclosed proxy card, your Shares will be voted FOR the election of the nominees listed if your proxy card has been properly executed and timely received by the Fund. If any of the nominees should withdraw or otherwise become unavailable for election, your Shares will be voted FOR such other nominee or nominees as management may recommend. THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 1. -7-

Proposal 2: Approval of Change in Industry Concentration Policy First Trust Strategic High Income Fund First Trust Strategic High Income Fund II Certain investment restrictions of the First Trust Strategic High Income Fund and the First Trust Strategic High Income Fund II (the "Strategic Funds") are matters of fundamental policy and may not be changed with respect to a Fund without the approval of that Fund's shareholders. Under the 1940 Act, all funds are required to have a fundamental policy about concentration of their investments in a particular industry or group of

industries. While the 1940 Act does not define "concentration in an industry," the staff of the Securities and Exchange Commission has taken the position that investment of 25% or more of a fund's total assets in one or more issuers conducting their principal activities in the same industry or group of industries constitutes concentration. The following chart contains the Strategic Funds' current fundamental investment restriction with respect to industry concentration and its proposed replacement.

Current	Fundamental	Proposed	Fundamental	Investment Restriction
The Fund may not purchase any security if, as a result of the Under normal market conditions, the Fund will invest at least purchase, 25% or more of the Fund's total assets (taken at 25% of its total assets in residential mortgage-backed current value) would be invested in the securities of securities. The Fund may not purchase any security if, as a borrowers and other issuers having their principal business result of the purchase, 25% or more of the Fund's total assets activities in the same industry; provided, that this (taken at current value) would be invested in the securities limitation shall not apply with respect to obligations issued of borrowers and other issuers having their principal business or guaranteed by the U.S. government or by its agencies or activities in the same industry; provided, that this instrumentalities. limitation shall not apply with respect to residential mortgage-backed securities or obligations issued or guaranteed by the U.S. government or by its agencies or instrumentalities. At a meeting of the Board of Trustees of the Strategic Funds held on January 17, 2007, the Advisor and Valhalla Capital Partners, LLC ("Valhalla"), the sub-adviser to the Strategic Funds, recommended to the Board of Trustees that residential mortgage-backed securities be excluded from the 25% limitation with respect to industry concentration. Residential mortgage-backed securities have historically offered very compelling risk/reward characteristics within the structured finance area. Valhalla believes that removing the limitation on residential mortgage-backed securities will bring the Strategic Funds in line with the original intent of their investment strategy. At the same meeting, the Board of Trustees of the Strategic Funds, including a majority of the Board members who are not "interested persons" of the Strategic Funds, First Trust Advisors or Valhalla ("Independent Trustees"), unanimously determined that the changes in the industry concentration policies were in the best interests of the Strategic Funds and approved such changes, subject to approval by shareholders. The 1940 Act requires that such changes be approved by the Strategic Funds' shareholders in order for them to become effective. If approved by shareholders, the changes to each Fund's concentration policies are -8- expected to become effective shortly after such approval. In the event shareholders do not approve such changes, the Board will take such action as it deems to be in the best interests of the Strategic Funds.				

**Description of Residential Mortgage-Backed Securities.** Residential mortgage-backed securities represent direct or indirect participations in, or are secured by and payable from, pools of assets which include all types of residential mortgage products. **Risks.** Each Strategic Fund's total assets will be concentrated in residential mortgage-backed securities. A fund concentrated in a single industry is likely to present more risks than a fund that is broadly diversified over several industries. Mortgage-backed securities may have less potential for capital appreciation than comparable fixed income securities, due to the likelihood of increased prepayments of mortgages as interest rates decline. If a Strategic Fund buys mortgage-backed securities at a premium, mortgage foreclosures and prepayments of principal by mortgagors (which usually may be made at any time without penalty) may result in some loss of the Strategic Fund's principal investment to the extent of the premium paid. Alternatively, in a rising interest rate environment, the value of mortgage-backed securities may be adversely affected when payments on underlying mortgages do not occur as anticipated, resulting in the extension of the security's effective maturity and the related increase in interest rate sensitivity of a longer-term instrument. The value of mortgage-backed securities may also change due to shifts in the market's perception of issuers and regulatory or tax changes adversely affecting the markets as a whole. In addition, mortgage-backed securities are subject to the credit risk associated with the performance of the underlying mortgage properties. In certain instances, third-party guarantees or other forms of credit support can reduce the credit risk. The Strategic Funds may also invest in mortgage-backed securities which are interest-only ("IO") securities and principal-only ("PO") securities. An IO security receives some or all of the interest portion of the underlying collateral and little or no principal. A reference principal value called a notional value is used to calculate the amount of interest due. IOs are sold at a deep discount to their notional principal amount. A PO security does not receive any interest, is priced at a deep discount to its redemption value and ultimately receives the redemption value. Generally speaking, when interest rates are falling and prepayment rates are increasing, the value of a PO security will rise and the value of an IO security will fall. Conversely, when interest rates are rising and prepayment rates are decreasing, generally the value of a PO security will fall and the value of an IO security will rise. **Required Vote.** The vote of a majority of the outstanding voting securities of each Strategic Fund will be required for the approval of the

change in each Fund's concentration policy. The "vote of a majority of the outstanding voting securities" is defined in the 1940 Act as the vote of the lesser of (i) 67% or more of the shares of the Fund entitled to vote thereon present at the Meeting if the holders of more than 50% of such outstanding shares are present in person or represented by proxy; or (ii) more than 50% of such outstanding shares of the Fund. For purposes of determining the approval of the change in concentration policy, abstentions and broker non-votes will have the effect of a vote against the proposal. The change in industry concentration policy will not be implemented unless the required vote is received. THE BOARD OF TRUSTEES OF THE STRATEGIC FUNDS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS OF THE STRATEGIC FUNDS VOTE FOR PROPOSAL 2. IF YOU NEED ANY -9- ASSISTANCE, OR HAVE ANY QUESTIONS REGARDING PROPOSAL 2 OR HOW TO VOTE YOUR SHARES, CALL (800) 761-6707 WEEKDAYS FROM 9:00 A.M. TO 10:00 P.M. EASTERN TIME. -10- Additional Information Management of the Funds The management of each Fund, including general supervision of the duties performed for each Fund under the investment management agreement between each Fund and the Adviser, is the responsibility of the Board of Trustees. There are five Trustees of each Fund, one of whom is an "interested person" (as the term "interested person" is defined in the 1940 Act) and four of whom are Independent Trustees. During the past five years, no Independent Trustee has been a trustee, director or employee of, or consultant to, the Adviser, any sub-adviser described below under "Investment Adviser, Sub-advisers and Administrator," or any of their affiliates. The Trustees of the Funds set broad policies for each Fund, choose each Fund's officers, and hire each Fund's investment adviser and sub-adviser. The officers of the Funds manage the day-to-day operations and are responsible to the Funds' Board of Trustees. The following is a list of Trustees and officers of the Funds and a statement of their present positions, principal occupations during the past five years, the number of portfolios each oversees and the other directorships the Trustees hold, if applicable. The annual retainer is allocated equally among each of the investment companies. No additional meeting fees are paid in connection with board or committee meetings. Additionally, Mr. Kadlec is paid \$10,000 -16- annually to serve as the Lead Trustee and Mr. Nielson is paid \$5,000 annually to serve as Chairman of the Audit Committee, with such compensation paid by the funds in the First Trust Fund Complex and divided among those funds. Trustees are also reimbursed by the investment companies in the First Trust Fund Complex for travel and out- Page 12 of-pocket expenses in connection with all meetings. The Trustees adopted the revised plan because the increase in the number of funds in the First Trust Fund Complex had the effect of rapidly increasing their compensation under the previous arrangements. Prior to January 1, 2006, each Fund paid each Trustee who is not an officer or employee of First Trust Advisors, any sub-adviser or any of their affiliates an annual retainer of \$10,000, which included compensation for all board and committee meetings. The Board of Trustees of First Trust/FIDAC Mortgage Income Fund held seven meetings, the Board of Trustees of First Trust Strategic High Income Fund held eight meetings, the Board of Trustees of First Trust Strategic High Income Fund II held seven meetings and

the Board of Trustees of First Trust Tax-Advantaged Preferred Income Fund held five meetings during the fiscal year ended October 31, 2006. The Board of Trustees of Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund held eight meetings and the Board of Trustees of Energy Income and Growth Fund held seven meetings during the fiscal year ended November 30, 2006. The Board of Trustees of First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust/Aberdeen Emerging Opportunity Fund held eight meetings, eight meetings and five meetings, respectively, during the fiscal year ended December 31, 2006. Each of the Trustees attended all of the meetings of the Board of Trustees of the Funds. The aggregate fees and expenses paid to the Trustees by each Fund for their respective fiscal years (including reimbursement for travel and out-of-pocket expenses) amounted to the following: Fund Aggregate Fees and Expenses Paid Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund 1 \$20,625.10 Energy Income and Growth Fund \$49,957.43 First Trust/Fiduciary Asset Management Covered Call Fund \$41,371.85 First Trust/Aberdeen Global Opportunity Income Fund \$47,744.04 First Trust/FIDAC Mortgage Income Fund \$40,354.36 First Trust Strategic High Income Fund \$40,841.09 First Trust Strategic High Income Fund II \$20,446.33 First Trust Tax-Advantaged Preferred Income Fund \$10,041.87 First Trust/Aberdeen Emerging Opportunity Fund \$20,045.05 1 As a result to the Fund's fiscal year end change from May 31 to November 30, the aggregate fees and expenses represent the six month period ended November 30, 2006. The table on the following page sets forth certain information regarding the compensation of each Fund's Trustees for their respective fiscal years. The Funds have no retirement or pension plans.

1 For fiscal year ended October 31, 2006. 2 For fiscal year ended November 30, 2006. 3 For fiscal year ended December 31, 2006. 4 Except for Robert Keith, who became a Trustee on June 12, 2006, the compensation from the Fund has been estimated for the current fiscal year. 5 Mr. Keith became a Trustee on June 12, 2006. The total compensation paid to Messrs. Erickson, Kadlec, Keith and Nielson, Independent Trustees of each fund in the First Trust Fund Complex, includes compensation for their services as Trustees to First Defined Portfolio Fund, LLC, First Trust Value Line(R) 100 Fund, First Trust Value Line(R) Dividend Fund, First Trust/Four Corners Senior Floating Rate Income Fund, Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund, First Trust Value Line(R) & Ibbotson Equity Allocation Fund, First Trust/Four Corners Senior Floating Rate Income Fund II, First Trust Exchange-Traded Fund and the Funds, except for Mr. Keith, whose total compensation does not include any compensation from First Defined Portfolio Fund, LLC.

-18- The officers and the interested Trustee of each Fund receive no compensation from the Funds for serving in such capacity. Committees Audit Committee The Board of Trustees has an Audit Committee, which consists of Messrs. Erickson, Kadlec, Keith and Nielson, all of whom are "independent" as defined in the listing standards of the American Stock Exchange and the New York Stock Exchange. Mr. Kadlec and Mr. Keith serve as Audit Committee Financial Experts. The Audit Committee is responsible for overseeing each Fund's accounting and financial reporting process, the system of internal controls, audit process and evaluating and appointing the independent registered public accounting firm (subject also to Board approval). For the fiscal year ended October 31, 2006, the Audit Committee met five times, five times, three times and two times for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund, respectively. For the fiscal year ended November 30, 2006, the Audit Committee met six times for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund. For the fiscal year ended December 31, 2006, the Audit Committee met seven times, seven times and two times for First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund

and First Trust/Aberdeen Emerging Opportunity Fund, respectively. Each of the Trustees attended all of the meetings of the Audit Committee of the Board of Trustees of each Fund, except for Trustee Keith, who was appointed to the Audit Committee on June 12, 2006 and thus attended only those meetings held on June 12, 2006 and thereafter. In carrying out its responsibilities, the Audit Committee pre-approves all audit services for each Fund and permitted non-audit services (including the fees and terms thereof) to be performed for each Fund and the Adviser by Deloitte & Touche LLP ("Deloitte & Touche"), the Funds' independent registered public accounting firm ("independent auditors"). The Chairman of the Audit Committee is authorized to give such pre-approvals on behalf of the Audit Committee for engagements of less than \$25,000. Any decisions by the Chairman to grant pre-approvals are reported to the full Audit Committee at the next regularly scheduled meeting. Audit Committee Report The role of the Audit Committee is to assist the Board of Trustees in its oversight of each Fund's accounting and financial reporting process. The Audit Committee operates pursuant to a Charter that was most recently reviewed and approved by the Board of Trustees on December 10, 2006, a copy of which is attached as Exhibit A hereto, and is available on each Fund's website located at <http://www.ftportfolios.com>. As set forth in the Charter, management of each Fund is responsible for maintaining appropriate systems for accounting and internal controls and the audit process. The Funds' independent auditors are responsible for planning and carrying out proper audits of the Funds' financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America. In performing its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors, Deloitte & Touche, the audited financial statements of the First Trust/FIDAC -19- Mortgage Income Fund, the First Trust Strategic High Income Fund, the First Trust Strategic High Income Fund II and the First Trust Tax- Advantaged Preferred Income Fund for the fiscal years ended October 31, 2006 at a meeting held on December 10, 2006; the Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and the Energy Income and Growth Fund for the fiscal year ended November 30, 2006 at a meeting held on January 17, 2007; and First Trust/Fiduciary Asset Management Covered Call Fund, the First Trust/Aberdeen Global Opportunity Income Fund and the First Trust/Aberdeen Emerging Opportunity Fund for the fiscal years ended December 31, 2006 at a meeting held on February 21, 2007, and discussed the audit of such financial statements with the independent auditors and management. In addition, the Audit Committee discussed with the independent auditors the accounting principles applied by each Fund and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement on Auditing Standards No. 61, Communications with Audit Committees, as currently modified or supplemented. The Audit Committee also received from the independent auditors the written disclosures and letter required by Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, delineating relationships between the independent auditors and each Fund and discussed the impact that any such relationships may have on the objectivity and independence of the independent auditors. The members of each Fund's Audit Committee are not full-time employees of the Fund and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of each Fund's Audit Committee necessarily rely on the information provided to them by Fund management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of each Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the independent auditors are in fact "independent." Based on its consideration of the Funds' audited financial statements and the discussions referred to above with Fund management and Deloitte & Touche, and subject to the limitations on the responsibilities and role of the Audit Committee as set forth in the Charter and discussed above, the Audit Committee recommended to the Board the inclusion of each Fund's audited financial statements for the years ended October 31, November 30, and December 31, 2006 in its Annual Report dated October 31, November 30, and December 31, 2006, respectively. Submitted by the Audit Committee of the Funds: Richard E. Erickson Thomas R. Kadlec Robert F. Keith Niel B. Nielson Independent Auditors' Fees Deloitte & Touche has been selected to serve as the independent auditors for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund for the fiscal years ending October 31, 2007, for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund for the fiscal years ending November 30, 2007, and for First Trust/Fiduciary Asset -20- Management Covered Call Fund, First Trust/Aberdeen

Deloitte & Touche has advised the Funds that, to the best of its knowledge and belief, Deloitte & Touche professionals did not have any direct or material indirect ownership interest in the Funds inconsistent with independent professional standards pertaining to independent registered public accounting firms. It is expected that representatives of Deloitte & Touche will be present at the Meeting to answer any questions that may arise and will have the opportunity to make a statement if they desire to do so. In reliance on Rule 32a-4 under the 1940 Act, each Fund is not seeking shareholder ratification of the selection of Deloitte & Touche as independent auditors. All of the Audit Fees, Audit Related Fees, Tax Fees, All Other Fees and Aggregate Non-Audit Fees for the Funds and the Adviser disclosed in the tables set forth above were pre-approved by the Audit

Committee pursuant to its pre-approval policies. None of these fees were pre-approved by the Audit Committee pursuant to the pre-approval exceptions included in Regulation S-X. Other Committees The Board of Trustees of the Funds has three other standing committees: the Executive Committee (and Dividend and Pricing Committee), the Nominating and Governance Committee and the Valuation Committee. The Executive Committee, which meets between Board meetings, is authorized to exercise all powers of and to act in the place of the Board of Trustees to the extent permitted by each Fund's Declaration of Trust and By-Laws. The members of the Executive Committee also serve as a special committee of the Board of Trustees known as the Dividend and Pricing Committee which is authorized to exercise all of the powers and authority of the Board in respect of the declaration and setting of dividends and the issuance and sale, through an underwritten public offering, of the Shares of each Fund and all other such matters relating to such financing, including determining the price at which such Shares are to be sold and approval of the final terms of the underwriting agreement, including approval of the members of the underwriting syndicate. Messrs. Bowen and Kadlec are members of the Executive Committee. The Executive Committee serving as the Dividend and Pricing Committee for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund met a total of eleven times, twelve times, seven times and two times, respectively, during the fiscal year ended October 31, 2006. The Executive Committee serving as the Dividend and Pricing Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund met a total of six times and four times, respectively, during the fiscal year ended November 30, 2006. During the fiscal year ended December 31, 2006, the Executive Committee serving as the Dividend and Pricing Committee met a total of four times for First Trust/Fiduciary Asset Management Covered Call Fund; thirteen times for First Trust/Aberdeen Global Opportunity Income Fund; and two times for First Trust Aberdeen Emerging Opportunity Fund. Each Fund's Executive Committee met to authorize the Funds' dividend declarations and to authorize the initial public offering of the applicable Funds. Each Fund's Nominating and Governance Committee (the "Committee") is composed entirely of Independent Trustees who are also "independent directors" within the meaning of the listing standards of the American and New York Stock Exchanges. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Committee. The purpose of the Committee is to oversee matters related to the nomination of trustees and, as necessary, the corporate governance of each Fund. The Committee is responsible for, among other things, seeking, identifying and nominating qualified candidates for election or appointment as trustees in the event of a vacancy, consistent with criteria approved by the Board, for the next annual meeting of shareholders; evaluating Board performance and processes; reviewing Board committee assignments; and, to the extent necessary or desirable, establishing corporate governance guidelines and procedures. The Committee operates under a written charter adopted and -23- approved by the Board, a copy of which is available on the Funds' website at [www.ftportfolios.com](http://www.ftportfolios.com). The Committee for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax-Advantaged Preferred Income Fund met a total of six times, six times, four times and two times, respectively, during the fiscal year ended October 31, 2006. The Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund met a total of five times and five times, respectively, during the fiscal year ended November 30, 2006. The Committee for First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust/Aberdeen Emerging Opportunity Fund met a total of five times, five times and two times, respectively, during the fiscal year ended December 31, 2006. If there is no vacancy on the Board, the Board will not actively seek recommendations from other parties, including shareholders. When a vacancy on the Board occurs, the Committee may seek recommendations for candidates from those sources it deems appropriate in its discretion, including shareholders of the Funds. The Committee may retain a search firm to identify candidates. Any proposal to elect any person nominated by shareholders for election as trustee may only be brought before an annual meeting of a Fund if timely written notice (the "Shareholder Notice") is provided to the Secretary of the Fund. In accordance with the advance notice provisions included in the Funds' By-Laws, unless a greater or lesser period is required under applicable law, to be timely, the Shareholder Notice must be delivered to or mailed and received at the Fund's address, 1001 Warrenville Road, Suite 300, Lisle, Illinois 60532, Attn: W. Scott Jardine, not less than forty-five (45) days nor more than sixty (60) days prior to the first anniversary date of the date of the Fund's proxy statement released to shareholders for the prior year's annual meeting; provided, however, if and only if the annual meeting is not scheduled to be held within a period that commences thirty (30) days before the first anniversary date of the annual meeting for

the preceding year and ends thirty (30) days after such anniversary date (an annual meeting date outside such period being referred to herein as an "Other Annual Meeting Date"), such Shareholder Notice must be given in the manner provided herein by the later of the close of business on (i) the date forty-five (45) days prior to such Other Annual Meeting Date or (ii) the tenth (10th) business day following the date such Other Annual Meeting Date is first publicly announced or disclosed. Any shareholder submitting a nomination of any person or persons (as the case may be) for election as a trustee or trustees of a Fund shall deliver, as part of such Shareholder Notice: (i) a statement in writing setting forth (A) the name, age, date of birth, business address, residence address and nationality of the person or persons to be nominated; (B) the class or series and number of all shares of the Fund owned of record or beneficially by each such person or persons, as reported to such shareholder by such nominee(s); (C) any other information regarding each such person required by paragraphs (a), (d), (e) and (f) of Item 401 of Regulation S-K or paragraph (b) of Item 22 of Rule 14a-101 (Schedule 14A) under the 1934 Act (or any successor provision thereto); (D) any other information regarding the person or persons to be nominated that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitation of proxies for election of trustees or directors pursuant to Section 14 of the 1934 Act and the rules and regulations promulgated thereunder; and (E) whether such shareholder believes any nominee is or will be an "interested person" of the Fund (as defined in the 1940 Act) and, if not an "interested person," information regarding each nominee that will be sufficient for the Fund to make such determination; and (ii) the written and signed consent of any person nominated to be named -24- as a nominee and to serve as a trustee if elected. In addition, the Trustees may require any proposed nominee to furnish such other information as they may reasonably require or deem necessary to determine the eligibility of such proposed nominee to serve as a trustee. Without limiting the foregoing, any shareholder who gives a Shareholder Notice of any matter proposed to be brought before a shareholder meeting (whether or not involving nominees for trustees) shall deliver, as part of such Shareholder Notice: (i) the description of and text of the proposal to be presented; (ii) a brief written statement of the reasons why such shareholder favors the proposal; (iii) such shareholder's name and address as they appear on the Fund's books; (iv) any other information relating to the shareholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with the solicitation of proxies with respect to the matter(s) proposed pursuant to Section 14 of the 1934 Act; (v) the class or series and number of all shares of the Fund owned beneficially and of record by such shareholder; (vi) any material interest of such shareholder in the matter proposed (other than as a shareholder); (vii) a representation that the shareholder intends to appear in person or by proxy at the shareholder meeting to act on the matter(s) proposed; (viii) if the proposal involves nominee(s) for trustees, a description of all arrangements or understandings between the shareholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by the shareholder; and (ix) in the case of a shareholder (a "Beneficial Owner") that holds shares entitled to vote at the meeting through a nominee or "street name" holder of record, evidence establishing such Beneficial Owner's indirect ownership of, and entitlement to vote, shares at the meeting of shareholders. Shares "beneficially owned" means all shares which such person is deemed to beneficially own pursuant to Rules 13d-3 and 13d-5 under the 1934 Act. If a recommendation is received with satisfactorily completed information regarding a candidate during a time when a vacancy exists on the Board or during such other time as the Committee is accepting recommendations, the recommendation will be forwarded to the Chairman of the Committee and outside counsel to the Independent Trustees. Recommendations received at any other time will be kept on file until such time as the Committee is accepting recommendations at which point they may be considered for nomination. In recruiting new trustees, the Committee seeks to recruit and retain qualified independent trustees of high integrity, whose skills and experience will enhance the Board's ability to effectively represent the interests of the Funds' shareholders and oversee the wide range of regulatory and business issues affecting the Funds. A candidate for trustee must meet certain basic requirements, including relevant skills and experience, time availability and if qualifying as a non-"interested person" candidate, independence from the Funds, investment adviser or other service providers. The qualifications of a particular candidate, however, may vary depending on the current composition of the Board and the mix of skills and backgrounds of the incumbent trustees since the Committee seeks to establish an effective Board with an appropriate range of skills and experience, in the aggregate. In addition to relevant skills and experience, all candidates must possess high standards of personal integrity that are assessed on the basis of personal interviews, recommendations, or direct knowledge by Committee members. The review process may include, without limitation, personal interviews, background checks, written submissions by the candidates and third party references. Under no circumstances shall

the Committee evaluate persons recommended by a shareholder of the Funds on a basis substantially different than that used for other persons recommended for the same election or appointment of trustees. The Committee reserves the right to make the final selection regarding the nomination of any trustees. -25- The Valuation Committee is responsible for the oversight of valuation procedures of the Funds. Messrs. Erickson, Kadlec, Keith and Nielson are members of the Valuation Committee. The Valuation Committee for First Trust/FIDAC Mortgage Income Fund, First Trust Strategic High Income Fund, First Trust Strategic High Income Fund II and First Trust Tax- Advantaged Preferred Income Fund met a total of [four times, four times, three times and two times,] respectively, during the fiscal year ended October 31, 2006. The Valuation Committee for Macquarie/First Trust Global Infrastructure/Utilities Dividend & Income Fund and Energy Income and Growth Fund met a total of [four times and four times,] respectively, during the fiscal year ended November 30, 2006. The Valuation Committee for First Trust/Fiduciary Asset Management Covered Call Fund, First Trust/Aberdeen Global Opportunity Income Fund and First Trust/Aberdeen Emerging Opportunity Fund met a total of [four times, four times and two times,] respectively, during the fiscal year ended December 31, 2006.

Attendance at Annual Shareholder Meetings The policy of the Board is to have as many Trustees as possible in attendance at annual meetings of shareholders. The Chairman of the Committee is authorized to give such pre-approvals on behalf of the Committee, and shall report any such pre-approval to the full Committee. 6. The Committee shall present its conclusions with respect to the External Auditors to the Board. 8. The Committee shall review reports and other information provided to it by the External Auditors regarding any illegal acts that the External Auditors should discover (whether or not perceived to have a material effect on the Fund's financial statements), in accordance with and as required by Section 10A(b) of the Exchange Act. 9. The Committee shall ensure the rotation of the lead (or concurring) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law, and further considering the rotation of the independent auditor firm itself. 10. The Committee shall establish and recommend to the Board for ratification a policy of the Funds with respect to the hiring of employees or former employees of the External Auditors who participated in the audits of the Funds' financial statements. 11. The Committee shall take (and, where appropriate, recommend that the Board take) appropriate action to oversee the independence of the External Auditors. A-3 12. The Committee shall report regularly to the Board on the results of the activities of the Committee, including any issues that arise with respect to the quality or integrity of the Funds' financial statements, the Funds' compliance with legal or regulatory requirements, the performance and independence of the Funds' External Auditors, or the performance of the internal audit function, if any.
